

Selecta Biosciences to Participate at the 2022 H.C. Wainwright BioConnect Conference

January 5, 2022

WATERTOWN, Mass., Jan. 05, 2022 (GLOBE NEWSWIRE) -- Selecta Biosciences, Inc. (NASDAQ: SELB), a biotechnology company leveraging its clinically validated ImmTOR™ platform to develop tolerogenic therapies that selectively mitigate unwanted immune responses, today announced that Company's Management will provide a corporate update at the H.C. Wainwright BioConnect Conference, to be held virtually January 10-13, 2022.

The presentation will be available on-demand through the H.C. Wainwright conference portal, starting at 7 a.m. ET on Monday, January 10, 2022.

The webcast can be accessed [here](#) and an archived webcast will also be accessible in the [Investors & Media](#) section of the company's website at www.selectabio.com.

About Selecta Biosciences, Inc.

Selecta Biosciences Inc. (NASDAQ: SELB) is a clinical stage biotechnology company leveraging its ImmTOR™ platform to develop tolerogenic therapies that selectively mitigate unwanted immune responses. With a proven ability to induce tolerance to highly immunogenic proteins, ImmTOR has the potential to amplify the efficacy of biologic therapies, including redosing of life-saving gene therapies, as well as restore the body's natural self-tolerance in autoimmune diseases. Selecta has several proprietary and partnered programs in its pipeline focused on enzyme therapies, gene therapies, and autoimmune diseases. Selecta Biosciences is headquartered in the Greater Boston area. For more information, please visit www.selectabio.com.
