**Item 1.01. Entry into a Material Definitive Agreement.**

**Agreement and Plan of Merger**

On November 13, 2023, Selecta Biosciences, Inc., a Delaware corporation (“Selecta” or the “Company”), acquired Cartesian Therapeutics, Inc., a Delaware corporation (“Cartesian”), in accordance with the terms of an Agreement and Plan of Merger, dated November 13, 2023 (the “Merger Agreement”), by and among Selecta, Sakura Merger Sub I, Inc., a Delaware corporation and wholly owned subsidiary of Selecta (“First Merger Sub”), Sakura Merger Sub II, LLC, a Delaware limited liability company and wholly owned subsidiary of Selecta (“Second Merger Sub”), and Cartesian. Pursuant to the Merger Agreement, First Merger Sub merged with and into Cartesian, pursuant to which Cartesian was the surviving corporation and became a wholly owned subsidiary of Selecta (the “First Merger”). Immediately following the First Merger, Cartesian merged with and into Second Merger Sub, pursuant to which Second Merger Sub was the surviving entity (the “Second Merger” and, together with the First Merger, the “Merger”). In connection with the Second Merger, Cartesian changed its name to Cartesian Bio, LLC.

The Merger is intended to qualify as a tax-free reorganization for U.S. federal income tax purposes. As a result of the Merger, Selecta changed its corporate name to Cartesian Therapeutics, Inc. and expects to trade under the symbol “RNAC” beginning on November 14, 2023.

Under the terms of the Merger Agreement, following the consummation of the Merger (the “Closing”), in exchange for the outstanding shares of capital stock of Cartesian immediately prior to the effective time of the First Merger, Selecta will issue to the stockholders of Cartesian that are “accredited investors,” as defined in Regulation D promulgated under the Securities Act of 1933, as amended (the “Securities Act”), (A) 6,723,662 shares of the common stock of Selecta, par value \$0.0001 per share (the “Common Stock”), which amount is (together with the shares underlying assumed Cartesian Options other than the Continuing Officer Options, each as defined and discussed below) approximately 19.9% of the number of shares of Common Stock outstanding immediately prior to the Merger, and (B) 384,930.725 shares of Series A Preferred Stock (as defined and described below), each share of which is convertible into 1,000 shares of Common Stock, subject to certain conditions described below. An exchange agent selected in accordance with the Merger Agreement will issue book-entry shares of Common Stock and Series A Preferred Stock to be issued in the Merger as soon as reasonably practicable, but no earlier than 21 days after the Closing and no later than 25 days after the Closing.

Reference is made to the discussion of the Series A Preferred Stock in Item 5.03 of this Current Report on Form 8-K, which is incorporated into this Item 1.01 by reference.

Pursuant to the Merger Agreement, Selecta has agreed to hold a stockholders’ meeting to submit the following matters to its stockholders for their consideration: (i) the approval of the conversion of shares of Series A Preferred Stock into shares of Common Stock in accordance with the rules of the Nasdaq Stock Market LLC (the “Conversion Proposal”), and (ii) either or both of (A) the approval of an amendment to Selecta’s restated certificate of incorporation, as amended (the “Charter”), to increase the number of shares of Common Stock authorized under the Charter and (B) the approval of an amendment to the Charter to effect a reverse stock split of all outstanding shares of Common Stock, in either case (A) and (B) by a number of authorized shares or at a stock split ratio, as the case may be, sufficient to allow the conversion of all shares of Series A Preferred Stock issued in the Merger, including the shares of Series A Preferred Stock underlying the assumed Continuing Officer Options (the “Charter Amendment Proposal,” and together with the Conversion Proposal, the “Meeting Proposals”). In connection with these matters, Selecta intends to file with the Securities and Exchange Commission (the “SEC”) a proxy statement and other relevant materials.

The Board of Directors of Selecta (the “Board”) unanimously approved the Merger Agreement and the related transactions. The Merger has been consummated substantially concurrently with the entry into the Merger Agreement, and was not subject to approval of Selecta stockholders.

The foregoing description of the Merger and the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, a copy of which is filed as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated herein by reference.

The Merger Agreement has been filed herewith to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual information about Selecta or Cartesian. The Merger Agreement contains representations, warranties and covenants that Selecta and Cartesian made to each other as of specific dates. The assertions embodied in those representations, warranties and covenants were made solely for purposes of the Merger Agreement between Selecta and Cartesian and may be subject to important qualifications and limitations agreed to by Selecta and Cartesian in connection with negotiating its terms, including being qualified by confidential disclosures exchanged between the parties in connection with the execution of the Merger Agreement. Moreover, the representations and warranties may be subject to a contractual standard of materiality that may be different from what may be viewed as material to investors or securityholders, or may have been used for the purpose of allocating risk between Selecta and Cartesian rather than establishing matters as facts. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in Selecta's public disclosures. For the foregoing reasons, no person should rely on the representations and warranties as statements of factual information at the time they were made or otherwise.

#### **Support Agreements**

In connection with the execution of the Merger Agreement, Selecta and Cartesian entered into stockholder support agreements (the "Support Agreements") with certain of Selecta's officers, directors and stockholders. Pursuant to the Support Agreements, among other things, each of the Selecta stockholder parties thereto has agreed to vote or cause to be voted all of the shares of Common Stock owned by such stockholder in favor of the Meeting Proposals.

The foregoing description of the Support Agreements does not purport to be complete and is qualified in its entirety by reference to the full text of the form of the Support Agreement, a copy of which is included as Exhibit C to the Merger Agreement, which is filed as Exhibit 2.1 to this Current Report on Form 8-K and incorporated herein by reference.

#### **Lock-up Agreements**

Concurrently and in connection with the execution of the Merger Agreement, certain Cartesian stockholders as of immediately prior to the Closing, and certain of the directors and officers of Selecta as of immediately prior to the Closing entered into lock-up agreements with Selecta and Cartesian, pursuant to which each such stockholder agreed to be subject to a 180-day lockup on the sale or transfer of shares of the Company held by each such stockholder at the Closing, including those shares of Common Stock and Series A Preferred Stock (including the shares of Common Stock into which such Series A Preferred Stock is convertible) received by each such stockholder in the Merger (the "Lock-up Agreements").

The foregoing description of the Lock-up Agreements does not purport to be complete and is qualified in its entirety by reference to the full text of the form of the Lock-up Agreement, a copy of which is included as Exhibit B to the Merger Agreement, which is filed as Exhibit 2.1 to this Current Report on Form 8-K and incorporated herein by reference.

#### **Contingent Value Rights Agreement**

The Merger Agreement provides that no later than 30 days following the Closing, the Company will enter into a contingent value rights agreement (the "CVR Agreement") with a trustee entity (the "Trustee"), pursuant to which each holder of Common Stock as of the applicable record date will be entitled to one contractual contingent value right (each, a "CVR") issued by the Company, subject to and in accordance with the terms and conditions of the CVR Agreement, for each share of Common Stock held by such holder as of the applicable record time. Holders of the warrants to purchase Common Stock of Selecta (a "Selecta Warrant") will be entitled to receive, upon exercise of such Selecta Warrant and in accordance with the terms thereof, one CVR per each such share of Common Stock underlying such Selecta Warrant, assuming the same had been exercised on the record date for distribution of the CVR; except that the holders of the Selecta Warrants issued on April 11, 2022 will, as required by the terms of such Selecta Warrants, receive such CVRs upon the initial distribution of CVRs made to the holders of Common Stock, even if such Selecta Warrants are not exercised.

When issued, each contingent value right will entitle the holder (the "Holder") thereof to distributions of the following, pro rated on a per-CVR basis, during the period ending on the date on which the Royalty Term (as defined in the Company's License and Development Agreement, as amended, with Swedish Orphan Biovitrum AB (publ.) (the "Sobi License")) ends (the "Termination Date"):

- (i) 100% of all milestone payments, royalties and other amounts paid to the Company or its controlled affiliates (the "Company Entities") prior to the Termination Date under the Sobi License or, following certain terminations of the Sobi License, any agreement a Company Entity enters into that provides for the development and commercialization of SEL-212 (a "New Applicable Agreement"); and
- (ii) 100% of all cash consideration and the actual liquidation value of any and all non-cash consideration of any kind that is paid to or is actually received by any Company Entity prior to the Termination Date pursuant to an agreement between a Company Entity and any person who is not a Company Entity relating to a sale, license, transfer or other disposition of any transferable asset of the Company Entities existing as of immediately prior to the Merger (a "Disposition") other than those exclusively licensed under the Sobi License or which the Company Entities are required to continue to own in order to comply with the Sobi License (a "Disposition Agreement").

The distributions in respect of the CVRs will be made on a semi-annual basis, and will be subject to a number of deductions, subject to certain exceptions or limitations, including for (A) certain taxes, (B) certain out-of-pocket expenses incurred by the Company Entities, including audit and accounting fees incurred in connection with reporting obligations relating to the CVRs, in respect of its performance of the Sobi License or any New Applicable Agreement, in connection with the entry into a Disposition Agreement and under any Disposition Agreement and performance of the Company Entities' related obligations thereunder, (C) a fixed amount of \$750,000 for each Distribution Period (as defined below) to account for general and administrative overhead incurred by the Company Entities, (D) in the case of a distribution that includes payments for certain milestones under clause (ii) above and for the upfront portion, if any, of the consideration payable under a Disposition Agreement (a "Trigger Distribution"), the sum of payments made under any liabilities of the Company Entities arising under real property leases in effect as of immediately prior to Closing ("Lease Liabilities") after the Closing and the aggregate remaining payment obligations under the Lease Liabilities outstanding as of the applicable date of measurement (but subject to a positive adjustment in case amounts held back under this clause (D) exceed the liabilities actually incurred under the Lease Liabilities at the time such a lease expires or is terminated, assigned or subleased), and (E) in the case of a Trigger Distribution, the sum of payments made after the Closing under certain liabilities relating to the Company's Xork product candidate ("Xork Liabilities") after the Closing and the aggregate remaining payment obligations under Xork Liabilities outstanding as of the applicable date of measurement but subject to a positive adjustment in case amounts held back under this clause (E) exceed the liabilities actually incurred under the Xork Liabilities at such time as the development activities with respect to Xork are terminated, transferred or assigned by the Company Entities or otherwise completed in accordance with the development plan set forth in the Company's License and Development Agreement with Audentes Therapeutics, Inc. (the "Astellas Agreement"), when such termination, transfer, assignment or completion occurs.

The Company will calculate the amount of any payment due on the CVRs for each six-month period from January 1 through June 30 and each six-month period from July 1 through December 31 of each year (each such period, a "Distribution Period"), except that the initial Distribution Period will commence on the date of the CVR Agreement and run through June 30, 2024. Payments on the CVRs will be cumulative and will be payable no later than the close of business on each March 15 (for Distribution Periods that end on December 31) and September 15 (for Distribution Periods that end on June 30), commencing on September 15, 2024 (each such date, a "Distribution Payment Date"), to holders of record of the CVRs as of the close of business on the first day of the month of the applicable Distribution Payment Date. If a Distribution Payment Date is not a business day, payment will be made on the immediately succeeding business day, without the accumulation of additional distributions. If the amount of any per-CVR distribution is less than \$0.02, the Company may elect to defer such distribution until the next Distribution Payment Date when the aggregate per-CVR distribution would be \$0.02 or greater.

Under the CVR Agreement, as long as any CVRs are outstanding, the Company will not: (i) without the affirmative vote of the Holders of at least 66 and 2/3% of the then-outstanding CVRs modify in a manner adverse to the Holders any provision contained in the CVR Agreement with respect to the termination of the CVR Agreement or the CVRs, or the time for payment and amount of any distribution, or modify in any manner any provision of the CVR Agreement

if such modification would reduce the amounts payable in respect of the CVRs or modify any other payment term or payment date, (ii) without the consent of each Holder of each outstanding CVR affected thereby, reduce the number of CVRs, or modify any provision referenced in the preceding clause (i) or this clause (ii), except to increase the percentage of Holders from whom consent is required or to provide that certain other provisions of the CVR Agreement cannot be modified or waived without the consent of the Holder of each CVR affected thereby, (iii) without the consent of the affirmative vote of the Holders of a majority of the then-outstanding CVRs, alter, change, amend, or modify, in each case in any material respect or in any manner adverse to the Holders, the Sobi License, the Astellas Agreement, or the Company's Exclusive License Agreement with Genovis AB (publ.), terminate the Sobi License, or sell, license, assign, transfer, enter into any monetization transaction, or otherwise dispose of or otherwise grant or suffer to exist a mortgage, pledge, lien, encumbrance or other security interest on all or a portion of (A) the patents or patent applications licensed under the Sobi License or (B) the Sobi License or any rights to receive any milestone payments, royalties or other amounts under the Sobi License, and (iv) subject to limited exceptions, issue any additional CVRs, other than pursuant to the Merger Agreement to former holders of Selecta's Common Stock or to holders of warrants to purchase Common Stock.

Additionally, in the event of certain terminations of the Sobi License at a time when any CVRs are outstanding, the Company will, and will cause its applicable related entities to, exercise its rights to obtain a "reversion license" and enforce any of its rights under the terminated Sobi License that survive the termination or expiration thereof.

Under the CVR Agreement, the Trustee has, and Holders of at least 20% of the CVRs then-outstanding may also instruct the Trustee to exercise, certain rights to inspection, audit, and enforcement on behalf of all Holders of the CVRs.

The foregoing description of the CVR Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the form of the CVR Agreement, a copy of which is included as Exhibit E to the Merger Agreement, which is filed as Exhibit 2.1 to this Current Report on Form 8-K and incorporated herein by reference.

### Treatment of Selecta Equity Awards

Upon the consummation of the First Merger:

- Each option to acquire shares of Common Stock (a "Company Stock Option") and each restricted stock unit award with respect to shares of Common Stock (a "Company RSU"), in each case that was outstanding and unvested immediately prior to the Effective Time (as defined in the Merger Agreement), vested in full at the Effective Time;
- each Company Option was canceled at the Effective Time, and in exchange therefor, former holders of such canceled Company Stock Options became entitled to receive (without interest), in consideration of the cancellation of such Company Stock Option, an amount in cash (less applicable tax withholdings) equal to the product of (A) the total number of shares of Common Stock subject to the unexercised portion of such Company Stock Option immediately prior to the Effective Time (determined after giving effect to the accelerated vesting) multiplied by (B) the excess, if any, of \$2.06 (the "Cash-out Amount") over the applicable exercise price per share of Common Stock under such Company Stock Option; provided, however, that, if the exercise price per share of Common Stock of any Company Stock Option was equal to or greater than the Cash-out Amount, such Company Stock Option was canceled and terminated without any consideration in respect thereof; and
- each restricted stock unit award with respect to shares of Common Stock (the "RSUs") was cancelled at the Effective Time, and the former holder of such canceled RSU became entitled, in exchange therefor, to receive (without interest) an amount in cash (less applicable tax withholdings) equal to the product of (A) the total number of shares of Common Stock deliverable under such RSU immediately prior to the Effective Time (determined after giving effect to the accelerated vesting) multiplied by (B) the Cash-out Amount.

#### **Treatment of Cartesian Options and Adoption of Cartesian's 2016 Stock Incentive Plan**

At the Effective Time, each option to purchase shares of Cartesian common stock (a "Cartesian Option"), other than Cartesian Options held by Drs. Kurtoglu, Miljkovic, and Jewell, that was outstanding and unexercised immediately prior to the Effective Time, whether or not vested, was converted into an option to purchase Common Stock. At the Effective Time, each Cartesian Option held by Drs. Kurtoglu, Miljkovic, and Jewell (a "Continuing Officer Option") that was outstanding and unexercised immediately prior to the Effective Time, whether or not vested, was converted into an option to purchase Series A Preferred Stock. Pursuant to the Merger Agreement, the Company assumed Cartesian's 2016 Stock Incentive Plan (the "Cartesian Plan") and each Cartesian Option in accordance with the terms of the Cartesian Plan and the terms of the stock option agreement by which such Cartesian Option is evidenced (but with changes to such documents as the Company in good faith determines are necessary to reflect the substitution of Cartesian Options by the Company to purchase shares of Common Stock or Series A Preferred Stock, as applicable, and the other terms set forth in the Merger Agreement). All rights with respect to Cartesian common stock under Cartesian Options assumed by the Company were converted into rights with respect to Common Stock or Series A Preferred Stock, as applicable. From and after the Effective Time:

- each Cartesian Option, other than the Continuing Officer Options, assumed by the Company may be exercised solely for shares of Common Stock;
- each Continuing Officer Option assumed by the Company may be exercised solely for shares of Series A Preferred Stock;
- no Cartesian Option, including the Continuing Officer Options, will be exercisable during the Company Options Blackout Period (as defined in the Merger Agreement);
- the number of shares of Common Stock subject to each Cartesian Option, other than the Continuing Officer Options, assumed by the Company will be determined by multiplying (A) the number of shares of Cartesian common stock that were subject to such Cartesian Option, as in effect immediately prior to the First Effective Time, by (B) the Exchange Ratio (as defined in the Merger Agreement), and rounding the resulting number down to the nearest whole number of shares of Common Stock;
- the per share exercise price for Common Stock issuable upon exercise of each Cartesian Option, other than the Continuing Officer Options, assumed by the Company will be determined by dividing (A) the per share exercise price of Cartesian common stock subject to such Cartesian Option, as in effect immediately prior to the Effective Time, by (B) the Exchange Ratio and rounding the resulting exercise price up to the nearest whole cent;
- the number of shares of Series A Preferred Stock subject to each Continuing Officer Option assumed by the Company will be determined by multiplying (A) the number of shares of Cartesian common stock that were subject to such Continuing Officer Option, as in effect immediately prior to the Effective Time, by (B) the Exchange Ratio (as defined in the Merger Agreement), and (C) dividing such resulting number by 1,000 and rounding the resulting number down to the nearest 1/1000th of a share of Series A Preferred Stock;
- the per share exercise price for Series A Preferred Stock issuable upon exercise of each Continuing Officer Option assumed by the Company will be determined by dividing (A) the per share exercise price of Cartesian common stock subject to such Continuing Officer Option, as in effect immediately prior to the Effective Time, by (B) the Exchange Ratio and (C) multiplying the resulting number by 1,000 and rounding the resulting exercise price up to the nearest whole cent; and
- any restriction on the exercise of any Cartesian Option assumed by the Company, including the Continuing Officer Options, will continue in full force and effect and, except as expressly provided in the Merger Agreement, the term, exercisability, vesting schedule and other provisions of such Cartesian Option will otherwise remain unchanged.

#### **Employee Stock Purchase Plan**

Immediately prior to the completion of First Merger, the current offering period under Selecta's 2016 Employee Stock Purchase Plan (the "ESPP") was terminated, with balance credited to the account of each participant in the ESPP to be refunded. The ESPP is currently suspended.

## **Retention Bonuses**

As previously disclosed, on August 25, 2023, Selecta approved a one-time cash bonus payment (each, a “Retention Bonus” and together, the “Retention Bonuses”) to certain of Selecta’s then-current executive officers equal to a multiplier of that executive officer’s annual base salary for 2023, including Carsten Brunn (2x annual base salary), Blaine Davis (2x annual base salary), Peter Traber (1.5x annual base salary), Takashi Kei Kishimoto (1x annual base salary) and Lloyd Johnston (2x annual base salary), provided that each such Retention Bonus recipient remains employed by Selecta in good standing on March 31, 2024. In connection with the Merger, the Compensation Committee of the Board approved the acceleration of the payment of each Retention Bonus, each of which will be paid shortly following the Closing, pursuant to retention bonus letters with each Retention Bonus recipient, provided that each Retention Bonus recipient will be required to repay his or her Retention Bonus in the event that he or she ceases to provide services to the Company prior to either March 31, 2024 (in the case of Drs. Traber, Kishimoto and Johnston) or June 30, 2024 (in the case of Dr. Brunn and Mr. Davis), unless the recipient’s termination is due to an involuntary termination of all of the recipient’s services by the Company without cause.

The form of retention bonus letter is filed as Exhibit 10.3 to this Current Report on Form 8-K, which is incorporated by reference herein.

## **Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

### **Amendment to Restated Certificate of Incorporation, as Amended**

On November 13, 2023, the Company filed with the Secretary of State of the State of Delaware a certificate of amendment to the Charter to change its corporate name to Cartesian Therapeutics, Inc.

A copy of the Charter, as amended to-date, including the certificate of amendment, is filed as Exhibits 3.1, 3.2, and 3.3 to this Current Report on Form 8-K, which are incorporated herein by reference.

### **Certificate of Designation**

On November 13, 2023, the Company filed a Certificate of Designation of Preferences, Rights and Limitations of the Series A Non-Voting Convertible Preferred Stock (the “Certificate of Designation”) with the Secretary of State of the State of Delaware in connection with the Merger and the Financing referenced in Item 1.01 above. The Certificate of Designation provides for the designation of shares of the Company’s Series A Non-Voting Convertible Preferred Stock, par value \$0.0001 per share (the “Series A Preferred Stock”).

Holders of Series A Preferred Stock are entitled to receive dividends on shares of Series A Preferred Stock equal to, on an as-if-converted-to-Common-Stock basis, and in the same form as dividends actually paid on shares of the Common Stock; provided, however, that holders of Series A Preferred Stock (or any shares of Common Stock into which the Series A Preferred Stock is convertible) are not entitled to any CVRs with respect to those shares. Except as otherwise required by law, the Series A Preferred Stock does not have voting rights. However, as long as any shares of Series A Preferred Stock are outstanding, the Company will not, without the affirmative vote of the holders of a majority of the then-outstanding shares of the Series A Preferred Stock, (a) alter or change adversely the powers, preferences or rights given to the Series A Preferred Stock, (b) alter or amend the Certificate of Designation, (c) amend the Charter or other organizational documents in any manner that adversely affects any rights of the holders of Series A Preferred Stock, (d) issue further shares of Series A Preferred Stock (other than in connection with the exercise of the Continuing Officer Options) or increase or decrease (other than by conversion) the number of authorized shares of Series A Preferred Stock, (e) prior to the stockholder approval of the Conversion Proposal or at any time while at least 30% of the originally issued Series A Preferred Stock remains issued and outstanding, consummate either (A) a Fundamental Transaction (as defined in the Certificate of Designation) or (B) any merger or consolidation of the Company or other business combination in which the stockholders of the Company immediately before such transaction do not hold at least a majority of the capital stock of the Company immediately after such transaction, (f) amend or fail to comply with, in any manner that would be reasonably likely to prevent, impede or materially delay the conversion (or the stockholder approval thereof), or terminate, any of the Support Agreements, or agree to any transfer, sale or disposition of such shares subject to the Support Agreements (except for such transfers, sales or dispositions with respect to which the approval of the Company is not required pursuant to the applicable Support Agreement) or (g) enter into any agreement with respect to any of the foregoing. The Series A Preferred Stock does not have a preference upon any liquidation, dissolution or winding-up of the Company.

Following stockholder approval of the Conversion Proposal, each share of Series A Preferred Stock will automatically convert into 1,000 shares of Common Stock, subject to certain limitations, including that a holder of Series A Preferred Stock is prohibited from converting shares of Series A Preferred Stock into shares of Common Stock if, as a result of such conversion, such holder, together with its affiliates, would beneficially own more than a specified percentage (to be established by the holder between 0% and 19.9%) of the total number of shares of Common Stock issued and outstanding immediately after giving effect to such conversion; provided, however, that such beneficial ownership limitation does not apply to TAS Partners, LLC or anyone of its affiliates.

The Series A Preferred Stock is redeemable at the option of the holder thereof at any time following the date that is 18 months after the initial issuance of the Series A Preferred Stock, other than any shares of Series A Preferred Stock that would not be convertible into shares of Common Stock as a result of the application of the beneficial ownership limitation referred to in the foregoing paragraph (without regard to the lack of obtaining the requisite stockholder approval to convert the Series A Preferred Stock into Common Stock).

The foregoing description of the Series A Preferred Stock does not purport to be complete and is qualified in its entirety by reference to the full text of the Certificate of Designation, a copy of which is filed as Exhibit 3.4 to this Current Report on Form 8-K and is incorporated herein by reference.

## AGREEMENT AND PLAN OF MERGER

THIS AGREEMENT AND PLAN OF MERGER is made and entered into as of November 13, 2023, by and among **SELECTA BIOSCIENCES, INC.**, a Delaware corporation ("**Parent**"), **SAKURA MERGER SUB I, INC.**, a Delaware corporation and wholly owned subsidiary of Parent ("**First Merger Sub**"), **SAKURA MERGER SUB II, LLC**, a Delaware limited liability company and wholly owned subsidiary of Parent ("**Second Merger Sub**") and, together with First Merger Sub, "**Merger Subs**"), and **CARTESIAN THERAPEUTICS, INC.**, a Delaware corporation (the "**Company**"). Certain capitalized terms used in this Agreement are defined in **Exhibit A**.

## RECITALS

A. Parent and the Company desire to enter into a business combination as contemplated by this Agreement subject to the terms and conditions herein.

B. Parent and the Company intend to effect a merger of First Merger Sub with and into the Company (the "**First Merger**") in accordance with this Agreement and the DGCL. Upon consummation of the First Merger, First Merger Sub will cease to exist and the Company will become a wholly owned subsidiary of Parent.

C. Immediately following the First Merger and as part of the same overall transaction as the First Merger, the Company will merge with and into Second Merger Sub (the "**Second Merger**") and, together with the First Merger, the "**Merger**"), with Second Merger Sub being the surviving entity of the Second Merger.

D. The Parties intend that (i) the First Merger and the Second Merger, taken together, constitute an integrated transaction, as described in Rev. Rul. 2001-46, 2001-2 C.B. 321 that qualifies as a "reorganization" within the meaning of Section 368(a) of the Code, and (ii) this Agreement constitutes a plan of reorganization within the meaning of Sections 354 and 361(a) of the Code.

E. The Parent Board has (i) determined that the Contemplated Transactions are fair to, advisable and in the best interests of Parent and its stockholders, (ii) authorized, approved and declared advisable this Agreement and the Contemplated Transactions, including the issuance of Parent Common Stock Payment Shares and Parent Preferred Stock Payment Shares to the stockholders of the Company pursuant to the terms of this Agreement, and (iii) determined to recommend, upon the terms and subject to the conditions set forth in this Agreement, that the stockholders of Parent vote to approve the Parent Stockholder Matters at the Parent Stockholders' Meeting to be convened following the Closing (the "**Parent Board Approval**").

F. The First Merger Sub Board has (i) determined that the Contemplated Transactions are fair to, advisable and in the best interests of First Merger Sub and its sole stockholder, (ii) authorized, approved and declared advisable this Agreement and the Contemplated Transactions, and (iii) determined to recommend, upon the terms and subject to the conditions set forth in this Agreement, that the stockholder of First Merger Sub vote to adopt this Agreement and thereby approve the Contemplated Transactions (the "**First Merger Sub Board Approval**").

G. The sole member of the Second Merger Sub has (i) determined that the Contemplated Transactions are fair to, advisable and in the best interests of Second Merger Sub and its sole member, (ii) authorized, approved and declared advisable this Agreement and the Contemplated Transactions, and (iii) determined to recommend, upon the terms and subject to the conditions set forth in this Agreement, that the sole member of Second Merger Sub vote to adopt this Agreement and thereby approve the Contemplated Transactions (the "**Second Merger Sub Sole Member Approval**").

H. The Company Board has (i) determined that the Contemplated Transactions are fair to, advisable and in the best interests of the Company and its stockholders, (ii) authorized, approved and declared advisable this Agreement and the Contemplated Transactions, and (iii) recommended, upon the terms and subject to the conditions set forth in this Agreement, that the stockholders of the Company vote to approve the Company Stockholder Matters (the "**Company Board Approval**").

I. Subsequent to the Company Board Approval, but prior to the execution and delivery of this Agreement, the requisite Company stockholders by written consent and in accordance with the Company's certificate of incorporation, the Company's bylaws and the DGCL (i) approved and adopted this Agreement and the Contemplated Transactions, (ii) acknowledged that the approval given thereby is irrevocable and that each such stockholder is aware of its rights to demand appraisal for its shares pursuant to Section 262 of the DGCL, a true and correct copy of which was attached thereto, and that such stockholder has received and read a copy of Section 262 of the DGCL, (iii) acknowledged that by such approval of the Merger, each such stockholder is not entitled to appraisal rights with respect to its shares in connection with the Merger and thereby waives any rights to receive payment of the fair value of its capital stock under the DGCL, (iv) waived the right to receive, and acknowledged that they are not entitled to receipt of, any CVR (with respect to any Merger Consideration or otherwise in connection with the Contemplated Transactions), (v) agreed that they will not sell, transfer, assign or otherwise dispose of their respective entitlement to receive any Merger Consideration during the period between the First Effective Time and the first Business Day after the CVR Record Date, (vi) waived the treatment of the Merger as a "Deemed Liquidation Event," as defined in and for all purposes of the Company's certificate of incorporation and any Investor Agreement, and (vii) waived any requirement in the Company's certificate of incorporation that notice be provided to the Company stockholders with respect to the effective date of the Merger (such matters described in clauses (i) through (vii), the "**Company Stockholder Matters**" and such consent, the "**Stockholder Written Consent**"), and the Stockholder Written Consent is to become effective by its terms immediately following the execution of this Agreement by the parties hereto.

J. Concurrently with the execution and delivery of this Agreement and as a condition and inducement to each of Parent and the Company's willingness to enter into this Agreement, all of the officers and directors and those stockholders of Parent listed in Section A-1 of the Parent Disclosure Schedule (solely in their capacity as stockholders of Parent) (the "**Parent Signatories**") and all of the officers and directors and those stockholders of the Company listed in Section A of the Company Disclosure Schedule (the "**Company Signatories**") (solely in their capacity as stockholders of the Company) are executing lock-up agreements in substantially the form attached as **Exhibit B** (each, a "**Lock-Up Agreement**").

K. Concurrently with the execution and delivery of this Agreement, certain investors have executed a Securities Purchase Agreement among Parent and the Persons named therein (representing an aggregate commitment no less than the Concurrent Investment Amount of \$60,250,000), pursuant to which such Persons will have agreed to purchase the number of shares of Parent Convertible Preferred Stock set forth therein concurrently with the Closing (the "**Securities Purchase Agreement**").

L. Concurrently with the execution and delivery of this Agreement and as a condition and inducement to the Company's willingness to enter into this Agreement, certain stockholders set forth on Section A-2 of the Parent Disclosure Schedule (solely in their capacity as stockholders) are executing support agreements in substantially the form attached hereto as **Exhibit C** (the "**Parent Stockholder Support Agreement**"), pursuant to which such Persons have, subject to the terms and conditions set forth therein, agreed to vote all of their shares of Parent Common Stock in favor of the Parent Stockholder Matters.

M. Immediately following the execution and delivery of this Agreement, but prior to the filing of any Certificate of Merger, Parent will file the Certificate of Designation with the office of the Secretary of State of the State of Delaware.

#### AGREEMENT

The Parties, intending to be legally bound, agree as follows:

#### ARTICLE I. DESCRIPTION OF TRANSACTION

Section 1.1. **The Merger.** Upon the terms and subject to the conditions set forth in this Agreement, at the First Effective Time, First Merger Sub shall be merged with and into the Company, and the separate existence of First Merger Sub shall cease. As a result of the First Merger, the Company will continue as the surviving corporation in the First Merger (the "**First Step Surviving Corporation**"). Upon the terms and subject to the conditions set forth in this Agreement, at the Second Effective Time, the First Step Surviving Corporation will merge with and into Second Merger Sub, and the separate existence of the First Step Surviving Corporation shall cease. As a result of the Second Merger, Second Merger Sub will continue as the surviving entity in the Second Merger (the "**Surviving Entity**").

Section 1.2. **Effects of the Merger.** At and after the First Effective Time, the First Merger shall have the effects set forth in this Agreement, the First Certificate of Merger and in the applicable provisions of the DGCL. As a result of the First Merger, the First Step Surviving Corporation will become a wholly owned subsidiary of Parent. At and after the Second Effective Time, the Second Merger shall have the effects set forth in this Agreement, the Second Certificate of Merger and in the applicable provisions of the DGCL and the DLLCA.

Section 1.3. **Closing; First Effective Time; Second Effective Time.** The consummation of the Merger (the "**Closing**") is being consummated remotely via the electronic exchange of documents and signatures substantially simultaneously with the execution and delivery of this Agreement, or at such other time, date and place as Parent and the Company may mutually agree in writing. The date on which the Closing actually takes place is referred to as the "**Closing Date**." At the Closing, (a) the Parties shall cause the First Merger to be consummated by executing and filing with the Secretary of State of the State of Delaware a certificate of merger with respect to the First Merger, satisfying the applicable requirements of the DGCL and in form and substance to be agreed upon by the Parties (the "**First Certificate of Merger**") and (b) the Parties shall cause the Second Merger to be consummated by executing and filing with the Secretary of State of the State of Delaware a certificate of merger with respect to the Second Merger, satisfying the applicable requirements of the DGCL and the DLLCA and in form and substance to be agreed upon by the Parties (the "**Second Certificate of Merger**") and together with the First Certificate of Merger, each, a "**Certificate of Merger**" and collectively, the "**Certificates of Merger**"). The First Merger shall become effective at the time of the filing of such First Certificate of Merger with the Secretary of State of the State of Delaware or at such later time as may be specified in such First Certificate of Merger with the consent of Parent and the Company (the time as of which the First Merger becomes effective being referred to as the "**First Effective Time**"). The Second Merger shall become effective at the time of the filing of such Second Certificate of Merger with the Secretary of State of the State of Delaware or at such later time as may be specified in such Second Certificate of Merger with the consent of Parent and the Company (the time as of which the Second Merger becomes effective being referred to as the "**Second Effective Time**").

Section 1.4. **Certificate of Designation; Certificate of Incorporation and Bylaws; Directors and Officers.**

(a) Prior to the First Effective Time, Parent will file the Certificate of Designation with the office of the Secretary of State of the State of Delaware.

(b) At the First Effective Time:

(i) the certificate of incorporation of the First Step Surviving Corporation shall be amended and restated in its entirety to read identically to the certificate of incorporation of First Merger Sub as in effect immediately prior to the First Effective Time, except that such certificate of incorporation shall be amended to reflect that the name of the First Step Surviving Corporation shall be "Cartesian Therapeutics, Inc.," all of the foregoing as set forth in an exhibit to the First Certificate of Merger, until thereafter amended as provided by the DGCL and such certificate of incorporation;

(ii) the bylaws of the First Step Surviving Corporation shall be amended and restated in their entirety to read identically to the bylaws of the Company as in effect immediately prior to the First Effective Time, until thereafter amended as provided by the DGCL and such bylaws; and

(iii) the directors and officers of the First Step Surviving Corporation, each to hold office in accordance with the certificate of incorporation and bylaws of the First Step Surviving Corporation, shall be the same individuals as hold such office with the Company as of immediately prior to the Effective Time.

(c) At the Second Effective Time:

(i) the certificate of formation of the Surviving Entity shall be the certificate of formation of Second Merger Sub as in effect immediately prior to the Second Effective Time, until thereafter amended as provided by the DLLCA and such certificate of formation; provided, however, that at the Second Effective Time (as part of the Second Certificate of Merger), the certificate of formation of the Surviving Entity shall be amended to (A) change the name of the Surviving Entity to "Cartesian Bio, LLC" and (B) make such other changes as are mutually agreed to by Parent and the Company;

(ii) the limited liability company agreement of the Surviving Entity shall be amended and restated in its entirety to read identically to the limited liability company agreement of Second Merger Sub as in effect immediately prior to the Second Effective Time, until thereafter amended as provided by the DLLCA and such limited liability company agreement; provided, however, that following the Second Effective Time (but as soon thereafter as practicable), the limited liability company agreement shall be amended to (A) comply with Section 4.5 and (B) change the name of the Surviving Entity to "Cartesian Bio, LLC";

(iii) the officers of the Surviving Entity, each to hold office in accordance with the certificate of formation and limited liability company agreement of the Surviving Entity, shall be such persons as shall be mutually agreed upon by Parent and the Company; and

(iv) the certificate of incorporation of Parent shall be identical to the Parent Charter immediately prior to the Second Effective Time, until thereafter amended as provided by the DGCL and such certificate of incorporation; provided, however, that following the Second Effective Time, the Parent Charter shall be amended to change the corporate name of Parent to "Cartesian Therapeutics, Inc."

Section 1.5. **Merger Consideration.** The aggregate merger consideration (the "**Merger Consideration**") to be paid by Parent for all of the outstanding shares of Company Capital Stock at the Closing shall, except in the case provided in Section 1.6(a)(ii)(A), be equal to, and paid and issued to the Company stockholders in accordance with the exchange procedures set forth in Section 1.8: (a) 6,723,662 shares of Parent Common Stock ("**Parent Common Stock Payment Shares**"), which shall represent a number of shares equal to no more than the Parent Common Stock Consideration Cap, and (b) 384,930.725 shares of Parent Convertible Preferred Stock ("**Parent Preferred Stock Payment Shares**"), which shall represent such number of shares that (assuming conversion thereof into Parent Common Stock as described in this Section 1.5) would equal, when aggregated with the Parent Common Stock Consideration Cap and the number of shares of Parent Common Stock reserved for settlement of, or other issuance pursuant to the terms of, Company Options in accordance with Section 1.9, the number of Company Outstanding Shares multiplied by the Exchange Ratio. The Parent Common Stock Payment Shares and Parent Preferred Stock Payment Shares shall be allocated in accordance with the Allocation Certificate. Each Parent Preferred Stock Payment Share shall be convertible into 1,000 shares of Parent Common Stock, subject to and contingent upon the affirmative vote of a majority of the votes of Parent Common Stock cast (other than Parent Common Stock Payment Shares to be issued at Closing pursuant to this Agreement for purposes of approval under the rules of Nasdaq) at a

meeting of stockholders of Parent to approve, for purposes of the rules of Nasdaq, a proposal (the "**Preferred Stock Conversion Proposal**") for the issuance of shares of Parent Common Stock to the stockholders of the Company upon conversion of any and all shares of Parent Convertible Preferred Stock, all in accordance with the terms of the Certificate of Designation. For the avoidance of doubt, in no event shall Parent issue Parent Common Stock Payment Shares in excess of the Parent Common Stock Consideration Cap, and the Parent Preferred Stock Payment Shares shall only be converted after the Required Parent Stockholder Vote is obtained and such other requirements set forth in the Certificate of Designation are satisfied.

Section 1.6. **Conversion of Shares.**

(a) At the First Effective Time, by virtue of the First Merger and without any further action on the part of Parent, Merger Subs, the Company or any stockholder of the Company or Parent:

(i) any shares of Company Common Stock held as treasury stock or held or owned by the Company or any wholly owned Subsidiary of the Company immediately prior to the First Effective Time shall be canceled and retired and shall cease to exist, and no consideration shall be delivered in exchange therefor; and

(ii) subject to Section 1.5 and Section 1.6(b), each share of Company Capital Stock outstanding immediately prior to the First Effective Time (excluding shares to be canceled pursuant to Section 1.6(a)(i)) shall (with shares of Company Common Stock and Company Preferred Stock being treated equally and on an as-converted basis as if the latter had converted into the former pursuant to the Company's certificate of incorporation) be automatically converted solely into the right to receive: (A) to the extent the holder thereof shall have delivered, prior to the First Effective Time, an Accredited Investor Questionnaire, an aggregate number of Parent Common Stock Payment Shares equal to the Exchange Ratio, allocated in accordance with Section 1.5, as set forth on the Allocation Certificate; and (B) subject to Section 6.1(d), to the extent the holder thereof shall not have delivered, prior to the First Effective Time, an Accredited Investor Questionnaire, cash in an amount per share of Company Capital Stock equal to (x) the Company Valuation, *divided by* (y) the Company Outstanding Shares, as set forth on the Allocation Certificate.

(b) No fractional shares of Parent Common Stock shall be issued in connection with the First Merger, and no certificates or scrip for any such fractional shares shall be issued or delivered pursuant to this Section 1.6, and no cash payment in lieu of any fractional share shall be paid in connection with the First Merger. Any fractional shares of Parent Common Stock that a holder of Company Capital Stock would otherwise be entitled to receive shall be aggregated with all fractional shares of Parent Common Stock issuable to such holder. Any fraction of a share of Parent Common Stock Payment Shares issuable to such holder shall be rounded down to the nearest whole number.

(c) Notwithstanding anything to the contrary in Section 1.6(b), fractional shares of Parent Convertible Preferred Stock may be issued in connection with the First Merger, and evidence of book-entry shares representing such fractional shares shall be delivered in respect of such fractional shares issued pursuant to this Section 1.6. Any fractional shares of

Parent Convertible Preferred Stock that a holder of Company Capital Stock is entitled to receive shall be aggregated with all fractional shares of Parent Convertible Preferred Stock issuable to such holder, and Parent shall issue to such holder all such fractional shares of Parent Preferred Stock Payment Shares that such holder is entitled to receive in accordance with the Allocation Certificate.

(d) At the First Effective Time, by virtue of the First Merger and without any further action on the part of Parent, Merger Subs, the Company or any stockholder of the Company or stockholder of Parent, each share of common stock of First Merger Sub issued and outstanding immediately prior to the First Effective Time shall be converted into and exchanged for one share of common stock of the First Step Surviving Corporation.

(e) If, between the date of this Agreement and the First Effective Time, any outstanding shares of Company Common Stock, Parent Common Stock or Parent Convertible Preferred Stock shall have been changed into, or exchanged for, a different number of shares or a different class, by reason of any stock dividend, subdivision, reclassification, recapitalization, split, combination or exchange of shares or other like change, the Exchange Ratio shall, to the extent necessary, be equitably adjusted to reflect such change to the extent necessary to provide the holders of Company Common Stock, Parent Common Stock and Parent Convertible Preferred Stock, with the same economic effect as contemplated by this Agreement prior to such stock dividend, subdivision, reclassification, recapitalization, split, combination or exchange of shares or other like change; provided, however, that nothing herein will be construed to permit the Company or Parent to take any action with respect to Company Common Stock, Parent Common Stock or Parent Convertible Preferred Stock, respectively, that is prohibited or not expressly permitted by the terms of this Agreement.

(f) At the Second Effective Time, by virtue of the Second Merger and without any action on the part of Parent, the First Step Surviving Corporation, Second Merger Sub or their respective stockholders or members, as applicable, each share of common stock of the First Step Surviving Corporation issued and outstanding immediately prior to the Second Effective Time shall be canceled and extinguished without any conversion thereof and no payment or distribution shall be made with respect thereto.

Section 1.7. **Closing of the Company's Transfer Books.** At the First Effective Time: (a) all holders of (i) certificates representing shares of Company Capital Stock and (ii) book-entry shares representing shares of Company Capital Stock ("**Book-Entry Shares**"), in each case, that were outstanding immediately prior to the First Effective Time shall cease to have any rights as stockholders of the Company; and (b) the stock transfer books of the Company shall be closed with respect to all shares of Company Capital Stock outstanding immediately prior to the First Effective Time. No further transfer of any such shares of Company Capital Stock shall be made on such stock transfer books after the First Effective Time. If, after the First Effective Time, a valid certificate previously representing any shares of Company Capital Stock outstanding immediately prior to the First Effective Time (a "**Company Stock Certificate**") is presented to the Exchange Agent or to the Surviving Entity, such Company Stock Certificate shall be canceled and shall be exchanged as provided in Section 1.6 and Section 1.8.

Section 1.8. **Exchange of Shares.**

(a) On or prior to the Closing Date, Parent and the Company shall have agreed upon and selected a reputable bank, transfer agent or trust company to act as exchange agent in the Merger (the “**Exchange Agent**”). At the First Effective Time, Parent shall arrange with the Exchange Agent for the issuance of book-entry shares representing Parent Common Stock and Parent Convertible Preferred Stock issuable pursuant to Section 1.6(a)(i)(A), and shall deposit with the Exchange Agent such amount as is necessary to make the cash payments contemplated in Section 1.6(a)(i)(B). Any Parent Common Stock and Parent Convertible Preferred Stock so issued for payment by the Exchange Agent, and any cash so deposited, together with any dividends or distributions received by the Exchange Agent with respect to such shares, are referred to collectively as the “**Exchange Fund**.”

(b) As soon as reasonably practicable after the CVR Record Date, but no earlier than the first Business Day thereafter, the Exchange Agent shall issue book-entry shares representing the Merger Consideration that each holder of Company Common Stock has the right to receive pursuant to the provisions of Section 1.6(a)(i)(A) and each Company Stock Certificate or Book-Entry Share formerly held by each such holder shall be deemed, from and after the First Effective Time, to represent only the right to receive book-entry shares of Parent Common Stock and Parent Convertible Preferred Stock representing the Merger Consideration (or, if applicable, the cash amounts contemplated in Section 1.6(a)(i)(B)) and, following issuance of book-entry shares representing the Merger Consideration, shall be canceled. The Merger Consideration, any cash deposited in the Exchange Fund, and any dividends or other distributions as are payable pursuant to Section 1.8(c) shall be deemed to have been in full satisfaction of all rights pertaining to Company Capital Stock formerly represented by such Company Stock Certificates or Book-Entry Shares.

(c) No dividends or other distributions declared or made with respect to Parent Common Stock or Parent Convertible Preferred Stock with a record date on or after the First Effective Time shall be paid to the holder of any unsurrendered Company Stock Certificate or Book-Entry Shares with respect to the shares of Parent Common Stock or Parent Convertible Preferred Stock that such holder has the right to receive in the Merger until such holder surrenders such Company Stock Certificate or transfers such Book-Entry Shares or provides an affidavit of loss or destruction in lieu thereof in accordance with this Section 1.8 (at which time (or, if later, on the applicable payment date) such holder shall be entitled, subject to the effect of applicable abandoned property, escheat or similar Laws, to receive all such dividends and distributions, without interest); provided, however, that in no event shall holders of Company Capital Stock receiving the Merger Consideration be entitled to receive any CVR in respect of their shares of Company Capital Stock, Parent Common Stock Payment Shares or Parent Preferred Stock Payment Shares.

(d) Any portion of the Exchange Fund that remains unclaimed by holders of shares of Company Capital Stock as of the date that is one year after the Closing Date shall be delivered to Parent upon demand, and any holders of Company Stock Certificates or Book-Entry Shares who have not theretofore surrendered their Company Stock Certificates or transferred their Book-Entry Shares in accordance with this Section 1.8 shall thereafter look only to Parent as general creditors for satisfaction of their claims for Parent Common Stock and Parent Convertible Preferred Stock and any dividends or distributions with respect to shares of Parent Common Stock and Parent Convertible Preferred Stock.

(e) No Party shall be liable to any holder of any shares of Company Capital Stock or to any other Person with respect to any shares of Parent Common Stock or Parent Convertible Preferred Stock (or dividends or distributions with respect thereto) or for any cash amounts delivered to any public official pursuant to any applicable abandoned property Law, escheat Law or similar Law. Any portion of the Exchange Fund that remains unclaimed by holders of shares of Company Capital Stock as of the date that is two years after the Closing Date (or immediately prior to such earlier date on which the related Exchange Funds (and all dividends or other distributions in respect thereof) would otherwise escheat to or become the property of any Governmental Body) shall, to the extent permitted by applicable Law, become the property of the Surviving Entity, free and clear of all claims or interest of any Person previously entitled thereto.

**Section 1.9. Company Options.**

(a) At the First Effective Time, each Company Option (other than Company Options held by any of the individuals set forth on Section 1.9(b) of the Company Disclosure Schedule) that is outstanding and unexercised immediately prior to the First Effective Time, whether or not vested, shall be converted into and become an option to purchase Parent Common Stock, and Parent shall assume the Company Plan and each such Company Option in accordance with the terms of the Company Plan and the terms of the stock option agreement by which such Company Option is evidenced (but with changes to such documents as Parent in good faith determines are necessary to reflect the substitution of such Company Options by Parent to purchase shares of Parent Common Stock and the other terms of this Section 1.9(a)). All rights with respect to Company Common Stock under such Company Options assumed by Parent shall thereupon be converted into rights with respect to Parent Common Stock. Accordingly, from and after the First Effective Time: (i) each such Company Option assumed by Parent may be exercised solely for shares of Parent Common Stock; provided, however, that no such Company Option shall be exercisable during the Company Options Blackout Period; (ii) the number of shares of Parent Common Stock subject to each such Company Option assumed by Parent shall be determined by multiplying (A) the number of shares of Company Common Stock that were subject to such Company Option, as in effect immediately prior to the First Effective Time, by (B) the Exchange Ratio, and rounding the resulting number down to the nearest whole number of shares of Parent Common Stock; (iii) the per share exercise price for Parent Common Stock issuable upon exercise of each such Company Option assumed by Parent shall be determined by dividing (A) the per share exercise price of Company Common Stock subject to such Company Option, as in effect immediately prior to the First Effective Time, by (B) the Exchange Ratio and rounding the resulting exercise price up to the nearest whole cent; and (iv) any restriction on the exercise of any such Company Option assumed by Parent shall continue in full force and effect and, except as expressly provided herein, the term, exercisability, vesting schedule and other provisions of such Company Option shall otherwise remain unchanged; provided that (I) the exercise price, the number of shares of Parent Common Stock subject to each such assumed Company Option and the terms and conditions of exercise thereof shall be determined in a manner consistent with the requirements of Section 424(a) of the Code and (II) the exercise price, the number of shares of Parent Common Stock subject to, and the terms and conditions of exercise of each such option to purchase Parent Common Stock shall also be determined in a manner consistent with the requirements of Section 409A of the Code.

(b) At the First Effective Time, each Company Option that is outstanding and unexercised immediately prior to the First Effective Time and is held by any of the individuals set forth on Section 1.9(b) of the Company Disclosure Schedule, whether or not vested, shall be converted into and become an option to purchase Parent Convertible Preferred Stock, and Parent shall assume each such Company Option in accordance with the terms of the Company Plan and the terms of the stock option agreement by which such Company Option is evidenced (but with changes to such documents as Parent in good faith determines are necessary to reflect the substitution of such Company Options by Parent to purchase shares of Parent Convertible Preferred Stock and the other terms of this Section 1.9(b)). All rights with respect to Company Common Stock under such Company Options assumed by Parent shall thereupon be converted into rights with respect to Parent Convertible Preferred Stock. Accordingly, from and after the First Effective Time: (i) each such Company Option assumed by Parent may be exercised solely for shares of Parent Convertible Preferred Stock; provided, however, that no such Company Option shall be exercisable during the Company Options Blackout Period; (ii) the number of shares of Parent Convertible Preferred Stock subject to each such Company Option assumed by Parent shall be determined by multiplying (A) the number of shares of Company Common Stock that were subject to such Company Option, as in effect immediately prior to the First Effective Time, by (B) the Exchange Ratio, and (C) dividing such resulting number by one thousand (1,000) and rounding the resulting number down to the nearest number of 1/1000 shares of Parent Convertible Preferred Stock; (iii) the per share exercise price for Parent Convertible Preferred Stock issuable upon exercise of each such Company Option assumed by Parent shall be determined by dividing (A) the per share exercise price of Company Common Stock subject to such Company Option, as in effect immediately prior to the First Effective Time, by (B) the Exchange Ratio and (C) multiplying such resulting number by one thousand (1,000) and rounding the resulting exercise price up to the nearest whole cent; and (iv) any restriction on the exercise of any such Company Option assumed by Parent shall continue in full force and effect and, except as expressly provided herein, the term, exercisability, vesting schedule and other provisions of such Company Option shall otherwise remain unchanged; provided that (I) the exercise price, the number of shares of Parent Convertible Preferred Stock subject to each such assumed Company Option and the terms and conditions of exercise thereof shall be determined in a manner consistent with the requirements of Section 424(a) of the Code and (II) the exercise price, the number of shares of Parent Convertible Preferred Stock subject to, and the terms and conditions of exercise of each such option to purchase Parent Convertible Preferred Stock shall also be determined in a manner consistent with the requirements of Section 409A of the Code.

(c) Notwithstanding any of the foregoing in this Section 1.9, (x) Parent may amend the terms of Company Options and the Company Plan as may be necessary to reflect Parent's substitution of Company Options with options to purchase Parent Common Stock or Parent Convertible Preferred Stock, as applicable (such as by making any change in control or similar definition relate to Parent and having any provision that provides for the adjustment of Company Options upon the occurrence of certain corporate events relate to corporate events that relate to Parent or Parent Common Stock or Parent Convertible Preferred Stock, as applicable) and (y) the Parent Board or a committee thereof shall succeed to the authority and responsibility of the Company Board or any committee thereof with respect to the Company Plan and each Company Option assumed by Parent.

(d) Parent shall file with the SEC, as soon as reasonably practicable after the First Effective Time (and in any event, not later than sixty (60) days thereafter), a registration statement on Form S-8 (or any successor form), if available for use by Parent, relating to the shares of Parent Common Stock issuable with respect to Company Options assumed by Parent in accordance with Section 1.9.

Section 1.10. **Parent Equity Awards.**

(a) Prior to the First Effective Time, the Parent Board (or, if appropriate, a committee administering a Parent Stock Plan) has adopted resolutions providing that:

(i) each option to acquire shares of Parent Common Stock (each such option, a “**Parent Stock Option**”), and each restricted stock unit award with respect to shares of Parent Common Stock (each such award, a “**Parent RSU**” and, collectively with the Parent Stock Options, the “**Parent Equity Awards**”), in each case that is outstanding and unvested immediately prior to the First Effective Time, will vest in full at the First Effective Time;

(ii) each Parent Stock Option that is outstanding immediately prior to the First Effective Time will be canceled as of the Effective Time, and, in exchange therefor, the former holder of such canceled Parent Stock Option will be entitled to receive (without interest), in consideration of the cancellation of such Parent Stock Option, an amount in cash (less applicable Tax withholdings pursuant to Section 1.13) equal to the product of (A) the total number of shares of Parent Common Stock subject to the unexercised portion of such Parent Stock Option immediately prior to the First Effective Time (determined after giving effect to the accelerated vesting described in Section 1.10(a)(i)) multiplied by (B) the excess, if any, of \$2.06 (the “**Cash out Amount**”) over the applicable exercise price per share of Parent Common Stock under such Parent Stock Option; provided, however, that, if the exercise price per share of Parent Common Stock of any Parent Stock Option is equal to or greater than the Cash out Amount, such Parent Stock Option shall be canceled and terminated without any consideration in respect thereof; and

(iii) each Parent RSU that is outstanding immediately prior to the First Effective Time will be canceled as of the First Effective Time, and the former holder of such canceled Parent RSU will be entitled, in exchange therefor, to receive (without interest) an amount in cash (less applicable Tax withholdings pursuant to Section 1.13) equal to the product of (A) the total number of shares of Parent Common Stock deliverable under such Parent RSU immediately prior to the First Effective Time (determined after giving effect to the accelerated vesting described in Section 1.10(a)(i)) multiplied by (B) the Cash out Amount.

(b) From and after the First Effective Time, each Parent Equity Award that is outstanding and unvested immediately prior to the First Effective Time shall no longer be exercisable by, or otherwise give right to the delivery or issuance of any shares of Parent Common Stock to, the former holder thereof, but shall only entitle such holder to the payment of the corresponding amounts, if any, provided under Section 1.10(a). Subject to Section 1.13, Parent shall make all payments to holders of Parent Equity Awards required under Section 1.10(a) as promptly as practicable after the First Effective Time, and in any event no later than the first payroll date of Parent that occurs no less than five (5) Business Days after the First Effective Time, in accordance with the foregoing.

Section 1.11. **Contingent Value Right.**

(a) Parent shall effect a distribution, and the Parent Board shall approve the distribution of, one contingent value right (a “*CVR*”) issued by Parent with respect to each share of Parent Common Stock that is issued and outstanding as of the CVR Record Date, which distribution shall be made automatically and without any required action on the part of the holder hereof, and which distribution shall be reduced by an amount equal to the amount of any applicable withholding Taxes. The terms and conditions of the CVR shall be as provided in a Contingent Value Rights Agreement substantially in the form attached hereto as **Exhibit E** (the “*CVR Agreement*”).

(b) By virtue of the distribution effected in accordance with **Section 1.11**, each Parent 2022 Warrant that is outstanding and unexercised as of the immediately prior to the CVR Record Date shall, automatically and without any required action on the part of the holder hereof, entitle such holder to receive a number of CVRs equal to the number of shares of Parent Common Stock issuable if such Parent 2022 Warrant were to be exercised in full immediately prior to the CVR Record Date, reduced by an amount equal to the amount of any applicable withholding Taxes, subject to and in accordance with the terms and conditions of such Parent 2022 Warrant and the CVR Agreement.

(c) Each Parent Warrant, other than any Parent 2022 Warrant, that is outstanding and unexercised as of immediately prior to the CVR Record Date shall entitle such holder to receive, upon exercise of such Parent Warrant pursuant to the terms thereof, a number of CVRs equal to the number of shares of Parent Common Stock that would have been issuable upon exercise in full of such Parent Warrant immediately prior to the CVR Record Date, reduced by an amount equal to the amount of any applicable withholding Taxes, subject to and in accordance with the terms and conditions of such Parent Warrant and the CVR Agreement.

(d) No later than thirty (30) days after the First Effective Time, Parent shall authorize and duly adopt, execute and deliver, and will ensure that a reputable trust company be selected as trustee thereunder, and that such trustee executes and delivers, the CVR Agreement, subject to any reasonable revisions to the CVR Agreement that are requested by such trustee (provided that such revisions are not, individually or in the aggregate, detrimental or adverse, taken as a whole, to any holder of a CVR).

Section 1.12. **Further Action.** If, at any time after the First Effective Time, any further action is determined by the Surviving Entity to be necessary or desirable to carry out the purposes of this Agreement or to vest the Surviving Entity with full right, title and possession of and to all rights and property of the Company, then the officers and directors of the Surviving Entity shall be fully authorized, and shall use their and its reasonable best efforts (in the name of the Company, in the name of Merger Subs, in the name of the Surviving Entity and otherwise) to take such action.

Section 1.13. **Withholding.** The Parties and the Exchange Agent and any of their agents (each, a “**Withholding Agent**”) shall be entitled to deduct and withhold (or cause to be deducted and withheld) from the consideration or other amount otherwise payable (whether payable in stock, cash or otherwise) pursuant to this Agreement to any holder of Company Capital Stock, holders of Parent Equity Awards or any other Person such amounts as such Party or the Exchange Agent is required to deduct and withhold under the Code or any other Law with respect to the making of such payment; provided, however, that if a Withholding Agent determines that any payment to any stockholder of the Company hereunder is subject to deduction or withholding, then, except with respect to compensatory payments, or any deduction or withholding required as a result of a failure to deliver the certificate described in Section 6.2, such Withholding Agent shall (a) use commercially reasonable efforts to provide notice to such stockholder as soon as reasonably practicable after such determination (and no later than three Business Days prior to undertaking such deduction or withholding), and (b) use commercially reasonable efforts to cooperate with such stockholder prior to Closing to reduce or eliminate any such deduction or withholding to the extent permitted by applicable Law. Amounts so withheld shall be treated for all purposes of this Agreement as having been paid to the Person in respect of whom such deduction and withholding was made. The applicable Withholding Agent shall timely remit to the applicable Governmental Body, any amounts withheld and deducted in accordance with, and in the form required by, applicable Law.

**ARTICLE II.**  
REPRESENTATIONS AND WARRANTIES  
OF THE COMPANY

Subject to Section 8.13(h), except as set forth in the disclosure schedule delivered by the Company to Parent concurrently with the execution of this Agreement (the “**Company Disclosure Schedule**”), the Company represents and warrants to Parent and Merger Subs as of the date hereof (or in the case of representations and warranties that speak of a specified date, as of such specified date) as follows:

Section 2.1. **Due Organization; Subsidiaries.**

(a) The Company is a corporation duly incorporated, validly existing and in good standing under the Laws of Delaware and has all necessary corporate power and authority (i) to conduct its business in the manner in which its business is currently being conducted and (ii) to own or lease and use its property and assets in the manner in which its property and assets are currently owned or leased and used.

(b) The Company is duly licensed and qualified to do business, and is in good standing (to the extent applicable in such jurisdiction), under the Laws of all jurisdictions where the nature of its business requires such licensing or qualification other than in jurisdictions where the failure to be so qualified individually or in the aggregate would not be reasonably expected to have a Company Material Adverse Effect.

(c) The Company has no Subsidiaries and does not own any capital stock of, or any equity, ownership or profit-sharing interest of any nature in, or control, directly or indirectly, any other Entity.

(d) The Company is not and has not been, directly or indirectly, a party to, member of or participant in any partnership, joint venture or similar business entity. The Company has not agreed to, and is not obligated to make, and is not bound by any Contract under which it may become obligated to make, any future investment in or capital contribution to any other Entity. The Company has not, at any time, been a general partner of, or has otherwise been liable for any of the debts or other obligations of, any general partnership, limited partnership or other Entity.

Section 2.2. **Organizational Documents.** The Company has made available to Parent accurate and complete copies of the Organizational Documents of the Company in effect as of the date of this Agreement. The Company is not in breach or violation of its Organizational Documents.

Section 2.3. **Authority: Binding Nature of Agreement.**

(a) The Company has all necessary corporate power and authority to enter into and to perform its obligations under this Agreement and, subject to receipt of the Required Company Stockholder Vote, to consummate the Contemplated Transactions. The Company Board Approval has been obtained, and it constitutes all of the necessary action or authorization on the part of the Company Board for the authorization, execution, delivery and performance of this Agreement and the consummation of the Contemplated Transactions by the Company.

(b) This Agreement has been duly executed and delivered by the Company and, assuming the due authorization, execution and delivery by Parent and Merger Subs, constitutes the legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, subject to the Enforceability Exceptions.

Section 2.4. **Vote Required.** The affirmative vote (or written consent) of (a) the holders of a majority of the shares of Company Capital Stock outstanding on the record date for the Stockholder Written Consent and entitled to vote thereon, voting as a single class (with the shares of Company Preferred Stock voting on an as-converted to Company Common Stock basis) and (b) the holders of 51% of the shares of Company Preferred Stock outstanding on the record date for the Stockholder Written Consent and entitled to vote thereon, voting separately as a single class (the vote required in clauses (a) and (b), together, the "**Required Company Stockholder Vote**"), is the only vote (or written consent) of the holders of any class or series of Company Capital Stock necessary to adopt and approve this Agreement and approve the Contemplated Transactions. The Stockholder Written Consent became effective upon the execution of this Agreement by the parties hereto and provided the Required Company Stockholder Vote. No other corporate proceedings by the Company are necessary to authorize this Agreement or to consummate the Contemplated Transactions.

Section 2.5. **Non-Contravention: Consents.** Subject to obtaining the Required Company Stockholder Vote, the filing of the Certificate of Merger required by the DGCL, and the filing of the Certificate of Designation, neither (x) the execution, delivery or performance of this Agreement by the Company, nor (y) the consummation of the Contemplated Transactions, will directly or indirectly (with or without notice or lapse of time):

(a) contravene, conflict with or result in a violation of any of the provisions of the Company's Organizational Documents;

The Company Board has taken and will take all actions necessary to ensure that the restrictions applicable to business combinations contained in Section 203 of the DGCL are, and will be, inapplicable to the execution, delivery and performance of this Agreement, the Lock-Up Agreements and to the consummation of the Contemplated Transactions.

**Section 2.6. Capitalization.**

(a) The authorized Company Capital Stock as of the date of this Agreement consists of (i) 3,200 shares of Company Common Stock, par value \$0.01 per share, of which 1,244.625 shares have been issued and are outstanding as of the date of this Agreement, and (ii) 602 shares of Preferred Stock, par value \$0.01 per share (the "**Company Preferred Stock**"), of

which (A) 220 shares have been designated Series A Preferred Stock, 219,125 of which have been issued and are outstanding as of the date of this Agreement, (B) 110 shares have been designated Series B Preferred Stock, 109,267 of which have been issued and are outstanding as of the date of this Agreement, (C) 77 shares have been designated Series B-1 Preferred Stock, 65,017 of which have been issued and are outstanding as of the date of this Agreement, and (D) 195 shares have been designated Series B-2 Preferred Stock, 193,644 of which have been issued and are outstanding as of the date of this Agreement. The Company does not hold any shares of its capital stock in its treasury. Section 2.6(a) of the Company Disclosure Schedule lists, as of the date of this Agreement, each beneficial or record holder of issued and outstanding Company Capital Stock and the number and type of shares of Company Capital Stock held by such holder.

(b) All of the outstanding shares of Company Common Stock and Company Preferred Stock have been duly authorized and validly issued, and are fully paid and nonassessable. Except as set forth in the Investor Agreements, none of the outstanding shares of Company Capital Stock is entitled or subject to any preemptive right, right of participation, right of maintenance or any similar right and none of the outstanding shares of Company Capital Stock is subject to any right of first refusal in favor of the Company. Except as contemplated herein or as set forth in the Investor Agreements, there is no Company Contract relating to the voting or registration of, or restricting any Person from purchasing, selling, pledging or otherwise disposing of (or granting any option or similar right with respect to), any shares of Company Capital Stock. The Company is not under any obligation, nor is it bound by any Contract pursuant to which it may become obligated, to repurchase, redeem or otherwise acquire any outstanding shares of Company Capital Stock or other securities. Section 2.6(b) of the Company Disclosure Schedule accurately and completely lists all repurchase rights held by the Company with respect to shares of Company Capital Stock (including shares issued pursuant to the exercise of stock options) and specifies which of those repurchase rights are currently exercisable and whether the holder of such shares of Company Capital Stock timely filed an election with the relevant Governmental Bodies under Section 83(b) of the Code with respect to such shares. Each share of Company Preferred Stock is convertible into one share of Company Common Stock.

(c) Except for the Company's 2016 Stock Incentive Plan (the "**Company Plan**"), the Company does not have any stock option plan or any other plan, program, agreement or arrangement providing for any equity-based compensation for any Person. As of the date of this Agreement, the Company has reserved 200 shares of Company Common Stock for issuance under the Company Plan, of which Company Options to purchase 179 shares of Company Common Stock have been issued and are currently outstanding, 7 shares of Company Common Stock have been issued pursuant to the exercise of Company Options, and 14 shares of Company Common Stock remain available for future issuance of awards pursuant to the Company Plan. Section 2.6(c) of the Company Disclosure Schedule sets forth the following information with respect to each Company Option outstanding as of the date of this Agreement: (i) the name of the optionee; (ii) the number of shares of Company Common Stock subject to such Company Option as of the date of this Agreement; (iii) the exercise price of such Company Option; (iv) the date on which such Company Option was granted; (v) the applicable vesting schedule, including the number of vested and unvested shares as of the date of this Agreement and any acceleration provisions; (vi) the date on which such Company Option expires; (vii) whether such Company Option is intended to constitute an "incentive stock option" (as defined in the Code) or a non-qualified stock option; and (viii) whether such Company Option is "early exercisable." The

Company has made available to Parent an accurate and complete copy of the Company Plan and a form of stock option agreement that is consistent in all material respects with the stock option agreements evidencing outstanding Company Options granted thereunder. The per-share exercise price of each Company Option is not less than the fair market value (within the meaning of Section 409A of the Code) of a share of Company Common Stock on the applicable date of grant, and each Company Option has at all times been exempt from Section 409A of the Code. The Company has taken all action necessary under the Company Plan to provide that no Company Option shall be exercisable during the Company Options Blackout Period.

(d) Except for Company Options set forth in Section 2.6(c) of the Company Disclosure Schedule, there is no: (i) outstanding subscription, option, call, warrant or right (whether or not currently exercisable) to acquire any shares of the capital stock or other securities of the Company; (ii) outstanding security, instrument or obligation that is or may become convertible into or exchangeable for any shares of the capital stock or other securities of the Company; or (iii) condition or circumstance that could be reasonably likely to give rise to or provide a basis for the assertion of a claim by any Person to the effect that such Person is entitled to acquire or receive any shares of capital stock or other securities of the Company. There are no outstanding or authorized stock appreciation, phantom stock, profit participation or other similar rights with respect to the Company.

(e) All outstanding shares of Company Common Stock, Company Preferred Stock, Company Options and other securities of the Company have been issued and granted in material compliance with (i) the Organizational Documents of the Company in effect as of the relevant time and all applicable securities Laws and other applicable Law, and (ii) all requirements set forth in applicable Contracts.

(f) All distributions, dividends, repurchases and redemptions of the Company Capital Stock or other equity interests of the Company were undertaken in material compliance with (i) the Organizational Documents of the Company in effect as of the relevant time and all applicable securities Laws and other applicable Laws, and (ii) all requirements set forth in applicable Contract.

**Section 2.7. Financial Statements.**

(a) Concurrently with the execution hereof, the Company has provided to Parent true and complete copies of the unaudited balance sheet of the Company as of December 31, 2022 (the "**Company Unaudited Balance Sheet**"), and the related unaudited statement of profit and loss for the twelve-month period then ended (collectively, the "**Company Financials**"). The Company Financials were prepared in accordance with GAAP (except as may be indicated in the notes to such financial statements and except that the unaudited financial statements may not contain footnotes and are subject to normal and recurring year-end adjustments, none of which is material) and fairly present, in all material respects, the financial position and operating results of the Company as of the dates and for the periods indicated therein.

(b) The Company maintains accurate books and records reflecting its assets and liabilities and maintains a system of internal accounting controls designed to provide reasonable assurance that: (i) transactions are executed in accordance with management's general

or specific authorizations; (ii) transactions are recorded as necessary to permit preparation of the financial statements of the Company in accordance with GAAP and to maintain accountability of the Company's assets; (iii) access to the Company's assets is permitted only in accordance with management's general or specific authorization; (iv) the recorded accountability for the Company's assets is compared with the existing assets at regular intervals and appropriate action is taken with respect to any differences; and (v) accounts, notes and other receivables and inventory are recorded accurately, and proper and adequate procedures are implemented which are designed to effect the collection thereof on a current and timely basis. The Company maintains internal controls consistent with the practices of similarly situated private companies over financial reporting that provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP.

(c) Section 2.7(c) of the Company Disclosure Schedule lists, and the Company has delivered to Parent accurate and complete copies of the documentation creating or governing, all securitization transactions and "off-balance sheet arrangements" (as defined in Item 303(c) of Regulation S-K under the Exchange Act) effected by the Company since December 31, 2020.

(d) Since December 31, 2020, there have been no formal internal investigations regarding financial reporting or accounting policies and practices discussed with, reviewed by or initiated at the direction of the chief executive officer, chief financial officer or general counsel of the Company, the Company Board or any committee thereof. Since December 31, 2020, neither the Company nor its independent auditors have identified (i) any significant deficiency or material weakness in the design or operation of the system of internal accounting controls utilized by the Company, (ii) any fraud, whether or not material, that involves the Company, the Company's management or other employees who have a role in the preparation of financial statements or the internal accounting controls utilized by the Company or (iii) any claim or allegation regarding any of the foregoing.

Section 2.8. Absence of Changes. Except as set forth in Section 2.8 of the Company Disclosure Schedule, after the date of the Company Unaudited Balance Sheet, the Company has conducted its business only in the Ordinary Course of Business (except for the execution and performance of this Agreement and the Contemplated Transactions) and there has not been any (x) Company Material Adverse Effect and (y) the Company has not done any of the following:

Section 2.10. **Title to Assets.** The Company owns, and has good and valid title to, or, in the case of leased properties and assets, valid leasehold interests in, all tangible properties or tangible assets and equipment used or held for use in its business or operations or purported to be owned by it that are material to the Company or its business, including: (a) all tangible assets reflected on the Company Unaudited Balance Sheet; and (b) all other tangible assets reflected in the books and records of the Company as being owned by the Company. All of such assets are owned or, in the case of leased assets, leased by the Company free and clear of any Encumbrances, other than Permitted Encumbrances.

Section 2.11. **Real Property; Leasehold.** The Company does not own, and has never owned, any real property. The Company has made available to Parent (a) an accurate and complete list of all real properties with respect to which the Company directly or indirectly holds a valid leasehold interest as well as any other real estate that is in the possession of, or occupied or leased by, the Company and (b) copies of all leases under which any such real property is possessed, occupied or leased (the "**Company Real Estate Leases**"), each of which is in full force and effect, with no existing material default thereunder by the Company, or to the Knowledge of the Company, any other party thereto. The Company's possession, occupancy, lease, use and/or operation of each such leased property conforms to all applicable Laws in all material respects, and the Company has exclusive possession of each such leased property and leasehold interest and has not granted any occupancy rights to tenants or licensees with respect to such leased property or leasehold interest. In addition, each such leased property and leasehold interest is free and clear of all Encumbrances other than Permitted Encumbrances. The Company has not received any written notice from its landlords or any Governmental Body that: (i) relates to material violations of building, zoning, safety or fire ordinances or regulations; (ii) claims any material defect or deficiency with respect to any of such properties; or (iii) requests the performance of any material repairs, alterations or other work to such properties.

Section 2.12. **Intellectual Property; Privacy.**

(a) Section 2.12(a) of the Company Disclosure Schedule identifies a true and complete list of each item of Registered IP owned in whole or in part by the Company, including, with respect to each application and registration, as applicable: (i) the name of the applicant or registrant, (ii) the jurisdiction of application or registration, (iii) the application, publication or registration number, and date of filing, publication, or issuance, and (iv) any Person that has an ownership interest in such item of Registered IP and the nature of such ownership interest. To the Knowledge of the Company, each of the patents and patent applications included in Section 2.12(a) of the Company Disclosure Schedule properly identifies by name each and every inventor of the inventions claimed therein as determined in accordance with applicable Laws of the jurisdiction in which such patent is issued or such application for patent is pending. As of the date of this Agreement, no cancellation, interference, opposition, reissue, reexamination, inter partes review, post grant review, derivation, or other proceeding of any nature (other than office actions or similar communications issued by any Governmental Body in the ordinary course of prosecution of any pending applications for registration) is pending or, to the Knowledge of the Company, threatened in writing, in which the scope, validity, enforceability or ownership of any Company IP is being or has been contested or challenged. To the Knowledge of the Company, each item of Company IP is valid and enforceable, and with respect to the Company's Registered IP, subsisting.

(b) Except as set forth in Section 2.12(a) of the Company Disclosure Schedule, there are no actions that must be taken within ninety (90) days of the Closing, the failure of which will result in the abandonment, lapse or cancellation of any material Registered IP owned in whole or in part by the Company. The Company is not aware of any event or circumstances, which would set a United States patent bar date within ninety (90) days of the Closing with respect to any invention disclosure that the Company is currently evaluating or has determined to file a patent application thereof. A United States patent bar date is any date by which the Company must file a patent application in order to preserve Company's right and ability to seek patent protection for an invention in the United States.

(c) Except as has not had and would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect, the Company exclusively owns, is the sole assignee of, or has exclusively licensed all material Company IP (other than as disclosed in Section 2.12(b) of the Company Disclosure Schedule), free and clear of all Encumbrances other than Permitted Encumbrances. The Company IP and the Intellectual Property Rights licensed to the Company pursuant to a valid, enforceable written agreement constitute all Intellectual Property Rights used in, material to or, to the Knowledge of the Company, otherwise necessary for the operation of the Company's business as currently conducted. Each Company Associate involved in the creation or development of any material Company IP, pursuant to such Company Associate's activities on behalf of the Company, has signed a valid and enforceable written agreement containing an assignment of such Company Associate's rights in such Company IP to the Company. Each Company Associate who has or has had access to the Company's trade secrets or confidential information has signed a valid and enforceable written agreement

containing confidentiality provisions protecting the Company IP, trade secrets and confidential information. The Company has taken commercially reasonable steps to protect and preserve the confidentiality of its trade secrets and confidential information.

(d) To the Knowledge of the Company, no funding, facilities or personnel of any Governmental Body or any university, college, research institute or other educational institution has been used to create Company IP, except for any such funding or use of facilities or personnel that does not result in such Governmental Body or institution owning such Company IP as of the date of this Agreement.

(e) Section 2.12(e) of the Company Disclosure Schedule sets forth each license agreement pursuant to which the Company (i) is granted a license under any material Intellectual Property Right owned by any third party that is used by the Company in its business as currently conducted (each a "**Company In-bound License**") or (ii) grants to any third party a license under any material Company IP or material Intellectual Property Right licensed to the Company under a Company In-bound License (each a "**Company Out-bound License**") (provided that Company In-bound Licenses shall not include, when entered into in the Ordinary Course of Business, material transfer agreements, clinical trial agreements, agreements with Company Associates, services agreements, non-disclosure agreements, commercially available Software-as-a-Service offerings, or off-the-shelf software licenses; and Company Out-bound Licenses shall not include, when entered into in the Ordinary Course of Business, material transfer agreements, clinical trial agreements, services agreements, non-disclosure agreements, or non-exclusive outbound licenses). All Company In-bound Licenses and Company Out-bound Licenses are in full force and effect and are valid, enforceable and binding obligations of the Company and, to the Knowledge of the Company, each other party to such Company In-bound Licenses or Company Out-bound Licenses. Neither the Company, nor to the Knowledge of the Company, any other party to such Company In-bound Licenses or Company Out-bound Licenses, is in material breach under any Company In-bound Licenses or Company Out-bound Licenses.

(f) To the Knowledge of the Company: (i) the operation of the business of the Company as currently conducted does not infringe, misappropriate or otherwise violate any Intellectual Property Rights of any other Person and (ii) no other Person is infringing, misappropriating or otherwise violating any Company IP. No Legal Proceeding is pending (or, to the Knowledge of the Company, is threatened in writing) (A) against the Company alleging that the operation of the business of the Company infringes or constitutes the misappropriation or other violation of any Intellectual Property Rights of another Person or (B) by the Company alleging that another Person has infringed, misappropriated or otherwise violated any of the Company IP. Since December 31, 2020, the Company has not received any written communication alleging that the operation of the business of the Company infringes or constitutes the misappropriation or other violation of any Intellectual Property Right of another Person.

(g) None of the Company IP owned by the Company or, to the Knowledge of the Company, none of the material Intellectual Property Rights exclusively licensed to the Company is subject to any pending or outstanding injunction, directive, order, judgment or other disposition of dispute that adversely and materially restricts the use, transfer, registration or licensing by the Company of any such Company IP.

(h) To the Knowledge of the Company, the Company and the operation of the Company's business are and since December 31, 2018 has been, in material compliance with the Privacy and Data Processing Requirements. To the Knowledge of the Company, the Company has at all applicable times provided all notices, and obtained and maintained all rights, consents, and authorizations, to Process Company Data as Processed by or for the Company. Since December 31, 2018, to the Knowledge of the Company, there have been (i) no loss or theft or security breach relating to Company Data, (ii) no violation of any security policy of the Company regarding any such Company Data, and (iii) no unauthorized access to, or unauthorized, unintended, or improper use disclosure, or other Processing of any Company Data. The Company has taken commercially reasonable steps and implemented reasonable disaster recovery and security plans and procedures to protect the information technology systems used in, material to or necessary for operation of the Company's business as currently conducted and Company Data from unauthorized use access, or other Processing. To the Knowledge of the Company, there have been no (i) material malfunctions or unauthorized intrusions or breaches of the information technology systems used in, material to or necessary for the operation of the Company's business or (ii) material unauthorized access to, or other processing of, Company Data.

Section 2.13. **Agreements, Contracts and Commitments.**

(a) Section 2.13(a) of the Company Disclosure Schedule lists the following Company Contracts in effect as of the date of this Agreement other than any Company Benefit Plans (each, a "**Company Material Contract**" and collectively, the "**Company Material Contracts**"):

No Legal Proceeding by any Governmental Body is pending or, to the Knowledge of the Company, threatened against the Company. There is no agreement, judgment, injunction, order or decree binding upon the Company which (i) has or would reasonably be expected to have the effect of prohibiting or materially impairing any business practice of the Company, any acquisition of material property by the Company or the conduct of business by the Company as currently conducted, (ii) is reasonably likely to have an adverse effect on the Company's ability to comply with or perform any covenant or obligation under this Agreement, or (iii) is reasonably likely to have the effect of preventing, delaying, making illegal or otherwise interfering with the Contemplated Transactions.

(b) Parent is duly licensed and qualified to do business, and is in good standing (to the extent applicable in such jurisdiction), under the Laws of all jurisdictions where the nature of its business requires such licensing or qualification other than in jurisdictions where the failure to be so qualified individually or in the aggregate would not be reasonably expected to have a Parent Material Adverse Effect.

(c) Parent has no Subsidiaries, except for the Entities set forth in Section 3.1(c) of the Parent Disclosure Schedule; and neither Parent nor any of the Entities identified in Section 3.1(c) of the Parent Disclosure Schedule owns any capital stock of, or any equity, ownership or profit-sharing interest of any nature in, or controls directly or indirectly, any other Entity other than the Entities identified in Section 3.1(c) of the Parent Disclosure Schedule. Each of Parent's Subsidiaries is a corporation or other legal entity duly organized, validly existing and,

if applicable, in good standing under the Laws of the jurisdiction of its organization and has all necessary corporate or similar power and authority: (i) to conduct its business in the manner in which its business is currently being conducted; and (ii) to own or lease and use its property and assets in the manner in which its property and assets are currently owned or leased and used.

(d) Neither Parent nor any of its Subsidiaries is or has otherwise been, directly or indirectly, a party to, member of or participant in any partnership, joint venture or similar business Entity. Neither Parent nor any of its Subsidiaries has agreed or is obligated to make, or is bound by any Contract under which it may become obligated to make, any future investment in or capital contribution to any other Entity. Neither Parent nor any of its Subsidiaries has, at any time, been a general partner of, or has otherwise been liable for, any of the debts or other obligations of, any general partnership, limited partnership or other Entity.

Section 3.2. **Organizational Documents.** Parent has made available to the Company accurate and complete copies of the Organizational Documents or Parent and each of its Subsidiaries in effect as of the date of this Agreement. Neither Parent nor any of its Subsidiaries is in breach or violation of its respective Organizational Documents.

Section 3.3. **Authority; Binding Nature of Agreement.**

(a) Parent and each of its Subsidiaries (including the Merger Subs) have all necessary corporate or similar power and authority to enter into and to perform its obligations under this Agreement and, subject, with respect to Parent, to receipt of the Required Parent Stockholder Vote and, with respect to Merger Subs, the adoption of this Agreement by Parent in its capacity as sole stockholder or sole member of Merger Subs, to perform its obligations hereunder and to consummate the Contemplated Transactions. Each of the Parent Board Approval, the First Merger Sub Board Approval and the Second Merger Sub Sole Member Approval has been duly obtained and constitutes all of the necessary action or authorization on the part of the Parent Board, the First Merger Sub Board, and the sole member of the Second Merger Sub, respectively, for the authorization, execution, delivery and performance of this Agreement and the consummation of the Contemplated Transactions by Parent and Merger Subs.

(b) This Agreement has been duly executed and delivered by Parent and Merger Subs, and, assuming the due authorization, execution and delivery by the Company, constitutes the legal, valid and binding obligation of Parent and Merger Subs, enforceable against each of Parent and Merger Subs in accordance with its terms, subject to the Enforceability Exceptions.

Section 3.4. **Vote Required.** The approval of holders of Parent Common Stock is not required in order to approve this Agreement or, except with respect to Parent Stockholder Matters, the Contemplated Transactions. The only votes of the holders of any class or series of Parent's capital stock necessary to approve the Parent Stockholder Matters (the "**Required Parent Stockholder Vote**") are the following: (a) affirmative vote of a majority of the votes cast at the Parent Stockholders' Meeting by the holders of Parent Common Stock (other than, for purposes of approval under the rules of Nasdaq, Parent Common Stock Payment Shares to be issued pursuant to this Agreement) to approve the Preferred Stock Conversion Proposal; and (b) with respect to the Share Increase Proposal, the affirmative vote by (i) holders of a majority of

outstanding shares of Parent Common Stock entitled to vote at the Parent Stockholders' Meeting, if the Share Increase Proposal shall require any increase to the authorized number of shares of Parent Common Stock or (ii) a number of votes cast at the Parent Stockholders' Meeting by the holders of Parent Common Stock that exceeds the number of votes so cast against the Share Increase Proposal.

Section 3.5. **Non-Contravention; Consents.** Subject to obtaining the Required Parent Stockholder Vote, the filing of the Certificates of Merger required by the DGCL and the DLLCA and the filing of the Certificate of Designation, neither (x) the execution, delivery or performance of this Agreement by Parent or Merger Subs, nor (y) the consummation of the Contemplated Transactions, will directly or indirectly (with or without notice or lapse of time):

(a) contravene, conflict with or result in a violation of any of the provisions of the Organizational Documents of Parent or Merger Subs;

(b) contravene, conflict with or result in a violation of, or give any Governmental Body or other Person the right to challenge the Contemplated Transactions or to exercise any remedy or obtain any relief under, any Law or any order, writ, injunction, judgment or decree to which Parent or its Subsidiaries, or any of the assets owned or used by Parent or its Subsidiaries, is subject, except as would not reasonably be expected to be material to Parent and its Subsidiaries or their businesses, taken as a whole;

(c) contravene, conflict with or result in a violation of any of the terms or requirements of, or give any Governmental Body the right to revoke, withdraw, suspend, cancel, terminate or modify, any Governmental Authorization that is held by Parent, except as would not reasonably be expected to be material to Parent and its Subsidiaries or their businesses, taken as a whole;

(d) contravene, conflict with or result in a violation or breach of, or result in a default under, any provision of any Parent Material Contract, or give any Person the right to: (i) declare a default or exercise any remedy under any Parent Material Contract; (ii) any material payment, rebate, chargeback, penalty or change in delivery schedule under any Parent Material Contract; (iii) accelerate the maturity or performance of any Parent Material Contract; or (iv) cancel, terminate or modify any term of any Parent Material Contract, except in the case of any non-material breach, default, penalty or modification; or

(e) result in the imposition or creation of any Encumbrance (except for Permitted Encumbrances) upon or with respect to any asset owned or used by Parent.

Except for (i) any Consent set forth in Section 3.5 of the Parent Disclosure Schedule under any Parent Contract, (ii) the Required Parent Stockholder Vote, (iii) the filing of the Certificates of Merger with the Secretary of State of the State of Delaware pursuant to the DGCL and the DLLCA, (iv) the filing of the Certificate of Designation with the Secretary of State of the State of Delaware pursuant to the DGCL and (v) such consents, waivers, approvals, orders, authorizations, registrations, declarations and filings as may be required under applicable federal and state securities Laws, neither Parent nor any of its Subsidiaries is or will be required to make any filing with or give any notice to, or to obtain any Consent from, any Person in connection with (A) the

execution, delivery or performance of this Agreement, or (B) the consummation of the Contemplated Transactions. No other state takeover statute or similar Law applies or purports to apply to the Merger, this Agreement or any of the Contemplated Transactions. The Parent Board and the First Merger Sub Board and the Second Merger Sub Board have taken and will take all actions necessary to ensure that the restrictions applicable to business combinations contained in Section 203 of the DGCL (or analogous provisions) are, and will be, inapplicable to the execution, delivery and performance of this Agreement, the Lock-Up Agreements and to the consummation of the Contemplated Transactions.

Section 3.6. **Capitalization.**

(a) The authorized capital stock of Parent as of the date of this Agreement consists of 350,000,000 shares of Parent Common Stock, par value \$0.0001 per share, of which 155,204,182 shares have been issued and are outstanding as of the close of business on the Reference Date and 10,000,000 shares of preferred stock of Parent, par value \$0.0001 per share, of which no shares have been issued and are outstanding as of the date of this Agreement. Parent does not hold any shares of its capital stock in its treasury.

(b) All of the outstanding shares of Parent Common Stock have been duly authorized and validly issued, and are fully paid and nonassessable. Parent is not under any obligation, nor is it bound by any Contract pursuant to which it may become obligated, to repurchase, redeem or otherwise acquire any outstanding shares of Parent Common Stock or other securities.

(c) Except for the Parent Stock Plans, Parent does not have any stock option plan or any other plan, program, agreement or arrangement providing for any equity-based compensation for any Person. Parent has made available to the Company accurate and complete copies of the Parent Stock Plans and the form of the stock option agreements and restricted stock unit agreements evidencing outstanding Parent Stock Options and Parent RSUs granted thereunder.

(d) Except for the Parent Stock Options, the Parent RSUs and the Parent ESPP Purchase Rights granted pursuant to the Parent Stock Plans, and as otherwise set forth in Section 3.6(d) of the Parent Disclosure Schedule, there is no (i) outstanding (A) shares of capital stock or other voting securities of Parent, (B) securities of Parent convertible into or exchangeable for shares of capital stock or voting securities of Parent or (C) options or other rights to acquire from Parent, or any obligation of Parent to issue, any capital stock, voting securities or securities convertible into or exchangeable for capital stock or voting securities of Parent (collectively, "**Parent Securities**"); (ii) outstanding obligations of Parent to repurchase, redeem or otherwise acquire any Parent Securities; and (iii) other options, calls, warrants or other rights relating to Parent Securities to which Parent is a party; except for Parent's obligations to acquire shares of Parent Common Stock tendered by directors, officers, employees or former employees (A) in connection with a cashless exercise of Parent Stock Options or (B) in order to pay Taxes in connection with the exercise, settlement or vesting of Parent Equity Awards.

(e) All outstanding shares of Parent Common Stock, Parent Stock Options, Parent RSUs, Parent Warrants and other securities of Parent have been issued and granted in material compliance with (i) the Organizational Documents of Parent in effect as of the relevant time and all applicable securities Laws and other applicable Law, and (ii) all requirements set forth in applicable Contracts.

(f) All distributions, dividends, repurchases and redemptions of Parent Common Stock or other equity interests of Parent were undertaken in material compliance with (i) the Organizational Documents of Parent in effect as of the relevant time and all applicable securities Laws and other applicable Laws, and (ii) all requirements set forth in applicable Contracts.

Section 3.7. **SEC Filings; Financial Statements.**

(a) Parent has delivered or made available to the Company accurate and complete copies of all registration statements, proxy statements, Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K filed by Parent with the SEC since December 31, 2020 (the "**Parent SEC Documents**"), other than such documents that can be obtained on the SEC's website at [www.sec.gov](http://www.sec.gov). Since December 31, 2020, all material statements, reports, schedules, forms and other documents required to have been filed by Parent or its officers with the SEC have been so filed on a timely basis. As of the time it was filed with the SEC (or, if amended or superseded by a filing prior to the date of this Agreement, then on the date of such filing), each of the Parent SEC Documents complied in all material respects with the applicable requirements of the Securities Act or the Exchange Act (as the case may be) and, as of the time they were filed, or if amended or superseded by a filing prior to the date of this Agreement, on the date of the last such amendment or superseding filing prior to the date of this Agreement, none of the Parent SEC Documents contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The certifications and statements required by (i) Rule 13a-14 under the Exchange Act and (ii) 18 U.S.C. §1350 (Section

906 of the Sarbanes-Oxley Act) relating to the Parent SEC Documents (collectively, the "**Certifications**") are accurate and complete and comply as to form and content with all applicable Laws, and no current or former executive officer of Parent has failed to make the Certifications required of him or her. Parent has made available to the Company true and complete copies of all correspondence, other than transmittal correspondence or general communications by the SEC not specifically addressed to Parent, between the SEC, on the one hand, and Parent, on the other hand, since December 31, 2020, including all SEC comment letters and responses to such comment letters and responses to such comment letters by or on behalf of Parent, except for such correspondence, comment letters and responses to such comment letters that are publicly accessible through EDGAR. As of the date of this Agreement, there are no outstanding unresolved comments in comment letters received from the SEC or Nasdaq with respect to Parent SEC Documents. To the Knowledge of Parent, none of the Parent SEC Documents is the subject of ongoing SEC review and there are no inquiries or investigations by the SEC or any internal investigations pending or threatened, including with regards to any accounting practices of Parent. As used in this Section 3.7, the term "file" and variations thereof shall be broadly construed to include any manner in which a document or information is filed, furnished, supplied or otherwise made available to the SEC.

(b) The financial statements (including any related notes) contained or incorporated by reference in the Parent SEC Documents: (i) complied as to form in all material respects with the published rules and regulations of the SEC applicable thereto; (ii) were prepared in accordance with GAAP (except as may be indicated in the notes to such financial statements or, in the case of unaudited financial statements, except as permitted by Form 10-Q of the SEC, and except that the unaudited financial statements may not contain footnotes and are subject to normal and recurring year-end adjustments) applied on a consistent basis unless otherwise noted therein throughout the periods indicated; and (iii) fairly present, in all material respects, the financial position of Parent and its consolidated Subsidiaries as of the respective dates thereof and the results of operations and cash flows of Parent for the periods covered thereby. Other than as expressly disclosed in the Parent SEC Documents filed prior to the date hereof, there has been no material change in Parent's accounting methods or principles that would be required to be disclosed in Parent's financial statements in accordance with GAAP.

(c) Parent's independent registered public accounting firm has at all times since the date of enactment of the Sarbanes-Oxley Act been: (i) a registered public accounting firm (as defined in Section 2(a)(12) of the Sarbanes-Oxley Act); (ii) to the Knowledge of Parent, "independent" with respect to Parent within the meaning of Regulation S-X under the Exchange Act; and (iii) to the Knowledge of Parent, in compliance with subsections (g) through (l) of Section 10A of the Exchange Act and the rules and regulations promulgated by the SEC and the Public Company Accounting Oversight Board thereunder.

(d) Since December 31, 2020, Parent has not received any comment letter from the SEC or the staff thereof or any correspondence from officials of Nasdaq or the staff thereof relating to the delisting or maintenance of listing of Parent Common Stock on Nasdaq. As of the date of this Agreement, Parent has timely responded to all comment letters of the staff of the SEC relating to the Parent SEC Documents, and the SEC has not advised Parent that any final responses are inadequate, insufficient or otherwise non-responsive. Parent has made available to the Company true, correct and complete copies or all comment letters, written inquiries and

enforcement correspondences between the SEC, on the one hand, and Parent, on the other hand, occurring since December 31, 2020 and will, reasonably promptly following the receipt thereof, make available to the Company any such correspondence sent or received after the date of this Agreement, except to the extent such comment letters and other documents are publicly accessible through EDGAR. To the Knowledge of Parent, as of the date of this Agreement, none of the Parent SEC Documents is the subject of an ongoing SEC report or outstanding SEC comment.

(e) Since December 31, 2020, there have been no formal investigations regarding financial reporting or accounting policies and practices discussed with, reviewed by or initiated at the direction of the chief executive officer, chief financial officer, principal accounting officer or general counsel of Parent, the Parent Board or any committee thereof, other than ordinary course audits or reviews of accounting policies and practices or internal controls required by the Sarbanes-Oxley Act.

(f) Parent is and since its first date of listing on Nasdaq, has been, in compliance in all material respects with the applicable current listing and governance rules and regulations of Nasdaq.

(g) Parent maintains, and at all times since December 31, 2020, has maintained, a system of internal control over financial reporting (as defined in Rules 13a-15(f) and 15d-15(f) of the Exchange Act) that is designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP and to provide reasonable assurance (i) that transactions are recorded as necessary to permit preparation of financial statements in accordance with GAAP, (ii) that receipts and expenditures are made only in accordance with authorizations of management and the Parent Board, (iii) regarding prevention or timely detection of the unauthorized acquisition, use or disposition of Parent's assets that could have a material effect on Parent's financial statements and (iv) that Parent maintains records in reasonable detail which accurately and fairly reflect the transactions and dispositions of the assets of Parent and any of its Subsidiaries. Parent has evaluated the effectiveness of Parent's internal control over financial reporting as of December 31, 2020, and, to the extent required by applicable Law, presented in any applicable Parent SEC Document that is a report on Form 10-K or Form 10-Q (or any amendment thereto) its conclusions about the effectiveness of the internal control over financial reporting as of the end of the period covered by such report or amendment based on such evaluation. Parent has disclosed, based on its most recent evaluation of internal control over financial reporting, to Parent's auditors and audit committee (and has described in Section 3.7(g) of the Parent Disclosure Schedule) (A) all material weaknesses and all significant deficiencies, if any, in the design or operation of internal control over financial reporting that are reasonably likely to adversely affect Parent's ability to record, process, summarize and report financial information and (B) any fraud, whether or not material, that involves Parent, any of its Subsidiaries, Parent's management or other employees who have a role in the preparation of financial statements or the internal accounting controls utilized by the Parent and its Subsidiaries or (C) any claim or allegation regarding any of the foregoing. Parent has not identified, based on its most recent evaluation of internal control over financial reporting, any significant deficiencies or material weaknesses in the design or operation of Parent's internal control over financial reporting.

(h) Parent maintains "disclosure controls and procedures" (as defined in Rules 13a-15(e) and 15d-15(e) of the Exchange Act) that are reasonably designed to ensure that information required to be disclosed by Parent in the periodic reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported within the required time periods, and that all such information is accumulated and communicated to Parent's management as appropriate to allow timely decisions regarding required disclosure and to make the Certifications.

(i) Section 3.7(i) of the Parent Disclosure Schedule sets forth an accurate statement of Parent's cash and cash equivalents as of the close of business on the Business Day preceding the date of this Agreement, and there has been no material change in the balances stated in such statement through the date of this Agreement. The statement set forth in Section 3.7(i) of the Parent Disclosure Schedule (i) has been prepared by Parent in good faith, (ii) is based on assumptions that Parent considers to be reasonable, and (iii) fairly reflects Parent's reasonably anticipated cash usage as of the date of such statement.

(j) Parent has not been and is not currently a "shell company" as defined under Section 12b-2 of the Exchange Act.

Section 3.8. **Absence of Changes.** Except as set forth in Section 3.8 of the Parent Disclosure Schedule, after the date of the Parent Balance Sheet, Parent and its Subsidiaries have conducted its business only in the Ordinary Course of Business (except for the execution and performance of this Agreement and the Contemplated Transactions) and there has not been any (x) Parent Material Adverse Effect and (y) neither Parent nor any of its Subsidiaries has done any of the following:

(a) declared, accrued, set aside or paid any dividend or made any other distribution in respect of any shares of its capital stock or repurchased, redeemed or otherwise reacquired any shares of its capital stock or other securities (except in connection with the payment of the exercise price and/or withholding Taxes incurred upon the exercise, settlement or vesting of any award granted under the Parent Stock Plans);

(b) sold, issued, granted, pledged or otherwise disposed of or encumbered or authorized any of the foregoing with respect to: (A) any capital stock or other security of Parent (except for Parent Common Stock issued upon the valid exercise of outstanding Parent Stock Options or Parent ESPP Purchase Rights or upon the settlement of Parent RSUs); (B) any option, warrant or right to acquire any capital stock or any other security, other than option and restricted stock unit grants to employees or directors in the Ordinary Course of Business or Parent ESPP Purchase Rights; or (C) any instrument convertible into or exchangeable for any capital stock or other security of Parent;

(c) except as required to give effect to anything in contemplation of the Closing, amended any of its Organizational Documents, or effected or been a party to any merger, consolidation, share exchange, business combination, recapitalization, reclassification of shares, stock split, reverse stock split or similar transaction except, for the avoidance of doubt, the Contemplated Transactions;

(d) formed any Subsidiary or acquired any equity interest or other interest in any other Entity or entered into a joint venture with any other Entity;

(e) (A) lent money to any Person (except for the advance of reasonable business expenses to employees, directors and consultants in the Ordinary Course of Business), (B) incurred or guaranteed any indebtedness for borrowed money, or (C) guaranteed any debt securities of others;

(h) entered into any material transaction other than (A) in the Ordinary Course of Business or (B) in connection with the Contemplated Transactions;

(i) acquired any material asset or sold, leased or otherwise irrevocably disposed of any of its assets or properties, or granted any Encumbrance with respect to such assets or properties, except in the Ordinary Course of Business;

(j) sold, assigned, transferred, licensed, sublicensed or otherwise disposed of any material Parent IP (other than pursuant to non-exclusive licenses in the Ordinary Course of Business);

(k) made, changed or revoked any material Tax election, failed to pay any income or other material Tax as such Tax becomes due and payable, filed any amendment making any material change to any Tax Return, settled or compromised any income or other material Tax liability, entered into any Tax allocation, sharing, indemnification or other similar agreement or arrangement (including any "closing agreement" described in Section 7121 of the Code (or any similar Law) with any Governmental Body, but excluding customary commercial Contracts entered into in the Ordinary Course of Business the principal subject matter of which is not Taxes), requested or consented to any extension or waiver of any limitation period with respect to any claim or assessment for any income or other material Taxes (other than pursuant to an extension of time to file any Tax Return granted in the Ordinary Course of Business of not more than six months), or adopted or changed any material Tax accounting method;

(l) other than as required by Law or GAAP, taken any action to change accounting policies or procedures;

(m) initiated or settled any Legal Proceeding; or

(n) agreed, resolved or committed to do any of the foregoing.

Section 3.9. **Absence of Undisclosed Liabilities.** As of the date hereof, neither Parent nor any of its Subsidiaries has any Liability, individually or in the aggregate, of a type required to be recorded or reflected on a balance sheet or disclosed in the footnotes thereto under GAAP except for: (a) Liabilities disclosed, reflected or reserved against in the Parent Balance Sheet; (b) Liabilities that have been incurred by Parent or its Subsidiaries since the date of the Parent Balance Sheet in the Ordinary Course of Business; (c) Liabilities for performance of obligations of Parent or any of its Subsidiaries under Parent Contracts in the Ordinary Course of Business; (d) Liabilities incurred in connection with the Contemplated Transactions; (e) Liabilities which would not, individually or in the aggregate, reasonably be expected to be material to the Parent; and (f) Liabilities described in Section 3.9 of the Parent Disclosure Schedule.

Section 3.10. **Title to Assets.** Each of Parent and its Subsidiaries owns, and has good and valid title to, or, in the case of leased properties and assets, valid leasehold interests in, all tangible properties or tangible assets and equipment used or held for use in its business or operations or purported to be owned by it that is material to Parent and its Subsidiaries or their businesses, taken as a whole, including: (a) all tangible assets reflected on the Parent Balance Sheet; and (b) all other tangible assets reflected in the books and records of Parent or any of its Subsidiaries as being owned by Parent or such Subsidiary. All of such assets are owned or, in the case of leased assets, leased by Parent or its Subsidiaries free and clear of any Encumbrances, other than Permitted Encumbrances.

Section 3.11. **Real Property; Leasehold.** Neither Parent nor any of its Subsidiaries own or ever have owned any real property. Parent has made available to the Company (a) an accurate and complete list of all real properties with respect to which Parent directly or indirectly holds a valid leasehold interest as well as any other real estate that is in the possession of, or occupied or leased by, Parent or any of its Subsidiaries, and (b) copies of all leases under which any such real property is possessed, occupied or leased (the "**Parent Real Estate Leases**"), each of which is in full force and effect, with no existing material default thereunder by Parent or any of its Subsidiaries, or to the Knowledge of Parent, any other party thereto. Parent's possession, occupancy, lease, use and/or operation of each such leased property conforms to all applicable Laws in all material respects, and Parent has exclusive possession of each such leased property and leasehold interest and has not granted any occupancy rights to tenants or licensees with respect to such leased property or leasehold interest. In addition, each such leased property and leasehold interest is free and clear of all Encumbrances other than Permitted Encumbrances. Parent has not received any written notice from its landlords or any Governmental Body that: (i) relates to material violations of building, zoning, safety or fire ordinances or regulations; (ii) claims any defect or deficiency with respect to any of such properties; or (iii) requests the performance of any material repairs, alterations or other work to such properties.

Section 3.12. **Intellectual Property; Privacy.**

(a) Section 3.12(a) of the Parent Disclosure Schedule identifies a true and complete list of each item of Registered IP owned in whole or in part by Parent or its Subsidiaries, including, with respect to each application and registration, as applicable: (i) the name of the applicant/registrant, (ii) the jurisdiction of application or registration, and (iii) the

application, publication or registration number, and date of filing, publication, or issuance, and (iv) any Person that has an ownership interest in such item of Registered IP and the nature of such ownership interest. To the Knowledge of Parent, each of the patents and patent applications included in Section 3.12(a) of the Parent Disclosure Schedule properly identifies by name each and every inventor of the inventions claimed therein as determined in accordance with applicable Laws of the jurisdiction in which such patent is issued or such application for patent is pending. As of the date of this Agreement, no cancellation, interference, opposition, reissue, reexamination, inter partes review, post grant review, derivation, or other proceeding of any nature (other than office actions or similar communications issued by any Governmental Body in the ordinary course of prosecution of any pending applications for registration) is pending or, to the Knowledge of Parent, threatened in writing, in which the scope, validity, enforceability or ownership of any Parent IP is being or has been contested or challenged. To the Knowledge of Parent, each item of Parent IP is valid and enforceable, and with respect to Parent's material Registered IP, subsisting.

(b) Except as set forth in Section 3.12(b) of the Parent Disclosure Schedule, there are no actions that must be taken within ninety (90) days of the Closing, the failure of which will result in the abandonment, lapse or cancellation of any of the material Registered IP owned in whole or in part by Parent or its Subsidiaries. Parent is not aware of any event or circumstances, which would set a United States patent bar date within ninety (90) days of the Closing with respect to any invention disclosure that the Company is currently evaluating or has determined to file a patent application thereof. A United States patent bar date is any date by which Parent must file a patent application in order to preserve Parent's right and ability to seek patent protection for an invention in the United States.

(c) Except as has not had and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect, Parent or its Subsidiaries exclusively owns, is the sole assignee of, or has exclusively licensed all material Parent IP, free and clear of all Encumbrances other than Permitted Encumbrances. The Parent IP, together with the Intellectual Property Rights licensed to Parent or its Subsidiaries pursuant to a valid, enforceable written agreement, constitute all Intellectual Property Rights used in, material to or, to the Knowledge of Parent, otherwise necessary for the operation of Parent's and any of its Subsidiaries' business as currently conducted. Each Parent Associate involved in the creation or development of any material Parent IP, pursuant to such Parent Associate's activities on behalf of Parent or any of its Subsidiaries, has signed a valid and enforceable written agreement containing an assignment of such Parent Associate's rights in such Parent IP to Parent or its Subsidiaries. Each Parent Associate who has or has had access to Parent's or any of its Subsidiaries' trade secrets or confidential information has signed a valid and enforceable written agreement containing confidentiality provisions protecting the Parent IP, trade secrets and confidential information. Parent has taken commercially reasonable steps to protect and preserve the confidentiality of its trade secrets and confidential information.

(d) To the Knowledge of Parent, no funding, facilities or personnel of any Governmental Body or any university, college, research institute or other educational institution has been used to create Parent IP, except for any such funding or use of facilities or personnel that does not result in such Governmental Body or institution obtaining ownership rights or a license to such Parent IP or the right to receive royalties for the practice of such Parent IP.

(e) Section 3.12(e) of Parent Disclosure Schedule sets forth each license agreement pursuant to which Parent (i) is granted a license under any material Intellectual Property Right owned by any third party that is used by Parent or its Subsidiaries in its business as currently conducted (each a "**Parent In-bound License**") or (ii) grants to any third party a license under any material Parent IP (each a "**Parent Out-bound License**") (provided that Parent In-bound Licenses shall not include, when entered into in the Ordinary Course of Business, material transfer agreements, services agreements, clinical trial agreements, agreements with Parent Associates, non-disclosure agreements, commercially available Software-as-a-Service offerings, or off-the-shelf software licenses; and Parent Out-bound Licenses shall not include, when entered into in the Ordinary Course of Business, material transfer agreements, clinical trial agreements, services agreements, non-disclosure agreements, or non-exclusive outbound licenses). All Parent In-bound Licenses and Parent Out-bound Licenses are in full force and effect and are valid, enforceable and binding obligations of Parent and, to the Knowledge of Parent, each other party to such Parent In-bound Licenses or Parent Out-bound Licenses. Neither Parent, nor, to the Knowledge of Parent, any other party to such Parent In-bound Licenses or Parent Out-bound Licenses, is in material breach under any Parent In-bound Licenses or Parent Out-bound Licenses. (h) No Parent Benefit Plan provides death, medical, dental, vision, life insurance or other welfare benefits beyond termination of service or retirement other than coverage mandated by Law (or pursuant to the written terms of an employment agreement as set forth in Section 3.17(h) of the Parent Disclosure Schedule) and to the Knowledge of Parent, neither Parent nor any of its Subsidiaries has made a written representation promising the same.

(i) Except as set forth in Section 3.17(i) of the Parent Disclosure Schedule, neither the execution of this Agreement, nor the performance of the Contemplated Transactions (either alone or when combined with the occurrence of any other event, including a termination of employment) will: (i) result in any payment becoming due to any current or former employee, director, officer, or independent contractor of Parent or any Subsidiary thereof pursuant to any Parent Benefit Plan or otherwise, (ii) increase any amount of compensation or benefits otherwise payable under any Parent Benefit Plan, (iii) result in the acceleration of the time of payment, funding or vesting of any benefits under any Parent Benefit Plan, (iv) require any contribution or payment to fund any obligation under any Parent Benefit Plan or (v) limit the right to merge, amend or terminate any Parent Benefit Plan.

(j) Except as set forth in Section 3.17(j) of the Parent Disclosure Schedule, neither the execution of this Agreement, nor the consummation of the Contemplated Transactions (either alone or when combined with the occurrence of any other event, including a termination of employment) will result in the receipt or retention by any person who is a "disqualified individual" (within the meaning of Code Section 280G) with respect to Parent and its Subsidiaries of any payment or benefit that is or could be characterized as a "parachute payment" (within the meaning of Code Section 280G), determined without regard to the application of Code Section 280G(b)(5).

(k) No current or former employee, officer, director or independent contractor of Parent or any of its Subsidiaries has any "gross up" agreements with Parent or any of its Subsidiaries or other assurance of reimbursement by Parent or any of its Subsidiaries for any Taxes imposed under Code Section 409A or Code Section 4999.

(l) Parent does not maintain any Parent Benefit Plan for the benefit of any service providers located outside of the United States.

(m) Parent has provided to the Company a true and correct list, as of the date of this Agreement, containing the names of all current full-time, part-time or temporary employees (and indication as such), and, as applicable: (i) annualized base salary or hourly wage rate (as applicable); (ii) annual target incentive or bonus compensation for the current fiscal year; (iii) date of hire; (iv) position or title; (v) visa status, if applicable; (vi) a designation of whether they are classified as exempt or non-exempt for purposes of FLSA and any similar state law; and (vii) whether such an employee is on leave, and if so, the expected return date.

(n) [Reserved].

(o) Neither Parent nor any of its Subsidiaries is or has ever been a party to, bound by, or has a duty to bargain under, any collective bargaining agreement or other Contract with a labor union or similar labor organization representing any of its employees, and there is no labor union or similar labor organization representing or, to the Knowledge of Parent, purporting to represent or seeking to represent any employees of Parent or its Subsidiaries, including through the filing of a petition for representation election. There is not and has not been in the past five years, nor, to the Knowledge of Parent, is there any threat of, any strike, slowdown, work stoppage, lockout, union election petition, demand for recognition, or any similar activity or dispute, or any union organizing activity, against Parent or any of its Subsidiaries. There is no unfair labor practice charge pending or, to the Knowledge of Parent, threatened which if determined adversely to Parent has had or would be reasonably expected to result in material liability to Parent.

(p) Parent and each of its Subsidiaries is, and since December 31, 2020 has been, in material compliance with all applicable Laws respecting labor, employment, employment practices, and terms and conditions of employment, including worker classification, discrimination, harassment and retaliation, equal employment opportunities, fair employment practices, meal and rest periods, immigration, employee safety and health, payment of wages (including overtime wages), unemployment and workers' compensation, leaves of absence, and hours of work. Except as would not be reasonably likely to result in a material liability to Parent or any of its Subsidiaries, since December 31, 2020, has withheld and reported all amounts required by Law to be withheld and reported with respect to wages, salaries and other payments, benefits, or compensation to employees. There is no material Legal Proceeding pending or, to the Knowledge of Parent, threatened or reasonably anticipated against Parent or any of its Subsidiaries relating to any current or former employee, applicant for employment, or consultant of Parent.

(q) Within the preceding two years, Parent has complied in all material respects with the WARN Act.

(r) Since December 31, 2020, (i) no allegations of workplace sexual harassment, discrimination or other misconduct have been made in writing, initiated or filed or, to the Knowledge of Parent, threatened against Parent or, to the Knowledge of Parent, any of their

respective employees in their capacities as such, (ii) to the Knowledge of Parent, no incidents of any such workplace sexual harassment, discrimination or other misconduct have occurred, and (iii) Parent has not entered into any settlement agreement related to allegations of sexual harassment, discrimination or other misconduct by any of its employees, directors, officers or independent contractors, in each case described in clause (f).

Section 3.18. **Environmental Matters.** Parent and each of its Subsidiaries are in compliance and since December 31, 2020 have complied with all applicable Environmental Laws, which compliance includes the possession by Parent of all permits and other Governmental Authorizations required under applicable Environmental Laws and compliance with the terms and conditions thereof, except for any failure to be in such compliance that, either individually or in the aggregate, would not reasonably be expected to be material to Parent and its Subsidiaries or their businesses, taken as a whole. Neither Parent nor any of its Subsidiaries has received since December 31, 2020 (or prior to that time, which is pending and unresolved), any written notice or other communication (in writing or otherwise), whether from a Governmental Body or other Person, that alleges that Parent or any of its Subsidiaries is not in compliance with or has liability pursuant to any Environmental Law and, to the Knowledge of Parent, there are no circumstances that would reasonably be expected to prevent or interfere with Parent's or any of its Subsidiaries' compliance in any material respects with any Environmental Law, except where such failure to comply would not reasonably be expected to be material to Parent and its Subsidiaries or their businesses, taken as a whole. No current or (during the time a prior property was leased or controlled by Parent or any of its Subsidiaries) prior property leased or controlled by Parent or any of its Subsidiaries has had a release of or exposure to Hazardous Materials in material violation of or as would reasonably be expected to result in any material liability of Parent or any of its Subsidiaries pursuant to Environmental Law. No consent, approval or Governmental Authorization of or registration or filing with any Governmental Body is required by Environmental Laws in connection with the execution and delivery of this Agreement or the consummation of the Contemplated Transactions by Parent or Merger Subs. Prior to the date hereof, Parent has provided or otherwise made available to the Company true and correct copies of all material environmental reports, assessments, studies and audits in the possession or control of Parent or any of its Subsidiaries with respect to any property leased or controlled by Parent or any of its Subsidiaries or any business operated by them.

Section 3.19. **Transactions with Affiliates.** Except as set forth in the Parent SEC Documents filed prior to the date of this Agreement, since the date of Parent's last proxy statement filed in April 2023 with the SEC, no event has occurred that would be required to be reported by Parent pursuant to Item 404 of Regulation S-K. Section 3.19 of the Parent Disclosure Schedule identifies each Person who is (or who may be deemed to be) an Affiliate of Parent as of the date of this Agreement.

Section 3.20. **Insurance.** Parent has delivered or made available to the Company accurate and complete copies of all material insurance policies and all material self-insurance programs and arrangements relating to the business, assets, liabilities and operations of Parent and each of its Subsidiaries. Each of such insurance policies is in full force and effect and Parent and each of its Subsidiaries is in compliance in all material respects with the terms thereof. Other than customary end of policy notifications from insurance carriers, since December 31, 2020, neither Parent nor any of its Subsidiaries has received any notice or other communication regarding any

actual or possible: (a) cancellation or invalidation of any insurance policy; or (b) refusal or denial of any coverage, reservation of rights or rejection of any material claim under any insurance policy. Parent and each of its Subsidiaries has provided timely written notice to the appropriate insurance carrier(s) of each material Legal Proceeding that is currently pending against Parent or any of its Subsidiaries for which Parent or such Subsidiary has insurance coverage, and no such carrier has issued a denial of coverage or a reservation of rights with respect to any such Legal Proceeding, or informed Parent or any of its Subsidiaries of its intent to do so.

Section 3.21. **No Financial Advisors.** No broker, finder or investment banker, other than Leerink Partners LLC, is entitled to any brokerage fee, finder's fee, opinion fee, success fee, transaction fee or other fee or commission in connection with the Contemplated Transactions based upon arrangements made by or on behalf of Parent or any of its Subsidiaries.

Section 3.22. **Anti-Bribery.** None of Parent or any of its Subsidiaries nor any of their respective directors, officers, employees or, to Parent's Knowledge, agents or any other Person acting on its behalf has directly or indirectly made any bribes, rebates, payoffs, influence payments, kickbacks, illegal payments, illegal political contributions, or other payments, in the form of cash, gifts, or otherwise, or taken any other action, in violation of Anti-Bribery Laws. Neither Parent nor any of its Subsidiaries is or has been the subject of any investigation or inquiry by any Governmental Body with respect to potential violations of Anti-Bribery Laws.

Section 3.23. **Valid Issuance.** The Parent Common Stock and Parent Convertible Preferred Stock to be issued in the Merger will, when issued in accordance with the provisions of this Agreement, be validly issued, fully paid and nonassessable. To the Knowledge of Parent as of the date of this Agreement, no "bad actor" disqualifying event described in Rule 506(d)(1)(i)-(viii) of the Securities Act (a "**Disqualifying Event**") is applicable to Parent or, to Parent's Knowledge, any Parent Covered Person, except for a Disqualifying Event as to which Rule 506(d)(2)(ii)-(iv) or (d)(3) of the Securities Act is applicable.

Section 3.24. **Disclaimer of Other Representations or Warranties.**

(a) Except for the representations and warranties expressly set forth in this Article III or in any certificate delivered by Parent or Merger Subs to the Company pursuant to this Agreement, neither Parent, any Merger Sub, any of their respective Affiliates or Representatives, nor any other Person makes any representation or warranty, express or implied, at law or in equity, with respect to Parent, any of its Affiliates or Merger Subs or any of their assets, liabilities or operations, and any such other representations or warranties are hereby expressly disclaimed.

(b) Each of Parent, First Merger Sub and Second Merger Sub acknowledges and agrees that, except for the representations and warranties of the Company set forth in Article II or in any certificate delivered by the Company to Parent or the Merger Subs pursuant to this Agreement, none of Parent, Merger Subs or any of their respective Affiliates or Representatives is relying on any other representation or warranty of the Company or any other Person made outside of Article II or such certificates, including regarding the accuracy or completeness of any such other representations or warranties or the omission of any material information, whether express or implied.

**ARTICLE IV.**  
ADDITIONAL AGREEMENTS OF THE PARTIES

Section 4.1. **Parent Stockholders' Meeting.**

(a) As promptly as practicable following the execution of this Agreement, Parent shall take all action necessary under applicable Law to call, give notice of and hold a meeting of the holders of Parent Common Stock (such meeting, the "**Parent Stockholders' Meeting**") for the purpose of seeking:

(i) approval of the Preferred Stock Conversion Proposal; and

(ii) approval of (A) an amendment of the Parent Charter to increase the number of authorized shares of Parent Common Stock or (B) a reverse stock split of all outstanding shares of Parent Common Stock, in either case ((A) or (B)) by a number of authorized shares or at a stock split ratio, as the case may be, sufficient to allow the conversion of all shares of Parent Convertible Preferred Stock and have reserved and authorized a number of shares of Parent Common Stock sufficient to cover all shares of Parent Common Stock issued upon such conversion (the "**Share Increase Proposal**") (the matters contemplated by clauses (i) and (ii) in this Section 4.1(a), together, are referred to as the "**Parent Stockholder Matters**").

(b) Parent agrees to use reasonable best efforts to call and hold the Parent Stockholders' Meeting as soon as practicable after the date hereof. If the approval of the Parent Stockholder Matters is not obtained at the Parent Stockholders' Meeting or if on a date preceding the Parent Stockholders' Meeting, Parent reasonably believes that (i) it will not receive proxies sufficient to obtain the Required Parent Stockholder Vote, whether or not quorum would be present or (ii) it will not have sufficient shares of Parent Common Stock represented (whether in person or by proxy) to constitute a quorum necessary to conduct the business of the Parent Stockholders' Meeting, then, in each case, Parent will use its reasonable best efforts to adjourn the Parent Stockholders' Meeting one or more times to a date or dates no more than 30 days after the original scheduled date for such meeting, and to obtain such approvals at such time. If the Parent Stockholders' Meeting is not so adjourned, or if the approval of the Parent Stockholder Matters is not then obtained, Parent will use its reasonable best efforts to obtain such approvals as soon as practicable thereafter (including engaging a third party proxy solicitor), and in any event to obtain such approvals at the next occurring annual meeting of the stockholders of Parent or, if such annual meeting is not scheduled to be held within six months after the Parent Stockholders' Meeting, a special meeting of the stockholders of Parent to be held within six months after the Parent Stockholders' Meeting. Parent will hold an annual meeting or special meeting of its stockholders, at which a vote of the stockholders of Parent to approve the Parent Stockholder Matters will be solicited and taken, at least once every six months until Parent obtains approval of the Parent Stockholder Matters.

(c) Parent agrees that: (i) the Parent Board shall recommend that the holders of Parent Common Stock vote to approve the Parent Stockholder Matters and shall use its reasonable best efforts to solicit and obtain such approval within the time frames set forth in Section 4.1(b), and (ii) the Proxy Statement shall include a statement to the effect that the Parent Board recommends that the Parent's stockholders vote to approve the Parent Stockholder Matters.

(d) The Company and Parent acknowledge that, under the rules of Nasdaq, Parent Common Stock Payment Shares and Parent Preferred Stock Payment Shares will not be entitled to vote on the Preferred Stock Conversion Proposal.

Section 4.2. **Proxy Statement.**

(a) As promptly as practicable after the Closing Date, Parent shall prepare and file with the SEC a proxy statement relating to the Parent Stockholders' Meeting to be held in connection with the Parent Stockholder Matters (together with any amendments thereof or supplements thereto, the "**Proxy Statement**"). Parent shall use its commercially reasonable efforts to (i) cause the Proxy Statement to comply with applicable rules and regulations promulgated by the SEC and (ii) respond promptly to any comments or requests of the SEC or its staff related to the Proxy Statement.

(b) Parent shall cause the Proxy Statement (and the letters to stockholders, notice of meeting and form of proxy included therewith) to (i) comply as to form in all material respects with the requirements of applicable U.S. federal securities Laws and the DGCL, and (ii) not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

(c) Parent shall use commercially reasonable efforts to cause the definitive Proxy Statement to be mailed to Parent's stockholders as promptly as practicable after (i) the SEC has indicated that it does not intend to review such Proxy Statement or that its review of such Proxy Statement has been completed or (ii) at least ten (10) days shall have passed since such Proxy Statement was filed with the SEC without receiving any correspondence from the SEC commenting upon, or indicating that it intends to review, such Proxy Statement, all in compliance with applicable U.S. federal securities laws and the DGCL. If Parent, First Merger Sub, Second Merger Sub or the Surviving Entity (A) become aware of any event or information that, pursuant to the Securities Act or the Exchange Act, should be disclosed in an amendment or supplement to the Proxy Statement, (B) receives notice of any SEC request for an amendment or supplement to the Proxy Statement or for additional information related thereto, or (C) receives SEC comments on the Proxy Statement, as the case may be, then such Party, as the case may be, shall promptly inform the other Parties thereof and shall cooperate with such other Parties in Parent filing such amendment or supplement with the SEC and, if appropriate, in mailing such amendment or supplement to Parent stockholders.

Section 4.3. **Reservation of Parent Common Stock; Issuance of Shares of Parent Common Stock.** From the time that the Required Parent Stockholder Vote with respect to the Share Increase Proposal is obtained and thereafter for as long as any Parent Preferred Stock Payment Shares remain outstanding, Parent shall at all times reserve and keep available, free from preemptive rights, out of its authorized but unissued Parent Common Stock or shares of Parent Common Stock held in treasury by Parent, for the purpose of effecting the conversion of Parent Preferred Stock Payment Shares, the full number of shares of Parent Common Stock then issuable upon the conversion of all Parent Preferred Stock Payment Shares then outstanding. All shares of Parent Common Stock delivered upon conversion of Parent Preferred Stock Payment Shares shall be newly issued shares or shares held in treasury by Parent, shall have been duly authorized and validly issued and shall be fully paid and nonassessable, and shall be free from preemptive rights and free of any Encumbrance.

**Section 4.4. Employee Benefits.**

(a) For purposes of vesting, eligibility to participate, and level of benefits (other than for purposes of determining accrued benefits under any defined benefit pension plan) under the benefit plans, programs, or arrangements of Parent or any of its Subsidiaries (including, following the Closing, the Surviving Entity and its Subsidiaries) (the "**Post-Closing Plans**"), Parent shall use commercially reasonable efforts to cause each employee of the Company and each employee of Parent who remains employed by Parent or the Surviving Entity, or any of their respective Subsidiaries following the Closing, (together, the "**Continuing Employees**") to be credited with his or her years of service with the Company or Parent or any of their respective predecessors; provided that the foregoing shall not apply to the extent that its application would result in a duplication of benefits. In addition, and without limiting the generality of the foregoing, for purposes of each Post-Closing Plan providing medical, dental, pharmaceutical and vision benefits to a Continuing Employee, Parent shall use commercially reasonable efforts to cause all pre-existing condition exclusions and actively-at-work requirements of such Post-Closing Plan to be waived for such Continuing Employee and his or her covered dependents to the extent such conditions would have been waived or satisfied under the employee benefit plan whose coverage is being replaced under the Post-Closing Plan.

(b) Parent shall, or shall cause one of its Affiliates to, (i) provide Continuing Employees with base salary or hourly wage rate, as applicable, and target annual cash bonus opportunities that are no less than the base salary or hourly wage rate, as applicable, and target annual cash bonus opportunities in effect as of immediately prior to the First Effective Time through December 31, 2024, and (ii) at all times from the First Effective Time, honor all severance and retention arrangements of Parent listed in **Section 4.4(b)** of the Parent Disclosure Schedule.

(c) The provisions of this **Section 4.4** are for the sole benefit of Parent and the Company and no provision of this Agreement shall (i) create any third-party beneficiary or other rights in any Person, including rights in respect of any benefits that may be provided, directly or indirectly, under any Company Benefit Plan, Parent Benefit Plan or Post-Closing Plan or rights to continued employment or service with the Company or Parent (or any Subsidiary thereof), (ii) be construed as an amendment, waiver or creation of or limitation on the ability to terminate any Company Benefit Plan, Parent Benefit Plan or Post-Closing Plan, or (iii) limit the ability of Parent to terminate the employment of any Continuing Employee or modify the at-will status of any Continuing Employees.

**Section 4.5. Indemnification of Officers and Directors.**

(a) From the First Effective Time through the sixth anniversary of the date on which the First Effective Time occurs, each of Parent and the Surviving Entity shall indemnify and hold harmless each Person who is now, or has been at any time prior to the date hereof, or who becomes prior to the First Effective Time, a director or officer of Parent or the Company or any of their respective Subsidiaries, respectively (the "**D&O Indemnified Parties**"), against all claims, losses, liabilities, damages, judgments, fines and reasonable fees, costs and

expenses, including attorneys' fees and disbursements, incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of or pertaining to the fact that the D&O Indemnified Party is or was a director or officer of Parent or of the Company, or any Subsidiary thereof, asserted or claimed prior to the First Effective Time, in each case, to the fullest extent permitted under applicable Law. Except in the case of fraud, each D&O Indemnified Party will be entitled to advancement of expenses incurred in the defense of any such claim, action, suit, proceeding or investigation from each of Parent and the Surviving Entity, jointly and severally, upon receipt by Parent or the Surviving Entity from the D&O Indemnified Party of a request therefor; provided that any such Person to whom expenses are advanced provides an undertaking to Parent, to the extent then required by the DGCL or DLLCA, as applicable, to repay such advances if it is ultimately determined that such Person is not entitled to indemnification.

(b) The provisions of the Parent Charter and bylaws of Parent with respect to indemnification, advancement of expenses and exculpation of present and former directors and officers of Parent that are presently set forth in the Parent Charter and bylaws of Parent shall not be amended, modified or repealed for a period of six years from the First Effective Time in a manner that would adversely affect the rights thereunder of individuals who, at or prior to the First Effective Time, were officers or directors of Parent, unless such modification is required by applicable Law. The limited liability company agreement of the Surviving Entity shall contain, and Parent shall cause the limited liability company agreement of the Surviving Entity to so contain, provisions no less favorable with respect to indemnification, advancement of expenses and exculpation of present and former directors and officers as those presently set forth in the Parent Charter and bylaws of Parent.

(c) From and after the First Effective Time, (i) the Surviving Entity shall fulfill and honor in all respects the obligations of the Company to its D&O Indemnified Parties as of immediately prior to the Closing pursuant to any indemnification provisions under the Company's Organizational Documents and pursuant to any indemnification agreements between the Company and such D&O Indemnified Parties, with respect to claims arising out of matters occurring at or prior to the First Effective Time and (ii) Parent shall fulfill and honor in all respects the obligations of Parent to its D&O Indemnified Parties as of immediately prior to the Closing pursuant to any indemnification provisions under Parent's Organizational Documents and pursuant to any indemnification agreements between Parent and such D&O Indemnified Parties, with respect to claims arising out of matters occurring at or prior to the First Effective Time.

(d) From and after the First Effective Time, Parent shall continue to maintain directors' and officers' liability insurance policies, with an effective date as of the Closing Date, on commercially available terms and conditions and with coverage limits customary for U.S. public companies similarly situated to Parent. From and after the First Effective Time, Parent shall pay all expenses, including reasonable attorneys' fees, that are incurred by the Persons referred to in this [Section 4.5](#) in connection with their successful enforcement of the rights provided to such Persons in this [Section 4.5](#).

(e) The provisions of this [Section 4.5](#) are intended to be in addition to the rights otherwise available to the current and former officers and directors of Parent and the Company by Law, charter, statute, bylaw or agreement, and shall operate for the benefit of, and shall be enforceable by, each of the D&O Indemnified Parties, their heirs and their representatives.

(f) In the event Parent or the Surviving Entity or any of their respective successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger, or (ii) transfers all or substantially all of its properties and assets to any Person, then, and in each such case, proper provision shall be made so that the successors and assigns of Parent or the Surviving Entity, as the case may be, shall succeed to the obligations set forth in this Section 4.5. Parent shall cause the Surviving Entity to perform all of the obligations of the Surviving Entity under this Section 4.5.

Section 4.6. **Additional Agreements.** The Parties shall use reasonable best efforts to cause to be taken all actions necessary to consummate the Contemplated Transactions. Without limiting the generality of the foregoing, each Party to this Agreement: (a) shall make all filings and other submissions (if any) and give all notices (if any) required to be made and given by such Party in connection with the Contemplated Transactions; (b) shall use reasonable best efforts to obtain each Consent (if any) reasonably required to be obtained (pursuant to any applicable Law or Contract, or otherwise) by such Party in connection with the Contemplated Transactions or for such Contract to remain in full force and effect; (c) shall use reasonable best efforts to lift any injunction prohibiting, or any other legal bar to, the Contemplated Transactions; and (d) shall use reasonable best efforts to satisfy the conditions precedent to the consummation of this Agreement.

Section 4.7. **Listing.** Parent shall use its reasonable best efforts to (a) maintain its existing listing on Nasdaq; (b) prepare and submit to Nasdaq a notification form for the listing of the shares of Parent Common Stock Payment Shares and Parent Common Stock to be issued upon conversion of Parent Preferred Stock Payment Shares to be issued in connection with the Contemplated Transactions, to cause such shares to be approved for listing (subject to official notice of issuance); and (c) to the extent required by Nasdaq rules and regulations, file an initial listing application for Parent Common Stock on Nasdaq (the "**Nasdaq Listing Application**"), which Nasdaq Listing Application shall be prepared in cooperation with the Company, and to cause such Nasdaq Listing Application to be conditionally approved prior to the First Effective Time. The Parties will use reasonable best efforts to coordinate with respect to compliance with Nasdaq rules and regulations. Each Party will promptly inform the other Party of all verbal or written communications between Nasdaq and such Party or its representatives. The Company will cooperate with Parent as reasonably requested by Parent with respect to the Nasdaq Listing Application and promptly furnish to Parent all information concerning the Company and its stockholders that may be required or reasonably requested in connection with any action contemplated by this Section 4.7.

Section 4.8. **Tax Matters.**

(a) For U.S. federal income Tax purposes, (i) the Parties intend that the First Merger and the Second Merger, taken together, constitute an integrated transaction described in Rev. Rul. 2001-46, 2001-2 C.B. 321 that qualifies as a "reorganization" within the meaning of Section 368(a) of the Code and the Treasury Regulations promulgated thereunder (the "**Intended Tax Treatment**"), and (ii) this Agreement is intended to be, and is hereby adopted as, a "plan of reorganization" for purposes of Sections 354 and 361 of the Code and Treasury Regulations

Sections 1.368-2(g) and 1.368-3(a), to which Parent, Merger Subs and the Company are parties under Section 368(b) of the Code. The Parties shall treat and shall not take any tax reporting position (including during the course of any audit, litigation or other proceeding with respect to Taxes) inconsistent with the treatment of the Merger as a reorganization within the meaning of Section 368(a) of the Code for U.S. federal, state and other relevant Tax purposes, unless otherwise required pursuant to a “determination” within the meaning of Section 1313(a) of the Code. Each Party shall not (and shall not permit or cause any of its Affiliates to) take any action not contemplated by this Agreement (including any ancillary agreement referred to in this Agreement), or knowingly fail to take, or knowingly fail to cause to be taken by any of its Affiliates, any action, which action or failure to act would reasonably be expected to prevent the Merger from qualifying, for the Intended Tax Treatment.

(b) All transfer, documentary, sales, use, stamp, value added, goods and services, excise, registration and other similar Taxes, and all conveyance fees, recording charges and other fees and charges (including any penalties and interest) (“**Transfer Taxes**”) arising in connection with the Mergers shall be borne by the Persons responsible for such Taxes under applicable Law. Each Party shall reasonably cooperate in providing any certificates or other documents required to reduce the applicable Transfer Taxes and, if and to the extent required by applicable Law, shall join the other applicable Party(ies) in the execution of any Tax Return in respect thereof.

Section 4.9. **Legends.** Parent shall be entitled to place appropriate legends, including the legend noted in Section 4.17, on the book entries and/or certificates evidencing any shares of Parent Common Stock or Parent Convertible Preferred Stock to be received in the Merger by equity holders of the Company who may be considered “affiliates” of Parent for purposes of Rules 144 and 145 under the Securities Act reflecting the restrictions set forth in Rules 144 and 145 and to issue appropriate stop transfer instructions to the transfer agent for Parent Common Stock and Parent Convertible Preferred Stock.

Section 4.10. **Directors and Officers.**

(a) The Parties shall take all necessary action so that immediately after the Second Effective Time, (i) the Parent Board is comprised of ten members, of which eight members shall be designated by Parent, and two members shall be designated by the Company as set forth on Section 4.10(a)(i) of the Company Disclosure Schedule (which members designated by Parent shall include the Board Designee specified in Section 4.10(c) and shall be assigned to the classes of directors of the Parent Board as is specified in Section 4.10(a)(i) of the Company Disclosure Schedule) and (ii) the Persons set forth on Section 4.10(a)(ii) of the Parent Disclosure Schedule under the heading “Officers” are elected or appointed, as applicable, to the positions of officers of Parent and the Surviving Entity, as set forth therein, to serve in such positions effective as of the Second Effective Time until successors are duly appointed and qualified in accordance with applicable Law. The Parties shall cooperate in good faith to ensure that the Parent Board shall have sufficient independent directors to satisfy applicable Nasdaq listing standards and that all independent board members must qualify as “independent directors” under applicable SEC rules. Until the Designee Termination Date, Parent shall not increase the size of the Parent Board without the prior written approval of Seven One Eight Three Four Irrevocable Trust, which approval shall not be unreasonably withheld, conditioned or delayed.

(b) Subject to the terms and conditions of this Section 4.10, until the Designee Termination Date, Seven One Eight Three Four Irrevocable Trust shall have the right, effective as of the Second Effective Time, to designate one individual to be appointed to the Parent Board (the “**Proposed Designee**”). The Proposed Designee shall be (i) qualified and suitable to serve as a member of the Parent Board under all applicable corporate governance policies and guidelines of Parent and the Parent Board and applicable legal, regulatory and stock market requirements, as determined in good faith by the Parent Board, and (ii) reasonably acceptable to a majority of the independent members of the Parent Board (such qualifications in clauses (i) and (ii), the “**Board Qualifications**”). Seven One Eight Three Four Irrevocable Trust will take all necessary action to cause the Proposed Designee to make him or herself reasonably available for interviews, to consent to Parent’s standard reference and background checks and other investigations and to provide such information (including information necessary to determine the individual’s independence status under applicable requirements and institutional investor guidelines as well as information necessary to determine any disclosure obligations of the Parent) as the Parent Board may reasonably request; provided that such interviews, investigations and information requested of any Proposed Designee is materially consistent with such similar requests made of all current members of the Parent Board or other candidates for nomination to the Parent Board. If, following such process, the Parent Board in good faith determines that any Proposed Designee does not meet the Board Qualifications, (A) the Parent Board shall communicate in writing the basis for such determination to Seven One Eight Three Four Irrevocable Trust, (B) such Proposed Designee shall cease to be a Proposed Designee, and (C) Seven One Eight Three Four Irrevocable Trust shall have the right to designate another individual as a Proposed Designee (which process may be repeated until such time as the Parent Board in good faith determines that a Proposed Designee meets the Board Qualifications). Once the Parent Board in good faith determines that a Proposed Designee meets the Board Qualifications, such Proposed Designee shall be a “**Board Designee**.” Any individual who becomes a Board Designee shall retain such status for so long as they are a member of the Parent Board.

(c) Murat Kalayoglu is the initial Board Designee, and the Parent Board has determined that he meets the Board Qualifications. The Parent Board shall appoint the initial Board Designee to be a member of the Parent Board effective on the Closing Date. The Parent Board shall assign the Board Designee to one of the three classes of the Parent Board at the time of his or her appointment in accordance with the Parent Charter. Subject to Section 4.10(e), at the end of the term of the Board Designee, such Board Designee shall be nominated for re-election as a director; provided that such Board Designee continues to meet the Board Qualifications, as part of the slate proposed by the Parent Board that is included in the proxy statement (or consent solicitation or similar document) of Parent relating to the election of the Parent Board, and Parent will use all commercially reasonable efforts to cause the election of such Board Designee to the Parent Board (including providing the same level of support as is provided for other nominees of Parent to the Parent Board). Until the Designee Termination Date, for so long as such Board Designee satisfies the Board Qualifications, Parent shall not take any action that precludes the submission of such Board Designee to the stockholders of Parent for election to the Parent Board. In the event that a Board Designee ceases to be a member of the Parent Board (whether due to death, resignation or otherwise), Seven One Eight Three Four Irrevocable Trust may, subject to Section 4.10(e), select another individual (who Parent may require to be an independent director, if appointed, if the Board Designee who ceased to be a member of the Parent Board was an independent director and the selection of a director who is not independent would cause the Parent

After the later to occur of the Designee Termination Date and the date any remaining Board Designee has resigned from the Parent Board in accordance with this [Section 4.10\(e\)](#), all rights of Seven One Eight Three Four Irrevocable Trust and obligations of Parent under this [Section 4.10](#) shall terminate. Seven One Eight Three Four Irrevocable Trust is an intended third-party beneficiary of this [Section 4.10](#) and, notwithstanding any other provision of this Agreement, this [Section 4.10](#) shall not be amended without the prior written consent of Seven One Eight Three Four Irrevocable Trust to the extent such amendment would have an adverse impact on Seven One Eight Three Four Irrevocable Trust.

If a final judgment

of a court of competent jurisdiction declares that any term or provision of this Agreement is invalid or unenforceable, the Parties agree that the court making such determination shall have the power to limit such term or provision, to delete specific words or phrases or to replace such term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this Agreement shall be valid and enforceable as so modified. In the event such court does not exercise the power granted to it in the prior sentence, the Parties agree to replace such invalid or unenforceable term or provision with a valid and enforceable term or provision that will achieve, to the extent possible, the economic, business and other purposes of such invalid or unenforceable term or provision.

The Parties agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy, would occur in the event that any Party does not perform the provisions of this Agreement (including failing to take such actions as are required of it hereunder to consummate this Agreement) in accordance with its specified terms or otherwise breaches such provisions. Accordingly, the Parties acknowledge and agree that the Parties shall be entitled to an injunction, specific performance and other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, in addition to any other remedy to which they are entitled at law or in equity. Each of the Parties agrees that it will not oppose the granting of an injunction, specific performance or other equitable relief on the basis that any other Party has an adequate remedy at law or that any award of specific performance is not an appropriate remedy for any reason at law or in equity. Any Party seeking an injunction or injunctions to prevent breaches of this Agreement shall not be required to provide any bond or other security in connection with any such order or injunction.

Section 8.12. **No Third-Party Beneficiaries.** Nothing in this Agreement, express or implied, is intended to or shall confer upon any Person (other than the Parties, the D&O Indemnified Parties to the extent of their respective rights pursuant to [Section 4.5](#) and Seven One Eight Three Four Irrevocable Trust to the extent of its rights pursuant to [Section 4.10](#)) any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

(g) pursuant to a bona-fide third party tender offer, merger, consolidation or other similar transaction made to all holders of Parent's capital stock involving a change of control of Parent, provided that in the event that such tender offer, merger, consolidation or other such transaction is not completed, the Undersigned's Shares shall remain subject to the restrictions contained in this Lock-Up Agreement; or

(h) pursuant to an order of a court or regulatory agency;

and provided, further, that, with respect to each of (a), (b), (c), (d) and (e) above, no filing by any party (including any donor, donee, transferor, transferee, distributor or distributee) under Section 16 of the Exchange Act or other public announcement shall be required or shall be made voluntarily in connection with such transfer or disposition during the Restricted Period (other than in connection with (i) bona fide charitable gifts or contributions of the Undersigned's Shares that in the aggregate represent 1% or less of Parent's then outstanding shares of Parent Common Stock (on an as-converted basis and disregarding for this purpose any beneficial ownership limitation applicable to the conversion of Parent Convertible Preferred Stock or any other securities into Parent Common Stock ("**As-Converted Basis**")), where for these purposes the number of outstanding shares of Parent Common Stock shall include the shares of Parent Common Stock issuable upon conversion of all then outstanding shares of Parent Convertible Preferred Stock (on an As-Converted Basis), (ii) any exit filings or public announcements that may be required under applicable federal and state securities Laws or (iii) in respect of a required filing under the Exchange Act in connection with the exercise of an option to purchase Parent Common Stock or in connection with the net settlement of any RSU or other equity award that represents the right to receive in the future shares of Parent Common Stock settled in Parent Common Stock that would otherwise expire during the Restricted Period, provided that (A) reasonable notice shall be provided to Parent prior to any such filing and (B) such filing, report or announcement shall clearly indicate in the footnotes therein, in reasonable detail, a description of the circumstances of the transfer and that the shares remain subject to this Lock-Up Agreement).

For purposes of this Lock-Up Agreement, "change of control" shall mean the transfer (whether by tender offer, merger, consolidation or other similar transaction), in one transaction or a series of related transactions, to a person or group of affiliated persons, of Parent's voting securities if, after such transfer, Parent's stockholders as of immediately prior to such transfer do not hold a majority of the outstanding voting securities of Parent (or the surviving entity) other than the Contemplated Transactions.

3. Any attempted transfer in violation of this Lock-Up Agreement will be of no effect and null and void, regardless of whether the purported transferee has any actual or constructive knowledge of the transfer restrictions set forth in this Lock-Up Agreement, and will not be recorded on the share register of Parent. In furtherance of the foregoing, the undersigned agrees that Parent and any duly appointed transfer agent for the registration or transfer of the securities described herein are hereby authorized to decline to make any transfer of securities if such transfer would constitute a violation or breach of this Lock-Up Agreement.

4. The undersigned hereby represents and warrants that the undersigned has full power and authority to enter into this Lock-Up Agreement. All authority herein conferred or agreed to be conferred and any obligations of the undersigned shall be binding upon the successors, assigns, heirs or personal representatives of the undersigned.

5. The undersigned understands that if the Merger Agreement is terminated for any reason, the undersigned shall be released from all obligations under this Lock-Up Agreement. The undersigned understands that Parent and the Company are proceeding with the Contemplated Transactions in reliance upon this Lock-Up Agreement.

6. Any and all remedies herein expressly conferred upon Parent or the Company will be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by Law or equity, and the exercise by Parent or the Company of any one remedy will not preclude the exercise of any other remedy. The undersigned agrees that irreparable damage for which monetary damages, even if available, would not be an adequate remedy, would occur to Parent and/or the Company in the event that any provision of this Lock-Up Agreement were not performed in accordance with its specific terms or were otherwise breached. It is accordingly agreed that Parent and the Company shall be entitled to an injunction or injunctions to prevent breaches of this Lock-Up Agreement and to enforce specifically the terms and provisions hereof in any court of the United States or any state having jurisdiction, this being in addition to any other remedy to which Parent or the Company is entitled at Law or in equity, and the undersigned waives any bond, surety or other security that might be required of Parent or the Company with respect thereto. Each of the parties further agrees that it will not oppose the granting of an injunction, specific performance or other equitable relief on the basis that any other party has an adequate remedy at law or that any award of specific performance is not an appropriate remedy for any reason at law or in equity.

7. In the event that any holder of securities of Parent that are subject to a substantially similar agreement entered into by such holder, other than the undersigned, is permitted by Parent to sell or otherwise transfer or dispose of shares of Parent Common Stock, Parent Convertible Preferred Stock or any securities convertible into or exercisable or exchangeable for Parent Common Stock for value other than as permitted by this or a substantially similar agreement entered into by such holder (whether in one or multiple releases or waivers), the same percentage of shares of Parent Common Stock, Parent Convertible Preferred Stock or any securities convertible into or exercisable or exchangeable for Parent Common Stock held by the undersigned on the date of such release or waiver as the percentage of the total number of outstanding shares of such securities held by such holder on the date of such release or waiver that are the subject of such release or waiver (in each case, on an As-Converted Basis) shall be immediately and fully released on the same terms from any remaining restrictions set forth herein (the "**Pro Rata Release**"); provided, however, that such Pro Rata Release shall not be applied unless and until permission has been granted by Parent to an equity holder or equity holders to sell or otherwise transfer or dispose of all or a portion of such equity holders shares of Parent Common Stock in an aggregate amount in excess of 1% of the number of shares of Parent Common Stock (on an As-Converted Basis) originally subject to a substantially similar agreement. In the event of any Pro-Rata Release, Parent shall promptly (and in any event within two business days of such release) inform each relevant holder of Parent Common Stock, Parent Convertible Preferred Stock or any securities convertible into or exercisable or exchangeable for Parent Common Stock of the terms of such Pro-Rata Release.

8. Upon the release of any of the Undersigned's Shares from this Lock-Up Agreement, Parent will cooperate with the undersigned to facilitate the timely preparation and delivery of certificates or the establishment of book-entry positions at Parent's transfer agent representing the Undersigned's Shares, including the withdrawal of any stop transfer instructions.

9. The undersigned understands that this Lock-Up Agreement is irrevocable and is binding upon the undersigned's heirs, legal representatives, successors and assigns.

10. This Lock-Up Agreement shall be governed by, and construed in accordance with, the Laws of the State of Delaware, regardless of the Laws that might otherwise govern under applicable principles of conflicts of

Laws. In any action or Legal Proceeding between any of the parties arising out of or relating to this Lock-Up Agreement, each of the parties: (i) irrevocably and unconditionally consents and submits to the exclusive jurisdiction and venue of the Court of Chancery of the state of Delaware or to the extent such court does not have subject matter jurisdiction, the Superior Court of the State of Delaware or the United States District Court for the District of Delaware, (ii) agrees that all claims in respect of such action or Legal Proceeding shall be heard and determined exclusively in accordance with clause (i) of this Section 10, (iii) waives any objection to laying venue in any such action or Legal Proceeding in such courts, (iv) waives any objection that such courts are an inconvenient forum or do not have jurisdiction over any party, and (v) agrees that service of process upon such party in any such action or Legal Proceeding shall be effective if notice is given in accordance with Section 11 of this Lock-Up Agreement. This Lock-Up Agreement constitutes the entire agreement between the parties to this Lock-Up Agreement and supersedes all other prior agreements, arrangements and understandings, both written and oral, among the parties with respect to the subject matter hereof.

THE PARTIES HERETO HEREBY WAIVE ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO ANY ACTION OR LEGAL PROCEEDING RELATED TO OR ARISING OUT OF THIS LOCK-UP AGREEMENT, ANY DOCUMENT EXECUTED IN CONNECTION HEREWITH AND THE MATTERS CONTEMPLATED HEREBY AND THEREBY.

**11.** All notices and other communications hereunder shall be in writing and shall be deemed given if delivered personally or sent by overnight courier (providing proof of delivery), by electronic transmission (providing confirmation of transmission) to the Company or Parent, as the case may be, in accordance with Section 8.8 of the Merger Agreement and to the undersigned at his, her or its address or email address (providing confirmation of transmission) set forth on the signature page hereto (or at such other address for a party as shall be specified by like notice).

**12.** This Lock-Up Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same instrument. The exchange of a fully executed Lock-Up Agreement (in counterparts or otherwise) by Parent, the Company and the undersigned by electronic transmission in .pdf format shall be sufficient to bind such parties to the terms and conditions of this Lock-Up Agreement.

(See attached.)

FORM OF PARENT STOCKHOLDER SUPPORT AGREEMENT

SELECTA BIOSCIENCES, INC.

SUPPORT AGREEMENT

**THIS SUPPORT AGREEMENT** (this "**Agreement**"), dated as of November 13, 2023, is made by and among Selecta Biosciences, Inc., a Delaware corporation ("**Parent**"), Cartesian Therapeutics, Inc., a Delaware corporation (the "**Company**"), and the undersigned holder ("**Stockholder**") of shares of capital stock (the "**Shares**") of Parent.

**WHEREAS**, concurrently with the entry into of this Agreement, Parent, Sakura Merger Sub I, Inc., a Delaware corporation and a wholly owned subsidiary of Parent ("**First Merger Sub**"), Sakura Merger Sub II, LLC, a Delaware limited liability company and a wholly owned subsidiary of Parent ("**Second Merger Sub**"), and the Company, are entering into an Agreement and Plan of Merger, dated of even date herewith (the "**Merger Agreement**"), providing for the merger of First Merger Sub with and into the Company (the "**First Merger**") and the merger of the Company with and into Second Merger Sub (the "**Second Merger**" and, together with the First Merger, the "**Merger**");

**WHEREAS**, Stockholder beneficially owns and has sole or shared voting power with respect to the number of Shares, and holds options to purchase shares of Parent Common Stock ("**Parent Stock Options**"), restricted stock units to acquire shares of Parent Common Stock ("**Parent Restricted Stock Units**"), and such other rights to acquire shares of Parent Common Stock, as the case may be, in each case in the number of Shares indicated opposite Stockholder's name on Schedule 1 attached hereto;

**WHEREAS**, as an inducement and a condition to the willingness of Parent, First Merger Sub, Second Merger Sub and the Company to enter into the Merger Agreement, and in consideration of the substantial expenses incurred and to be incurred by them in connection therewith, Stockholder has agreed to enter into and perform this Agreement; and

**WHEREAS**, all capitalized terms used in this Agreement without definition herein shall have the meanings ascribed to them in the Merger Agreement.

**NOW, THEREFORE**, in consideration of, and as a condition to, Parent, First Merger Sub, Second Merger Sub and the Company's entering into the Merger Agreement and proceeding with the transactions contemplated thereby, and in consideration of the substantial expenses incurred and to be incurred by them in connection therewith, Stockholder, Parent and the Company agree as follows:

1) Agreement to Vote Shares. Stockholder agrees that, prior to the Expiration Date (as defined in Section 2), at any meeting of the stockholders of Parent or any adjournment or postponement thereof, or in connection with any written consent of the stockholders of Parent, with respect to the Parent Stockholder Matters, Stockholder shall, or shall cause the holder of record on any applicable record date to:

a) appear at such meeting or otherwise cause the Shares and any New Shares (as defined in Section 3) to be counted as present thereat (in person or by proxy) for purposes of calculating a quorum; and

b) from and after the date hereof until the Expiration Date, vote (or cause to be voted), or deliver a written consent (or cause a written consent to be delivered) covering all of the Shares and any New Shares that Stockholder shall be entitled to so vote: (i) in favor of the Parent Stockholder Matters and any matter that would reasonably be expected to facilitate the Parent Stockholder Matters; (ii) against any proposal to remove the limitation set forth in Section 6.04 of the Certificate of Designation, initially set at 19.9%, of

the number of shares of Parent Common Stock outstanding immediately after giving effect to the issuance of shares of Parent Common Stock upon conversion (the "**Beneficial Ownership Limitation**") restricting such holders from beneficially owning a number of shares of Parent Common Stock in excess of the Beneficial Ownership Limitation; (iii) against any agreement, transaction or other matter that is intended to, or would reasonably be expected to, impede, interfere with, delay, postpone, discourage or materially and adversely affect the consummation of the Parent Stockholder Matters; and (iv) to approve any proposal to adjourn or postpone the applicable meeting to a later date, if there are not sufficient votes for the approval of the Parent Stockholder Matters on the date on which such meeting is held. Stockholder shall not take or commit or agree to take any action inconsistent with the foregoing.

2) **Expiration Date.** As used in this Agreement, the term "**Expiration Date**" shall mean the earlier to occur of (a) the effective time of the approval of the Parent Stockholder Matters or (b) the date as of which, by mutual written agreement of Parent (for the avoidance of doubt, with the prior written approval required by Section 4.01(d) of Parent's Certificate of Designation of Preferences, Rights and Limitations of Series A Non-Voting Convertible Preferred Stock) and Stockholder, this Agreement is terminated.

3) **Additional Purchases.** Stockholder agrees that any shares of capital stock or other equity securities of Parent that Stockholder purchases or with respect to which Stockholder otherwise acquires sole or shared voting power (including any proxy) after the execution of this Agreement and prior to the Expiration Date, whether by the exercise of any Parent Stock Options, settlement of Parent Restricted Stock Units or otherwise, including by gift, succession, in the event of a stock split or as a dividend or distribution of any Shares ("**New Shares**"), shall be subject to the terms and conditions of this Agreement to the same extent as if they constituted the Shares.

4) **Share Transfers.** From and after the date hereof until the Expiration Date, Stockholder shall not, directly or indirectly, (a) sell, assign, transfer, tender, or otherwise dispose of (including by the creation of any Liens (as defined in Section 5(c))) any Shares or any New Shares acquired, (b) deposit any Shares or New Shares into a voting trust or enter into a voting agreement or similar arrangement with respect to such Shares or New Shares or grant any proxy or power of attorney with respect thereto (other than this Agreement), (c) enter into any Contract, option, commitment or other arrangement or understanding with respect to the direct or indirect sale, transfer, assignment or other disposition of (including by the creation of any Liens) any Shares or New Shares, or (d) take any action that would make any representation or warranty of Stockholder contained herein untrue or incorrect or have the effect of preventing or disabling Stockholder from performing Stockholder's obligations under this Agreement. Notwithstanding the foregoing, Stockholder may make: (i) transfers by will or by operation of Law or other transfers for estate planning purposes; (ii) with respect to Stockholder's Parent Stock Options which expire on or prior to the Expiration Date, transfers, sale, or other disposition of Shares or New Shares to Parent as payment for the (A) exercise price of Stockholder's Parent Stock Options and (B) taxes applicable to the exercise of Stockholder's Parent Stock Options; (iii) with respect to Stockholder's Parent Restricted Stock Units, (A) transfers for the net settlement of Stockholder's Parent Restricted Stock Units settled in Shares or New Shares (to pay any tax withholding obligations) or (B) transfers for receipt upon settlement of Stockholder's Parent Restricted Stock Units, and the sale of a sufficient number of such Shares acquired upon settlement of such securities as would generate sales proceeds sufficient to pay the aggregate taxes payable by Stockholder as a result of such settlement; (iv) if Stockholder is a partnership or limited liability company, a transfer to one or more partners or members of Stockholder or to an Affiliated corporation, trust or other Entity under common control with Stockholder, or if Stockholder is a trust, a transfer to a beneficiary; (v) transfers to another holder of the capital stock of Parent that has signed a support agreement in substantially the form hereof; and (vi) transfers, sales or other dispositions as Parent may otherwise agree in writing (with the prior written approval required by Section 4.01(d) of Parent's Certificate of Designation of Preferences, Rights and Limitations of Series A Non-Voting Convertible Preferred Stock). If any voluntary or involuntary transfer of any Shares or New Shares covered hereby shall occur (including a transfer or disposition permitted by

clauses (i) through (vi), sale by a Stockholder's trustee in bankruptcy, or a sale to a purchaser at any creditor's or court sale), the transferee (which term, as used herein, shall include any and all transferees and subsequent transferees of the initial transferee) shall take and hold such Shares or New Shares subject to all of the restrictions, liabilities and rights under this Agreement, which shall continue in full force and effect, and, as condition for such transfer, the transferee shall agree in writing to be bound by the terms and conditions of this Agreement and either the Stockholder or the transferee provides Parent with a copy of such agreement promptly upon consummation of any such transfer.

5) Representations and Warranties of Stockholder. Stockholder hereby represents and warrants to Parent and the Company as follows:

a) If Stockholder is an Entity: (i) Stockholder is duly organized, validly existing and in good standing under the laws of the jurisdiction in which it is incorporated, organized or constituted, (ii) Stockholder has all necessary power and authority to execute and deliver this Agreement, to perform Stockholder's obligations hereunder and to consummate the transactions contemplated hereby, and (iii) the execution and delivery of this Agreement, performance of Stockholder's obligations hereunder and the consummation of the transactions contemplated hereby by Stockholder have been duly authorized by all necessary action on the part of Stockholder and no other proceedings on the part of Stockholder are necessary to authorize this Agreement, or to consummate the transactions contemplated hereby. If Stockholder is an individual, Stockholder has the legal capacity to execute and deliver this Agreement, to perform Stockholder's obligations hereunder and to consummate the transactions contemplated hereby;

b) this Agreement has been duly executed and delivered by or on behalf of Stockholder and, assuming this Agreement constitutes a valid and binding agreement of the Company and Parent, constitutes a valid and binding agreement with respect to Stockholder, enforceable against Stockholder in accordance with its terms, except as enforcement may be limited by general principles of equity whether applied in a court of Law or a court of equity and by bankruptcy, insolvency and similar Laws affecting creditors' rights and remedies generally;

c) Stockholder beneficially owns the number of Shares and other rights with respect to Shares indicated opposite Stockholder's name on Schedule 1, and will own any New Shares, free and clear of any liens, claims, charges or other encumbrances or restrictions of any kind whatsoever ("Liens"), and has sole or shared, and otherwise unrestricted, voting power with respect to such Shares or New Shares and none of the Shares or New Shares is subject to any voting trust or other agreement, arrangement or restriction with respect to the voting of the Shares or the New Shares, except as contemplated by this Agreement;

d) the execution and delivery of this Agreement by Stockholder does not, and the performance by Stockholder of his, her or its obligations hereunder and the compliance by Stockholder with any provisions hereof will not, violate or conflict with, result in a material breach of or constitute a default (or an event that with notice or lapse of time or both would become a material default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, or result in the creation of any Liens on any Shares or New Shares pursuant to, any agreement, instrument, note, bond, mortgage, Contract, lease, license, permit or other obligation or any order, arbitration award, judgment or decree to which Stockholder is a party or by which Stockholder is bound, or any Law, statute, rule or regulation to which Stockholder is subject or, in the event that Stockholder is a corporation, partnership, trust or other Entity, any bylaw or other Organizational Document of Stockholder; except for any of the foregoing as would not reasonably be expected to prevent or delay the performance by Stockholder of his, her or its obligations under this Agreement in any material respect;

e) the execution and delivery of this Agreement by Stockholder does not, and the performance of this Agreement by Stockholder does not and will not, require any consent, approval, authorization or

permit of, or filing with or notification to, any Governmental Body or regulatory authority by Stockholder except for applicable requirements, if any, of the Exchange Act, and except where the failure to obtain such consents, approvals, authorizations or permits, or to make such filings or notifications, would not prevent or delay the performance by Stockholder of his, her or its obligations under this Agreement in any material respect;

f) no investment banker, broker, finder or other intermediary is entitled to a fee or commission from Parent or the Company in respect of this Agreement based upon any Contract made by or on behalf of Stockholder; and

g) as of the date of this Agreement, there is no Legal Proceeding pending or, to the knowledge of Stockholder, threatened against Stockholder that would reasonably be expected to prevent or delay the performance by Stockholder of his, her or its obligations under this Agreement in any material respect.

6) Irrevocable Proxy. Subject to the final sentence of this Section 6, by execution of this Agreement, Stockholder does hereby appoint Parent and any of its designees with full power of substitution and resubstitution, as Stockholder's true and lawful attorney and irrevocable proxy, to the fullest extent of Stockholder's rights with respect to the Shares or New Shares, to vote and exercise all voting and related rights, including the right to sign Stockholder's name (solely in its capacity as a stockholder) to any stockholder consent, if Stockholder is unable to perform or otherwise does not perform his, her or its obligations under this Agreement, with respect to such Shares and New Shares solely with respect to the matters set forth in Section 1. Stockholder intends this proxy to be irrevocable and coupled with an interest hereunder until the Expiration Date, hereby revokes any proxy previously granted by Stockholder with respect to the Shares or New Shares and represents that none of such previously-granted proxies are irrevocable. The irrevocably proxy and power of attorney granted herein shall survive the death or incapacity of Stockholder and the obligations of Stockholder shall be binding on Stockholder's heirs, personal representatives, successors, transferees and assigns. Stockholder hereby agrees not to grant any subsequent powers of attorney or proxies with respect to any Shares or New Shares with respect to the matters set forth in Section 1 until after the Expiration Date. The Stockholder hereby affirms that the proxy set forth in this Section 6 is given in connection with and granted in consideration of and as an inducement to the Company, Parent, First Merger Sub and Second Merger Sub to enter into the Merger Agreement and that such proxy is given to secure the obligations of the Stockholder under Section 1. Notwithstanding anything contained herein to the contrary, this irrevocable proxy shall automatically terminate upon the Expiration Date.

7) Other Remedies; Specific Performance. Except as otherwise provided herein, any and all remedies herein expressly conferred upon a party will be deemed cumulative with, and not exclusive of, any other remedy conferred hereby, or by Law or equity upon such party, and the exercise by a party of any one remedy will not preclude the exercise of any other remedy. The parties hereto agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof without the need of posting bond in any court of the United States or any state having jurisdiction, this being in addition to any other remedy to which they are entitled at Law or in equity.

8) Directors and Officers. This Agreement shall apply to Stockholder solely in Stockholder's capacity as a stockholder of Parent and holder of Parent Stock Options, Parent Restricted Stock Units and other rights to acquire shares of Parent Common Stock, as the case may be, and not in Stockholder's capacity as a director, officer or employee of Parent or any of its Subsidiaries or in Stockholder's capacity as a trustee or fiduciary of any employee benefit plan or trust. Notwithstanding any provision of this Agreement to the contrary, nothing in this Agreement shall (or require Stockholder to attempt to) limit or restrict a director

or officer of Parent in the exercise of his or her fiduciary duties as a director or officer of Parent or in his or her capacity as a trustee or fiduciary of any employee benefit plan or trust or prevent or be construed to create any obligation on the part of any director or officer of Parent or any trustee or fiduciary of any employee benefit plan or trust from taking any action in his or her capacity as such director, officer, trustee or fiduciary.

9) **No Ownership Interest.** Nothing contained in this Agreement shall be deemed to vest in the Company or Parent any direct or indirect ownership or incidence of ownership of or with respect to any Shares or New Shares. All rights, ownership and economic benefits of and relating to the Shares or New Shares shall remain vested in and belong to Stockholder.

10) **Termination.** This Agreement shall terminate and shall have no further force or effect as of the Expiration Date. Notwithstanding the foregoing, upon termination or expiration of this Agreement, no party shall have any further obligations or liabilities under this Agreement; provided, however, that nothing set forth in this Section 10 or elsewhere in this Agreement shall relieve any party from liability for any fraud or for any willful and material breach of this Agreement prior to termination hereof.

11) **Further Assurances.** Stockholder shall, from time to time, execute and deliver, or cause to be executed and delivered, such additional or further consents, documents and other instruments as the Company or Parent may reasonably request for the purpose of effectively carrying out the transactions contemplated by this Agreement and the Parent Stockholder Matters.

12) **Disclosure.** Stockholder hereby agrees that Parent and the Company may publish and disclose in any registration statement, any prospectus filed with any regulatory authority in connection with the Contemplated Transactions and any related documents filed with such regulatory authority and as otherwise required by Law, Stockholder's identity and ownership of Shares and the nature of Stockholder's commitments, arrangements and understandings under this Agreement and may further file this Agreement as an exhibit to any registration statement or prospectus or in any other filing made by Parent or the Company as required by Law or the terms of the Merger Agreement, including with the SEC or other regulatory authority, relating to the Contemplated Transactions, all subject to prior review and an opportunity to comment by Stockholder's counsel. Prior to the Closing, Stockholder shall not, and shall use its reasonable best efforts to cause its representatives not to, directly or indirectly, make any press release, public announcement or other public communication that criticizes or disparages this Agreement or the Merger Agreement or any of the Parent Stockholder Matters, without the prior written consent of Parent and the Company; provided that the foregoing shall not limit or affect any actions taken by Stockholder (or any affiliated officer or director of Stockholder) that would be permitted to be taken by Stockholder, Parent or the Company pursuant to the Merger Agreement; provided, further, that the foregoing shall not affect any actions of Stockholder the prohibition of which would be prohibited under applicable Law.

13) **Notice.** All notices and other communications hereunder shall be in writing and shall be deemed given if delivered personally or sent by overnight courier (providing proof of delivery), by electronic transmission (providing confirmation of transmission) to the Company or Parent, as the case may be, in accordance with Section 8.8 of the Merger Agreement and to Stockholder at his, her or its address or email address (providing confirmation of transmission) set forth on Schedule 1 attached hereto (or at such other address for a party as shall be specified by like notice).

14) **Severability.** Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions of this Agreement or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction. If a final judgment of a court of competent jurisdiction declares that any term or provision of this Agreement is invalid or unenforceable, the parties hereto agree that the court making such

determination shall have the power to limit such term or provision, to delete specific words or phrases or to replace such term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this Agreement shall be valid and enforceable as so modified. In the event such court does not exercise the power granted to it in the prior sentence, the parties hereto agree to replace such invalid or unenforceable term or provision with a valid and enforceable term or provision that will achieve, to the extent possible, the economic, business and other purposes of such invalid or unenforceable term or provision.

15) Assignability. This Agreement shall be binding upon, and shall be enforceable by and inure solely to the benefit of, the parties hereto and their respective successors and assigns; provided, however, that neither this Agreement nor any of a party's rights or obligations hereunder may be assigned or delegated by such party without the prior written consent of the other parties hereto, and any attempted assignment or delegation of this Agreement or any of such rights or obligations by such party without the other party's prior written consent shall be void and of no effect. Nothing in this Agreement, express or implied, is intended to or shall confer upon any Person (other than the parties hereto) any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

16) No Waivers. No waivers of any breach of this Agreement extended by the Company or Parent to Stockholder shall be construed as a waiver of any rights or remedies of the Company or Parent, as applicable, with respect to any other stockholder of Parent who has executed an agreement substantially in the form of this Agreement with respect to Shares or New Shares held or subsequently held by such stockholder or with respect to any subsequent breach of Stockholder or any other stockholder of Parent. No waiver of any provisions hereof by any party shall be deemed a waiver of any other provisions hereof by any such party, nor shall any such waiver be deemed a continuing waiver of any provision hereof by such party.

17) Applicable Law; Jurisdiction. This Agreement shall be governed by, and construed in accordance with, the Laws of the state of Delaware, regardless of the Laws that might otherwise govern under applicable principles of conflicts of Laws. In any action or Legal Proceeding between any of the parties arising out of or relating to this Agreement, each of the parties: (a) irrevocably and unconditionally consents and submits to the exclusive jurisdiction and venue of the Court of Chancery of the state of Delaware or to the extent such court does not have subject matter jurisdiction, the Superior Court of the State of Delaware or the United States District Court for the District of Delaware, (b) agrees that all claims in respect of such action or Legal Proceeding shall be heard and determined exclusively in accordance with clause (a) of this Section 17, (c) waives any objection to laying venue in any such action or Legal Proceeding in such courts, (d) waives any objection that such courts are an inconvenient forum or do not have jurisdiction over any party, and (e) agrees that service of process upon such party in any such action or Legal Proceeding shall be effective if notice is given in accordance with Section 13.

18) Waiver of Jury Trial. THE PARTIES HERETO HEREBY WAIVE ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO ANY ACTION OR LEGAL PROCEEDING RELATED TO OR ARISING OUT OF THIS AGREEMENT, ANY DOCUMENT EXECUTED IN CONNECTION HEREWITH AND THE MATTERS CONTEMPLATED HEREBY AND THEREBY.

19) No Agreement Until Executed. Irrespective of negotiations among the parties or the exchanging of drafts of this Agreement, this Agreement shall not constitute or be deemed to evidence a Contract, agreement, arrangement or understanding between the parties hereto unless and until (a) the Parent Board has approved, for purposes of any applicable anti-takeover Laws and regulations and any applicable provision of the certificate of incorporation of Parent, the Merger Agreement and the Contemplated Transactions, (b) the Merger Agreement is executed by all parties thereto, and (c) this Agreement is executed by all parties hereto.

20) Entire Agreement; Counterparts; Exchanges by Electronic Transmission. This Agreement and the other agreements referred to in this Agreement constitute the entire agreement and supersede all prior agreements and understandings, both written and oral, among or between any of the parties with respect to the subject matter hereof and thereof. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same instrument. The exchange of a fully executed Agreement (in counterparts or otherwise) by all parties by electronic transmission via “.pdf” shall be sufficient to bind the parties to the terms and conditions of this Agreement.

21) Amendment. This Agreement may not be amended, supplemented or modified, and no provisions hereof may be modified or waived, except by an instrument in writing signed on behalf of each party hereto; provided, however, that the rights or obligations of any Stockholder may be waived, amended or otherwise modified in a writing signed by Parent (for the avoidance of doubt, with the prior written approval required by Section 4.01(d) of Parent’s Certificate of Designation of Preferences, Rights and Limitations of Series A Non-Voting Convertible Preferred Stock), the Company and Stockholder.

22) Fees and Expenses. Except as otherwise specifically provided herein, the Merger Agreement or any other agreement contemplated by the Merger Agreement to which a party hereto is a party, each party hereto shall bear its own expenses in connection with this Agreement and the transactions contemplated hereby.

23) Voluntary Execution of Agreement. This Agreement is executed voluntarily and without any duress or undue influence on the part or behalf of the parties. Each of the parties hereby acknowledges, represents and warrants that (a) it has read and fully understood this Agreement and the implications and consequences thereof; (b) it has been represented in the preparation, negotiation, and execution of this Agreement by legal counsel of its own choice, or it has made a voluntary and informed decision to decline to seek such counsel; and (c) it is fully aware of the legal and binding effect of this Agreement.

24) Construction.

a) For purposes of this Agreement, whenever the context requires: the singular number shall include the plural, and vice versa; the masculine gender shall include the feminine and neuter genders; the feminine gender shall include the masculine and neuter genders; and the neuter gender shall include masculine and feminine genders.

**Article I. Definitions.**

For the purposes hereof, the following terms shall have the following meanings:

“**Business Day**” means any day except any Saturday, any Sunday, any day which is a federal legal holiday in the United States or any day on which banking institutions in the State of New York are authorized or required by law or other governmental action to close.

**Article II. Designation, Amount and Par Value.** The series of Preferred Stock shall be designated as the Corporation's Series A Non-Voting Convertible Preferred Stock (the "**Series A Non-Voting Preferred Stock**") and the number of shares so designated shall be 548,375. Each share of Series A Non-Voting Preferred Stock shall have a par value of \$0.0001 per share.

**Article III. Dividends.** Holders shall be entitled to receive, and the Corporation shall pay, dividends on shares of the Series A Non-Voting Preferred Stock (on an as-if-converted-to- Common-Stock basis, without regard to the Beneficial Ownership Limitation (as defined below)) equal to and in the same form, and in the same manner, as dividends (other than dividends on shares of the Common Stock payable in the form of Common Stock) actually paid on shares of the Common Stock when, as and if such dividends (other than dividends payable in the form of Common Stock) are paid on shares of the Common Stock; provided, however, that in no event shall Holders of shares of Series A Non-Voting Preferred Stock (or of any Common Stock into which such shares are convertible) be entitled to receive, with respect to such shares, the "rights" distributed pursuant to that certain Contingent Value Rights Agreement to be entered into by the Corporation and Equiniti Trust Company, LLC as contemplated in the Merger Agreement and substantially in the form attached thereto, as may be amended from time to time (the "**CVR Agreement**"), or any amounts paid under the CVR Agreement. Other than as set forth in the previous sentence, no other dividends shall be paid on shares of Series A Non-Voting Preferred Stock, and the Corporation shall pay no dividends (other than dividends payable in the form of Common Stock) on shares of the Common Stock unless it simultaneously complies with the previous sentence.

**Article IV. Voting Rights.**

**Section 4.01** Except as otherwise provided herein or as otherwise required by the DGCL, the Series A Non-Voting Preferred Stock shall have no voting rights. However, as long as any shares of Series A Non-Voting Preferred Stock are outstanding, the Corporation shall not, without the affirmative vote of the holders of a majority of the then outstanding shares of the Series A Non-Voting Preferred Stock: (a) alter or change adversely the powers, preferences or rights given to the Series A Non-Voting Preferred Stock or alter or amend this Certificate of Designation, amend or repeal any provision of, or add any provision to, the Certificate of Incorporation or Amended and Restated Bylaws of the Corporation, or file any articles of amendment, certificate of designations, preferences, limitations and relative rights of any series of Preferred Stock, in each case to the extent such action would adversely alter or change the preferences, rights, privileges or powers of, or restrictions provided for the benefit of the Series A Non-Voting Preferred Stock, regardless of whether any of the foregoing actions shall be by means of amendment to the Certificate of Incorporation or by merger, consolidation, domestication, transfer, continuance, recapitalization, reclassification, waiver, statutory conversion or otherwise; (b) issue further shares of Series A Non-Voting Preferred Stock (other than pursuant to the exercise of stock options held by any current or former directors, officers, employees or consultants of the Corporation or any of its subsidiaries, or pursuant to the Purchase Agreement or the Merger Agreement) or increase or decrease (other than by conversion) the number of authorized shares of Series A Non-Voting Preferred Stock; (c) prior to the Automatic Conversion (as defined below) or at any time while at least 30% of the originally issued Series A Non-Voting Preferred Stock remains issued and outstanding,

consummate either (i) any Fundamental Transaction (as defined below) or (ii) any merger or consolidation of the Corporation with or into another entity or any stock sale to, or other business combination in which the stockholders of the Corporation immediately before such transaction do not hold at least a majority of the capital stock of the Corporation immediately after such transaction; (d) amend, in any manner that would be reasonably likely to prevent, impede or materially delay the Stockholder Approval (as defined below) or the Automatic Conversion, or terminate, any of those certain Support Agreements entered into by the Corporation, Cartesian Therapeutics, Inc. and certain holders of shares of Common Stock, or agree to any transfer, sale or disposition of such shares subject to the Support Agreements (except for such transfers, sales or dispositions with respect to which the approval of the Corporation is not required pursuant to the applicable Support Agreement); (e) amend, or fail to comply with, in each case in any manner that would be reasonably likely to prevent, impede or materially delay the Stockholder Approval, Sections 4.1, 4.2 or 4.3 of the Merger Agreement; or (f) enter into any agreement with respect to any of the foregoing. Holders of shares of Common Stock acquired upon the conversion of shares of Series A Non-Voting Preferred Stock shall be entitled to the same voting rights as each other holder of Common Stock, except that such holders may not vote such shares upon the proposal for Stockholder Approval in accordance with Rule 5635 of the listing rules of The Nasdaq Stock Market LLC.

**Section 4.02** Any vote required or permitted under **Section 4.01** may be taken at a meeting of the Holders or through the execution of an action by written consent in lieu of such meeting; provided that the consent is executed by Holders representing a majority of the outstanding shares of Series A Non-Voting Preferred Stock.

**Article V. Rank; Liquidation.**

**Section 5.01** The Series A Non-Voting Preferred Stock shall rank on parity with the Common Stock as to distributions of assets upon liquidation, dissolution or winding up of the Corporation, whether voluntarily or involuntarily.

**Section 5.02** Upon any liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary (a "**Liquidation**"), each Holder shall be entitled to receive out of the assets, whether capital or surplus, of the Corporation the same amount that a holder of Common Stock would receive if the Series A Non-Voting Preferred Stock were fully converted (disregarding for such purpose any Beneficial Ownership Limitation and assuming receipt of Stockholder Approval) to Common Stock which amounts shall be paid *pari passu* with all holders of Common Stock, plus an additional amount equal to any dividends declared on but unpaid to such shares (but, for the avoidance of doubt, not taking into account any distributions or other payments as may have been made by the Corporation pursuant to the CVR Agreement). If, upon any such Liquidation, the assets of the Corporation shall be insufficient to pay the Holders of shares of the Series A Non-Voting Preferred Stock the amount required under the preceding sentence, then all remaining assets of the Corporation shall be distributed ratably to the Holders and the holders of Common Stock in accordance with the respective amounts that would be payable on all such securities if all amounts payable thereon were paid in full. For the avoidance of any doubt, a Fundamental Transaction shall not be deemed a Liquidation unless the Corporation expressly declares that such Fundamental Transaction shall be treated as if it were a Liquidation.

**Article VI. Conversion.**

**Section 6.01 Automatic Conversion on Stockholder Approval.** Effective as of 5:00 p.m., Eastern time, on the third Business Day after the date that the Corporation's stockholders approve (i) the conversion of the Series A Non-Voting Preferred Stock into shares of Common Stock in accordance with the listing rules of the Nasdaq Stock Market, and (ii) an amendment to increase the number of authorized shares of Common Stock or to effect a reverse stock split of all outstanding shares of Common Stock, in either case, by a number of authorized shares or at a stock split ratio, as the case may be, sufficient to allow the conversion of all shares of Series A Non-Voting Preferred Stock into shares of Common Stock (the "**Stockholder Approval**"), each share of Series A Non-Voting Preferred Stock then outstanding shall automatically convert into a number of shares of Common Stock equal to the Conversion Ratio (as defined below), subject to the Beneficial Ownership Limitation (the "**Automatic Conversion**"). Following the effectiveness of the Automatic Conversion and subject to the Beneficial Ownership Limitation, shares of Series A Non-Voting Preferred Stock issued upon the exercise of a stock option following the Automatic Conversion shall automatically convert at the time of such exercise into a number of shares of Common Stock equal to the Conversion Ratio in effect at the time of such exercise. The Corporation shall inform each Holder and each holder of a stock option to purchase shares of Series A Non-Voting Preferred Stock of the occurrence of the Stockholder Approval within one Business Day of such Stockholder Approval, it being understood that the filing of a Current Report on Form 8-K reporting the Stockholder Approval shall be deemed sufficient to inform the Holders and the holders of stock options to purchase shares of Series A Non-Voting Preferred Stock in respect thereof. In determining the application of the Beneficial Ownership Limitation solely with respect to the Automatic Conversion, the Corporation shall calculate beneficial ownership for each Holder assuming beneficial ownership by such Holder of: (x) the number of shares of Common Stock issuable to such Holder in such Automatic Conversion, plus (y) any additional shares of Common Stock for which a Holder has provided the Corporation with prior written notice of beneficial ownership within 30 days prior to the date of Stockholder Approval (a "**Beneficial Ownership Statement**") and assuming the conversion of all shares of Series A Non-Voting Preferred Stock held by all other Holders less the aggregate number of shares of Series A Non-Voting Preferred Stock held by all other Holders that will not convert into shares of Common Stock on account of the application of any Beneficial Ownership Limitations applicable to any such other Holders. If a Holder fails to provide the Corporation with a Beneficial Ownership Statement within 30 days prior to the date of Stockholder Approval, then the Corporation shall presume the Holder's beneficial ownership of Common Stock (excluding the Conversion Shares) to be zero or such other number of shares of Common Stock as the Corporation shall have reason to believe are beneficially owned by such Holder. The shares of Series A Non-Voting Preferred Stock that are converted in the Automatic Conversion are referred to as the "**Converted Stock**". The Conversion Shares shall be issued only in book entry form, as follows:

- (a) Converted Stock shall be automatically cancelled upon the Automatic Conversion (or with respect to Series A Non-Voting Preferred Stock issued upon an option exercise following the Automatic Conversion, at the time of such option exercise) and converted into the corresponding Conversion Shares, which shares shall be issued in book entry form and without any action on the part of the Holders and shall be delivered to the Holders within one Business Day of the effectiveness of the Automatic Conversion (or option exercise, as applicable).

- (b) Notwithstanding the cancellation of the Converted Stock upon the Automatic Conversion, Holders of Converted Stock shall continue to have any remedies provided herein or otherwise available at law or in equity to such Holder because of a failure by the Corporation to comply with the terms of this Certificate of Designation. In all cases, the Holder shall retain all of its rights and remedies for the Corporation's failure to convert the Converted Stock.

**Section 6.02 Conversion at Option of Holder.** Subject to [Section 6.01](#), [Section 6.04](#) and [Section 6.05\(c\)](#), each share of Series A Non-Voting Preferred Stock then outstanding that is not otherwise converted into Common Stock upon the Automatic Conversion as a result of the applicability of the Beneficial Ownership Limitation shall be convertible, at any time and from time to time following 5:00 p.m., Eastern time, on the third Business Day after the date that the Stockholder Approval is obtained by the Corporation, at the option of the Holder thereof, into a number of shares of Common Stock equal to the Conversion Ratio, subject to the Beneficial Ownership Limitation and only to the extent the same shall have ceased to apply (each, an "**Optional Conversion**"). Holders shall effect conversions by providing the Corporation with the form of conversion notice attached hereto as [Annex A](#) (a "**Notice of Optional Conversion**"), duly completed and executed. Provided the Corporation's transfer agent is participating in the Depository Trust Company ("**DTC**") Fast Automated Securities Transfer program, the Notice of Optional Conversion may specify, at the Holder's election, whether the applicable Conversion Shares shall be credited to the account of the Holder's prime broker with DTC through its Deposit Withdrawal Agent Commission system (a "**DWAC Delivery**"). The date on which an Optional Conversion shall be deemed effective (the "**Optional Conversion Date**") shall be the Trading Day that the Notice of Optional Conversion, completed and executed, is sent via email to, and received during regular business hours by, the Corporation. The calculations set forth in the Notice of Optional Conversion shall control in the absence of manifest or mathematical error.

**Section 6.03 Conversion Ratio.** The "**Conversion Ratio**" for each share of Series A Non-Voting Preferred Stock shall be 1,000 shares of Common Stock issuable upon the conversion (the "**Conversion**") of each share of Series A Non-Voting Preferred Stock (corresponding to a ratio of 1,000:1), subject to adjustment as provided herein.

**Section 6.04 Beneficial Ownership Limitation.** Notwithstanding anything herein to the contrary, the Corporation shall not effect any conversion of any share of Series A Non-Voting Preferred Stock, including pursuant to [Section 6.01](#), and a Holder shall not have the right to convert any portion of the Series A Non-Voting Preferred Stock pursuant to [Section 6.02](#), to the extent that, after giving effect to such attempted Automatic Conversion or conversion set forth on an applicable Notice of Optional Conversion with respect to the Series A Non-Voting Preferred Stock, such Holder (or any of such Holder's affiliates or any other Person who would be a beneficial owner of Common Stock beneficially owned by the Holder for purposes of Section 13(d) or Section 16 of the Exchange Act and the applicable rules and regulations of the Commission, including any "group" of which the Holder is a member (the foregoing, "**Attribution Parties**")) would beneficially own a number of shares of Common Stock in excess

of the Beneficial Ownership Limitation. For purposes of the foregoing sentence, the aggregate number of shares of Common Stock beneficially owned by such Holder and its Attribution Parties shall include the number of shares of Common Stock issuable upon conversion of the Series A Non-Voting Preferred Stock subject to the Automatic Conversion or the Notice of Optional Conversion, as applicable, with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which are issuable upon (a) conversion of the remaining, unconverted Series A Non-Voting Preferred Stock beneficially owned by such Holder or any of its Attribution Parties, and (b) exercise or conversion of the unexercised or unconverted portion of any other securities of the Corporation (including any warrants) beneficially owned by such Holder or any of its Attribution Parties that are subject to and would exceed a limitation on conversion or exercise similar to the limitation contained herein. Except as set forth in the preceding sentence, for purposes of this Section 6.04, beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the applicable rules and regulations of the Commission, and the terms “beneficial ownership” and “beneficially own” have the meanings ascribed to such terms therein. In addition, for purposes hereof, “group” has the meaning set forth in Section 13(d) of the Exchange Act and the applicable rules and regulations of the Commission. For purposes of this Section 6.04, in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as stated in the most recent of the following: (i) the Corporation’s most recent periodic or annual filing with the Commission, as the case may be, (ii) a more recent public announcement by the Corporation that is filed with the Commission, or (iii) a more recent notice by the Corporation or the Corporation’s transfer agent to the Holder setting forth the number of shares of Common Stock then outstanding. Upon the written request of a Holder (which may be by email), the Corporation shall, within two Trading Days thereof, confirm in writing to such Holder (which may be via email) the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to any actual conversion or exercise of securities of the Corporation, including shares of Series A Non-Voting Preferred Stock, by such Holder or its Attribution Parties since the date as of which such number of outstanding shares of Common Stock was last publicly reported or confirmed to the Holder. The “**Beneficial Ownership Limitation**” shall initially be set at 19.9% for each individual Holder, unless the same shall have been set by such Holder to be lower than 19.9% (A) on such Holder’s signature page to the Purchase Agreement or (B) by written notice provided to the Corporation, as applicable. The Corporation shall be entitled to rely on representations made to it by the Holder in any Notice of Optional Conversion regarding its Beneficial Ownership Limitation. Notwithstanding the foregoing, by written notice to the Corporation, (x) if the Beneficial Ownership Limitation shall have initially been set by such Holder to be lower than 19.9%, the Holder may reset the Beneficial Ownership Limitation to a higher percentage not to exceed 19.9%, and (y) the Holder may reset the Beneficial Ownership Limitation percentage to a lower percentage; provided that such decrease shall not become effective until the later of (A) 5:00 p.m., Eastern time, on the third Business Day after the date of the Stockholder Approval and (B) if Stockholder Approval is not obtained within six months after the initial issuance of the Series A Non-Voting Preferred Stock, the date that is three Business Days after the date that is six months after the initial issuance of the Series A Non-Voting Preferred Stock. Upon such a change by a Holder of the Beneficial Ownership Limitation, not to exceed 19.9%, the Beneficial Ownership Limitation may not be further amended by such Holder without first providing the

minimum notice required by this [Section 6.04](#). Notwithstanding the foregoing, at any time following notice of a Fundamental Transaction, the Holder may waive or change the Beneficial Ownership Limitation effective immediately upon written notice to the Corporation and may reinstitute a Beneficial Ownership Limitation at any time thereafter effective immediately upon written notice to the Corporation. The provisions of this [Section 6.04](#) shall be construed, corrected and implemented in a manner so as to effectuate the intended Beneficial Ownership Limitation herein contained and the shares of Common Stock underlying the shares of Series A Non-Voting Preferred Stock in excess of the Beneficial Ownership Limitation shall not be deemed to be beneficially owned by the Holder for any purpose including for purposes of Section 13(d) or Rule 16a-1(a)(1) of the Exchange Act. Notwithstanding the foregoing, the Beneficial Ownership Limitation described in this [Section 6.04](#) shall not apply to TAS Partners LLC or any of its affiliates.

**Section 6.05 Mechanics of Conversion.**

- (a) **Electronic Issuance.** Upon conversion and not later than three Trading Days after, in the case of the Automatic Conversion, the Stockholder Approval, or in the case of an Optional Conversion, the Optional Conversion Date (the “***Share Delivery Date***”), the Corporation shall electronically transfer such Conversion Shares by crediting the account of the Holder’s prime broker with DTC through its DWAC system. If, in the case of any Notice of Optional Conversion, such shares are not electronically delivered to or as directed by, the applicable Holder by the Share Delivery Date, the applicable Holder shall be entitled to elect to rescind such Notice of Optional Conversion by written notice to the Corporation at any time on or before electronic receipt of such shares, in which event such Holder shall direct the return of any shares of Common Stock delivered to the Holder through the DWAC system, representing the shares of Series A Non-Voting Preferred Stock unsuccessfully tendered for conversion to the Corporation.
- (b) **Obligation Absolute.** Subject to [Section 6.04](#) and subject to Holder’s right to rescind a Notice of Optional Conversion pursuant to [Section 6.05\(a\)](#), the Corporation’s obligation to issue and deliver the Conversion Shares upon conversion of Series A Non-Voting Preferred Stock in accordance with the terms hereof are absolute and unconditional, irrespective of any action or inaction by a Holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination, or any breach or alleged breach by such Holder or any other Person of any obligation to the Corporation or any violation or alleged violation of law by such Holder or any other Person, and irrespective of any other circumstance which might otherwise limit such obligation of the Corporation to such Holder in connection with the issuance of such Conversion Shares. Subject to [Section 6.04](#) and subject to Holder’s right to rescind a Notice of Optional Conversion pursuant to [Section 6.05\(a\)](#), in the event a Holder shall automatically convert or elect to convert any or all of its Series A Non-Voting Preferred Stock, the Corporation may not refuse conversion based on any claim that such Holder or anyone associated or affiliated with such Holder has been engaged in any violation of law, agreement or for any other reason, unless an injunction from a court, on notice to Holder, restraining or enjoining conversion of all or part of the Series A Non-Voting Preferred Stock of such Holder shall

have been sought and obtained by the Corporation, and the Corporation posts a surety bond for the benefit of such Holder in the amount of 150% of the value of the Conversion Shares into which would be converted the Series A Non-Voting Preferred Stock which is subject to such injunction, which bond shall remain in effect until the completion of arbitration/litigation of the underlying dispute and the proceeds of which shall be payable to such Holder to the extent it obtains judgment. In the absence of such injunction, the Corporation shall, subject to [Section 6.04](#) and subject to Holder's right to rescind a Notice of Optional Conversion pursuant to [Section 6.05\(a\)](#), issue Conversion Shares upon a properly noticed conversion.

- (c) **Cash Settlement.** If, at any time after the Stockholder Approval, the Corporation fails to electronically deliver (or cause its transfer agent to electronically deliver) such shares pursuant to [Section 6.05\(a\)](#) on or prior to the second Trading Day after the Share Delivery Date (other than due to a failure caused by (i) materially incorrect or incomplete information provided by Holder to the Corporation or (ii) the application of the Beneficial Ownership Limitation after the Stockholder Approval), then, unless the Holder has rescinded the applicable Notice of Optional Conversion pursuant to [Section 6.05\(a\)](#), the Corporation shall, at such request of the Holder, pay an amount equal to the Fair Value (as defined below) of such undelivered Conversion Shares to such Holder, with such payment to be made within two Business Days from the date of request by such Holder, whereupon the Corporation's obligations to deliver such Conversion Shares issuable upon the Automatic Conversion or underlying the Notice of Optional Conversion shall be extinguished upon payment in full of the Fair Value of such undelivered shares. For purposes of this [Section 6.05\(c\)](#), the "**Fair Value**" of shares shall be fixed with reference to the average of the Closing Sale Price on the principal Trading Market on which the Common Stock is listed over the ten consecutive Trading Days ending on, and including, the Trading Day immediately prior to, in the case of the Automatic Conversion, the date of the Stockholder Approval, and in the case of an Optional Conversion, the Optional Conversion Date. For the avoidance of doubt, the cash settlement provisions set forth in this [Section 6.05\(c\)](#) shall be available irrespective of the reason for the Corporation's failure to timely deliver Conversion Shares (other than due to a failure caused by (i) materially incorrect or incomplete information provided by Holder to the Corporation, (ii) the application of the Beneficial Ownership Limitation after Stockholder Approval or (iii) the lack of obtaining Stockholder Approval), including due to limitations set forth in [Section 6.05\(f\)](#) or due to applicable Trading Market rules.
- (d) **Buy-In on Failure to Timely Deliver Shares.** If, after obtaining the Stockholder Approval, the Corporation fails to effect a DWAC Delivery by the Share Delivery Date pursuant to [Section 6.05\(a\)](#) (other than due to a failure caused by (i) materially incorrect or incomplete information provided by Holder to the Corporation or (ii) the application of the Beneficial Ownership Limitation after Stockholder Approval), and if after such Share Delivery Date such Holder is required by its brokerage firm to purchase (in an open market transaction or otherwise), or the Holder's brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by such Holder of the Conversion Shares which such Holder was entitled to receive upon the conversion relating to such Share Delivery Date (a "**Buy-In**"), then the Corporation shall (A) pay in cash to such Holder (in addition to any

other remedies available to or elected by such Holder) the amount by which (x) such Holder's total purchase price (including any brokerage commissions) for the shares of Common Stock so purchased exceeds (y) the product of (1) the aggregate number of shares of Common Stock that such Holder was entitled to receive from the conversion at issue multiplied by (2) the actual sale price at which the sell order giving rise to such purchase obligation was executed (including any brokerage commissions) and (B) at the option of such Holder, either reissue (if surrendered) the shares of Series A Non-Voting Preferred Stock equal to the number of shares of Series A Non-Voting Preferred Stock submitted for conversion or deliver to such Holder the number of shares of Common Stock that would have been issued if the Corporation had timely complied with its delivery requirements under Section 6.05(a). For example, if a Holder purchases shares of Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted conversion of shares of Series A Non-Voting Preferred Stock with respect to which the actual sale price (including any brokerage commissions) giving rise to such purchase obligation was a total of \$10,000 under clause (A) of the immediately preceding sentence, the Corporation shall be required to pay such Holder \$1,000. The Holder shall provide the Corporation written notice, within three Trading Days after the occurrence of a Buy-In, indicating the amounts payable to such Holder in respect of such Buy-In together with applicable confirmations and other evidence reasonably requested by the Corporation.

- (e) Corporation. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance or injunctive relief with respect to the Corporation's failure to timely deliver shares of Common Stock upon conversion of the shares of Series A Non-Voting Preferred Stock as required pursuant to the terms hereof or the cash settlement remedy set forth in Section 6.05(c); provided, however, that the Holder shall not be entitled to both (i) require the reissuance of the shares of Series A Non-Voting Preferred Stock submitted for conversion for which such conversion was not timely honored and (ii) receive the number of shares of Common Stock that would have been issued if the Corporation had timely complied with its delivery requirements under Section 6.05(a).
- (f) Reservation of Shares Issuable Upon Conversion. The Corporation covenants that at all times it will reserve and keep available out of its authorized and unissued shares of Common Stock for the sole purpose of issuance upon conversion of the Series A Non-Voting Preferred Stock, free from preemptive rights or any other actual contingent purchase rights of Persons other than the Holders of the Series A Non-Voting Preferred Stock, not less than such aggregate number of shares of the Common Stock as shall be issuable (taking into account the adjustments of Article VII) upon the conversion of all outstanding shares of Series A Non-Voting Preferred Stock. The Corporation covenants that all shares of Common Stock that shall be so issuable shall, upon issue, be duly authorized, validly issued, fully paid and non-assessable.
- (g) Fractional Shares. No fractional shares of Common Stock shall be issued upon conversion of the Series A Non-Voting Preferred Stock, no certificates or scrip for any such fractional shares shall be issued and no cash shall be paid for any such fractional shares. Any fractional shares of Common Stock that a Holder of Series A Non-Voting Preferred Stock

would otherwise be entitled to receive shall be aggregated with all fractional shares of Common Stock issuable to such Holder and any remaining fractional shares shall be rounded down to the nearest whole share. Whether or not fractional shares would be issuable upon such conversion shall be determined on the basis of the total number of shares of Series A Non-Voting Preferred Stock the Holder is at the time converting into Common Stock and the aggregate number of shares of Common Stock issuable upon such conversion.

- (h) Transfer Taxes. The issuance of shares of the Common Stock upon conversion of the Series A Non-Voting Preferred Stock shall be made without charge to any Holder for any documentary stamp or similar taxes that may be payable in respect of the issue or delivery of such shares; provided that the Corporation shall not be required to pay any tax that may be payable in respect of any transfer involved in the issuance and delivery of any such shares upon conversion in a name other than that of the registered Holder(s) of such shares of Series A Non-Voting Preferred Stock and the Corporation shall not be required to issue or deliver such shares unless or until the Person or Persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid.

**Section 6.06 Status as Stockholder.** Upon the date of conversion of the applicable shares of Series A Non-Voting Preferred Stock, (a) such shares shall be deemed converted into shares of Common Stock and (b) the Holder's rights as a holder of such converted shares of Series A Non-Voting Preferred Stock shall cease and terminate, excepting only the right to receive such shares of Common Stock and to any remedies provided herein or otherwise available at law or in equity to such Holder because of a failure by the Corporation to comply with the terms of this Certificate of Designation. In all cases, the Holder shall retain all of its rights and remedies for the Corporation's failure to convert Series A Non-Voting Preferred Stock. Notwithstanding anything to the contrary contained in this Certificate of Designation of Preferences, Rights and Limitations of Series A Non-Voting Convertible Preferred Stock, in no event shall the Series A Non-Voting Preferred Stock convert (or shall any Holder be entitled to convert or elect to convert such shares of Series A Non-Voting Preferred Stock) into shares of Common Stock prior to the Stockholder Approval.

## **Article VII. Certain Adjustments.**

### **Section 7.01**

- (a) Stock Dividends and Stock Splits. If the Corporation, at any time while this Series A Non-Voting Preferred Stock is outstanding: (a) pays a stock dividend or otherwise makes a distribution or distributions payable in shares of Common Stock (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Corporation upon conversion of this Series A Non-Voting Preferred Stock) with respect to the then outstanding shares of Common Stock; (b) subdivides outstanding shares of Common Stock into a larger number of shares; or (c) combines (including by way of a reverse stock split) outstanding shares of Common Stock into a smaller number of shares, then the Conversion Ratio shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding any treasury shares of the Corporation) outstanding

immediately after such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately before such event (excluding any treasury shares of the Corporation). Any adjustment made pursuant to this Section 7.01(a) shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision or combination.

- (b) Subsequent Rights Offerings. In addition to any adjustments pursuant to Section 7.01(a), if at any time the Corporation makes an offering or a general issuance of Common Stock, or issues, sells or grants rights to purchase stock, warrants, securities or other property, in each of the foregoing cases pro rata to the record holders of any class of shares of Common Stock (the "**Purchase Rights**"), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights identical to those that apply to such holders of shares of Common Stock, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete conversion of such Holder's Series A Non-Voting Preferred Stock (disregarding for such purpose any Beneficial Ownership Limitation and assuming receipt of Stockholder Approval) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights. For the avoidance of doubt, Purchase Rights shall not include (i) the grant or issuance of any stock options, restricted stock or other equity awards with respect to shares of Common Stock as may be granted or issued to any directors, officers, employees or contractors of the Corporation or any of its subsidiaries or (ii) the grant, issuance or sale of any securities that is not generally extended to the holders of any class of shares of Common Stock.

Section 7.02 Fundamental Transaction. If, at any time while any Series A Non-Voting Preferred Stock is outstanding, (a) the Corporation effects any merger or consolidation of the Corporation with or into another Person or any stock sale to, or other business combination (including a reorganization, recapitalization, spin-off, share exchange or scheme of arrangement) with or into another Person (other than such a transaction in which the Corporation is the surviving or continuing entity and its Common Stock is not exchanged for or converted into other securities, cash or property), (b) the Corporation effects any sale, lease, transfer or exclusive license of all or substantially all of its assets in one transaction or a series of related transactions, (c) any tender offer or exchange offer (whether by the Corporation or another Person) is completed pursuant to which more than 50% of the Common Stock not held by the Corporation or such Person is exchanged for or converted into other securities, cash or property, or (d) the Corporation effects any reclassification of the Common Stock or any compulsory share exchange pursuant (other than as a result of a dividend, subdivision or combination covered by Section 7.01(a)) to which the Common Stock is effectively converted into or exchanged for other securities, cash or property (any such action described in clauses (a) through (d), a "**Fundamental Transaction**"), then, upon any subsequent conversion of the Series A Non-Voting Preferred Stock, the Holders shall have the right to receive, in lieu of the right to receive Conversion Shares, for each Conversion Share that would have been issuable upon such conversion immediately prior to the occurrence of such Fundamental Transaction,

the same kind and amount of securities, cash or property as it would have been entitled to receive upon the occurrence of such Fundamental Transaction if it had been, immediately prior to such Fundamental Transaction, the holder of one share of Common Stock (the “**Alternate Consideration**”). For purposes of any such subsequent conversion, the determination of the Conversion Ratio shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Corporation shall adjust the Conversion Ratio in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holders shall be given the same choice as to the Alternate Consideration it receives upon any conversion of this Series A Non-Voting Preferred Stock following such Fundamental Transaction. To the extent necessary to effectuate the foregoing provisions, any successor to the Corporation or surviving entity in such Fundamental Transaction shall file a new certificate of designations with the same terms and conditions and issue to the Holders new preferred stock consistent with the foregoing provisions and evidencing the Holders’ right to convert such preferred stock into Alternate Consideration. The terms of any agreement to which the Corporation is a party and pursuant to which a Fundamental Transaction is effected shall include terms requiring any such successor or surviving entity to comply with the provisions of this Section 7.02 and ensuring that the Series A Non-Voting Preferred Stock (or any such replacement security) will be similarly adjusted upon any subsequent transaction analogous to a Fundamental Transaction. The Corporation shall cause to be delivered to each Holder, at its last address as it shall appear upon the stock books of the Corporation, written notice of any Fundamental Transaction at least 20 calendar days prior to the date on which such Fundamental Transaction is expected to become effective or close. Notwithstanding anything to the contrary herein, the Corporation’s disposition of certain assets pursuant to the CVR Agreement shall not constitute a Fundamental Transaction.

**Section 7.03 Calculations.** All calculations under this Article VII shall be made to the nearest cent or the nearest 1/1000th of a share, as the case may be. For purposes of this Article VII, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding any treasury shares of the Corporation) issued and outstanding.

**Article VIII. Redemption.** The shares of Series A Non-Voting Preferred Stock shall not be redeemable except as set forth in this Article VIII. Each share of Series A Non-Voting Preferred Stock then outstanding shall be redeemable at the option of the Holder thereof at any time following the date that is 18 months after the initial issuance of the Series A Non-Voting Preferred Stock, other than any shares of Series A Non-Voting Preferred Stock that would not at the applicable time be convertible into shares of Common Stock as a result of the application of the Beneficial Ownership Limitation (without regard to the lack of obtaining Stockholder Approval). Holders shall effect such redemptions by providing the Corporation with the form of redemption notice attached hereto as Annex B (a “**Notice of Redemption**”), duly completed and executed and specifying the number of shares of Series A Non-Voting Preferred Stock held by such Holder to be redeemed (the “**Redemption Shares**”), which number shall be limited to the number of shares that such Holder would otherwise have been entitled to convert into shares of Common Stock after application of the Beneficial Ownership Limitation (without regard to the lack of obtaining

Stockholder Approval). The date on which such a redemption shall be deemed effective (the "**Redemption Date**") shall be the Business Day that the Notice of Redemption, completed and executed, is sent via email to, and received during regular business hours by, the Corporation. The Corporation shall, upon receipt of a Notice of Redemption, pay an amount equal to the Redemption Fair Value (as defined below) to such Holder based on the number of Conversion Shares issuable upon conversion of such Redemption Shares (without regard to the lack of obtaining Stockholder Approval), with such payment to be made within two Business Days from the Redemption Date, whereupon the Redemption Shares shall be cancelled upon payment in full of the Redemption Fair Value of such Redemption Shares and all rights with respect to such Redemption Shares shall terminate. For purposes of this Article VIII, the "**Redemption Fair Value**" of shares shall be fixed with reference to the average of the Closing Sale Price on the principal Trading Market on which the Common Stock is listed over the ten consecutive Trading Days ending on, and including, the Trading Day immediately prior to the Redemption Date. Nothing in this Article VIII shall limit the ability of the Corporation to purchase or otherwise deal in the shares of Series A Non-Voting Preferred Stock to the extent otherwise permitted hereby and by law, or by the terms of any stock option or other equity awards granted by the Corporation.

**Article IX. Transfer.** A Holder may transfer any shares of Series A Non-Voting Preferred Stock together with the accompanying rights set forth herein, held by such holder without the consent of the Corporation; provided that such transfer is in compliance with applicable securities laws. The Corporation shall in good faith (a) do and perform, or cause to be done and performed, all such further acts and things, and (b) execute and deliver all such other agreements, certificates, instruments and documents, in each case, as any holder of Series A Non-Voting Preferred Stock may reasonably request in order to carry out the intent and accomplish the purposes of this Article IX. The transferee of any shares of Series A Non-Voting Preferred Stock shall be subject to the Beneficial Ownership Limitation applicable to the transferor as of the time of such transfer (including in the event that TAS Partners LLC or any of its affiliates is the transferor of such shares, in which case the Beneficial Ownership Limitation shall apply with respect to such transferee and shall be set at 19.9% unless and until further decreased pursuant to Section 6.04).

**Article X. Series A Non-Voting Preferred Stock Register.** The Corporation shall maintain at its principal executive offices (or such other office or agency of the Corporation as it may designate by notice to the Holders in accordance with Article XI), a register for the Series A Non-Voting Preferred Stock, in which the Corporation shall record (a) the name, address, and electronic mail address of each holder in whose name the shares of Series A Non-Voting Preferred Stock have been issued and (b) the name, address, and electronic mail address of each transferee of any shares of Series A Non-Voting Preferred Stock. The Corporation may deem and treat the registered Holder of shares of Series A Non-Voting Preferred Stock as the absolute owner thereof for the purpose of any conversion thereof and for all other purposes. The Corporation shall keep the register open and available at all times during business hours for inspection by any holder of Series A Non-Voting Preferred Stock or his, her or its legal representatives.

**Article XI. Notices.** Any notice required or permitted by the provisions of this Certificate of Designation to be given to a Holder of shares of Series A Non-Voting Preferred Stock shall be mailed, postage prepaid, to the post office address last shown on the records of the Corporation, or given by electronic communication in compliance with the provisions of the Delaware General Corporation Law, and shall be deemed sent upon such mailing or electronic transmission.

**Article XII. Book-Entry.** The Series A Non-Voting Preferred Stock will be issued only in book- entry form.

**Article XIII. Waiver.** Any waiver by the Corporation or a Holder of a breach of any provision of this Certificate of Designation shall not operate as or be construed to be a waiver of any other breach of such provision or of any breach of any other provision of this Certificate of Designation or a waiver by any other Holders. The failure of the Corporation or a Holder to insist upon strict adherence to any term of this Certificate of Designation on one or more occasions shall not be considered a waiver or deprive that party (or any other Holder) of the right thereafter to insist upon strict adherence to that term or any other term of this Certificate of Designation. Any waiver by the Corporation or a Holder must be in writing. Notwithstanding any provision in this Certificate of Designation to the contrary, any provision contained herein and any right of the Holders of Series A Non-Voting Preferred Stock granted hereunder may be waived as to all shares of Series A Non-Voting Preferred Stock (and the Holders thereof) upon the written consent of the Holders of not less than a majority of the shares of Series A Non-Voting Preferred Stock then outstanding; provided, however, that the Beneficial Ownership Limitation applicable to a Holder, and any provisions contained herein that are related to such Beneficial Ownership Limitation, cannot be modified, waived or terminated without the consent of such Holder; provided, further, that any proposed waiver that would, by its terms, have a disproportionate and materially adverse effect on any Holder shall require the consent of such Holder(s).

**Article XIV. Severability.** Whenever possible, each provision hereof shall be interpreted in a manner as to be effective and valid under applicable law, but if any provision hereof is held to be prohibited by or invalid under applicable law, then such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating or otherwise adversely affecting the remaining provisions hereof.

**Article XV. Status of Converted Series A Non-Voting Preferred Stock.** If any shares of Series A Non-Voting Preferred Stock shall be converted or redeemed by the Corporation, such shares shall, to the fullest extent permitted by applicable law, be retired and cancelled upon such acquisition, and shall not be reissued as a share of Series A Non-Voting Preferred Stock. Any share of Series A Non-Voting Preferred Stock so acquired shall, upon its retirement and cancellation, and upon the taking of any action required by applicable law, resume the status of authorized but unissued shares of preferred stock and shall no longer be designated as Series A Non-Voting Preferred Stock.

(b) The Securities shall be known and designated as the "Series A Contingent Value Rights" of the Company.

(c) Holders shall be entitled to receive, and the Company shall pay, semi-annual cash distributions in an amount equal to the Distribution due for each Distribution Period. Distributions will be cumulative from the date hereof and will be payable semi-annually in arrears on each Distribution Payment Date. Distributions shall be payable no later than close of business on the relevant Distribution Payment Date to Holders of record on the applicable Record Date. If a Distribution Payment Date is not a Business Day, payment shall be made on the immediately succeeding Business Day. Subject to Section 1.16, the Company's obligations to pay the Distributions shall terminate in its entirety on the Termination Date. Notwithstanding the foregoing, in the event that the amount of the Distributions otherwise payable on any Distribution Payment Date shall be less than \$0.02 per CVR, then the Company may elect to defer the payment of such amount to the next Distribution Payment Date when the aggregate Distributions will exceed \$0.02 per CVR.

(d) Concurrently with the payment of Distributions as required in and pursuant to Section 3.1(c), the Company shall deposit with the Paying Agent, for the benefit of holders of any Company Warrants that remain outstanding and unexercised, an amount equal to the aggregate Distributions that would be due with respect to the CVRs issuable to the holders of such Company Warrants if such Company Warrants had been exercised and the corresponding CVRs had been issued in exchange therefor. The applicable portion of such amounts deposited

for the benefit of holders of Company Warrants shall be (i) upon exercise of a Company Warrant and issuance of CVRs in exchange therefor, paid out to the Holder of the CVRs so issued as a result of such exercise on the first Distribution Payment Date that occurs after such exercise, and (ii) upon expiration or termination of a Company Warrant, paid out as additional Distributions to the existing Holders on the first Distribution Payment Date that occurs after such expiration or termination.

(e) The Holders of the CVRs, by acceptance thereof, agree that no joint venture, partnership or other fiduciary relationship is created hereby or by the Securities.

(f) Other than in the case of interest on amounts due and payable after the occurrence of an Event of Default, no interest shall accrue on any amounts payable in respect of the CVRs.

(g) The CVRs and any interest thereon may be sold, assigned, pledged encumbered or in any manner transferred or disposed of, in whole or in part, only in compliance with applicable United States federal and state securities Laws and, to the extent applicable, in accordance with Section 3.5.

(h) The Holder of any CVR is not, and shall not, by virtue thereof, be entitled to any rights of a holder of any Voting Securities or other equity security or other ownership interest of the Company, in any constituent company to the Merger or in any of their respective Affiliates, either at Law or in equity, and the rights of the Holders are limited to those rights expressed in this CVR Agreement.

(i) Except as provided in this CVR Agreement, none of the Company or any of its Affiliates shall have any right to set-off any amounts owed or claimed to be owed by any Holder to any of them against such Holder's Securities or the Distributions or other amount payable to such Holder in respect of such Securities.

Section 3.2 Registrable Form. The Securities shall be issuable only in registered form. The CVRs shall be issued initially in the form of (a) one or more permanent Global Securities, deposited with the Trustee, as the custodian for The Depository Trust Company, its nominees and successors (the "Depository"), or (b) one or more Direct Registration Securities. Each Global Security will represent such of the outstanding CVRs as will be specified therein and each shall provide that it represents the aggregate number of outstanding CVRs from time to time endorsed thereon and that the aggregate number of outstanding CVRs represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and/or issuances as provided and in accordance with the terms and conditions of the Merger Agreement.

Section 3.3 Execution, Authentication, Delivery and Dating.

(a) The Global Securities shall be executed on behalf of the Company by its chairman of the Board of Directors, its chief executive officer, any President or Vice President or any other individual duly authorized to act on behalf of the Company for such purpose or any general purpose, but need not be attested. The signature of any of these individuals on the Global Securities may be manual or facsimile.

(b) Global Securities bearing the manual or facsimile signatures of individuals who were, at the time of execution, the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Global Securities or did not hold such offices at the date of such Global Securities.

(c) At any time and from time to time after the execution and delivery of this CVR Agreement, the Company may deliver a Company Order for the authentication, as applicable, and delivery of Securities, and the Trustee, in accordance with such Company Order, shall authenticate, as applicable, and deliver such Securities as provided in this CVR Agreement and not otherwise. In the case of Global Securities, such Company Order shall be accompanied by Global Securities executed by the Company and delivered to the Trustee for authentication in accordance with such Company Order.

(d) Each Global Security shall be dated the date of its authentication.

(e) No Global Security shall be entitled to any benefit under this CVR Agreement or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein duly executed by the Trustee, by manual or facsimile signature of an authorized officer, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Global Security has been duly authenticated and delivered hereunder and that the Holder is entitled to the benefits of this CVR Agreement.

(f) Direct Registration Securities need not be authenticated, and shall be valid and obligatory for all purposes and shall entitle each Holder thereof to all benefits of this CVR Agreement.

#### Section 3.4 Temporary Securities.

(a) Pending the preparation of definitive Securities, the Company may execute, and upon Company Order, the Trustee shall authenticate and deliver, temporary Securities which are printed, lithographed, typewritten, mimeographed or otherwise produced, substantially of the tenor of the definitive Securities in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Securities may determine with the concurrence of the Trustee ("Temporary Securities"). Temporary Securities may contain such reference to any provisions of this CVR Agreement as may be appropriate. Every Temporary Security shall be executed by the Company and be authenticated by the Trustee upon the same conditions and in substantially the same manner, and with like effect, as the definitive Securities.

(b) If Temporary Securities are issued, the Company will cause definitive Securities to be prepared without unreasonable delay. After the preparation of definitive Securities, the Temporary Securities shall be exchangeable for definitive Securities upon surrender of the Temporary Securities at the office or agency of the Company designated for such purpose pursuant to Section 7.2, without charge to the Holder. Upon surrender for cancellation of any one or more Temporary Securities, the Company shall execute and the

Trustee shall authenticate and deliver in exchange therefor a like amount of definitive Securities. Until so exchanged, the Temporary Securities shall in all respects be entitled to the same benefits under this CVR Agreement as definitive Securities.

Section 3.5 Registration, Registration of Transfer and Exchange.

(a) The Company shall cause to be kept at the office of the Trustee a register (the register maintained in such office and in any other office or agency designated pursuant to Section 7.2 being herein sometimes referred to as the “Security Register”) in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Securities and of transfers of Securities. The Trustee is hereby initially appointed “Security Registrar” for the purpose of registering Securities and transfers of Securities as herein provided.

(b)

(i) A Global Security may not be transferred except as a whole by the Depositary to a nominee of the Depositary, by a nominee of the Depositary to the Depositary or to another nominee of the Depositary, or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary. All Global Securities will be exchanged by the Company for Direct Registration Securities if (1) the Company delivers to the Security Registrar notice from the Depositary that it is unwilling or unable to continue to act as Depositary or that it is no longer a clearing agency registered under the Exchange Act and, in either case, a successor Depositary is not appointed by the Company within 120 days after the date of such notice from the Depositary, (2) the Company in its sole discretion determines that the Global Securities (in whole but not in part) should be exchanged for Direct Registration Securities and delivers a written notice to such effect to the Security Registrar or (3) an Event of Default has occurred and is continuing and the Security Registrar has received a request from the Depositary to issue Direct Registration Securities. Upon the occurrence of either of the preceding events in (1) or (2) above, Direct Registration Securities shall be issued in such names as the Depositary shall instruct the Trustee. Global Securities also may be exchanged or replaced, in whole or in part, as provided in Section 3.6 hereof. Every Global Security authenticated and delivered in exchange for, or in lieu of, a Global Security or any portion thereof, pursuant to this Section 3.5 or Section 3.6 hereof, shall be authenticated and delivered in the form of, and shall be, a Global Security. A Global Security may not be exchanged for another Global Security other than as provided in this Section 3.5(b)(i), however, beneficial interests in a Global Security may be transferred and exchanged as provided in Section 3.5(b)(ii) or Section 3.5(b)(iii).

(ii) The transfer and exchange of beneficial interests in the Global Securities will be effected through the Depositary, in accordance with the provisions of this CVR Agreement and the Applicable Procedures. Beneficial interests in any Global Security may be transferred to Persons who take delivery thereof in the form of a beneficial interest in Global Security. No written orders or instructions shall be required to be delivered to the Security Registrar to effect the transfers described in this Section 3.5(b)(ii).

(iii) If any holder of a beneficial interest in a Global Security proposes to exchange such beneficial interest for a Direct Registration Security or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Direct Registration

Security, then the Security Registrar will cause the aggregate number of CVRs represented by the applicable Global Security to be reduced accordingly pursuant to Section 3.5(b)(vi) hereof, and the Security Registrar will deliver to the Person designated in the instructions a Direct Registration Security in the appropriate number of CVRs. Any Direct Registration Security issued in exchange for a beneficial interest pursuant to this Section 3.5(b)(iii) will be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest requests through instructions to the Security Registrar from or through the Depository and the Participant or Indirect Participant.

(iv) A Holder of a Direct Registration Security may exchange such Direct Registration Security for a beneficial interest in a Global Security or transfer such Direct Registration Security to a Person who takes delivery thereof in the form of a beneficial interest in a Global Security at any time. Upon receipt of a request for such an exchange or transfer, the Security Registrar will cancel the applicable Direct Registration Security and increase or cause to be increased the aggregate number of CVRs represented by one of the Global Securities.

(v) Upon request by a Holder of Direct Registration Securities and such Holder's compliance with the provisions of this Section 3.5(b)(v), the Security Registrar will register the transfer or exchange of Direct Registration Securities. Prior to such registration of transfer or exchange, the requesting Holder must present to the Security Registrar a written instruction of transfer in form satisfactory to the Security Registrar duly executed by such Holder or by his, her or its attorney, duly authorized in writing. A Holder of Direct Registration Securities may transfer such Direct Registration Securities to a Person who takes delivery thereof in the form of Direct Registration Securities. Upon receipt of a request to register such a transfer, the Security Registrar shall register the Direct Registration Securities pursuant to the instructions from the Holder thereof.

(vi) At such time as all beneficial interests in a particular Global Security have been exchanged for Direct Registration Securities or a particular Global Security has been repurchased or canceled in whole and not in part, each such Global Security will be returned to or retained and canceled by the Security Registrar in accordance with Section 3.9 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Security is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security or for Direct Registration Securities, the aggregate number of CVRs represented by such Global Security will be reduced accordingly and an endorsement will be made on such Global Security by the Security Registrar or by the Depository at the direction of the Security Registrar to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Security, such other Global Security will be increased accordingly and an endorsement will be made on such Global Security by the Security Registrar or by the Depository at the direction of the Security Registrar to reflect such increase.

(vii)

(A) To permit registrations of transfers and exchanges, the Company will execute and the Trustee will authenticate Global Securities upon receipt of a Company Order in accordance with Section 3.3 hereof or at the Security Registrar's request.

(B) No service charge will be made to a Holder of a beneficial interest in a Global Security or to a Holder of a Direct Registration Security for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith.

(C) All Global Securities and Direct Registration Securities issued upon any registration of transfer or exchange of Global Securities or Direct Registration Securities will be the valid obligations of the Company, evidencing the same rights, and entitled to the same benefits under this CVR Agreement, as the Global Securities or Direct Registration Securities surrendered upon such registration of transfer or exchange.

(D) The Trustee will authenticate Global Securities in accordance with the provisions of Section 3.3 hereof.

Section 3.6 Mutilated, Destroyed, Lost and Stolen Securities.

(a) If (i) any mutilated Global Security is surrendered to the Trustee, or (ii) the Company and the Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Global Security, and there is delivered to the Company and the Trustee such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Company or the Trustee that such Global Security has been acquired by a bona fide purchaser, the Company shall execute and, upon delivery of a Company Order, the Trustee shall authenticate, as applicable, and deliver, in exchange for any such mutilated Global Security or in lieu of any such destroyed, lost or stolen Global Security, a new CVR, in the form of either a Global Security or a Direct Registration Security, of like tenor and amount of CVRs, bearing a number not contemporaneously outstanding.

(b) In case any such mutilated, destroyed, lost or stolen Global Security has become or is to become finally due and payable within 15 days, the Company in its discretion may, instead of issuing a new CVR, pay to the Holder of such Security on the Distribution Payment Date all amounts due and payable with respect thereto.

(c) Every new Security issued pursuant to this Section 3.6 in lieu of any destroyed, lost or stolen Global Security shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Global Security shall be at any time enforceable by anyone, and shall be entitled to all benefits of this CVR Agreement equally and proportionately with any and all other Securities duly issued hereunder.

(d) The provisions of this Section 3.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Global Securities.

Section 3.7 Payments with Respect to CVRs. Payment of any amounts pursuant to the CVRs shall be made in such coin or currency of the United States of America as at the time is legal tender for the payment of public and private debts. The Company may, at its option, pay such amounts by wire transfer or check payable in such money.

Section 3.8 Persons Deemed Owners. Prior to the time of due presentment for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name any Security is registered as the owner of such Security for the purpose of receiving payment on such Security and for all other purposes whatsoever, whether or not such Security be overdue, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

Section 3.9 Cancellation. All Securities surrendered for payment, registration of transfer or exchange shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and shall be promptly canceled by it. The Company may at any time deliver to the Trustee for cancellation any Global Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and all Global Securities so delivered shall be promptly canceled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities canceled as provided in this Section, except as expressly permitted by this CVR Agreement. All cancelled Global Securities held by the Trustee shall be destroyed and a certificate of destruction shall be issued by the Trustee to the Company, unless otherwise directed by a Company Order.

Section 3.10 CUSIP Numbers. The Company in issuing the CVRs may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices to the Holders as a convenience to the Holders, provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the CVRs or as contained in any notices and that reliance may be placed only on the other identification numbers printed on the CVRs, and any such notice shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee of any change in the "CUSIP" numbers.

Section 3.11 Restricted Securities. The CVRs are restricted securities and shall be disposed of only pursuant to an effective registration statement under, and in compliance with the requirements of, the Securities Act, or pursuant to an available exemption from, or in a transaction not subject to, the registration requirements of the Securities Act, and in compliance with any applicable U.S. state and federal securities Laws. Any certificate or book-entry position evidencing the CVRs shall bear a legend in substantially the following form:

THE OFFER AND SALE OF THE SECURITIES REPRESENTED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES. THESE SECURITIES MAY NOT BE SOLD, OFFERED FOR SALE, PLEDGED, HYPOTHECATED, TRANSFERRED OR ASSIGNED IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER APPLICABLE SECURITIES LAWS, OTHER THAN PURSUANT TO AN AVAILABLE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THOSE LAWS. THE COMPANY AND ITS TRANSFER AGENT SHALL BE ENTITLED TO REQUIRE AN OPINION OF COUNSEL SATISFACTORY TO THE COMPANY AND THE TRANSFER AGENT THAT SUCH REGISTRATION IS NOT REQUIRED.

**ARTICLE IV**  
**THE TRUSTEE**

Section 4.1 Certain Duties and Responsibilities.

(a) With respect to the Holders, the Trustee, prior to the occurrence of an Event of Default (as defined in Section 8.1) with respect to the Securities and after the curing or waiving of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this CVR Agreement and no implied covenants shall be read into this CVR Agreement against the Trustee. In case an Event of Default with respect to the Securities has occurred (which has not been cured or waived), the Trustee shall exercise such of the rights and powers vested in it by this CVR Agreement, and use the same degree of care and skill in their exercise, as a reasonably prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(b) In the absence of bad faith on its part, prior to the occurrence of an Event of Default and after the curing or waiving of all such Events of Default which may have occurred, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee which conform to the requirements of this CVR Agreement; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine solely whether or not they conform to the requirements of this CVR Agreement.

(c) No provision of this CVR Agreement shall be construed to relieve the Trustee from liability for its own grossly negligent action, its own grossly negligent failure to act, or its own willful misconduct, except that (i) this Subsection (c) shall not be construed to limit the effect of Subsections (a) and (b) of this Section 4.1; (ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was grossly negligent in ascertaining the pertinent facts; and (iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders pursuant to Section 8.9 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this CVR Agreement.

(d) Whether or not therein expressly so provided, every provision of this CVR Agreement relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 4.1.

Section 4.2 Certain Rights of Trustee. Subject to the provisions of Section 4.1, including the duty of care that the Trustee is required to exercise upon the occurrence of an Event of Default:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document reasonably believed by it to be genuine and to have been signed or presented by the proper party or parties and the Trustee need not investigate any fact or matter stated in the document;

(b) any request or direction or order of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution and the Trustee shall not be liable for any action it takes or omits to take in good faith reliance thereon;

(c) whenever in the administration of this CVR Agreement the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officers' Certificate and the Trustee shall not be liable for any action it takes or omits to take in good faith reliance thereon or an Opinion of Counsel;

(d) the Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in accordance with such advice or Opinion of Counsel;

(e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this CVR Agreement at the request or direction of any of the Holders pursuant to this CVR Agreement, unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, appraisal, bond, debenture, note, coupon, security, or other paper or document, but the Trustee in its discretion may make such further inquiry or investigation into such facts or matters as it may see fit, and if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the pertinent books and records of the Company, personally or by agent or attorney, as may be reasonably necessary for such inquiry or investigation and in a manner so as to not unreasonably interfere with the normal business operations of the Company or any of its Affiliates; provided, however, that the Company shall not be required to provide any books or records to the extent that the provision thereof (i) would, as reasonably determined based on the advice of outside counsel, jeopardize any attorney-client privilege or (ii) would contravene any Law or any contract or agreement to which the Company or any of its Affiliates is subject or bound;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(h) the Trustee shall not be liable for any action taken, suffered or omitted to be taken by it in good faith and reasonably believed by it to be authorized or within the discretion or rights or powers conferred upon it by this CVR Agreement; and

(i) the Trustee shall not be deemed to have notice of any default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice thereof has been received by such Responsible Officer at the offices of the Trustee and such notice references the CVRs and this CVR Agreement and the fact that such notice constitutes notification of default.

Section 4.3 Notice of Default. If a default occurs hereunder with respect to the Securities, the Trustee shall give the Holders notice of any such default actually known to it as and to the extent applicable and provided by the Trust Indenture Act; provided, however, that in the case of any default of the character specified in Section 8.1(b) with respect to the Securities, no notice to Holders shall be given until at least 30 days after the occurrence thereof. For the purpose of this Section 4.3, the term "default" means any event that is, or after notice or lapse of time or both would become, an Event of Default with respect to the Securities.

Section 4.4 Not Responsible for Recitals or Issuance of Securities. The Trustee shall not be accountable for the Company's use of the Securities. The recitals contained herein and in the Securities, except the Trustee's certificates of authentication, shall be taken as the statements of the Company, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this CVR Agreement or of the Securities.

Section 4.5 May Hold Securities. The Trustee, any Paying Agent, Security Registrar or any other agent of the Company, in its individual or any other capacity, may become the owner or pledgee of Securities, and, subject to Section 4.8 and Section 4.13, may otherwise deal with the Company with the same rights it would have if it were not Trustee, Paying Agent, Security Registrar or such other agent.

Section 4.6 Money Held in Trust. Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by Law. The Trustee shall be under no liability for interest on any money received by it hereunder, except as otherwise agreed by the Trustee in writing with the Company.

Section 4.7 Compensation and Reimbursement. The Company agrees:

(a) to pay to the Trustee from time to time reasonable compensation for all services rendered by it hereunder in such amount as the Company and the Trustee shall agree from time to time (which compensation shall not be limited by any provision of Law in regard to the compensation of a trustee of an express trust);

(b) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable and out-of-pocket expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this CVR Agreement (including the reasonable compensation and the reasonable expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to the Trustee's negligence, bad faith or willful misconduct; and

(c) to indemnify the Trustee and each of its agents, officers, directors and employees (each an “indemnitee”) for, and to hold it harmless against, any loss, liability or reasonable and out-of-pocket expense (including reasonable and out-of-pocket attorneys’ fees and expenses) incurred without gross negligence, bad faith or willful misconduct on its part, arising out of or in connection with the acceptance or administration of this trust and the performance of its duties hereunder, including the reasonable and out-of-pocket costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder. The Company’s payment obligations pursuant to this Section 4.7 shall survive the termination of this CVR Agreement. When the Trustee incurs reasonable and out-of-pocket expenses after the occurrence of an Event of Default specified in Section 8.1(c) or Section 8.1(d) with respect to the Company, the expenses are intended to constitute expenses of administration under bankruptcy Laws.

Section 4.8 Disqualification; Conflicting Interests.

(a) If applicable, to the extent that the Trustee or the Company determines that the Trustee has a conflicting interest within the meaning of the Trust Indenture Act, the Trustee shall immediately notify the Company of such conflict and, within 90 days after ascertaining that it has such conflicting interest, either eliminate such conflicting interest or resign to the extent and in the manner provided by, and subject to the provisions of, the Trust Indenture Act and this CVR Agreement. The Company shall take prompt steps to have a successor appointed in the manner provided in this CVR Agreement.

(b) If the Trustee fails to comply with Section 4.8(a), the Trustee shall, within ten days of the expiration of such 90-day period, transmit a notice of such failure to the Holders in the manner and to the extent provided in the Trust Indenture Act and this CVR Agreement.

(c) If the Trustee fails to comply with Section 4.8(a) after written request therefore by the Company or any Holder, then any Holder of any Security who has been a bona fide Holder for at least six months may on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of such Trustee and the appointment of a successor Trustee.

Section 4.9 Corporate Trustee Required; Eligibility. There shall at all times be a Trustee hereunder which satisfies the applicable requirements of Sections 310(a)(1) and (5) of the Trust Indenture Act and has a combined capital and surplus of at least one hundred fifty million dollars (\$150,000,000). If the Trustee publishes reports of condition at least annually, pursuant to Law or to the requirements of a supervising or examining authority, then for the purposes of this Section 4.9, the combined capital and surplus of the Trustee shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 4.9, it shall resign immediately in the manner and with the effect hereinafter specified in this Article IV.

Section 4.10 Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article IV shall become effective until the acceptance of appointment by the successor Trustee under Section 4.11.

(b) The Trustee, or any trustee or trustees hereafter appointed, may resign at any time by giving written notice thereof to the Company. If an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(c) The Trustee may be removed at any time by an act of the Majority Holders, delivered to the Trustee and to the Company.

(d) If at any time:

(i) the Trustee shall fail to comply with Section 4.8 after written request therefor by the Company or by any Holder who has been a bona fide Holder of a Security for at least six months, or

(ii) the Trustee shall cease to be eligible under Section 4.9 and shall fail to resign after written request therefor by the Company or by any such Holder, or

(iii) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any case, (A) the Company, by a Board Resolution or an action of the chief executive officer of the Company, may remove the Trustee, or (B) the Holder of any Security who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, the Company, by a Board Resolution or an action of the chief executive officer of the Company, shall promptly appoint a successor Trustee. If, within one year after any resignation, removal or incapacity, or the occurrence of such vacancy, a successor Trustee shall be appointed by act of the Majority Holders delivered to the Company and the retiring Trustee, then the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in accordance with Section 4.11, become the successor Trustee and supersede the successor Trustee appointed by the Company. If no successor Trustee shall have been so appointed by the Company or the Majority Holders and accepted appointment within 60 days after the retiring Trustee tenders its resignation or is removed, the retiring Trustee may, or, the Holder of any Security who has been a bona fide Holder for at least six months may on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Company shall give notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing written notice of such event by first-class mail, postage prepaid, to the Holders of Securities as their names and addresses appear in the Security Register. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office. If the Company fails to send such notice within ten days after acceptance of appointment by a successor Trustee, it shall not be a default hereunder but the successor Trustee shall cause the notice to be mailed at the expense of the Company.

Section 4.11 Acceptance of Appointment of Successor.

(a) Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, upon request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder. Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts.

(b) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article IV.

Section 4.12 Merger, Conversion, Consolidation or Succession to Business. Any Person into which the Trustee may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any Person succeeding to all or substantially all of the corporate trust business of the Trustee, by sale or otherwise shall be the successor of the Trustee hereunder, provided that such Person shall be otherwise qualified and eligible under this Article IV, without the execution or filing of any paper or any further act on the part of any of the Parties. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion, sale or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities; and such certificate shall have the full force which it is anywhere in the Securities or in this CVR Agreement provided that the certificate of the Trustee shall have; provided that the right to adopt the certificate of authentication of any predecessor Trustee shall apply only to its successor or successors by merger, conversion or consolidation.

Section 4.13 Preferential Collection of Claims Against Company. If and when the Trustee shall be or shall become a creditor, directly or indirectly, secured or unsecured, of the Company (or any other obligor upon the Securities), excluding any creditor relationship set forth

in Section 311(b) of the Trust Indenture Act, if applicable, the Trustee shall be subject to the applicable provisions of the Trust Indenture Act regarding the collection of claims against the Company (or any such other obligor).

**ARTICLE V**  
**HOLDERS' LISTS AND REPORTS BY THE TRUSTEE AND COMPANY**

Section 5.1 Company to Furnish Trustee Names and Addresses of Holders. The Company will furnish or cause to be furnished to the Trustee: (a) promptly after the issuance of the Securities, and semi-annually thereafter, a list, in such form as the Trustee may reasonably require, of the names and addresses of the Holders as of a recent date, and (b) at such times as the Trustee may request in writing, within 30 days after receipt by the Company of any such request, a list, in such form as the Trustee may reasonably require, of the names and addresses of the Holders as of a date not more than 15 days prior to the time such list is furnished; provided, however, that if and so long as the Trustee shall be the Security Registrar, no such list need be furnished.

Section 5.2 Preservation of Information; Communications to Holders.

(a) The Trustee shall preserve, in as current a form as is reasonably practicable, the names and addresses of the Holders contained in the most recent list furnished to the Trustee as provided in Section 5.1 and the names and addresses of Holders received by the Trustee in its capacity as Security Registrar. The Trustee may destroy any list furnished to it as provided in Section 5.1 upon receipt of a new list so furnished.

(b) The rights of the Holders to communicate with other Holders with respect to their rights under this CVR Agreement and the corresponding rights and privileges of the Trustee shall be as provided by Section 312(b)(2) of the Trust Indenture Act, if applicable.

(c) Every Holder of Securities, by receiving and holding the same, agrees with the Company and the Trustee that neither the Company nor the Trustee shall be deemed to be in violation of Law or held accountable by reason of the disclosure of any such information as to the names and addresses of the Holders made pursuant to the Trust Indenture Act (if applicable) regardless of the source from which such information was derived.

Section 5.3 Reports by Trustee.

(a) Within 60 days after December 31 of each year commencing with the December 31 following the date of this CVR Agreement, the Trustee shall transmit to all Holders such reports concerning the Trustee and its actions under this CVR Agreement as may be required pursuant to the Trust Indenture Act to the extent and in the manner provided pursuant thereto. The Trustee shall also comply with Section 313(b)(2) of the Trust Indenture Act, if applicable. The Trustee shall also transmit by mail all reports as required by Section 313(c) of the Trust Indenture Act, if applicable.

(b) A copy of each such report shall, at the time of such transmission to the Holders, be filed by the Trustee with each stock exchange, if any, upon which the Securities are listed, with the Commission and also with the Company. The Company will promptly notify the Trustee when the Securities are listed on any stock exchange.

Section 5.4 Reports by Company.

(a) So long as any Securities are issued and outstanding, the Company shall provide disclosure to the Trustee of the following information as of each Distribution Payment Date with respect to the corresponding Distribution Period: Gross Proceeds, Distribution Deductions, and the calculation of Distributions in accordance with the definition thereof. Delivery of the reports, information and documents described in this Section 5.4(a) shall not constitute constructive notice of any information contained therein or determinable there from, including the Company's compliance with any of its covenants or other obligations hereunder as to which the Trustee is entitled to rely exclusively on Officer's Certificates.

(b) So long as any Securities are issued and outstanding, the Company shall make available to the Trustee or a designated representative of the Requisite Holders copies of royalty reports and material correspondence or progress reports received by the Company Entities under the License Agreement, any Disposition Agreements and any New Applicable Agreement within the current and the prior two calendar years.

Section 5.5 Audit Rights. The Trustee shall have the right to request, and if so instructed by the Requisite Holders, shall request, an audit (which request shall not be made more than once per calendar year) of the applicable Distributions payable with respect to Distribution Periods in the prior calendar year and the current calendar year. The audit shall be conducted by an independent public accounting firm mutually selected by the Company and the Trustee. The Company may require such accounting firm to execute a reasonable confidentiality agreement with the Company prior to commencing the audit. The Company, on one hand, and the Trustee, on the other hand, may submit to such independent accounting firm its own positions regarding the determination of the applicable amounts of the Distributions (and the Trustee shall so submit the positions that the Requisite Holders shall have instructed the Trustee to submit), Gross Proceeds and Distribution Deductions, in each case for the applicable Distribution Periods subject to such audit. The fees of the auditor shall be borne by the Holders, unless the audit reveals the underpayment of Distributions by more than 10% in the aggregate over the audited Distribution Periods, in which case the Company shall bear the costs of the audit. Following such an audit, any overpayment of Distributions shall be withheld from future Distributions, while any underpayment shall be paid to the Holders at the next regularly occurring Distribution Payment Date.

**ARTICLE VI  
AMENDMENTS**

Section 6.1 Amendments Without Consent of Holders. Without the consent of any Holders, the Company and the Trustee, at any time and from time to time, may enter into one or more amendments hereto or to the Securities, for any of the following purposes:

- (a) to convey, transfer, assign, mortgage or pledge to the Trustee as security for the Securities any property or assets;

(b) to evidence the succession of another Person to the Company (to the extent permitted herein and subject to compliance with the terms hereof), and the assumption by any such successor of the covenants of the Company herein and in the Securities;

(c) to add to the covenants of the Company such further covenants, restrictions, conditions or provisions as the Company and the Trustee shall consider to be for the protection of the Holders of Securities, and to make the occurrence, or the occurrence and continuance, of a default in any such additional covenants, restrictions, conditions or provisions an Event of Default permitting the enforcement of all or any of the several remedies provided in this CVR Agreement as herein set forth; provided that, in respect of any such additional covenant, restriction, condition or provision, such amendment may provide for a particular period of grace after default (which period may be shorter or longer than that allowed in the case of other defaults) or may provide for an immediate enforcement upon such an Event of Default or may limit the remedies available to the Trustee upon such an Event of Default or may limit the right of the Majority Holders to waive such an Event of Default;

(d) to cure any ambiguity, or to correct or supplement any provision herein or in the Securities which may be defective or inconsistent with any other provision herein; provided that such provisions shall not materially reduce the benefits of this CVR Agreement or the Securities to the Holders;

(e) to make any other provisions with respect to matters or questions arising under this CVR Agreement; provided that such provisions shall not adversely affect the interests of the Holders;

(f) to make any amendments or changes necessary to comply or maintain compliance with the Trust Indenture Act, if applicable; or

(g) to make any other change that does not adversely affect the interests of the Holders.

Promptly following any amendment of this CVR Agreement or the Securities in accordance with this Section 6.1, the Trustee shall notify the Holders of the Securities of such amendment; provided that any failure so to notify the Holders shall not affect the validity of such amendment.

Section 6.2 Amendments with Consent of Holders. With the consent of the Majority Holders, by Act of said Holders delivered to the Company and the Trustee, the Company (when authorized by a Board Resolution or the chief executive officer of the Company) and the Trustee may enter into one or more amendments hereto or to the Securities for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this CVR Agreement or to the Securities or of modifying in any manner the rights of the Holders under this CVR Agreement or to the Securities; provided, however, that no such amendment shall:

(a) without the consent of the Holders of at least 66% and 2/3 of the CVRs then Outstanding, modify in a manner adverse to the Holders (i) any provision contained herein with respect to the termination of this CVR Agreement or the Securities, (ii) the time for payment and amount of the Distribution, or otherwise extend the time for payment of the Securities or (iii) modify in any manner any provision contained herein if such modification would reduce the amounts payable in respect of the Securities or modify any other payment term or payment date; or

(b) without the consent of the Holder of each Outstanding Security affected thereby, (i) reduce the number of CVRs, the consent of whose Holders is required for any such amendment or (ii) modify any of the provisions of this Section 6.2, except to increase the percentage of Holders from whom consent or approval is required or to provide that certain other provisions of this CVR Agreement cannot be modified or waived without the consent of the Holder of each Security affected thereby.

It shall not be necessary for any act of Holders under this Section 6.2 to approve the particular form of any proposed amendment, but it shall be sufficient if such Act shall approve the substance thereof.

Section 6.3 Execution of Amendments. In executing any amendment permitted by this Article VI, the Trustee (subject to Section 4.1) shall be fully protected in relying upon an Opinion of Counsel stating that the execution of such amendment is authorized or permitted by this CVR Agreement. The Trustee shall execute any amendment authorized pursuant to this Article VI if the amendment does not adversely affect the Trustee's own rights, duties or immunities under this CVR Agreement or otherwise. Otherwise, the Trustee may, but need not, execute such amendment.

Section 6.4 Effect of Amendments; Notice to Holders.

(a) Upon the execution of any amendment under this Article, this CVR Agreement and the Securities shall be modified in accordance therewith, and such amendment shall form a part of this CVR Agreement and the Securities for all purposes; and every Holder of Securities theretofore or thereafter authenticated, as applicable, and delivered hereunder shall be bound thereby.

(b) Promptly after the execution by the Company and the Trustee of any amendment pursuant to the provisions of this Article VI, the Company shall mail a notice thereof by first class mail to the Holders of Securities at their addresses as they shall appear on the Security Register, setting forth in general terms the substance of such amendment. Any failure of the Company to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amendment.

Section 6.5 Conformity with Trust Indenture Act. Every amendment executed pursuant to this Article VI shall conform to the applicable requirements of the Trust Indenture Act, if any.

Section 6.6 Reference in Securities to Amendments. If an amendment changes the terms of a Security, the Trustee may require the Holder of the Security to deliver it to the Trustee. Global Securities authenticated and delivered after the execution of any amendment pursuant to this Article VI may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such amendment. If the Company shall so determine, new Securities so modified as to conform, in the opinion of the Trustee, on the on

hand, and the Board of Directors or the chief executive officer of the Company, on the other hand, to any such amendment may be prepared and executed by the Company, as applicable, and authenticated, as applicable, and delivered by the Trustee in exchange for Outstanding Securities. Failure to make the appropriate notation or to issue a new Security shall not affect the validity of such amendment.

#### ARTICLE VII COVENANTS

Section 7.1 Payment of Amounts, if any, to Holders. The Company will duly and punctually pay the amounts due, if any, on the Securities in accordance with the terms of this CVR Agreement. Such amounts shall be considered paid on the Distribution Payment Date if on or prior to such date the Company (a) makes, or causes to be made, the payment required pursuant to Section 3.1(c) of this CVR Agreement and (b) deposits, or causes to be deposited, the payment required pursuant to Section 3.1(d). Notwithstanding any other provision of this CVR Agreement, the Company or any of its Affiliates, the Trustee or the Paying Agent, shall be entitled to deduct and withhold, or cause to be deducted and withheld, from any amounts payable or otherwise deliverable pursuant to this CVR Agreement to any Person, such amounts as are required to be deducted and withheld therefrom under the Code, or any provision of state, local or foreign Tax Law. To the extent that amounts are so deducted and withheld by the Company or any of its Affiliates, the Trustee or the Paying Agent, such withheld amounts shall be (i) paid over to the applicable Governmental Entity in accordance with applicable Law and (ii) treated for all purposes of this CVR Agreement as having been paid to the Person in respect of which such deduction and withholding was made by the Company or any of its Affiliates, the Trustee or the Paying Agent, as the case may be. The consent of the applicable Holder shall not be required for any such withholding.

Section 7.2 Maintenance of Office or Agency.

(a) As long as any of the Securities remains Outstanding, the Company will maintain in the Borough of Manhattan, New York City, NY, an office or agency (i) where Securities may be presented or surrendered for payment, (ii) where Securities may be surrendered for registration of transfer or exchange and (iii) where notices and demands to or upon the Company in respect of the Securities and this CVR Agreement may be served. The office or agency of the Trustee at 48 Wall Street, 22nd Floor, New York, New York 10005 shall be such office or agency of the Company, unless the Company shall designate and maintain some other office or agency for one or more of such purposes. The Company or any of its Subsidiaries may act as Paying Agent, registrar or transfer agent; provided that such Person shall take appropriate actions to avoid the commingling of funds. The Company will give prompt written notice to the Trustee of any change in the location of any such office or agency. If at any time the Company shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Company hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

(b) The Company may from time to time designate one or more other offices or agencies (in or outside of New York City, NY) where the Securities may be presented or surrendered for any or all such purposes, and may from time to time rescind such designation; provided, however, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in the Borough of Manhattan, New York City, NY, for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and any change in the location of any such office or agency.

Section 7.3 Money for Security Payments to Be Held in Trust.

(a) If the Company or any of its Subsidiaries shall at any time act as the Paying Agent, it will, on or before the Distribution Payment Date segregate and hold in trust (i) for the benefit of the Holders, all sums held by such Paying Agent for payment on the Securities and (ii) for the benefit of the holders of Company Warrants, all sums held by such Paying Agent for potential future payment on Securities issued upon exercise of the Company Warrants pursuant to Section 3.1(d); in each case ((i) and (ii)) until such sums shall be paid to the applicable Holders as herein provided, and will promptly notify the Trustee in writing of any default by the Company in making payment on the Securities.

(b) Whenever the Company shall have one or more Paying Agents for the Securities, it will, on or before the Distribution Payment Date deposit with a Paying Agent a sum in same day funds sufficient to pay the amounts, if any, so becoming due pursuant to each of Section 3.1(c) and Section 3.1(d), as the case may be; such sums to be held in trust for the benefit of the Persons entitled to such amount, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee in writing of such action or any failure so to act.

(c) The Company will cause each Paying Agent other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section 7.3, that such Paying Agent will (i) hold all sums held by it for the payment of any amount payable on Securities in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will notify the Trustee in writing of the sums so held, (ii) with respect to amounts deposited pursuant to Section 3.1(d), not pay or distribute any such amounts unless and until the same shall become payable in accordance with Section 3.1(d), and until such time hold all sums held by it for the payment of any amount payable pursuant to Section 3.1(d) in trust for the benefit of the Persons entitled thereto and will notify the Trustee in writing of the sums so held and (iii) give the Trustee written notice of any failure by the Company (or by any other obligor on the Securities) to make any payment on the Securities when the same shall be due and payable.

(d) Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment on any Security and remaining unclaimed for one year after the Distribution Payment Date shall be paid to the Company on Company Request, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money shall thereupon cease.

Section 7.4 Certain Purchases and Sales. Nothing contained herein shall prohibit the Company or any of its Subsidiaries or Affiliates from acquiring in open market transactions, private transactions or otherwise, any Securities.

Section 7.5 Books and Records. During the term of this CVR Agreement and for a period of three years after the Termination Date, the Company shall use commercially reasonable efforts to keep, and shall cause its Subsidiaries to use commercially reasonable efforts to keep, true, complete and accurate records in reasonably sufficient detail to enable the Holders to determine if the Company has complied with its obligations under this CVR Agreement (including the calculations of Distributions, Gross Proceeds and Distribution Deductions).

Section 7.6 Efforts. The Company and its Affiliates shall have the right, in their sole and absolute responsibility, authority and discretion to (a) manage, direct and control the research, development, commercialization and other exploitation of the Other Transferable Assets in all respects, including any determination to test, develop, pursue, market, abandon, make any regulatory filings or seek regulatory approval with respect to the Other Transferable Assets, and (b) conduct any Dispositions (including engagement of advisors) with respect to any Other Transferable Assets. The Company and its Board of Directors shall not owe fiduciary duties to the Holders in their capacity as such and shall not, subject to compliance with the terms of this Agreement and the Merger Agreement, have any liability to the Holders for any actions taken or not taken in connection with the matters set forth herein. No provision of this Agreement shall require the Company or its Board of Directors or any members thereof to expend or risk its, his or her own funds or otherwise incur any financial liability in the performance of any duties hereunder or in the exercise of any rights or powers. None of the Company or any of its Subsidiaries shall have any obligation or liability whatsoever to any Person relating to or in connection with any action, or failure to act, with respect to the sale of the Other Transferable Assets, except for the obligation to make Distributions to the Holders of CVRs pursuant to this Agreement.

Section 7.7 Enforcement. The Company shall, and shall cause the applicable Company Entities to, enforce the Company's rights under the License Agreement and each Disposition Agreement and exercise such rights and remedies available with respect thereto, whether under such License Agreement and each Disposition Agreement or by operation of applicable Law.

Section 7.8 Reversion License. In the event of a termination of the License Agreement by the Company that is permitted hereunder, or a termination thereof by Sobi, the Company shall, and shall cause the applicable Company Entities to exercise its rights to obtain the "Reversion License" (as defined in the License Agreement) and enforce any of its rights under the terminated License Agreement that survive the termination or expiration thereof. In the event that, following entry into of a Reversion License, any of the Company Entities enters into any sale, license, transfer or other disposition agreement with a third party that provides for the development and commercialization of SEL-212 (a "New Applicable Agreement"), the Company shall, and shall cause the applicable Company Entities to, comply with the provisions of this CVR Agreement in connection with the License Agreement, as the case may be, and references herein to the License Agreement shall be deemed to be references to the substitute New Applicable Agreement thereto, and the Company's rights and obligations under this CVR

Agreement in respect of the License Agreement (including with respect to Distributions of any payments made thereunder to the Holders of CVRs) shall apply in respect of its rights and obligations under the New Applicable Agreement, *mutatis mutandis*; provided that any references herein to milestones payable under specific sections of the License Agreement shall instead apply more generally to any milestones payable under the New Applicable Agreement (without reference to specific sections), and without any further actions required to amend this CVR Agreement.

Section 7.9 Certain Prohibited Actions. The Company shall not, without the prior written consent of the Majority Holders: (a) alter, change, amend or modify, in each case in any material respect or in any manner adverse to the Holders, the License Agreement, the Astellas Agreement or the Genovis Agreement; (b) terminate the License Agreement; or (c) except to the extent permitted under Section 9.1, sell, license, assign, transfer, enter into any monetization transaction, or otherwise dispose (including any disposition providing for milestone payments, royalty payments or similar payments received pursuant to licensing arrangements or strategic partnerships), whether directly or indirectly (including by a sale, merger or other transfer of securities of any Company Entity), of, or otherwise grant or suffer to exist a mortgage, pledge, lien, encumbrance or other security interest on all or a portion of, (i) the patents or patent applications licensed under the License Agreement or (ii) the License Agreement or any rights to receive any milestone payments, royalties or other amounts under the License Agreement.

Section 7.10 Confidentiality. The Trustee and the Holders hereby agree that any confidential or non-public information they receive from or on behalf of the Company or any Affiliate of the Company, which receipt arises out of the transactions contemplated by this CVR Agreement (the "Confidential Information"), shall: (a) not be used for any purpose other than for purposes permitted under this CVR Agreement; (b) not be used directly or indirectly in any way that is for competitive purposes; and (c) not be disclosed by, and be kept confidential by, such Trustee and the Holders and its directors, officers, members, managers, employees, affiliates and agents (collectively, "Representatives"); provided, however, that any such Confidential Information may be disclosed only to their Representatives who (i) need to know such Confidential Information and (ii) are bound in writing to a non-disclosure agreement no less restrictive than this Section 7.10. It is understood that such Representatives shall be informed by the Trustee or the applicable Holder of the confidential nature of such Confidential Information, and that the Trustee or such Holder, as applicable, shall be responsible for any disclosure or use made by its Representatives in breach of obligations under this CVR Agreement to the same extent as if such disclosure or use had been made directly by the Trustee or such Holder, as applicable. Each of the Trustee and the Holders will as soon as practicable notify the Company of any breach of this CVR Agreement of which they become aware, and will use commercially reasonable efforts to assist and cooperate with the Company in minimizing the consequences of such breach. "Confidential Information" shall not include any information that is (A) publicly available other than because of or related to any disclosure by the Trustee or the Holders or any of their respective Representatives or (B) is lawfully disclosed to the Trustee or the Holders by sources (other than the Company or its Affiliates) rightfully in possession of the Confidential Information on a non-confidential basis. If the Trustee, the Holders or their respective Representatives are legally required or requested to disclose any Confidential Information, they will in advance of such disclosure, unless otherwise prohibited by Law, promptly notify the Company in writing of such request or requirement so that the Company may seek to avoid or

minimize the required disclosure and/or obtain an appropriate protective order or other appropriate relief to ensure that any Confidential Information so disclosed is maintained in confidence to the maximum extent possible by the person receiving the disclosure, or, in the Company's discretion, to waive compliance with the provisions of this CVR Agreement. In any such case, the Trustee and the Holders agree to cooperate and use reasonable efforts to avoid or minimize the required disclosure and/or obtain such protective order or other relief. If, in the absence of a protective order or the receipt of a waiver hereunder, the Trustee, the Holders or their respective Representatives are legally obligated to disclose any Confidential Information, they will disclose only so much thereof to the party compelling disclosure as they believe in good faith, on the basis of advice of counsel, is required by Law. The Trustee and the Holders shall, unless otherwise prohibited by Law, give the Company prior written notice of the specific Confidential Information that they believe they are required to disclose under such circumstances. All Confidential Information disclosed by or on behalf of the Company or any of its Affiliates shall be, and shall remain, the property of the Company or such Affiliate.

Section 7.11 Non-Use of Name. Neither the Trustee nor the Holders shall use the name, trademark, trade name, or logo of the Company, its Affiliates or their respective employees, agents or representatives in any publicity or news release relating to this CVR Agreement or its subject matter, without the prior express written permission of the Company.

Section 7.12 Notice of Default. The Company shall file with the Trustee written notice of the occurrence of any Event of Default or other default under this CVR Agreement within five Business Days of its becoming aware of such Event of Default or other default.

#### **ARTICLE VIII REMEDIES OF THE TRUSTEE AND HOLDERS ON EVENT OF DEFAULT**

Section 8.1 Event of Default Defined; Waiver of Default. "Event of Default" with respect to the Securities, means each one of the following events which shall have occurred and be continuing (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of Law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) default in the payment by the Company pursuant to the terms of this CVR Agreement of all or any part of the Distribution after a period of ten Business Days after the Distribution shall become due and payable on the Distribution Payment Date; or

(b) material default in the performance, or breach in any material respect, of any covenant or warranty of the Company in respect of the Securities (other than a covenant or warranty in respect of the Securities, a default in whose performance or whose breach is elsewhere in this Section 8.1 specifically dealt with), and continuance of such material default or breach in any material respect for a period of 90 days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Requisite Holders, a written notice specifying such material default or breach in any material respect and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; or

(c) a court having jurisdiction in the premises shall enter a decree or order for relief in respect of the Company in an involuntary case under any applicable bankruptcy, insolvency or other similar Law now or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, trustee or sequestrator (or similar official) of the Company or for any substantial part of its property or ordering the winding up or liquidation of its affairs, and such decree or order shall remain unstayed and in effect for a period of 90 consecutive days; or

(d) the Company shall commence a voluntary case under any applicable bankruptcy, insolvency or other similar Law now or hereafter in effect, or consent to the entry of an order for relief in an involuntary case under any such Law, or consent to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee or sequestrator (or similar official) of the Company or for any substantial part of its property, or make any general assignment for the benefit of creditors.

If an Event of Default described above occurs and is continuing, then, and in each and every such case, either the Trustee by notice in writing to the Company or the Trustee upon the written request of the Requisite Holders by notice in writing to the Company (and to the Trustee if given by the Requisite Holders), shall bring suit to protect the rights of the Holders, including to obtain payment for any amounts then due and payable, which amounts shall bear interest at the Default Interest Rate from the date such amounts were due and payable hereunder until payment is made to the Trustee.

The foregoing provisions of this Section 8.1, however, are subject to the condition that if, at any time after the Trustee shall have begun such suit, and before any judgment or decree for the payment of the moneys due shall have been obtained or entered as hereinafter provided, the Company shall pay or shall deposit with the Trustee a sum sufficient to pay all amounts which shall have become due (with interest upon such overdue amount at the Default Interest Rate to the date of such payment or deposit) and such amount as shall be sufficient to cover reasonable compensation to the Trustee, its agents, attorneys and counsel, and all other expenses and liabilities incurred and all advances made, by the Trustee, and if any and all Events of Default under this CVR Agreement shall have been cured, waived or otherwise remedied as provided herein, then and in every such case the Majority Holders, by written notice to the Company and to the Trustee, may waive all defaults with respect to the Securities, but no such waiver or rescission and annulment shall extend to or shall affect any subsequent default or shall impair any right consequent thereof.

Section 8.2 Collection by the Trustee; the Trustee May Prove Payment Obligations. The Company covenants that in the case that default shall be made in the payment of all or any part of the Securities when the same shall have become due and payable, whether at the Distribution Payment Date or otherwise, then upon demand of the Trustee, the Company will pay to the Trustee for the benefit of the Holders of the Securities the whole amount that then shall have become due and payable on all Securities (with interest from the date due and payable to the date of such payment upon the overdue amount at the Default Interest Rate); and in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including reasonable compensation to the Trustee and each predecessor Trustee, their respective agents, attorneys and counsel, and any expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of its negligence, bad faith or willful misconduct.

The Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this CVR Agreement or in aid of the exercise of any power granted herein, or to enforce any other remedy.

In case the Company shall fail forthwith to pay such amounts upon such demand, the Trustee, in its own name and as trustee of an express trust, shall be entitled and empowered to institute any action or proceedings at Law or in equity for the collection of the sums so due and unpaid, and may prosecute any such action or proceedings to judgment or final decree, and may enforce any such judgment or final decree against the Company or other obligor upon such Securities and collect in the manner provided by Law out of the property of the Company or other obligor upon such Securities, wherever situated, the moneys adjudged or decreed to be payable.

In any judicial proceedings relative to the Company or other obligor upon the Securities, irrespective of whether any amount is then due and payable with respect to the Securities, the Trustee is authorized:

(a) to file and prove a claim or claims for the whole amount owing and unpaid in respect of the Securities, and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence, bad faith or willful misconduct) and of the Holders allowed in any judicial proceedings relative to the Company or other obligor upon the Securities, or to their respective property;

(b) unless prohibited by and only to the extent required by applicable Law, to vote on behalf of the Holders in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency proceedings or person performing similar functions in comparable proceedings; and

(c) to collect and receive any moneys or other property payable or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Holders and of the Trustee on their behalf; and any trustee, receiver, or liquidator, custodian or other similar official is hereby authorized by each of the Holders to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the Holders, to pay to the Trustee such amounts as shall be sufficient to cover reasonable compensation to the Trustee, each predecessor Trustee and their respective agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of its negligence, bad faith or willful misconduct, and all other amounts due to the Trustee or any predecessor Trustee pursuant to Section 4.6. To the extent that such payment of reasonable compensation, expenses, disbursements, advances and other amounts out of the estate in any such proceedings shall be

denied for any reason, payment of the same shall be secured by a lien on, and shall be paid out of, any and all distributions, dividends, moneys, securities and other property which the Holders may be entitled to receive in such proceedings, whether in liquidation or under any plan of reorganization or arrangement or otherwise.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities, or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar person.

All rights of action and of asserting claims under this CVR Agreement, or under any of the Securities, may be enforced by the Trustee without the possession of any of the Securities or the production thereof and any trial or other proceedings instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment, subject to the payment of the expenses, disbursements and compensation of the Trustee, each predecessor Trustee and their respective agents and attorneys, shall be for the ratable benefit of the Holders.

In any proceedings brought by the Trustee (and also any proceedings involving the interpretation of any provision of this CVR Agreement to which the Trustee shall be a party) the Trustee shall be held to represent all the Holders, and it shall not be necessary to make any Holders of such Securities parties to any such proceedings.

Section 8.3 Application of Proceeds. Any monies collected by the Trustee pursuant to this Article VIII in respect of any Securities shall be applied in the following order at the date or dates fixed by the Trustee upon presentation of the several Securities in respect of which monies have been collected and stamping (or otherwise noting) thereon the payment in exchange for the presented Securities if only partially paid or upon surrender thereof if fully paid:

FIRST: To the payment of costs and expenses in respect of which monies have been collected, including reasonable compensation to the Trustee and each predecessor Trustee and their respective agents and attorneys and of all expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of its negligence, bad faith or willful misconduct, and all other amounts due to the Trustee or any predecessor Trustee pursuant to Section 4.7;

SECOND: To the payment of the whole amount then owing and unpaid upon all the Securities, with interest at the Default Interest Rate on all such amounts, and in case such monies shall be insufficient to pay in full the whole amount so due and unpaid upon the Securities, then to the payment of such amounts without preference or priority of any security over any other Security, ratably to the aggregate of such amounts due and payable; and

THIRD: To the payment of the remainder, if any, to the Company or any other person lawfully entitled thereto.

Section 8.4 Suits for Enforcement. In case an Event of Default has occurred, has not been waived and is continuing, the Trustee may in its discretion proceed to protect and enforce the rights of the Holders under this CVR Agreement and the rights vested in the Trustee by this

CVR Agreement, in either case by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any of such rights, either at Law or in equity or in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement contained in this CVR Agreement or in aid of the exercise of any power granted in this CVR Agreement or to enforce any other legal or equitable right vested in the Trustee by this CVR Agreement or by Law.

Section 8.5 Restoration of Rights on Abandonment of Proceedings. In case the Trustee or any Holder shall have proceeded to enforce any right under this CVR Agreement and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee or to such Holder, then and in every such case the Company and the Trustee and the Holders shall be restored respectively to their former positions and rights hereunder, and all rights, remedies and powers of the Company, the Trustee and the Holders shall continue as though no such proceedings had been taken.

Section 8.6 Limitations on Suits by Holders. Subject to the rights of the Holders under Section 8.7, no Holder of any Security shall have any right by virtue or by availing of any provision of this CVR Agreement to institute any action or proceeding at Law or in equity or in bankruptcy or otherwise upon or under or with respect to this CVR Agreement, or for the appointment of a trustee, receiver, liquidator, custodian or other similar official or for any other remedy hereunder, unless such Holder previously shall have given to the Trustee written notice of default and of the continuance thereof, as hereinbefore provided, and unless also the Requisite Holders shall have made written request upon the Trustee to institute such action or proceedings in its own name as trustee hereunder and shall have offered to the Trustee such reasonable indemnity as it may require against the costs, expenses and liabilities to be incurred therein or thereby and the Trustee for 15 days after its receipt of such notice, request and offer of indemnity shall have failed to institute any such action or proceeding and no direction inconsistent with such written request shall have been given to the Trustee pursuant to Section 8.9. For the protection and enforcement of the provisions of this Section 8.6, each and every Holder and the Trustee shall be entitled to such relief as can be given either at Law or in equity.

Section 8.7 Unconditional Right of Holders to Institute Certain Suits. Notwithstanding any other provision in this CVR Agreement and any provision of any Security, the right of any Holder of any Security to receive payment of the amounts payable in respect of such Security on or after the respective due dates expressed in such Security, or to institute suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 8.8 Powers and Remedies Cumulative; Delay or Omission Not Waiver of Default.

(a) Except as provided in Section 8.6, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by Law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at Law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

(b) No delay or omission of the Trustee or of any Holder to exercise any right or power accruing upon any Event of Default occurring and continuing as aforesaid shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or an acquiescence therein; and, subject to Section 8.6, every power and remedy given by this CVR Agreement or by Law to the Trustee or to the Holders may be exercised from time to time, and as often as shall be deemed expedient, by the Trustee or by the Holders.

Section 8.9 Control by Holders.

(a) The Requisite Holders shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any power conferred on the Trustee with respect to the Securities by this CVR Agreement; provided that such direction shall not be otherwise than in accordance with Law and the provisions of this CVR Agreement; and provided, further, that (subject to the provisions of Section 4.1) the Trustee shall have the right to decline to follow any such direction if the Trustee, being advised by counsel, shall determine that the action or proceeding so directed may not lawfully be taken or if the Trustee in good faith by its board of directors, the executive committee, or a committee of directors or Responsible Officers of the Trustee shall determine that the action or proceedings so directed would involve the Trustee in personal liability or if the Trustee in good faith shall so determine that the actions or forbearances specified in or pursuant to such direction would be unduly prejudicial to the interests of Holders of the Securities not joining in the giving of said direction.

(b) Nothing in this CVR Agreement shall impair the right of the Trustee in its discretion to take any action deemed proper by the Trustee and which is not inconsistent with such direction or directions by the Holders.

Section 8.10 Waiver of Past Defaults.

(a) In the case of a default or an Event of Default specified in clause (b), (c) or (d) of Section 8.1, the Majority Holders may waive any such default or Event of Default, and its consequences except a default in respect of a covenant or provisions hereof which cannot be modified or amended without the consent of the Holder of each Security affected. In the case of any such waiver, the Company, the Trustee and the Holders of the Securities shall be restored to their former positions and rights hereunder, respectively; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

(b) Upon any such waiver, such default shall cease to exist and be deemed to have been cured and not to have occurred, and any Event of Default arising therefrom shall be deemed to have been cured, and not to have occurred for every purpose of this CVR Agreement; but no such waiver shall extend to any subsequent or other default or Event of Default or impair any right consequent thereon.

Section 8.11 The Trustee to Give Notice of Default, But May Withhold in Certain Circumstances. The Trustee shall transmit to the Holders, as the names and addresses of such Holders appear on the Security Register (as provided under Section 3131 of the Trust Indenture Act, if applicable), notice by mail of all defaults which have occurred and are known to the Trustee, such notice to be transmitted within 90 days after the occurrence thereof, unless such defaults shall have been cured before the giving of such notice (the term "default" for the purposes of this Section 8.11 being hereby defined to mean any event or condition which is, or with notice or lapse of time or both would become, an Event of Default); provided that, except in the case of default in the payment of the amounts payable in respect of any of the Securities, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee, or a trust committee of directors or trustees and/or Responsible Officers of the Trustee in good faith determines that the withholding of such notice is in the interests of the Holders.

Section 8.12 Right of Court to Require Filing of Undertaking to Pay Costs. All Parties agree, and each Holder of any Security by his, her or its acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this CVR Agreement or in any suit against the Trustee for any action taken, suffered or omitted by it as the Trustee, the filing by any party litigant in such suit of an undertaking to pay the reasonable out-of-pocket costs of such suit, and that such court may in its discretion assess reasonable out-of-pocket costs, including reasonable out-of-pocket attorneys' fees incurred by any party, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; provided that the provisions of this Section 8.12 shall not apply to any suit instituted by the Trustee, to any suit instituted by the Requisite Holders or to any suit instituted by any Holder for the enforcement of the payment of any Distribution on or after the due date expressed in such Security.

#### **ARTICLE IX CONSOLIDATION, MERGER, SALE OR CONVEYANCE**

Section 9.1 Company May Consolidate, etc., on Certain Terms. The Company covenants that it will not merge or consolidate with or into any other Person or sell or convey all or substantially all of its assets to any Person, unless: (a) either (i) the Company shall be the continuing Person or (ii) the successor Person, or the Person that acquires by sale or conveyance substantially all the assets of the Company shall expressly assume, by an assignment and assumption agreement, executed and delivered to the Trustee, in substantially the form attached hereto as Annex B, the due and punctual payment of the Distributions and the due and punctual performance and observance of all covenants and conditions of this CVR Agreement to be performed or observed by the Company; and (b) immediately after such merger or consolidation, or such sale or conveyance, no default or Event of Default shall have occurred and be continuing.

Section 9.2 Successor Person Substituted.

(a) In case of an assumption pursuant to Section 9.1(a)(ii), such assuming Person shall succeed to and be substituted for the Company with the same effect as if it had been named herein. Such assuming Person may cause to be signed, and may issue either in its own name (or, if it is the successor to the Company or substantially all assets of the Company, in the name of the Company prior to such succession) any or all of the Securities issuable hereunder, in the case of Global Securities, which theretofore shall not have been signed by the Company and

delivered to the Trustee; and, upon the order of such successor corporation instead of the Company and subject to all the terms, conditions and limitations in this CVR Agreement prescribed, the Trustee shall authenticate and shall deliver any Securities which previously shall have been signed and delivered to the Trustee for authentication, and any Securities which such assuming Person thereafter shall cause to be signed and delivered to the Trustee for that purpose. All of the Securities so issued shall in all respects have the same legal rank and benefit under this CVR Agreement as the Securities theretofore or thereafter issued in accordance with the terms of this CVR Agreement as though all of such Securities had been issued at the date of the execution hereof.

(b) In case of any such assumption, such changes in phraseology and form (but not in substance) may be made in the Securities thereafter to be issued as may be appropriate.

(c) In the event of any such assumption, the assigning Person shall be discharged from all obligations and covenants under this CVR Agreement and the Securities and may be liquidated and dissolved.

Section 9.3 Opinion of Counsel to the Trustee. The Trustee, subject to the provisions of Section 4.1 and Section 4.2, shall receive an Officer's Certificate and Opinion of Counsel, prepared in accordance with Section 1.2 and Section 1.3, as conclusive evidence that any such consolidation, merger, sale or conveyance, and any such assumption, and any such liquidation or dissolution, complies with the applicable provisions of this CVR Agreement, and if a supplemental agreement is required in connection with such transaction, such supplemental agreement complies with this Article IX and that there has been compliance with all conditions precedent herein provided for or relating to such transaction.

Section 9.4 Successors. All covenants, provisions and agreements in this CVR Agreement by or for the benefit of the Company, the Trustee or the Holders shall bind and inure to the benefit of their respective successors, assigns, heirs and personal representatives, whether so expressed or not. The Company may assign this CVR Agreement without the prior written consent of the other Parties to this CVR Agreement to one or more of its direct or indirect Subsidiaries; provided, however, that, subject to Section 9.2(a) and Section 9.2(b), in the event of any such assignment the Company shall remain subject to its obligations and covenants hereunder, including its obligation to make the Distribution.

Designation, Amount and Par Value.** The series of Preferred Stock shall be designated as the Corporation's Series A Non-Voting Convertible Preferred Stock (the "**Series A Non-Voting Preferred Stock**") and the number of shares so designated shall be 548,375. Each share of Series A Non-Voting Preferred Stock shall have a par value of \$0.0001 per share.

**Article III. Other than as set forth in the previous sentence, no other dividends shall be paid on shares of Series A Non-Voting Preferred Stock, and the Corporation shall pay no dividends (other than dividends payable in the form of Common Stock) on shares of the Common Stock unless it simultaneously complies with the previous sentence.

**Article IV. Voting Rights.**

**Section 4.01** Except as otherwise provided herein or as otherwise required by the DGCL, the Series A Non-Voting Preferred Stock shall have no voting rights. However, as long as any shares of Series A Non-Voting Preferred Stock are outstanding, the Corporation shall not, without the affirmative vote of the holders of a majority of the then outstanding shares of the Series A Non-Voting Preferred Stock: (a) alter or change adversely the powers, preferences or rights given to the Series A Non-Voting Preferred Stock or alter or amend this Certificate of Designation, amend or repeal any provision of, or add any provision to, the Certificate of Incorporation or Amended and Restated Bylaws of the Corporation, or file any articles of amendment, certificate of designations, preferences, limitations and relative rights of any series of Preferred Stock, in each case to the extent such action would adversely alter or change the preferences, rights, privileges or powers of, or restrictions provided for the benefit of the Series A Non-Voting Preferred Stock, regardless of whether any of the foregoing actions shall be by means of amendment to the Certificate of Incorporation or by merger, consolidation, domestication, transfer, continuance, recapitalization, reclassification, waiver, statutory conversion or otherwise; (b) issue further shares of Series A Non-Voting Preferred Stock (other than pursuant to the exercise of stock options held by any current or former directors, officers, employees or consultants of the Corporation or any of its subsidiaries, or pursuant to the Purchase Agreement or the Merger Agreement) or increase or decrease (other than by conversion) the number of authorized shares of Series A Non-Voting Preferred Stock; (c) prior to the Automatic Conversion (as defined below) or at any time while at least 30% of the originally issued Series A Non-Voting Preferred Stock remains issued and outstanding,

consummate either (i) any Fundamental Transaction (as defined below) or (ii) any merger or consolidation of the Corporation with or into another entity or any stock sale to, or other business combination in which the stockholders of the Corporation immediately before such transaction do not hold at least a majority of the capital stock of the Corporation immediately after such transaction; (d) amend, in any manner that would be reasonably likely to prevent, impede or materially delay the Stockholder Approval (as defined below) or the Automatic Conversion, or terminate, any of those certain Support Agreements entered into by the Corporation, Cartesian Therapeutics, Inc. and certain holders of shares of Common Stock, or agree to any transfer, sale or disposition of such shares subject to the Support Agreements (except for such transfers, sales or dispositions with respect to which the approval of the Corporation is not required pursuant to the applicable Support Agreement); (e) amend, or fail to comply with, in each case in any manner that would be reasonably likely to prevent, impede or materially delay the Stockholder Approval, Sections 4.1, 4.2 or 4.3 of the Merger Agreement; or (f) enter into any agreement with respect to any of the foregoing. Holders of shares of Common Stock acquired upon the conversion of shares of Series A Non-Voting Preferred Stock shall be entitled to the same voting rights as each other holder of Common Stock, except that such holders may not vote such shares upon the proposal for Stockholder Approval in accordance with Rule 5635 of the listing rules of The Nasdaq Stock Market LLC.

**Section 4.02** Any vote required or permitted under **Section 4.01** may be taken at a meeting of the Holders or through the execution of an action by written consent in lieu of such meeting; provided that the consent is executed by Holders representing a majority of the outstanding shares of Series A Non-Voting Preferred Stock.

**Article V. Rank; Liquidation.**

**Section 5.01** The Series A Non-Voting Preferred Stock shall rank on parity with the Common Stock as to distributions of assets upon liquidation, dissolution or winding up of the Corporation, whether voluntarily or involuntarily.

**Section 5.02** Upon any liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary (a "**Liquidation**"), each Holder shall be entitled to receive out of the assets, whether capital or surplus, of the Corporation the same amount that a holder of Common Stock would receive if the Series A Non-Voting Preferred Stock were fully converted (disregarding for such purpose any Beneficial Ownership Limitation and assuming receipt of Stockholder Approval) to Common Stock which amounts shall be paid *pari passu* with all holders of Common Stock, plus an additional amount equal to any dividends declared on but unpaid to such shares (but, for the avoidance of doubt, not taking into account any distributions or other payments as may have been made by the Corporation pursuant to the CVR Agreement). If, upon any such Liquidation, the assets of the Corporation shall be insufficient to pay the Holders of shares of the Series A Non-Voting Preferred Stock the amount required under the preceding sentence, then all remaining assets of the Corporation shall be distributed ratably to the Holders and the holders of Common Stock in accordance with the respective amounts that would be payable on all such securities if all amounts payable thereon were paid in full. For the avoidance of any doubt, a Fundamental Transaction shall not be deemed a Liquidation unless the Corporation expressly declares that such Fundamental Transaction shall be treated as if it were a Liquidation.

**Article VI. Conversion.**

**Section 6.01 Automatic Conversion on Stockholder Approval.** Effective as of 5:00 p.m., Eastern time, on the third Business Day after the date that the Corporation's stockholders approve (i) the conversion of the Series A Non-Voting Preferred Stock into shares of Common Stock in accordance with the listing rules of the Nasdaq Stock Market, and (ii) an amendment to increase the number of authorized shares of Common Stock or to effect a reverse stock split of all outstanding shares of Common Stock, in either case, by a number of authorized shares or at a stock split ratio, as the case may be, sufficient to allow the conversion of all shares of Series A Non-Voting Preferred Stock into shares of Common Stock (the "**Stockholder Approval**"), each share of Series A Non-Voting Preferred Stock then outstanding shall automatically convert into a number of shares of Common Stock equal to the Conversion Ratio (as defined below), subject to the Beneficial Ownership Limitation (the "**Automatic Conversion**"). Following the effectiveness of the Automatic Conversion and subject to the Beneficial Ownership Limitation, shares of Series A Non-Voting Preferred Stock issued upon the exercise of a stock option following the Automatic Conversion shall automatically convert at the time of such exercise into a number of shares of Common Stock equal to the Conversion Ratio in effect at the time of such exercise. The Corporation shall inform each Holder and each holder of a stock option to purchase shares of Series A Non-Voting Preferred Stock of the occurrence of the Stockholder Approval within one Business Day of such Stockholder Approval, it being understood that the filing of a Current Report on Form 8-K reporting the Stockholder Approval shall be deemed sufficient to inform the Holders and the holders of stock options to purchase shares of Series A Non-Voting Preferred Stock in respect thereof. In determining the application of the Beneficial Ownership Limitation solely with respect to the Automatic Conversion, the Corporation shall calculate beneficial ownership for each Holder assuming beneficial ownership by such Holder of: (x) the number of shares of Common Stock issuable to such Holder in such Automatic Conversion, plus (y) any additional shares of Common Stock for which a Holder has provided the Corporation with prior written notice of beneficial ownership within 30 days prior to the date of Stockholder Approval (a "**Beneficial Ownership Statement**") and assuming the conversion of all shares of Series A Non-Voting Preferred Stock held by all other Holders less the aggregate number of shares of Series A Non-Voting Preferred Stock held by all other Holders that will not convert into shares of Common Stock on account of the application of any Beneficial Ownership Limitations applicable to any such other Holders. If a Holder fails to provide the Corporation with a Beneficial Ownership Statement within 30 days prior to the date of Stockholder Approval, then the Corporation shall presume the Holder's beneficial ownership of Common Stock (excluding the Conversion Shares) to be zero or such other number of shares of Common Stock as the Corporation shall have reason to believe are beneficially owned by such Holder. The shares of Series A Non-Voting Preferred Stock that are converted in the Automatic Conversion are referred to as the "**Converted Stock**". The Conversion Shares shall be issued only in book entry form, as follows:

- (a) Converted Stock shall be automatically cancelled upon the Automatic Conversion (or with respect to Series A Non-Voting Preferred Stock issued upon an option exercise following the Automatic Conversion, at the time of such option exercise) and converted into the corresponding Conversion Shares, which shares shall be issued in book entry form and without any action on the part of the Holders and shall be delivered to the Holders within one Business Day of the effectiveness of the Automatic Conversion (or option exercise, as applicable).

- (b) Notwithstanding the cancellation of the Converted Stock upon the Automatic Conversion, Holders of Converted Stock shall continue to have any remedies provided herein or otherwise available at law or in equity to such Holder because of a failure by the Corporation to comply with the terms of this Certificate of Designation. In all cases, the Holder shall retain all of its rights and remedies for the Corporation's failure to convert the Converted Stock.

**Section 6.02 Conversion at Option of Holder.** Subject to Section 6.01, Section 6.04 and Section 6.05(c), each share of Series A Non-Voting Preferred Stock then outstanding that is not otherwise converted into Common Stock upon the Automatic Conversion as a result of the applicability of the Beneficial Ownership Limitation shall be convertible, at any time and from time to time following 5:00 p.m., Eastern time, on the third Business Day after the date that the Stockholder Approval is obtained by the Corporation, at the option of the Holder thereof, into a number of shares of Common Stock equal to the Conversion Ratio, subject to the Beneficial Ownership Limitation and only to the extent the same shall have ceased to apply (each, an "**Optional Conversion**"). Holders shall effect conversions by providing the Corporation with the form of conversion notice attached hereto as Annex A (a "**Notice of Optional Conversion**"), duly completed and executed. Provided the Corporation's transfer agent is participating in the Depository Trust Company ("**DTC**") Fast Automated Securities Transfer program, the Notice of Optional Conversion may specify, at the Holder's election, whether the applicable Conversion Shares shall be credited to the account of the Holder's prime broker with DTC through its Deposit Withdrawal Agent Commission system (a "**DWAC Delivery**"). The date on which an Optional Conversion shall be deemed effective (the "**Optional Conversion Date**") shall be the Trading Day that the Notice of Optional Conversion, completed and executed, is sent via email to, and received during regular business hours by, the Corporation. The calculations set forth in the Notice of Optional Conversion shall control in the absence of manifest or mathematical error.

**Section 6.03 Conversion Ratio.** The "**Conversion Ratio**" for each share of Series A Non-Voting Preferred Stock shall be 1,000 shares of Common Stock issuable upon the conversion (the "**Conversion**") of each share of Series A Non-Voting Preferred Stock (corresponding to a ratio of 1,000:1), subject to adjustment as provided herein.

**Section 6.04 Beneficial Ownership Limitation.** Notwithstanding anything herein to the contrary, the Corporation shall not effect any conversion of any share of Series A Non-Voting Preferred Stock, including pursuant to Section 6.01, and a Holder shall not have the right to convert any portion of the Series A Non-Voting Preferred Stock pursuant to Section 6.02, to the extent that, after giving effect to such attempted Automatic Conversion or conversion set forth on an applicable Notice of Optional Conversion with respect to the Series A Non-Voting Preferred Stock, such Holder (or any of such Holder's affiliates or any other Person who would be a beneficial owner of Common Stock beneficially owned by the Holder for purposes of Section 13(d) or Section 16 of the Exchange Act and the applicable rules and regulations of the Commission, including any "group" of which the Holder is a member (the foregoing, "**Attribution Parties**")) would beneficially own a number of shares of Common Stock in excess

of the Beneficial Ownership Limitation. For purposes of the foregoing sentence, the aggregate number of shares of Common Stock beneficially owned by such Holder and its Attribution Parties shall include the number of shares of Common Stock issuable upon conversion of the Series A Non-Voting Preferred Stock subject to the Automatic Conversion or the Notice of Optional Conversion, as applicable, with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which are issuable upon (a) conversion of the remaining, unconverted Series A Non-Voting Preferred Stock beneficially owned by such Holder or any of its Attribution Parties, and (b) exercise or conversion of the unexercised or unconverted portion of any other securities of the Corporation (including any warrants) beneficially owned by such Holder or any of its Attribution Parties that are subject to and would exceed a limitation on conversion or exercise similar to the limitation contained herein. Except as set forth in the preceding sentence, for purposes of this Section 6.04, beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the applicable rules and regulations of the Commission, and the terms “beneficial ownership” and “beneficially own” have the meanings ascribed to such terms therein. In addition, for purposes hereof, “group” has the meaning set forth in Section 13(d) of the Exchange Act and the applicable rules and regulations of the Commission. For purposes of this Section 6.04, in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as stated in the most recent of the following: (i) the Corporation’s most recent periodic or annual filing with the Commission, as the case may be, (ii) a more recent public announcement by the Corporation that is filed with the Commission, or (iii) a more recent notice by the Corporation or the Corporation’s transfer agent to the Holder setting forth the number of shares of Common Stock then outstanding. Upon the written request of a Holder (which may be by email), the Corporation shall, within two Trading Days thereof, confirm in writing to such Holder (which may be via email) the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to any actual conversion or exercise of securities of the Corporation, including shares of Series A Non-Voting Preferred Stock, by such Holder or its Attribution Parties since the date as of which such number of outstanding shares of Common Stock was last publicly reported or confirmed to the Holder. The “**Beneficial Ownership Limitation**” shall initially be set at 19.9% for each individual Holder, unless the same shall have been set by such Holder to be lower than 19.9% (A) on such Holder’s signature page to the Purchase Agreement or (B) by written notice provided to the Corporation, as applicable. The Corporation shall be entitled to rely on representations made to it by the Holder in any Notice of Optional Conversion regarding its Beneficial Ownership Limitation. Notwithstanding the foregoing, by written notice to the Corporation, (x) if the Beneficial Ownership Limitation shall have initially been set by such Holder to be lower than 19.9%, the Holder may reset the Beneficial Ownership Limitation to a higher percentage not to exceed 19.9%, and (y) the Holder may reset the Beneficial Ownership Limitation percentage to a lower percentage; provided that such decrease shall not become effective until the later of (A) 5:00 p.m., Eastern time, on the third Business Day after the date of the Stockholder Approval and (B) if Stockholder Approval is not obtained within six months after the initial issuance of the Series A Non-Voting Preferred Stock, the date that is three Business Days after the date that is six months after the initial issuance of the Series A Non-Voting Preferred Stock. Upon such a change by a Holder of the Beneficial Ownership Limitation, not to exceed 19.9%, the Beneficial Ownership Limitation may not be further amended by such Holder without first providing the

minimum notice required by this [Section 6.04](#). Notwithstanding the foregoing, at any time following notice of a Fundamental Transaction, the Holder may waive or change the Beneficial Ownership Limitation effective immediately upon written notice to the Corporation and may reinstitute a Beneficial Ownership Limitation at any time thereafter effective immediately upon written notice to the Corporation. The provisions of this [Section 6.04](#) shall be construed, corrected and implemented in a manner so as to effectuate the intended Beneficial Ownership Limitation herein contained and the shares of Common Stock underlying the shares of Series A Non-Voting Preferred Stock in excess of the Beneficial Ownership Limitation shall not be deemed to be beneficially owned by the Holder for any purpose including for purposes of Section 13(d) or Rule 16a-1(a)(1) of the Exchange Act. Notwithstanding the foregoing, the Beneficial Ownership Limitation described in this [Section 6.04](#) shall not apply to TAS Partners LLC or any of its affiliates.

**Section 6.05 [Mechanics of Conversion](#).**

- (a) [Electronic Issuance](#). Upon conversion and not later than three Trading Days after, in the case of the Automatic Conversion, the Stockholder Approval, or in the case of an Optional Conversion, the Optional Conversion Date (the "**Share Delivery Date**"), the Corporation shall electronically transfer such Conversion Shares by crediting the account of the Holder's prime broker with DTC through its DWAC system. If, in the case of any Notice of Optional Conversion, such shares are not electronically delivered to or as directed by, the applicable Holder by the Share Delivery Date, the applicable Holder shall be entitled to elect to rescind such Notice of Optional Conversion by written notice to the Corporation at any time on or before electronic receipt of such shares, in which event such Holder shall direct the return of any shares of Common Stock delivered to the Holder through the DWAC system, representing the shares of Series A Non-Voting Preferred Stock unsuccessfully tendered for conversion to the Corporation.
- (b) [Obligation Absolute](#). Subject to [Section 6.04](#) and subject to Holder's right to rescind a Notice of Optional Conversion pursuant to [Section 6.05\(a\)](#), the Corporation's obligation to issue and deliver the Conversion Shares upon conversion of Series A Non-Voting Preferred Stock in accordance with the terms hereof are absolute and unconditional, irrespective of any action or inaction by a Holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination, or any breach or alleged breach by such Holder or any other Person of any obligation to the Corporation or any violation or alleged violation of law by such Holder or any other Person, and irrespective of any other circumstance which might otherwise limit such obligation of the Corporation to such Holder in connection with the issuance of such Conversion Shares. Subject to [Section 6.04](#) and subject to Holder's right to rescind a Notice of Optional Conversion pursuant to [Section 6.05\(a\)](#), in the event a Holder shall automatically convert or elect to convert any or all of its Series A Non-Voting Preferred Stock, the Corporation may not refuse conversion based on any claim that such Holder or anyone associated or affiliated with such Holder has been engaged in any violation of law, agreement or for any other reason, unless an injunction from a court, on notice to Holder, restraining or enjoining conversion of all or part of the Series A Non-Voting Preferred Stock of such Holder shall

have been sought and obtained by the Corporation, and the Corporation posts a surety bond for the benefit of such Holder in the amount of 150% of the value of the Conversion Shares into which would be converted the Series A Non-Voting Preferred Stock which is subject to such injunction, which bond shall remain in effect until the completion of arbitration/litigation of the underlying dispute and the proceeds of which shall be payable to such Holder to the extent it obtains judgment. In the absence of such injunction, the Corporation shall, subject to [Section 6.04](#) and subject to Holder's right to rescind a Notice of Optional Conversion pursuant to [Section 6.05\(a\)](#), issue Conversion Shares upon a properly noticed conversion.

- (c) **Cash Settlement.** If, at any time after the Stockholder Approval, the Corporation fails to electronically deliver (or cause its transfer agent to electronically deliver) such shares pursuant to [Section 6.05\(a\)](#) on or prior to the second Trading Day after the Share Delivery Date (other than due to a failure caused by (i) materially incorrect or incomplete information provided by Holder to the Corporation or (ii) the application of the Beneficial Ownership Limitation after the Stockholder Approval), then, unless the Holder has rescinded the applicable Notice of Optional Conversion pursuant to [Section 6.05\(a\)](#), the Corporation shall, at such request of the Holder, pay an amount equal to the Fair Value (as defined below) of such undelivered Conversion Shares to such Holder, with such payment to be made within two Business Days from the date of request by such Holder, whereupon the Corporation's obligations to deliver such Conversion Shares issuable upon the Automatic Conversion or underlying the Notice of Optional Conversion shall be extinguished upon payment in full of the Fair Value of such undelivered shares. For purposes of this [Section 6.05\(c\)](#), the "**Fair Value**" of shares shall be fixed with reference to the average of the Closing Sale Price on the principal Trading Market on which the Common Stock is listed over the ten consecutive Trading Days ending on, and including, the Trading Day immediately prior to, in the case of the Automatic Conversion, the date of the Stockholder Approval, and in the case of an Optional Conversion, the Optional Conversion Date. For the avoidance of doubt, the cash settlement provisions set forth in this [Section 6.05\(c\)](#) shall be available irrespective of the reason for the Corporation's failure to timely deliver Conversion Shares (other than due to a failure caused by (i) materially incorrect or incomplete information provided by Holder to the Corporation, (ii) the application of the Beneficial Ownership Limitation after Stockholder Approval or (iii) the lack of obtaining Stockholder Approval), including due to limitations set forth in [Section 6.05\(f\)](#) or due to applicable Trading Market rules.
- (d) **Buy-In on Failure to Timely Deliver Shares.** If, after obtaining the Stockholder Approval, the Corporation fails to effect a DWAC Delivery by the Share Delivery Date pursuant to [Section 6.05\(a\)](#) (other than due to a failure caused by (i) materially incorrect or incomplete information provided by Holder to the Corporation or (ii) the application of the Beneficial Ownership Limitation after Stockholder Approval), and if after such Share Delivery Date such Holder is required by its brokerage firm to purchase (in an open market transaction or otherwise), or the Holder's brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by such Holder of the Conversion Shares which such Holder was entitled to receive upon the conversion relating to such Share Delivery Date (a "**Buy-In**"), then the Corporation shall (A) pay in cash to such Holder (in addition to any

other remedies available to or elected by such Holder) the amount by which (x) such Holder's total purchase price (including any brokerage commissions) for the shares of Common Stock so purchased exceeds (y) the product of (1) the aggregate number of shares of Common Stock that such Holder was entitled to receive from the conversion at issue multiplied by (2) the actual sale price at which the sell order giving rise to such purchase obligation was executed (including any brokerage commissions) and (B) at the option of such Holder, either reissue (if surrendered) the shares of Series A Non-Voting Preferred Stock equal to the number of shares of Series A Non-Voting Preferred Stock submitted for conversion or deliver to such Holder the number of shares of Common Stock that would have been issued if the Corporation had timely complied with its delivery requirements under [Section 6.05\(a\)](#). For example, if a Holder purchases shares of Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted conversion of shares of Series A Non-Voting Preferred Stock with respect to which the actual sale price (including any brokerage commissions) giving rise to such purchase obligation was a total of \$10,000 under clause (A) of the immediately preceding sentence, the Corporation shall be required to pay such Holder \$1,000. The Holder shall provide the Corporation written notice, within three Trading Days after the occurrence of a Buy-In, indicating the amounts payable to such Holder in respect of such Buy-In together with applicable confirmations and other evidence reasonably requested by the Corporation.

- (e) Corporation. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance or injunctive relief with respect to the Corporation's failure to timely deliver shares of Common Stock upon conversion of the shares of Series A Non-Voting Preferred Stock as required pursuant to the terms hereof or the cash settlement remedy set forth in [Section 6.05\(c\)](#); provided, however, that the Holder shall not be entitled to both (i) require the reissuance of the shares of Series A Non-Voting Preferred Stock submitted for conversion for which such conversion was not timely honored and (ii) receive the number of shares of Common Stock that would have been issued if the Corporation had timely complied with its delivery requirements under [Section 6.05\(a\)](#).
- (f) Reservation of Shares Issuable Upon Conversion. The Corporation covenants that at all times it will reserve and keep available out of its authorized and unissued shares of Common Stock for the sole purpose of issuance upon conversion of the Series A Non-Voting Preferred Stock, free from preemptive rights or any other actual contingent purchase rights of Persons other than the Holders of the Series A Non-Voting Preferred Stock, not less than such aggregate number of shares of the Common Stock as shall be issuable (taking into account the adjustments of [Article VII](#)) upon the conversion of all outstanding shares of Series A Non-Voting Preferred Stock. The Corporation covenants that all shares of Common Stock that shall be so issuable shall, upon issue, be duly authorized, validly issued, fully paid and non-assessable.
- (g) Fractional Shares. No fractional shares of Common Stock shall be issued upon conversion of the Series A Non-Voting Preferred Stock, no certificates or scrip for any such fractional shares shall be issued and no cash shall be paid for any such fractional shares. Any fractional shares of Common Stock that a Holder of Series A Non-Voting Preferred Stock

would otherwise be entitled to receive shall be aggregated with all fractional shares of Common Stock issuable to such Holder and any remaining fractional shares shall be rounded down to the nearest whole share. Whether or not fractional shares would be issuable upon such conversion shall be determined on the basis of the total number of shares of Series A Non-Voting Preferred Stock the Holder is at the time converting into Common Stock and the aggregate number of shares of Common Stock issuable upon such conversion.

- (h) Transfer Taxes. The issuance of shares of the Common Stock upon conversion of the Series A Non-Voting Preferred Stock shall be made without charge to any Holder for any documentary stamp or similar taxes that may be payable in respect of the issue or delivery of such shares; provided that the Corporation shall not be required to pay any tax that may be payable in respect of any transfer involved in the issuance and delivery of any such shares upon conversion in a name other than that of the registered Holder(s) of such shares of Series A Non-Voting Preferred Stock and the Corporation shall not be required to issue or deliver such shares unless or until the Person or Persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid.

**Section 6.06** Status as Stockholder. Upon the date of conversion of the applicable shares of Series A Non-Voting Preferred Stock, (a) such shares shall be deemed converted into shares of Common Stock and (b) the Holder's rights as a holder of such converted shares of Series A Non-Voting Preferred Stock shall cease and terminate, excepting only the right to receive such shares of Common Stock and to any remedies provided herein or otherwise available at law or in equity to such Holder because of a failure by the Corporation to comply with the terms of this Certificate of Designation. In all cases, the Holder shall retain all of its rights and remedies for the Corporation's failure to convert Series A Non-Voting Preferred Stock. Notwithstanding anything to the contrary contained in this Certificate of Designation of Preferences, Rights and Limitations of Series A Non-Voting Convertible Preferred Stock, in no event shall the Series A Non-Voting Preferred Stock convert (or shall any Holder be entitled to convert or elect to convert such shares of Series A Non-Voting Preferred Stock) into shares of Common Stock prior to the Stockholder Approval.

**Article VII.** Certain Adjustments.

**Section 7.01**

- (a) Stock Dividends and Stock Splits. If the Corporation, at any time while this Series A Non-Voting Preferred Stock is outstanding: (a) pays a stock dividend or otherwise makes a distribution or distributions payable in shares of Common Stock (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Corporation upon conversion of this Series A Non-Voting Preferred Stock) with respect to the then outstanding shares of Common Stock; (b) subdivides outstanding shares of Common Stock into a larger number of shares; or (c) combines (including by way of a reverse stock split) outstanding shares of Common Stock into a smaller number of shares, then the Conversion Ratio shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding any treasury shares of the Corporation) outstanding

immediately after such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately before such event (excluding any treasury shares of the Corporation). Any adjustment made pursuant to this Section 7.01(a) shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision or combination.

- (b) Subsequent Rights Offerings. In addition to any adjustments pursuant to Section 7.01(a), if at any time the Corporation makes an offering or a general issuance of Common Stock, or issues, sells or grants rights to purchase stock, warrants, securities or other property, in each of the foregoing cases pro rata to the record holders of any class of shares of Common Stock (the "**Purchase Rights**"), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights identical to those that apply to such holders of shares of Common Stock, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete conversion of such Holder's Series A Non-Voting Preferred Stock (disregarding for such purpose any Beneficial Ownership Limitation and assuming receipt of Stockholder Approval) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights. For the avoidance of doubt, Purchase Rights shall not include (i) the grant or issuance of any stock options, restricted stock or other equity awards with respect to shares of Common Stock as may be granted or issued to any directors, officers, employees or contractors of the Corporation or any of its subsidiaries or (ii) the grant, issuance or sale of any securities that is not generally extended to the holders of any class of shares of Common Stock.

**Section 7.02 Fundamental Transaction.** If, at any time while any Series A Non-Voting Preferred Stock is outstanding, (a) the Corporation effects any merger or consolidation of the Corporation with or into another Person or any stock sale to, or other business combination (including a reorganization, recapitalization, spin-off, share exchange or scheme of arrangement) with or into another Person (other than such a transaction in which the Corporation is the surviving or continuing entity and its Common Stock is not exchanged for or converted into other securities, cash or property), (b) the Corporation effects any sale, lease, transfer or exclusive license of all or substantially all of its assets in one transaction or a series of related transactions, (c) any tender offer or exchange offer (whether by the Corporation or another Person) is completed pursuant to which more than 50% of the Common Stock not held by the Corporation or such Person is exchanged for or converted into other securities, cash or property, or (d) the Corporation effects any reclassification of the Common Stock or any compulsory share exchange pursuant (other than as a result of a dividend, subdivision or combination covered by Section 7.01(a)) to which the Common Stock is effectively converted into or exchanged for other securities, cash or property (any such action described in clauses (a) through (d), a "**Fundamental Transaction**"), then, upon any subsequent conversion of the Series A Non-Voting Preferred Stock, the Holders shall have the right to receive, in lieu of the right to receive Conversion Shares, for each Conversion Share that would have been issuable upon such conversion immediately prior to the occurrence of such Fundamental Transaction,

the same kind and amount of securities, cash or property as it would have been entitled to receive upon the occurrence of such Fundamental Transaction if it had been, immediately prior to such Fundamental Transaction, the holder of one share of Common Stock (the “**Alternate Consideration**”). For purposes of any such subsequent conversion, the determination of the Conversion Ratio shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Corporation shall adjust the Conversion Ratio in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holders shall be given the same choice as to the Alternate Consideration it receives upon any conversion of this Series A Non-Voting Preferred Stock following such Fundamental Transaction. To the extent necessary to effectuate the foregoing provisions, any successor to the Corporation or surviving entity in such Fundamental Transaction shall file a new certificate of designations with the same terms and conditions and issue to the Holders new preferred stock consistent with the foregoing provisions and evidencing the Holders’ right to convert such preferred stock into Alternate Consideration. The terms of any agreement to which the Corporation is a party and pursuant to which a Fundamental Transaction is effected shall include terms requiring any such successor or surviving entity to comply with the provisions of this [Section 7.02](#) and ensuring that the Series A Non-Voting Preferred Stock (or any such replacement security) will be similarly adjusted upon any subsequent transaction analogous to a Fundamental Transaction. The Corporation shall cause to be delivered to each Holder, at its last address as it shall appear upon the stock books of the Corporation, written notice of any Fundamental Transaction at least 20 calendar days prior to the date on which such Fundamental Transaction is expected to become effective or close. Notwithstanding anything to the contrary herein, the Corporation’s disposition of certain assets pursuant to the CVR Agreement shall not constitute a Fundamental Transaction.

**Section 7.03** Calculations. All calculations under this [Article VII](#) shall be made to the nearest cent or the nearest 1/1000th of a share, as the case may be. For purposes of this [Article VII](#), the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding any treasury shares of the Corporation) issued and outstanding.

**Article VIII.** Redemption. The shares of Series A Non-Voting Preferred Stock shall not be redeemable except as set forth in this [Article VIII](#). Each share of Series A Non-Voting Preferred Stock then outstanding shall be redeemable at the option of the Holder thereof at any time following the date that is 18 months after the initial issuance of the Series A Non-Voting Preferred Stock, other than any shares of Series A Non-Voting Preferred Stock that would not at the applicable time be convertible into shares of Common Stock as a result of the application of the Beneficial Ownership Limitation (without regard to the lack of obtaining Stockholder Approval). Holders shall effect such redemptions by providing the Corporation with the form of redemption notice attached hereto as [Annex B](#) (a “**Notice of Redemption**”), duly completed and executed and specifying the number of shares of Series A Non-Voting Preferred Stock held by such Holder to be redeemed (the “**Redemption Shares**”), which number shall be limited to the number of shares that such Holder would otherwise have been entitled to convert into shares of Common Stock after application of the Beneficial Ownership Limitation (without regard to the lack of obtaining

Stockholder Approval). The date on which such a redemption shall be deemed effective (the "**Redemption Date**") shall be the Business Day that the Notice of Redemption, completed and executed, is sent via email to, and received during regular business hours by, the Corporation. The Corporation shall, upon receipt of a Notice of Redemption, pay an amount equal to the Redemption Fair Value (as defined below) to such Holder based on the number of Conversion Shares issuable upon conversion of such Redemption Shares (without regard to the lack of obtaining Stockholder Approval), with such payment to be made within two Business Days from the Redemption Date, whereupon the Redemption Shares shall be cancelled upon payment in full of the Redemption Fair Value of such Redemption Shares and all rights with respect to such Redemption Shares shall terminate. For purposes of this [Article VIII](#), the "**Redemption Fair Value**" of shares shall be fixed with reference to the average of the Closing Sale Price on the principal Trading Market on which the Common Stock is listed over the ten consecutive Trading Days ending on, and including, the Trading Day immediately prior to the Redemption Date. Nothing in this [Article VIII](#) shall limit the ability of the Corporation to purchase or otherwise deal in the shares of Series A Non-Voting Preferred Stock to the extent otherwise permitted hereby and by law, or by the terms of any stock option or other equity awards granted by the Corporation.

**Article IX. Transfer.** A Holder may transfer any shares of Series A Non-Voting Preferred Stock together with the accompanying rights set forth herein, held by such holder without the consent of the Corporation; provided that such transfer is in compliance with applicable securities laws. The Corporation shall in good faith (a) do and perform, or cause to be done and performed, all such further acts and things, and (b) execute and deliver all such other agreements, certificates, instruments and documents, in each case, as any holder of Series A Non-Voting Preferred Stock may reasonably request in order to carry out the intent and accomplish the purposes of this [Article IX](#). The transferee of any shares of Series A Non-Voting Preferred Stock shall be subject to the Beneficial Ownership Limitation applicable to the transferor as of the time of such transfer (including in the event that TAS Partners LLC or any of its affiliates is the transferor of such shares, in which case the Beneficial Ownership Limitation shall apply with respect to such transferee and shall be set at 19.9% unless and until further decreased pursuant to [Section 6.04](#)).

**Article X. Series A Non-Voting Preferred Stock Register.** The Corporation shall maintain at its principal executive offices (or such other office or agency of the Corporation as it may designate by notice to the Holders in accordance with [Article XI](#)), a register for the Series A Non-Voting Preferred Stock, in which the Corporation shall record (a) the name, address, and electronic mail address of each holder in whose name the shares of Series A Non-Voting Preferred Stock have been issued and (b) the name, address, and electronic mail address of each transferee of any shares of Series A Non-Voting Preferred Stock. The Corporation may deem and treat the registered Holder of shares of Series A Non-Voting Preferred Stock as the absolute owner thereof for the purpose of any conversion thereof and for all other purposes. The Corporation shall keep the register open and available at all times during business hours for inspection by any holder of Series A Non-Voting Preferred Stock or his, her or its legal representatives.

**Article XI. Notices.** Any notice required or permitted by the provisions of this Certificate of Designation to be given to a Holder of shares of Series A Non-Voting Preferred Stock shall be mailed, postage prepaid, to the post office address last shown on the records of the Corporation, or given by electronic communication in compliance with the provisions of the Delaware General Corporation Law, and shall be deemed sent upon such mailing or electronic transmission.

**Article XII. Book-Entry.** The Series A Non-Voting Preferred Stock will be issued only in book-entry form.

**Article XIII. Waiver.** Any waiver by the Corporation or a Holder of a breach of any provision of this Certificate of Designation shall not operate as or be construed to be a waiver of any other breach of such provision or of any breach of any other provision of this Certificate of Designation or a waiver by any other Holders. The failure of the Corporation or a Holder to insist upon strict adherence to any term of this Certificate of Designation on one or more occasions shall not be considered a waiver or deprive that party (or any other Holder) of the right thereafter to insist upon strict adherence to that term or any other term of this Certificate of Designation. Any waiver by the Corporation or a Holder must be in writing. Notwithstanding any provision in this Certificate of Designation to the contrary, any provision contained herein and any right of the Holders of Series A Non-Voting Preferred Stock granted hereunder may be waived as to all shares of Series A Non-Voting Preferred Stock (and the Holders thereof) upon the written consent of the Holders of not less than a majority of the shares of Series A Non-Voting Preferred Stock then outstanding; provided, however, that the Beneficial Ownership Limitation applicable to a Holder, and any provisions contained herein that are related to such Beneficial Ownership Limitation, cannot be modified, waived or terminated without the consent of such Holder; provided, further, that any proposed waiver that would, by its terms, have a disproportionate and materially adverse effect on any Holder shall require the consent of such Holder(s).

**Article XIV. Severability.** Whenever possible, each provision hereof shall be interpreted in a manner as to be effective and valid under applicable law, but if any provision hereof is held to be prohibited by or invalid under applicable law, then such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating or otherwise adversely affecting the remaining provisions hereof.

**Article XV. Status of Converted Series A Non-Voting Preferred Stock.** If any shares of Series A Non-Voting Preferred Stock shall be converted or redeemed by the Corporation, such shares shall, to the fullest extent permitted by applicable law, be retired and cancelled upon such acquisition, and shall not be reissued as a share of Series A Non-Voting Preferred Stock. Any share of Series A Non-Voting Preferred Stock so acquired shall, upon its retirement and cancellation, and upon the taking of any action required by applicable law, resume the status of authorized but unissued shares of preferred stock and shall no longer be designated as Series A Non-Voting Preferred Stock.

**(a) Due Organization; Subsidiaries.** Each of the Company and its Subsidiaries is a corporation or limited liability company duly incorporated or formed, validly existing and in good standing under the Laws of the jurisdiction of its incorporation or organization and has all necessary corporate power and authority: (i) to conduct its business in the manner in which its business is currently being conducted and as proposed to be conducted as described in the SEC Reports, (ii) to own or lease and use its property and assets in the manner in which its property and assets are currently owned or leased and used and (iii) to perform its obligations under all Contracts by which it is bound. All of the Subsidiaries are wholly owned by the Company. Each of the Company and the Subsidiaries is licensed and qualified to do business, and is in good standing (to the extent applicable in such jurisdiction), under the Laws of all jurisdictions where the nature of its business or the manner in which its business is currently being conducted requires such licensing or qualification other than in jurisdictions where the failure to be so qualified individually or in the aggregate would not have or reasonably be expected to have a Material Adverse Effect.

**(b) Authorization; Enforcement; Validity.** The Company has the requisite corporate power and authority to enter into the Transaction Documents and to perform its obligations under and consummate the transactions contemplated hereby or thereby. All corporate action on the part of the Company, its directors and stockholders necessary for the authorization, execution, sale, issuance and delivery of the Securities and, subject to the Requisite Stockholder Approval, the Conversion Shares, contemplated herein has been taken. Each of the Transaction Documents has been (or upon delivery will have been) duly executed and delivered by the Company and does, or when delivered in accordance with the terms hereof or thereof will, constitute the legal, valid and binding obligation of the Company enforceable against the Company in accordance with its respective terms, except (i) as such enforceability may be limited by applicable bankruptcy, examinership, insolvency, reorganization, moratorium, liquidation or similar laws relating to, or affecting generally the enforcement of, creditors' rights and remedies or by other equitable principles of general application, (ii) as limited by Laws relating to the availability of specific performance, injunctive relief or other equitable remedies and (iii) insofar as indemnification and contribution provisions may be limited by applicable law.

**(c) No Conflicts.** The execution, delivery and performance by the Company of the Transaction Documents and the issuance, sale and delivery of the securities to be sold by the Company under the Transaction Documents (including, subject to the Company obtaining Requisite Stockholder Approval, the issuance of Conversion Shares upon the conversion of the Securities), the performance by the Company of its obligations under the Transaction Documents and the consummation of the transactions contemplated hereby or thereby (including without limitation, the issuance of the Securities and the reservation for issuance of the Conversion Shares) do not and will not conflict with, result in the breach or violation of, or constitute (with or without the giving of notice or the passage of time or both) a violation of, or default under, (i) any bond, debenture, note or other evidence of indebtedness, or under any lease, license, franchise, permit, indenture, mortgage, deed of trust, loan agreement, joint venture or other Contract, agreement or instrument to which the Company or any of its Subsidiaries is a party or by which it or its properties may be bound or affected, (ii) the Company's Certificate of Incorporation, the Company's Bylaws, or the equivalent document with respect to any of the Company's Subsidiaries, as amended and as in effect on the date hereof, or (iii) subject to the Requisite Stockholder Approval, any statute or Law, judgment, decree, rule, regulation, ordinance or order of any court or governmental or regulatory body (including Nasdaq), governmental agency, arbitration panel or authority applicable to the Company, any of its subsidiaries or their respective properties, except in the case of clauses (i) and (iii) for such conflicts, breaches, violations or defaults that would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

**(d) Filings, Consents and Approvals.** Except for any Current Report on Form 8-K or Notice of Exempt Offering of Securities on Form D to be filed by the Company in connection with the transaction contemplated hereby, any required filing with Nasdaq (other than the Listing of Additional Shares notification form for the listing of the Conversion Shares), the Requisite Stockholder Approval, the filing of the Certificate of Designation and the Registration Statement required to be filed by the Registration Rights Agreement, neither the Company nor any of its Subsidiaries is required to give any notice to, or make any filings with, or obtain any authorization, consent, or approval of any government or governmental agency in order to consummate the transactions contemplated by the Transaction Documents. Assuming the accuracy of the representations of the Purchasers in Section 3.2, no consent, approval, authorization or other order of, or registration, qualification or filing with, any court, regulatory body, administrative agency, self-regulatory organization, stock exchange or market (including Nasdaq), or other governmental body is required for the execution and delivery of the Transaction Documents, the valid issuance, sale and delivery of the Securities to be sold pursuant to the Transaction Documents (including, subject to the Company obtaining the Requisite Stockholder Approval, the issuance of Conversion Shares upon conversion of the Securities) other than such as have been or will be made or obtained, or for any securities filings required to be made under federal or state securities laws applicable to the offering of the Securities or the issuance of Conversion Shares upon conversion of the Securities (other than the Requisite Stockholder Approval and filings that have been made, or will be made, pursuant to the rules and regulations of Nasdaq). The Company and its Subsidiaries are unaware of any facts or circumstances that would reasonably be expected to prevent the Company from obtaining or effecting any of the registration, application or filings pursuant to this Section 3.1(d).

**(e) Issuance of the Securities and Conversion Shares.** The issuance of the Securities has been duly authorized, and the Securities, when issued and paid for in accordance with the terms of the Transaction Documents, will be duly and validly issued, fully paid and nonassessable and free and clear of any Encumbrances, preemptive rights or restrictions (other than as provided in the Certificate of Designation or any restrictions on transfer generally imposed under applicable securities laws). Subject to receipt of the Requisite Stockholder Approval, the issuance of the Conversion Shares has been duly authorized and the Conversion Shares, when issued in accordance with the terms of the Certificate of Designation, will be duly authorized, validly issued, fully paid and non-assessable, and shall be free and clear of any Encumbrances, preemptive rights or restrictions (other than as provided in this Agreement or any restrictions on transfer generally imposed under applicable securities laws). The Company has reserved such number of shares of Common Stock sufficient to enable full conversion of all of the Securities to the extent allowable prior to receipt of the Requisite Stockholder Approval and, upon receipt of the Requisite Stockholder Approval, the Company shall have reserved such number of shares of Common Stock sufficient to enable the full conversion of all of the Securities.

**(f) Capitalization.**

**(i)** As of the date hereof (the "**Capitalization Date**"), the authorized capital stock of the Company consisted of (i) 10,000,000 shares of preferred stock, par value \$0.0001 per share (the "**Preferred Stock**"), none of which were issued and outstanding and (ii) 350,000,000 shares of Common Stock, 155,204,182 shares of which were issued and outstanding. The Preferred Stock and the Common Stock are collectively referred to herein as the "**Capital Stock**." All of the issued and outstanding shares of Capital Stock have been duly authorized and validly issued and are fully paid and nonassessable and are free of any Encumbrances. As of the Capitalization Date, (i) the Company has reserved 20,784,463 shares of Common Stock for issuance under the Company's 2016 Incentive Award Plan (the "**2016 Plan**"), of which 1,677,632 shares were subject to settlement of outstanding restricted stock units and 19,106,831 shares were subject to outstanding stock options and (ii) 4,982,098 shares have been reserved and available for purchase under the Company's 2016 Employee Stock Purchase Plan. As of the date hereof, the Company has declared a distribution of one contingent value right for each outstanding share of Common Stock as of the date that is 21 days following the closing of the Merger, representing the right to receive contingent payments, payable in cash or Common Stock, upon the occurrence of certain events relating to certain of the Company's legacy non-cash assets (the "**CVRs**"). After giving effect to the Merger and the issuance of the Securities, the Company will have 10,000,000 shares of Series A Preferred Stock authorized, 578,374,138 of which will be issued and outstanding. None of the outstanding shares of the Company were issued in violation of

any preemptive rights, rights of first refusal or other similar rights to subscribe for or purchase securities of the Company. Except as otherwise set forth in this Agreement or in the Merger Agreement, as of the date hereof there are no outstanding options, warrants, rights (including conversion or preemptive rights), agreements, arrangements or commitments of any character, whether or not contingent, relating to the issued or unissued Capital Stock of the Company or obligating the Company to issue or sell any share of Capital Stock of, or other equity interest in, the Company. The issuance and sale of the Securities (including, subject to the Company obtaining the Requisite Stockholder Approval, the issuance of Conversion Shares upon conversion of the Securities) will not obligate the Company to issue shares of Common Stock or other securities to any Person (other than the Purchasers) and will not result in a right of any holder of Company securities to adjust the exercise, conversion, exchange or reset price under any of such securities.

(ii) Effective as of the consummation of the Merger, Cartesian will be a wholly owned subsidiary of the Company.

**(g) Merger Agreement.**

(i) The Merger Agreement has been duly and validly authorized, executed and delivered by the Company, the First Merger Sub and the Second Merger Sub and, assuming due authorization, execution and delivery by the other parties thereto, constitutes a valid and binding agreement of the Company, the First Merger Sub and the Second Merger Sub enforceable against the Company, the First Merger Sub and the Second Merger Sub in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency or similar laws affecting the enforcement of creditors' rights generally or by equitable principles relating to enforceability.

(ii) To the Company's Knowledge, the representations and warranties of Cartesian contained in Section 2 of the Merger Agreement (as qualified therein and in the disclosure schedules thereto) were, as of the date of the Merger Agreement, and are, as of the date hereof, true and accurate in all material respects (or, if any such representations or warranties are qualified by materiality, material adverse effect or similar language, true and correct in all respects).

**(h) SEC Reports; Disclosure Materials.** The Company has filed or furnished, as applicable, on a timely basis all registration statements, proxy statements, Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, and material Current Reports on Form 8-K required to be filed or furnished by it with the Commission under the Exchange Act or the Securities Act since January 1, 2021 (collectively, and in each case including all exhibits and schedules thereto and documents incorporated by reference therein, the "**SEC Reports**"). As of the time it was filed with the Commission (or, if amended or superseded by a filing prior to the date of this Agreement, then on the date of such filing), each of the SEC Reports complied in all material respects with the applicable requirements of the Securities Act or the Exchange Act (as the case may be) and as of the time they were filed, none of the SEC Reports contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. There are no material outstanding or unresolved comments in comment letters from the staff of the Division of Corporation Finance of the Commission with respect to any of the SEC Reports. The Company meets the requirements for use of Form S-3 under the Securities Act.

**(i) Financial Statements.** As of their respective filing dates, the financial statements (including any related notes) contained or incorporated by reference in the SEC Reports (i) complied as to form in all material respects with the Securities Act and the Exchange Act, as applicable, (ii) were prepared in accordance with GAAP (except as may be indicated in the notes to such financial statements or, in the case of unaudited financial statements, as permitted by Form 10-Q of the Commission, and except that the unaudited financial statements are subject to normal and recurring year-end adjustments that are not reasonably expected to be material in amount) applied on a consistent basis unless otherwise noted therein throughout the periods indicated and (iii) fairly present, in all material respects, the consolidated financial position of the Company as of the respective dates thereof and the results of operations and cash flows of the Company for the periods covered thereby. Other than as expressly disclosed in the SEC Reports filed at least one Business Day prior to the date hereof, there has been no material change in the Company's accounting methods or principles that would be required to be disclosed in the Company's financial statements in accordance with GAAP. Except as set forth in the consolidated financial statements of the Company included in the SEC Reports filed at least one Business Day prior to the date hereof, the Company has not

incurred any liabilities, contingent or otherwise, except those incurred in the ordinary course of business, consistent (as to amount and nature) with past practices since the date of such financial statements, none of which, individually or in the aggregate, have had or would reasonably be expected to have a Material Adverse Effect. The books of account and other financial records of the Company and each of its Subsidiaries are true and complete in all material respects.

**(j) Independent Accountants.** Ernst & Young LLP, who have certified certain financial statements of the Company and delivered their report with respect to the audited financial statements included in the SEC Reports, have at all times since the date of enactment of the Sarbanes-Oxley Act of 2002 (“**Sarbanes-Oxley**”) been (i) a registered public accounting firm (as defined in Section 2(a)(12) of Sarbanes-Oxley) and (ii) to the Company’s Knowledge, in compliance with subsections (g) through (l) of Section 10A of the Exchange Act and the rules and regulations promulgated by the Public Accounting Oversight Board thereunder, and are, to the Company’s Knowledge, “independent” with respect to the Company within the meaning of Regulation S-X under the Exchange Act.

**(k) Absence of Certain Changes.** Since the date of the Unaudited Interim Balance Sheet, there has been no (i) Material Adverse Effect, (ii) satisfaction or discharge of any material lien, claim or encumbrance or payment of any obligation by the Company, except in the ordinary course of business or (iii) waiver, not in the ordinary course of business, by the Company or any Subsidiary of a material right or of a material debt owed to it. Since the date of the Unaudited Interim Balance Sheet, neither the Company nor any of its Subsidiaries has (i) purchased any of its outstanding Common Stock (other than from its employees or other service providers in connection with the termination of their service pursuant to the terms of its equity compensation plans or agreements) or declared or paid any dividends or distributions, other than the CVRs, (ii) sold any material assets, individually or in the aggregate, outside of the ordinary course of business, (iii) made any material change or material amendment to, or waiver of any material right, or termination of, any material Contract, (iv) had material transaction entered into or material capital expenditures, individually or in the aggregate, outside of the ordinary course of business or (v) experienced any loss of services of any executive officer (as defined in Rule 405 under the Securities Act), other than as disclosed in the SEC Reports prior to the date hereof. Neither the Company nor any of its Subsidiaries has taken any steps to seek protection pursuant to any bankruptcy law, nor does the Company have any knowledge or reason to believe that its creditors (if any) intend to initiate involuntary bankruptcy proceedings or any actual knowledge of any fact that would reasonably lead any such creditor to do so. The Company and its Subsidiaries, individually and on a consolidated basis, are not as of the date hereof, and after giving effect to the transactions contemplated hereby to occur at the Closing, will not be Insolvent.

**(l) Litigation.** There is no action, suit, proceeding or investigation pending or, to the Company’s Knowledge, currently threatened in writing against the Company, any of its Subsidiaries or any of their respective directors and officers that questions the validity of the Transaction Documents or the right of the Company to enter into the Transaction Documents or to consummate the transactions contemplated hereby and thereby. There is no action, suit, proceeding or investigation pending or, to the Company’s Knowledge, currently threatened in writing against the Company or any Subsidiary or any of their respective directors and officers which would, if there were an unfavorable decision, have or reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect.

**(m) Employment Matters.** Except for matters which would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, there is (A) no unfair labor practice complaint pending or, to the Company’s Knowledge, threatened against the Company or any of the Subsidiaries before the National Labor Relations Board, and no grievance or arbitration proceeding arising out of or under collective bargaining agreements is pending, or to the Company’s Knowledge, threatened and (B) no strike, labor dispute, slowdown or stoppage pending or, to the Company’s Knowledge, threatened against the Company or any of the Subsidiaries or against any of the principal suppliers, contractors or customers of the Company or any of its Subsidiaries.

**(n) Conduct of Business; Regulatory Permits.** Neither the Company nor any of its Subsidiaries is in violation of any term of or in default under its Certificate of Incorporation, any Certificate of Designation of any outstanding series of preferred stock of the Company or the Bylaws or their organizational charter or bylaws, respectively. Neither the Company nor any of its Subsidiaries (i) is in default of or in violation of, nor has the Company or any of its Subsidiaries received written notice of a claim that it is in default under or that it is in violation of, any Parent Material Contract (as defined in the Merger Agreement) (whether or not such default or

violation has been waived), or (ii) is in violation of any judgment, decree or order or any statute, ordinance, rule or regulation applicable to the Company or its Subsidiaries, and neither the Company nor any of its Subsidiaries will conduct its business in violation of any of the foregoing, except for possible violations which would not, individually or in the aggregate, have or reasonably be expected to have a Material Adverse Effect. Without limiting the generality of the foregoing, the Company is not in violation of any of the rules, regulations or requirements of the Nasdaq and, to the Company's Knowledge, there exist no facts or circumstances that would reasonably lead to automatic delisting or suspension of the Common Stock by Nasdaq in the foreseeable future. The Company and its Subsidiaries possess all certificates, authorizations and permits issued by the appropriate regulatory authorities necessary to conduct their respective businesses as currently conducted and as proposed to be conducted, except where the failure to possess such certificates, authorizations or permits would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, and neither the Company nor any such Subsidiary has received any written notice of proceedings relating to the revocation or modification of any such certificate, authorization or permit.

**(o) Title to Properties and Assets.** None of the Company or its Subsidiaries owns, or has ever owned, any real property. The Company's and its Subsidiaries' possession, occupancy, lease, use and/or operation of each leased property conforms to all applicable Laws in all material respects, and the Company or its Subsidiary, as applicable, has exclusive possession of each such leased property and leasehold interest and has not granted any occupancy rights (other than subleases) to tenants or licensees with respect to such leased property or leasehold interest. In addition, each such leased property and leasehold interest is free and clear of all Encumbrances other than Permitted Encumbrances. The Company and each of its Subsidiaries owns, and has good and marketable title to, or, in the case of leased properties and assets, valid leasehold interests in, all tangible properties or tangible assets and equipment used or held for use in their respective business or operations or purported to be owned by any of them, including: (a) all tangible assets reflected on the Unaudited Interim Balance Sheet and (b) all other tangible assets reflected in the books and records of the Company as being owned by the Company or any of its Subsidiaries. All of such assets are owned or, in the case of leased assets, leased by the Company or any of its Subsidiaries free and clear of any Encumbrances, other than Permitted Encumbrances.

**(a) Organization; Authority.** Such Purchaser is an entity duly organized, validly existing and in good standing under the Laws of the jurisdiction of its organization with the requisite corporate or, if such Purchaser is not a corporation, such partnership, limited liability company or other applicable power and authority to enter into and to consummate the transactions contemplated by the applicable Transaction Documents and otherwise to carry out its obligations hereunder and thereunder. The execution and delivery of this Agreement by such Purchaser and performance by such Purchaser of the transactions contemplated by this Agreement have been duly authorized by all necessary corporate or, if such Purchaser is not a corporation, such partnership, limited liability company or other applicable like action, on the part of such Purchaser. Each Transaction Document to which it is a party has been duly executed by such Purchaser, and when delivered by such Purchaser in accordance with the terms hereof, will constitute the valid and legally binding obligation of such Purchaser, enforceable against it in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, examinership, insolvency, reorganization, moratorium, liquidation or similar laws relating to, or affecting generally the enforcement of, creditors' rights and remedies or by other equitable principles of general application.

**(b) No Conflicts.** The execution, delivery and performance by such Purchaser of this Agreement and the Registration Rights Agreement and the consummation by such Purchaser of the transactions contemplated hereby and thereby will not (i) result in a violation of the organizational documents of such Purchaser, (ii) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which such Purchaser is a party, or (iii) result in a violation of any Law, rule, regulation, order, judgment or decree (including U.S. federal and state securities laws) applicable to such Purchaser, except in the case of clauses (ii) and (iii) above, for such conflicts, defaults, rights or violations which would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the ability of such Purchaser to perform its obligations hereunder.

**(c) Investment Intent.** Such Purchaser understands that the Securities are (and the Conversion Shares will be) “restricted securities” and the offer and sale thereof have not been registered under the Securities Act or any applicable U.S. state securities law, and such Purchaser is acquiring the Securities as principal for its own account and not with a view to, or for distributing or reselling such Securities (or the Conversion Shares) or any part thereof in violation of the Securities Act or any applicable U.S. state or other securities laws, *provided, however*, that by making the representations herein, such Purchaser does not agree to hold any of the Securities or Conversion Shares for any minimum period of time and reserves the right, subject to the provisions of this Agreement and the Registration Rights Agreement, at all times to sell or otherwise dispose of all or any part of such Securities or Conversion Shares pursuant to an effective registration statement under the Securities Act or under an exemption from such registration and in compliance with applicable U.S. federal, state and other securities laws. Such Purchaser is acquiring the Securities hereunder in the ordinary course of its business.

Such Purchaser is able to bear the economic risk of an investment in the Securities.

**(g) Access to Information.** Such Purchaser acknowledges that it has had the opportunity to review the SEC Reports and has been afforded (i) the opportunity to ask such questions as it has deemed necessary of, and to receive answers from, representatives of the Company concerning the terms and conditions of the offering of the Securities and the merits and risks of investing in the Securities; (ii) access to information about the Company and the Subsidiaries and their respective financial condition, results of operations, business, properties, management and prospects sufficient to enable it to evaluate its investment; and (iii) the opportunity to obtain such additional information that the Company possesses or can acquire without unreasonable effort or expense that is necessary to make an informed investment decision with respect to the investment. Neither such inquiries nor any other investigation conducted by or on behalf of such Purchaser or its representatives or counsel shall modify, amend or affect such Purchaser’s right to rely on the truth, accuracy and completeness of the SEC Reports and the Company’s representations and warranties contained in the Transaction Documents. Such Purchaser has sought such accounting, legal and tax advice as it has considered necessary to make an informed decision with respect to its acquisition of the Securities.

**(h) Certain Trading Activities.** Other than with respect to the transactions contemplated herein, since the time that such Purchaser was first contacted by the Company, the Placement Agent or any other Person regarding the transactions contemplated hereby, the Purchaser has not, directly or indirectly, effected or agreed to effect any Short Sales. Notwithstanding the foregoing, (i) in the case of a Purchaser that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Purchaser's assets, the foregoing representation shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Securities covered by this Agreement and (ii) and in the case of a Purchaser whose investment adviser utilized an information barrier with respect to the information regarding the transactions contemplated hereunder after first being contacted by the Company or such other Person representing the Company, the representation set forth above shall only apply after the point in time when the portfolio manager who manages such Purchaser's assets was informed of the information regarding the transactions contemplated hereunder and, with respect to the Purchaser's investment adviser, the representation set forth above shall only apply with respect to any purchases or sales, including Short Sales, of the securities of the Company on behalf of other funds or investment vehicles for which the Purchaser's investment adviser is also an investment adviser or sub-adviser after the point in time when the portfolio manager who manages the assets of such other funds or investment vehicles for which the Purchaser's investment adviser is also an investment adviser or sub-adviser was informed of the information regarding the transactions contemplated hereunder. Other than to other Persons party to this Agreement and to the Purchaser's representatives or agents, including, but not limited to, the Purchaser's legal, tax and investment advisors, such Purchaser has maintained the confidentiality of all disclosures made to it in connection with this transaction (including the existence and terms of this transaction). Notwithstanding the foregoing, for avoidance of doubt, nothing contained herein shall constitute a representation or warranty, or preclude any actions, with respect to the identification of the availability of, or securing of, available shares to borrow in order to effect Short Sales or similar transactions in the future.

**(i) Brokers and Finders.** No Person will have, as a result of the transactions contemplated by this Agreement, any valid right, interest or claim against or upon the Purchaser for any commission, fee or other compensation pursuant to any agreement, arrangement or understanding entered into by or on behalf of the Purchaser. No Purchaser shall have any obligation with respect to any fees, or with respect to any claims made by or on behalf of other Persons for fees, in each case of the type contemplated by this Section 3.2(i) that may be due in connection with the transactions contemplated by this Agreement or the Transaction Documents.

**(j) Independent Investment Decision.** Such Purchaser has independently evaluated the merits of its decision to purchase Securities pursuant to the Transaction Documents, and such Purchaser confirms that it has not relied on the advice of any other Purchaser's business and/or legal counsel in making such decision. Such Purchaser understands that nothing in this Agreement or any other materials presented by or on behalf of the Company to the Purchaser in connection with the purchase of the Securities constitutes legal, tax or investment advice. Such Purchaser has consulted such legal, tax and investment advisors as it, in its sole discretion, has deemed necessary or appropriate in connection with its purchase of the Securities. Such Purchaser understands that the Placement Agent has acted solely as the agent of the Company in this placement of the Securities and such Purchaser has not relied on the business or legal advice of the Placement Agent or any of its agents, counsel or Affiliates in making its investment decision hereunder, and confirms that none of such Persons has made any representations or warranties to such Purchaser in connection with the transactions contemplated by the Transaction Documents.

**(k) Reliance on Exemptions.** Such Purchaser understands that the Securities are being offered and sold to it in reliance on specific exemptions from the registration requirements of United States federal and state securities laws and that the Company is relying in part upon the truth and accuracy of, and such Purchaser's compliance with, the representations, warranties, agreements, acknowledgements and understandings of such Purchaser set forth herein in order to determine the availability of such exemptions and the eligibility of such Purchaser to acquire the Securities.

**(l) No Governmental Review.** Such Purchaser understands that no United States federal or state agency or any other government or governmental agency has passed on or made any recommendation or endorsement of the Securities or the fairness or suitability of the investment in the Securities nor have such authorities passed upon or endorsed the merits of the offering of the Securities.

**(m) Regulation M.** Such Purchaser is aware that the anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of Securities and other activities with respect to the Securities by the Purchasers.

**(n) Beneficial Ownership.** The purchase by such Purchaser of the Securities issuable to it at the Closing will not result in such Purchaser (individually or together with any other Person with whom such Purchaser has identified, or will have identified, itself as part of a "group" in a public filing made with the Commission involving the Company's securities) acquiring, or obtaining the right to acquire, beneficial ownership or voting power of the Company in excess of 19.9% of the outstanding shares of Common Stock of the Company on a post-transaction basis that assumes that such Closing shall have occurred. Such Purchaser does not presently intend to, alone or together with others, make a public filing with the Commission to disclose that it has (or that it together with such other Persons have) acquired, or obtained the right to acquire, as a result of such Closing when added to any other securities of the Company that it or they then own or have the right to acquire, beneficial ownership or voting power in excess of 19.9% of the outstanding shares of Common Stock of the Company on a post-transaction basis that assumes that each Closing shall have occurred. Notwithstanding the foregoing, the beneficial ownership limitation described in this Section 3.2(n) shall not apply to TAS Partners LLC or any of its Affiliates.

**(o) Residency.** Such Purchaser's residence (if an individual) or offices in which its investment decision with respect to the Securities was made (if an entity) are located at the address set forth under such Purchaser's name on Annex A hereto or as otherwise specified below its address on Annex A hereto.

The Company and each of the Purchasers acknowledge and agree that no party to this Agreement has made or makes any representations or warranties with respect to the transactions contemplated hereby other than those specifically set forth in this Article 3 and the Transaction Documents.

##### OTHER AGREEMENTS OF THE PARTIES

###### 4.1 Transfer Restrictions.

**(a) Compliance with Laws.** Notwithstanding any other provision of this Article 4, each Purchaser covenants that the Securities and Conversion Shares shall be disposed of only pursuant to an effective registration statement under, and in compliance with the requirements of, the Securities Act, or pursuant to an available exemption from, or in a transaction not subject to, the registration requirements of the Securities Act, and in compliance with any applicable U.S. state and federal securities laws. In connection with any transfer of the Securities other than (i) pursuant to an effective registration statement, (ii) to the Company, (iii) pursuant to Rule 144 (provided that the Purchaser provides the Company with reasonable assurances (in the form of seller and, if applicable, broker representation letters) that the securities may be sold pursuant to such rule), or (iv) in connection with a bona fide pledge as contemplated in Section 4.1(b), the Company may require the transferor thereof to provide to the Company an opinion of counsel selected by the transferor and reasonably acceptable to the Company, the form and substance of which opinion shall be reasonably satisfactory to the Company, to the effect that such transfer does not require registration of such transferred Securities or Conversion Shares under the Securities Act and, as a condition of transfer, any such transferee shall agree in writing to be bound by the terms of this Agreement and the Registration Rights Agreement and shall have the rights of a Purchaser under this Agreement and the Registration Rights Agreement with respect to such transferred Securities or Conversion Shares.

**(b) Legends.** Book-entry statements evidencing the Securities and any Conversion Shares shall bear any legend as required by the "blue sky" Laws of any state and a restrictive legend in substantially the following form:

NEITHER THE OFFER AND SALE OF THE SECURITIES REPRESENTED HEREBY NOR THE SECURITIES ISSUABLE UPON EXERCISE OF THESE SECURITIES HAVE BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES. THESE SECURITIES AND THE SECURITIES ISSUABLE UPON EXERCISE OF THESE SECURITIES MAY NOT BE SOLD, OFFERED FOR SALE, PLEDGED, HYPOTHECATED, TRANSFERRED OR ASSIGNED IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER APPLICABLE SECURITIES LAWS, OTHER THAN PURSUANT TO AN AVAILABLE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THOSE LAWS. THE COMPANY AND ITS TRANSFER AGENT SHALL BE ENTITLED TO REQUIRE AN OPINION OF COUNSEL SATISFACTORY TO THE COMPANY AND THE TRANSFER AGENT THAT SUCH REGISTRATION IS NOT REQUIRED.

**(c) Removal of Legends.** Once a Registration Statement covering the resale of the Conversion Shares is declared effective, the Company shall cause to be removed all restrictive legends, including the legend set forth in Section 4.1(b) above, on the Conversion Shares (or, in the event that Conversion Shares are issued upon conversion after the Registration Statement is declared effective, the Conversion Shares shall be issued without restrictive legends). Further, upon request by a Purchaser, the Company shall cause to be removed any restrictive legend, including the legend set forth in Section 4.1(b) above, (i) following any sale of any Securities or Conversion Shares bearing such restrictive legend pursuant to Rule 144 or any other applicable exemption from the registration requirements of the Securities Act, or (ii) if any Conversion Shares bearing such restrictive legend are eligible for resale under Rule 144(b)(1) or any successor provision (or, in the event that Conversion Shares are issued upon conversion after the conditions set forth in clauses (i) and (ii) above, the Conversion Shares shall be issued without restrictive legends). Without limiting the foregoing, either (i) upon request of the Purchaser, upon receipt by the Company of an opinion of counsel reasonably satisfactory to the Company to the effect that such legend is no longer required under the Securities Act and applicable state securities laws or (ii) as contemplated by the Irrevocable Transfer Agent Instructions, the Company shall reasonably promptly cause a restrictive legend to be removed from any book-entry position for any Securities or Conversion Shares in accordance with the terms of this Agreement.

**(d) Irrevocable Transfer Agent Instructions.** Prior to the Closing, the Company shall issue the Irrevocable Transfer Agent Instructions. The Company represents and warrants that no instruction other than the Irrevocable Transfer Agent Instructions referred to in this Section 4.1(d) (or instructions that are consistent therewith) will be given by the Company to its Transfer Agent in connection with this Agreement, and that the Securities and Conversion Shares shall otherwise be freely transferable on the books and records of the Company as and to the extent provided in this Agreement and the other Transaction Documents and applicable law. The Company acknowledges that a breach by it of its obligations under this Section 4.1(d) will cause irreparable harm to a Purchaser. Accordingly, the Company acknowledges that the remedy at law for a breach of its obligations under this Section 4.1(d) may be inadequate and agrees, in the event of a breach or threatened breach by the Company of the provisions of this Section 4.1(d) that a Purchaser shall be entitled, in addition to all other available remedies, to an order and/or injunction restraining any breach and requiring immediate issuance and transfer, without the necessity of showing irreparable harm or economic loss and without any bond or other security being required.

**(e) Acknowledgement.** Each Purchaser hereunder acknowledges its primary responsibilities under the Securities Act and accordingly will not sell or otherwise transfer the Securities or Conversion Shares or any interest therein without complying with the requirements of the Securities Act.

**4.2 Furnishing of Information.** In order to enable the Purchasers to sell the Securities and Conversion Shares under Rule 144, until such time as Purchaser may sell the Securities and Conversion Shares without limitation under Rule 144, the Company shall use its commercially reasonable efforts to timely file (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the date hereof pursuant to the Exchange Act and, if during such period, the Company is not required to file reports pursuant to the Exchange Act, it will prepare and furnish to the Purchasers and make publicly available in accordance with Rule 144(c) such information as is required for the Purchasers to sell the Securities and Conversion Shares under Rule 144.

**4.3 Integration.** The Company shall not, and shall use its commercially reasonable efforts to ensure that no Affiliate of the Company shall, sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in Section 2 of the Securities Act) that will be integrated with the offer or sale of the Securities

in a manner that would require the registration under the Securities Act of the sale of the Securities to the Purchasers, or that will be integrated with the offer or sale of the Securities for purposes of the rules and regulations of any Trading Market such that it would require stockholder approval prior to the closing of such other transaction unless stockholder approval is obtained before the closing of such subsequent transaction; *provided, however*, that this Section 4.3 shall not limit the Company's right to issue shares of Capital Stock pursuant to the Merger Agreement.

**4.4 Securities Laws Disclosure; Publicity.** By no later than 9:00 A.M., New York City time, on the Trading Day immediately following the date hereof (provided that, if this Agreement is executed between midnight and 9:00 A.M., New York City time on any Trading Day, no later than 5:00 P.M. on the date hereof), the Company shall (a) issue a press release (the "**Press Release**") reasonably acceptable to the Placement Agent disclosing all material terms of the transactions contemplated hereby and (b) file a Current Report on Form 8-K with the Commission describing the terms of the Transaction Documents (and including as exhibits to such Current Report on Form 8-K the material Transaction Documents (including, without limitation, this Agreement and the Registration Rights Agreement) and company presentation provided to the Purchasers in connection with the transactions contemplated hereby); provided that the Press Release shall not publicly disclose the name of any Purchaser or investment adviser of any Purchaser, or include the name of any Purchaser or an Affiliate of any Purchaser without the consent of such Purchaser. In addition, notwithstanding the foregoing, the Company shall not publicly disclose the name of any Purchaser or investment adviser of any Purchaser, or include the name of any Purchaser or an Affiliate of any Purchaser without the consent of such Purchaser (i) in any press release or marketing materials or (ii) in any filing with the Commission or any regulatory agency or Trading Market, except as required by U.S. federal securities law (A) in connection with any registration statement contemplated by the Registration Rights Agreement (which shall be subject to review and comment of the Purchasers pursuant to the terms of the Registration Rights Agreement) or the filing of final Transaction Documents (including signature pages thereto) with the Commission and (B) to the extent such disclosure is required by law, request of the Commission's staff or Trading Market regulations, in which case the Company shall provide the Purchasers with prior written notice of such disclosure permitted under this subclause (ii). From and after the issuance of the Press Release, no Purchaser shall be in possession of any material, non-public information received from the Company, any Subsidiary or any of their respective officers, directors, employees or agents, that is not disclosed in the Press Release. Each Purchaser, severally and not jointly with the other Purchasers, covenants that until such time as the transactions contemplated by this Agreement are publicly disclosed by the Company pursuant to the Press Release, such Purchaser will maintain the confidentiality of the existence and terms of this transaction and the information provided in connection therewith; provided, however, that any disclosure may be made by the Purchaser to the Purchaser's representatives or agents, including, but not limited to, the Purchaser's legal, tax and investment advisors.

**4.5 Non-Public Information.** Except with respect to the material terms and conditions of the transactions contemplated by the Transaction Documents, including this Agreement, or as expressly required by any applicable securities law, the Company covenants and agrees that neither it, nor any other Person acting on its behalf, will provide any Purchaser or its agents or counsel with any information regarding the Company that the Company believes constitutes material non-public information without the express written (email being sufficient) consent of such Purchaser, (i) unless prior thereto such Purchaser shall have committed to customary obligations regarding the confidentiality and use of such information and (ii) except in the case of material, non-public information provided to an observer of the Company's or Cartesian's board of directors or member of the Company's or Cartesian's board of directors who is affiliated with such Purchaser. The Company understands and confirms that each Purchaser shall be relying on the foregoing covenant in effecting transactions in securities of the Company.

**4.6 Use of Proceeds.** The Company shall use the net proceeds from the sale of the Securities hereunder for working capital and general corporate purposes.

**4.7 Principal Trading Market Listing.** The Company shall use its reasonable best efforts to take all steps necessary to cause the Conversion Shares to be approved for listing on the Principal Trading Market.

**4.8 Form D; Blue Sky.** The Company agrees to timely file a Form D with respect to the Securities as required under Regulation D. The Company, on or before the Closing Date, shall take such action as the Company shall reasonably determine is necessary in order to obtain an exemption for or to qualify the Securities for sale to the Purchasers under applicable securities or "blue sky" Laws of the states of the United States (or to obtain an exemption from such qualification) and shall provide evidence of such actions promptly upon the written request of any Purchaser.

**4.9 Short Sales After the Date Hereof.** Such Purchaser shall not engage, directly or indirectly, in any transactions in the Company's securities (including, without limitation, any Short Sales involving the Company's securities) during the period from the date hereof until the earlier of such time as (i) the transactions contemplated by this Agreement are first publicly announced as required by and described in Section 4.4 or (ii) this Agreement is terminated in full pursuant to Section 6.17.

Notwithstanding the foregoing, no Purchaser makes any representation, warranty or covenant hereby that it will not engage in Short Sales in the securities of the Company after the time that the transactions contemplated by this Agreement are first publicly announced as described in Section 4.4; *provided, however*, each Purchaser agrees, severally and not jointly with any Purchasers, that they will not enter into any Net Short Sales from the period commencing on the Closing Date and ending on the earliest of (x) the Effective Date, (y) the 24 month anniversary of the Closing Date or (z) the date that such Purchaser no longer holds any Securities. Notwithstanding the foregoing, in the event that a Purchaser is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Purchaser's assets and the portfolio managers have no direct knowledge of the investment decisions made by the portfolio managers managing other portions of such Purchaser's assets, the representation set forth above shall apply only with respect to the portion of assets managed by the portfolio manager that have knowledge about the financing transaction contemplated by this Agreement. Moreover, notwithstanding the foregoing, in the event that a Purchaser has sold Securities pursuant to Rule 144 prior to the Effective Date and the Company has failed to cause to be removed any restrictive legends on such Securities prior to the settlement date for such sale (assuming that the requirements set forth in Section 4.1(c) for the removal of legends have been met), the provisions of this Section 4.9 shall not prohibit the Purchaser from entering into Net Short Sales for the purpose of delivering shares of Common Stock in settlement of such sale. Each Purchaser understands and acknowledges, severally and not jointly with any other Purchaser, that the Commission currently takes the position that covering a short position established prior to effectiveness of a resale registration statement with shares included in such registration statement would be a violation of Item 239.10 of the Securities Act Sections Compliance and Disclosure Interpretations issued by the Commission's Division of Corporation Finance.

**4.10 Beneficial Ownership Limitation.** Notwithstanding anything to the contrary set forth in the Certificate of Designation, the Company shall not effect any conversion of any share of Series A Preferred Stock, and a Purchaser shall not have the right to convert any portion of its Series A Preferred Stock, to the extent that, after giving effect to such attempted conversion set forth on an applicable Notice of Conversion (as defined in the Certificate of Designation) with respect to the Series A Preferred Stock, such Purchaser (or any of such Purchaser's Affiliates or any other Person who would be a beneficial owner of Common Stock beneficially owned by the Purchaser for purposes of Section 13(d) or Section 16 of the Exchange Act and the applicable rules and regulations of the Commission, including any "group" of which the Purchaser is a member (the foregoing, "**Attribution Parties**") would beneficially own a number of shares of Common Stock in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the aggregate number of shares of Common Stock beneficially owned by such Purchaser and its Attribution Parties shall include the number of shares of Common Stock issuable upon conversion of the Series A Preferred Stock subject to the Notice of Conversion or the automatic conversion, as applicable, with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which are issuable upon (i) conversion of the remaining, unconverted Series A Preferred Stock beneficially owned by such Purchaser or any of its Attribution Parties, and (ii) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company beneficially owned by such Purchaser or any of its Attribution Parties that are subject to and would exceed a limitation on conversion or exercise similar to the limitation contained herein. Except as set forth in the preceding sentence, for purposes of this Section 4.10, beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the applicable rules and regulations of the Commission, and the terms "beneficial ownership" and "beneficially own" have the meanings ascribed to such terms therein. In addition, for purposes hereof, "group" has the meaning set forth in Section 13(d) of the Exchange Act and the applicable rules and regulations of the Commission. For purposes of this Section 4.10, in determining the number of outstanding shares of Common Stock, a Purchaser may rely on the number of outstanding shares of Common Stock as stated in the most recent of the following: (i) the Company's most recent periodic or annual filing with the Commission, as the case may be, (ii) a more recent public announcement by the Company that is filed with the Commission, or (iii) a more recent notice by the Company or

the Company's transfer agent to the Purchaser setting forth the number of shares of Common Stock then outstanding. For any reason at any time, upon the written request of a Purchaser (which may be by e-mail), the Company shall, within two Trading Days of such request, confirm in writing to such Purchaser (which may be by e-mail) the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to any actual conversion or exercise of securities of the Company, including Series A Preferred Stock, by such Purchaser or its Attribution Parties since the date as of which such number of outstanding shares of Common Stock was last publicly reported or confirmed to the Purchaser. The "**Beneficial Ownership Limitation**" shall initially be set at the discretion of each Purchaser to a percentage between 0% and 19.9% of the number of shares of the Common Stock outstanding or deemed to be outstanding as of the applicable measurement date, and such percentage shall be set at 19.9% for any Holder that does not make such designation on the signature page hereto. The Company shall be entitled to rely on representations made to it by any Purchaser in any Notice of Conversion regarding its Beneficial Ownership Limitation. Notwithstanding the foregoing, by written notice to the Company, (i) any Purchaser may reset the Beneficial Ownership Limitation percentage to a higher percentage, not to exceed 19.9%, which increase will not be effective until the sixty-first (61st) day after such written notice is delivered to the Company, and (ii) any Purchaser may reset the Beneficial Ownership Limitation percentage to a lower percentage provided that such decrease shall not become effective until the later of (x) 5:00 p.m. Eastern time on the third Business Day after the date of the Requisite Stockholder Approval and (y) if Stockholder Approval is not obtained within six months after the initial issuance of the Series A Preferred Stock, the date that is three Business Days after the date that is six months after the initial issuance of the Series A Preferred Stock. Upon such a change by a Purchaser of the Beneficial Ownership Limitation, not to exceed 19.9%, the Beneficial Ownership Limitation may not be further amended by such Purchaser without first providing the minimum notice required by this Section 4.10. Notwithstanding the foregoing, at any time following notice of a Fundamental Transaction, the Purchaser may waive and/or change the Beneficial Ownership Limitation effective immediately upon written notice to the Company and may reinstate a Beneficial Ownership Limitation at any time thereafter effective immediately upon written notice to the Company. The provisions of this Section 4.10 shall be construed, corrected and implemented in a manner so as to effectuate the intended Beneficial Ownership Limitation herein contained and the shares of Common Stock underlying the Securities in excess of the Beneficial Ownership Limitation shall not be deemed to be beneficially owned by the Purchaser for any purpose including for purposes of Section 13(d) or Rule 16a-1(a)(1) of the Exchange Act. Notwithstanding the foregoing, the beneficial ownership limitation described in this Section 4.10 shall not apply to TAS Partners LLC or any of its Affiliates.

**4.11 Requisite Stockholder Approval.** The Company shall take all action necessary under applicable Law to call, give notice of and hold a special meeting of stockholders (a "**Stockholder Meeting**") as promptly as practicable following the execution of this Agreement (the "**Stockholder Meeting Deadline**") for the purpose of obtaining stockholder approval of the conversion of all (subject to Section 4.10 hereof) issued and outstanding Series A Preferred Stock into shares of Common Stock in accordance with the rules of the Nasdaq Stock Market (the "**Requisite Stockholder Approval**"). The Company shall use its reasonable best efforts to solicit its stockholders' approval of such resolution and to cause the Board of Directors to recommend to the stockholders that they approve such resolution. If the Requisite Stockholder Approval is not obtained at the Stockholder Meeting, the Company shall use its reasonable best efforts to solicit the Requisite Stockholder Approval at its next occurring annual meeting of the Company's stockholders, or, if such annual meeting is not scheduled to be held within six months after the Stockholder Meeting, a special meeting of the Company's stockholders to be held within six months of the Stockholder Meeting (the "**Extended Stockholder Approval Period**"). If the Requisite Stockholder Approval is not obtained within the Extended Stockholder Approval Period, then the Company shall convene additional stockholder meetings every six months thereafter until the Requisite Stockholder Approval is obtained. The Company shall enforce the terms of each Support Agreement, and shall not amend or waive any provision of any Support Agreement.

**4.12 Conversion and Exercise Procedures.** The form of Notice of Conversion included in the Certificate of Designation sets forth the totality of the procedures required of the Purchasers in order to convert the Securities. Without limiting the preceding sentence, no ink-original Notice of Conversion shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Conversion form be required in order for the registered holder thereof to convert the Securities. In the event that the conversion of a Purchaser's Securities would require filing notification and report forms with the Federal Trade Commission and Antitrust Division of the Department of Justice pursuant to the Hart-Scott Rodino Antitrust Improvements Act of 1976, as amended (the "HSR Act"), then such Purchaser and the Company agree (i) to use their commercially reasonable

efforts to complete all applicable filings and provide all necessary information as required pursuant to the HSR Act, and (ii) the conversion of such Purchaser's Securities shall not occur until such time as the required filings are either (A) made pursuant to the HSR Act and the required waiting periods have passed or early termination has been granted or (B) no longer required either due to the change in the value of the Securities or a change in the relevant threshold pursuant to the HSR Act. Any filing fee required to be paid in connection with a filing under the HSR Act for the conversion of a Purchaser's Securities shall be the responsibility of such Purchaser. No additional legal opinion, other information or instructions shall be required of a Purchaser to convert its Securities. The Company shall honor conversions of the Securities and shall deliver Conversion Shares in accordance with the terms, conditions and time periods set forth in the Transaction Documents.

**4.13 Lock-Up Agreements.** The Company shall not consent or agree to amend, alter, waive or otherwise modify the terms of any of the Lock-Up Agreements (as defined in the Merger Agreement) without the consent of the Placement Agent.

**4.14 Indemnification of Purchasers.** Subject to the provisions of this Section 4.14, the Company will indemnify and hold each Purchaser and its directors, officers, shareholders, members, partners, employees, investment advisers and agents (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding a lack of such title or any other title), each Person who controls such Purchaser (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act), and the directors, officers, shareholders, agents, members, partners, investment advisers or employees (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding a lack of such title or any other title) of such controlling persons (each, a "**Purchaser Party**") harmless from any and all losses, liabilities, obligations, claims, contingencies, damages, costs and expenses, including all judgments, amounts paid in settlements, court costs and reasonable attorneys' fees and costs of investigation that any such Purchaser Party may suffer or incur as a result of or relating to (i) any material breach of any of the representations, warranties, covenants or agreements made by the Company in this Agreement or in the other Transaction Documents or (ii) any Action instituted against a Purchaser in any capacity, or any Purchaser Party, by any stockholder of the Company who is not an Affiliate of such Purchaser seeking indemnification, with respect to any of the transactions contemplated by the Transaction Documents (unless such Action is based upon a breach of such Purchaser's representations, warranties or covenants under the Transaction Documents). Promptly after receipt by any such Person (the "**Indemnified Person**") of notice of any demand, claim or circumstances that would or may give rise to a claim or the commencement of any Proceeding or investigation in respect of which indemnity may be sought pursuant to this Section 4.14, such Indemnified Person shall promptly notify the Company in writing and the Company shall assume the defense thereof, including the employment of counsel reasonably satisfactory to such Indemnified Person, and shall assume the payment of all fees and expenses relating to such Proceeding or investigation; provided, however, that the failure of any Indemnified Person so to notify the Company shall not relieve the Company of its obligations hereunder except to the extent that the Company is actually and materially prejudiced by such failure to notify. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless: (i) the Company and the Indemnified Person shall have mutually agreed to the retention of such counsel; (ii) the Company shall have failed promptly to assume the defense of such proceeding and to employ counsel reasonably satisfactory to such Indemnified Person in such proceeding; or (iii) in the reasonable judgment of counsel to such Indemnified Person, representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. In the event of the circumstances described in the foregoing clause (iii), if the Indemnified Person notifies the Company in writing that such Indemnified Person elects to employ separate counsel at the expense of the Company, then the Company shall not have the right to assume the defense of such claim on behalf of such Indemnified Person. The Company shall not be liable for any settlement of any proceeding effected without its prior written consent, which consent shall not be unreasonably withheld, delayed or conditioned or to the extent fees or costs incurred pursuant to this Section 4.14 are attributable to the Indemnified Person's breach of any of the representations, warranties, covenants or agreements made by the Purchasers in this Agreement or the other Transaction Documents. Without the prior written consent of the Indemnified Person, which consent shall not be unreasonably withheld, delayed or conditioned, the Company shall not effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnity could have been sought hereunder by such Indemnified Person, unless such settlement includes an unconditional release of such Indemnified Person from all liability arising out of such proceeding.

**4.15 Equal Treatment of Purchasers.** No consideration shall be offered or paid to any Purchaser to amend or consent to a waiver or modification of any provision of this Agreement unless the same consideration is also offered to all of the Purchasers. For clarification purposes, this provision constitutes a separate right granted to each Purchaser by the Company and negotiated separately by each Purchaser and shall not in any way be construed as the Purchasers acting in concert or as a group with respect to the purchase, disposition or voting of shares of Common Stock or otherwise.

## ARTICLE 5

(a) **Representations and Warranties.** The representations and warranties made by each Purchaser in Section 3.2 hereof shall be true and correct in all material respects (except for those representations and warranties which are qualified as to materiality, in which case such representations and warranties shall be true and correct in all respects) as of the date when made, and as of the Closing Date as though made on and as of such date, except for representations and warranties that speak as of a specific date, which shall be true and correct in all material respects (except for those representations and warranties which are qualified as to materiality or Material Adverse Effect, which representations and warranties shall be true and correct in all respects) as of such date.

(f) **Termination.** This Agreement shall not have been terminated as to such Purchaser in accordance with Section 6.17 herein.

## ARTICLE 6

### MISCELLANEOUS

**6.1 Fees and Expenses.** The Company and the Purchasers shall each pay the fees and expenses of their respective advisers, counsel, accountants and other experts, if any, and all other expenses incurred by such party in connection with the negotiation, preparation, execution, delivery and performance of this Agreement. The Company shall pay all Transfer Agent fees, stamp taxes and other taxes and duties levied in connection with the issuance and sale of the Securities to the Purchasers.

**6.2 Entire Agreement.** The Transaction Documents, together with the exhibits and schedules thereto, contain the entire understanding of the parties with respect to the subject matter hereof and thereof and supersede all prior agreements, understandings, discussions and representations, oral or written, with respect to such matters, which the parties acknowledge have been merged into such documents, exhibits and schedules. Before or at the Closing, the Company and the Purchasers will execute and deliver to the other such further documents as may be reasonably requested in order to give practical effect to the intention of the parties under the Transaction Documents.

**6.3 Notices.** Any and all notices or other communications or deliveries required or permitted to be provided hereunder shall be in writing and shall be deemed given and effective on the earliest of (a) the date of transmission, if such notice or communication is delivered via electronic mail at the e-mail address specified in this Section 6.3 prior to 5:00 P.M., New York City time, on a Trading Day, (b) the next Trading Day after the date of transmission, if such notice or communication is delivered via electronic mail at the e-mail address or facsimile number specified in this Section 6.3 on a day that is not a Trading Day or later than 5:00 P.M., New York City time, on any Trading Day, (c) the Trading Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service with next day delivery specified, or (d) upon actual receipt by the party to whom such notice is required to be given if delivered personally or if sent by U.S. certified or registered mail, return receipt requested; provided, in the case of clauses (a) and (b), that notice shall not be deemed given or effective if the sender receives an automatic system-generated response that such electronic mail was undeliverable. **6.4 Amendments; Waivers; No Additional Consideration.** No provision of this Agreement may be waived, modified, supplemented or amended except in a written instrument signed, in the case of an amendment, by the Company and the Purchasers of at least a majority in interest of the Securities still held by Purchasers, provided that (i) no amendment to Section 4.4, Section 4.5, Section 4.9, Section 4.10, Section 4.11, Section 4.14, Section 4.15 this Section 6.4 or Section 6.17 may be made without the consent of each Purchaser, or, in the case of a waiver, by the party against whom enforcement of any such waiver is sought and (ii) any proposed amendment that would, by its terms, have a disproportionate and materially adverse effect on any Purchaser shall require the consent of such Purchaser(s). No waiver of any default with respect to any provision, condition or requirement of this Agreement shall be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement hereof, nor shall any delay or omission of either party to exercise any right hereunder in any manner impair the exercise of any such right. No consideration shall be offered or paid to any Purchaser to amend or consent to a waiver or modification of any provision of any Transaction Document unless the same consideration is also offered to all Purchasers who then hold Securities.

**6.5 Construction.** The headings herein are for convenience only, do not constitute a part of this Agreement and shall not be deemed to limit or affect any of the provisions hereof. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against any party. This Agreement shall be construed as if drafted jointly by the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Agreement or any of the Transaction Documents. As used in this Agreement, the words "include" and "including," and variations thereof, shall not be deemed to be terms of limitation, but rather shall be deemed to be followed by the words "without limitation."

**6.6 Successors and Assigns.** The provisions of this Agreement shall inure to the benefit of and be binding upon the parties and their successors and permitted assigns. This Agreement, or any rights or obligations hereunder, may not be assigned by the Company without the prior written consent of each Purchaser. Any Purchaser may assign its rights hereunder in whole or in part to any Person to whom such Purchaser assigns or transfers any Securities in compliance with the Transaction Documents and applicable law, provided such transferee shall agree in writing to be bound, with respect to the transferred Securities, by the terms and conditions of this Agreement that apply to the Purchasers.

**6.7 No Third-Party Beneficiaries.** This Agreement is intended for the benefit of the parties hereto and their respective successors and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other Person, except the Placement Agent is an intended third-party beneficiary of the representations and warranties in Article 3 and Article 4, and of this Section 6.7 and Section 6.18.

**6.8 Governing Law.** All questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be governed by and construed and enforced in accordance with the internal laws of the State of New York, without regard to the principles of conflicts of law thereof. Each party agrees that all Proceedings concerning the interpretations, enforcement and defense of the transactions contemplated by this Agreement and any other Transaction Documents (whether brought against a party hereto or its respective Affiliates, employees or agents) shall be commenced exclusively in the New York Courts. Each party hereto hereby irrevocably submits to the exclusive jurisdiction of the New York Courts for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein (including with respect to the enforcement of any of the Transaction Documents), and hereby irrevocably waives, and agrees not to assert in any Proceeding, any claim that it is not personally subject to the jurisdiction of any such New York Court, or that such Proceeding has been commenced in an improper or inconvenient forum. Each party hereto hereby irrevocably waives personal service of process and consents to process being served in any such Proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. **EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.**

**6.9 Survival.** Subject to applicable statute of limitations, the representations, warranties, agreements and covenants contained herein shall survive the Closing and the delivery of the Securities.

**6.10 Execution.** This Agreement may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party, it being understood that both parties need not sign the same counterpart. In the event that any signature is delivered by facsimile transmission, or by e-mail delivery of a “.pdf” format data file, or by any electronic signature complying with the U.S. E-SIGN Act of 2000 or the New York Electronic Signatures and Records Act, such signature shall create a legally valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or “.pdf” signature page were an original thereof.

**6.11 Severability.** If any provision of this Agreement is held to be invalid or unenforceable in any respect, the validity and enforceability of the remaining terms and provisions of this Agreement shall not in any way be affected or impaired thereby and the parties will attempt to agree upon a valid and enforceable provision that is a reasonable substitute therefor, and upon so agreeing, shall incorporate such substitute provision in this Agreement.

**6.12 Rescission and Withdrawal Right.** Notwithstanding anything to the contrary contained in (and without limiting any similar provisions of) the Transaction Documents, whenever any Purchaser exercises a right, election, demand or option under a Transaction Document and the Company does not timely perform its related obligations within the periods therein provided, then such Purchaser may rescind or withdraw, in its sole discretion from time to time upon written notice to the Company, any relevant notice, demand or election in whole or in part without prejudice to its future actions and rights.

**6.13 Remedies.** In addition to being entitled to exercise all rights provided herein or granted by Law, including recovery of damages, each of the Purchasers and the Company will be entitled to specific performance under the Transaction Documents, without the requirement of posting a bond. The parties agree that monetary damages may not be adequate compensation for any loss incurred by reason of any breach of obligations described in the foregoing sentence and hereby agree to waive in any action for specific performance of any such obligation (other than in connection with any action for a temporary restraining order) the defense that a remedy at law would be adequate.

**6.14 Payment Set Aside.** To the extent that the Company makes a payment or payments to any Purchaser pursuant to any Transaction Document or a Purchaser enforces or exercises its rights thereunder, and such payment or payments or the proceeds of such enforcement or exercise or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside, recovered from, disgorged by or are required to be refunded, repaid or otherwise restored to the Company, a trustee, receiver or any other person under any Law (including, without limitation, any bankruptcy law, state or federal law, common law or equitable cause of action), then to the extent of any such restoration the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such enforcement or setoff had not occurred.

**6.15 Adjustments in Share Numbers and Prices.** In the event of any stock split, subdivision, dividend or distribution payable in shares of Common Stock (or other securities or rights convertible into, or entitling the holder thereof to receive directly or indirectly shares of Common Stock), combination or other similar recapitalization or event occurring after the date hereof and prior to the Closing, each reference in any Transaction Document to a number of shares or a price per share shall be deemed to be amended to appropriately account for such event.

**6.16 Independent Nature of Purchasers' Obligations and Rights.** The obligations of each Purchaser under any Transaction Document are several and not joint with the obligations of any other Purchaser, and no Purchaser shall be responsible in any way for the performance of the obligations of any other Purchaser under any Transaction Document. The decision of each Purchaser to purchase Securities pursuant to the Transaction Documents has been made by such Purchaser independently of any other Purchaser and independently of any information, materials, statements or opinions as to the business, affairs, operations, assets, properties, liabilities, results of operations, condition (financial or otherwise) or prospects of the Company or any Subsidiary which may have been made or given by any other Purchaser or by any agent or employee of any other Purchaser, and no Purchaser and any of its agents or employees shall have any liability to any other Purchaser (or any other Person) relating to or arising from any such information, materials, statement or opinions. Nothing contained herein or in any Transaction Document, and no action taken by any Purchaser pursuant thereto, shall be deemed to constitute the Purchasers as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Purchasers are in any way acting in concert or as a group (including, without limitation, a "group" within the meaning of Section 13(d)(3) of the Exchange Act) with respect to such obligations or the transactions contemplated by the Transaction Documents. Each Purchaser acknowledges that no other Purchaser has acted as agent for such Purchaser in connection with making its investment hereunder and that no Purchaser will be acting as agent of such Purchaser in connection with monitoring its investment in the Securities or enforcing its rights under the Transaction Documents. Each Purchaser shall be entitled to independently protect and enforce its rights, including without limitation the rights arising out of this Agreement or out of the other Transaction Documents, and it shall not be necessary for any other Purchaser to be joined as an additional party in any proceeding for such purpose. Each Purchaser has been represented by its own separate legal counsel in its review and negotiation of the Transaction Documents. The Company has elected to provide all Purchasers with the same terms and Transaction Documents for the convenience of the Company and not because it was required or requested to do so by any Purchaser. It is expressly understood that each provision contained in this Agreement is between the Company and a Purchaser, solely, and not between the Company and the Purchasers collectively and not between and among the Purchasers.

**6.17 Termination.** This Agreement may be terminated and the sale and purchase of the Securities abandoned at any time prior to the Closing (i) automatically if the Closing has not been consummated on or prior to 5:00 P.M., New York City time, on Outside Date, (ii) by a Purchaser (with respect to itself) if any of the conditions set forth in Section 5.1 shall have become incapable of fulfillment, and shall not have been waived by such Purchaser, or (iii) automatically if the Merger Agreement is terminated in accordance with its terms; *provided, however*, that the right to terminate this Agreement under clause (ii) shall not be available to any Person whose failure to comply with its

obligations under this Agreement has been the cause of or resulted in the failure of the Closing to occur on or before such time. Nothing in this Section 6.17 shall be deemed to release any party from any liability for any breach by such party of the terms and provisions of this Agreement or the other Transaction Documents or to impair the right of any party to compel specific performance by any other party of its obligations under this Agreement or the other Transaction Documents. In the event of a termination pursuant to this Section 6.17, the Company shall promptly notify all non-terminating Purchasers. Upon a termination in accordance with this Section 6.17, the Company and the terminating Purchaser(s) shall not have any further obligation or liability (including arising from such termination) to the other, and no Purchaser will have any liability to any other Purchaser under the Transaction Documents as a result therefrom.

**6.18 Exculpation of the Placement Agent.** Each party hereto agrees for the express benefit of the Placement Agent, its Affiliates and its representatives that:

(a) The Placement Agent is acting as placement agent for the Company solely in connection with the sale of the Securities and is not acting in any other capacity and is not and shall not be construed as a fiduciary for any Purchaser, or any other person or entity in connection with the sale of Securities.

(b) Neither the Placement Agent nor any of its Affiliates or representatives (i) shall be liable for any improper payment made in accordance with the information provided by the Company; (ii) has made or will make any representation or warranty, express or implied, of any kind or character, and has not provided any recommendation in connection with the purchase or sale of the Securities; (iii) has any responsibilities as to the validity, accuracy, completeness, value or genuineness, as of any date, of any information, certificates or documentation delivered by or on behalf of the Company pursuant to this Agreement, the other Transaction Documents or the Merger Agreement, or in connection with any of the transactions contemplated by such agreements; (iv) shall be liable or have any obligation (including, without limitation, for or with respect to any losses, claims, damages, obligations, penalties, judgments, awards, liabilities, costs, expenses or disbursements incurred by any Purchaser, the Company or any other Person or entity), whether in contract, tort or otherwise to any Purchaser or to any person claiming through such Purchaser, (A) for any action taken, suffered or omitted by any of them in good faith and reasonably believed to be authorized or within the discretion or rights or powers conferred upon it by this Agreement, any other Transaction Document or the Merger Agreement, (B) for anything which any of them may do or refrain from doing in connection with this Agreement, any other Transaction Document or the Merger Agreement, or (C) for anything otherwise in connection with the purchase and sale of the Securities or the issuance of the Conversion Shares, except in each case for such party's own gross negligence or willful misconduct.

**6.19 Arm's-Length Transaction.** The Company acknowledges and agrees that (i) the transactions described in this Agreement are an arm's-length commercial transaction between the parties, (ii) the Purchasers have not assumed nor will they assume an advisory or fiduciary responsibility in the Company's favor with respect to any of the transactions contemplated by this Agreement or the process leading thereto, and the Purchasers have no obligation to the Company with respect to the transactions contemplated by this Agreement except those obligations expressly set forth in this Agreement or the other Transaction Documents to which they are a party, and (iii) the Company's decision to enter into the Transaction Documents and the Merger Agreement has been based solely on the independent evaluation by the Company and its representatives.

Ladies and Gentlemen:

Reference is made to that certain Securities Purchase Agreement, dated as of November 13, 2023 (the "**Agreement**"), by and among Selecta Biosciences, Inc., a Delaware corporation (the "**Company**"), and the purchasers named on the signature pages thereto (collectively, and including permitted transferees, the "**Holder**s"), pursuant to which the Company is issuing to the Holders shares (the "**Shares**") of Series A Convertible Preferred Stock, par value \$0.0001 per share, which will be convertible into shares (the "**Conversion Shares**") of the Company's common stock, par value \$0.0001 per share (the "**Common Stock**").

This letter shall serve as our irrevocable authorization and direction to you to issue the Shares as book-entry restricted shares in the names and denominations specified on Schedule I hereto. The Shares have not been registered under the Securities Act of 1933, as amended (the "**Securities Act**") and are, therefore, "restricted securities." Accordingly, the Shares shall bear the following restrictive legend:

NEITHER THE OFFER AND SALE OF THE SECURITIES REPRESENTED HEREBY NOR THE SECURITIES ISSUABLE UPON EXERCISE OF THESE SECURITIES HAVE BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES. THESE SECURITIES AND THE SECURITIES ISSUABLE UPON EXERCISE OF THESE SECURITIES MAY NOT BE SOLD, OFFERED FOR SALE, PLEDGED, HYPOTHECATED, TRANSFERRED OR ASSIGNED IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER APPLICABLE SECURITIES LAWS, OTHER THAN PURSUANT TO AN AVAILABLE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THOSE LAWS. THE COMPANY AND ITS TRANSFER AGENT SHALL BE ENTITLED TO REQUIRE AN OPINION OF COUNSEL SATISFACTORY TO THE COMPANY AND THE TRANSFER AGENT THAT SUCH REGISTRATION IS NOT REQUIRED.

This letter shall also serve as our irrevocable authorization and direction to you (provided that you are the transfer agent of the Company at such time and the conditions set forth in this letter are satisfied), subject to any stop transfer instructions that we may issue to you from time to time, if any, to issue shares of Common Stock upon conversion, transfer or resale of the Shares.

You acknowledge and agree that so long as you have received (a) written confirmation from the Company's legal counsel that either (1) a registration statement covering resales of the Conversion Shares has been declared effective by the Securities and Exchange Commission (the "**Commission**") under the Securities Act, or (2) the Conversion Shares have been sold in conformity with Rule 144 under the Securities Act ("**Rule 144**") or are eligible for sale under Rule 144, without the requirement for the Company to be in compliance with the current public information required under Rule 144 as to such securities and without volume or manner-of-sale restrictions and (b) if applicable, a copy of such registration statement, then, unless otherwise required by law, within two trading days of your receipt of a properly completed and duly executed conversion notice or a notice of transfer of Shares, you shall issue the Conversion Shares registered in the names of such Holders or transferees, as the case may be, and the account position evidencing such Conversion Shares shall not bear any legend restricting transfer of the Shares thereby and should not be subject to any stop-transfer restriction.

A form of written confirmation from the Company's outside legal counsel that a registration statement covering resales of the Conversion Shares has been declared effective by the Commission under the Securities Act is attached hereto as Annex I.

Please be advised that the Holders are relying upon this letter as an inducement to enter into the Agreement and, accordingly, each Holder is a third party beneficiary to these instructions.

Please execute this letter in the space indicated to acknowledge your agreement to act in accordance with these instructions.

Very truly yours,

**Re: Selecta Biosciences, Inc.**

Ladies and Gentlemen:

We are counsel to Selecta Biosciences, Inc., a Delaware corporation (the "**Company**"), and have represented the Company in connection with that certain Securities Purchase Agreement, dated as of November 13, 2023, entered into by and among the Company and the purchasers named therein (collectively, the "**Purchasers**") pursuant to which the Company issued to the Purchasers shares of the Company's Series A Convertible Preferred Stock, \$0.0001 par value per share (the "**Shares**"). Pursuant to that certain Registration Rights Agreement dated as of the same date, the Company agreed to register the resale of the Company's common stock, \$0.0001 par value per share (the "**Common Stock**"), issuable upon conversion of the Shares (the "**Registrable Securities**"), under the Securities Act of 1933, as amended (the "**Securities Act**"). In connection with the Company's obligations under the Registration Rights Agreement on \_\_\_\_\_, the Company filed a Registration Statement on Form S-3 (File No. 333-\_\_\_\_\_) (the "**Registration Statement**") with the Securities and Exchange Commission (the "**Commission**") relating to the Registrable Securities which names each of the Purchasers as a selling stockholder thereunder and set forth as Exhibit A hereto.

In connection with the foregoing, we advise you that a member of the Commission's staff has advised us by telephone that the Commission has entered an order declaring the Registration Statement effective under the Securities Act at \_\_\_\_\_ [a.m.][p.m.] on \_\_\_\_\_, \_\_, and we have no knowledge, after reviewing the Commission's "Stop Orders" web page (<http://sec.gov/litigation/stoporders.shtml>), that any stop order suspending its effectiveness has been issued or that any proceedings for that purpose are pending before, or threatened by, the Commission and the Registrable Securities are available for resale under the Securities Act pursuant to the Registration Statement.

This letter shall serve as our standing notice to you that the Common Stock may be freely transferred by the Purchasers pursuant to the Registration Statement. You need not require further letters from us to effect any future legend-free issuance or reissuance of shares of Common Stock to the Purchasers or the transferees of the Purchasers, as the case may be, as contemplated by the Company's Irrevocable Transfer Agent Instructions dated \_\_\_\_\_, \_\_, provided at the time of such reissuance, the Company has not otherwise notified you that the Registration Statement is unavailable for the resale of the Registrable Securities. This letter shall serve as our standing instructions with regard to this matter.

Very truly yours,

## 2. Registration.

(a) On or prior to the Filing Deadline, the Company shall prepare and file with the Commission a Registration Statement covering the resale of all of the Registrable Securities for an offering to be made on a continuous basis pursuant to Rule 415 (the “*Initial Registration Statement*”). The Initial Registration Statement shall be on Form S-3 (except if the Company is then ineligible to register for resale the Registrable Securities on Form S-3, in which case such registration shall be on such other form available to register for resale the Registrable Securities as a secondary offering) subject to the provisions of [Section 2\(c\)](#) and shall contain (except if otherwise required pursuant to written comments received from the Commission upon a review of such Registration Statement) the “Plan of Distribution” section substantially in the form attached hereto as [Annex A](#) (which may be modified to respond to comments, if any, provided by the Commission). Notwithstanding the registration obligations set forth in this [Section 2](#), in the event the Commission informs the Company that all of the Registrable Securities cannot, as a result of the application of Rule 415, be registered for resale as a secondary offering on a single registration statement, the Company agrees to promptly (i) inform each of the Holders thereof and use its commercially reasonable efforts to file amendments to the Initial Registration Statement as required by the Commission and/or (ii) withdraw the Initial Registration Statement and file a new registration statement (a “*New Registration Statement*”), in either case covering the maximum number of Registrable Securities permitted to be registered by the Commission, on Form S-3 or, if the Company is ineligible to register the Registrable Securities on Form S-3, such other form available to register for resale the Registrable Securities as a secondary offering; *provided, however*, that prior to filing such amendment or New Registration Statement, the Company shall be obligated to use its commercially reasonable efforts to advocate with the Commission for the registration of all of the Registrable Securities in accordance with the SEC Guidance, including without limitation, the Securities Act Rules Compliance and Disclosure Interpretations Question 612.09. Notwithstanding any other provision of this Agreement, if the Commission or any SEC Guidance sets forth a limitation of the number of Registrable Securities permitted to be registered on a particular Registration Statement as a secondary offering (and notwithstanding that the Company used diligent efforts to advocate with the Commission for the registration of all or a greater number of Registrable Securities), unless otherwise directed in writing by a Holder as to its Registrable Securities, the number of Registrable Securities to be registered on such Registration Statement will first be reduced by Registrable Securities not subject to this Agreement (whether pursuant to registration rights or otherwise), and second by Registrable Securities represented by Shares applied to the Holders on a pro rata basis based on the total number of Shares held by such Holders, subject to a determination by the Commission that certain Holders must be reduced first based on the number of Shares held by such Holders. In the event of a cutback hereunder, the Company shall give the Holder at least one Trading Day prior notice along with the calculations as to such Holder’s allotment. In the event the Company amends the Initial Registration Statement or files a New Registration Statement, as the case may be, in accordance with the foregoing, the Company will use its commercially reasonable efforts to file with the Commission, as promptly as allowed by Commission or SEC Guidance provided to the Company or to registrants of securities in general, one or more registration statements on Form S-3 or such other form available to register for resale those Registrable Securities that were not registered for resale on the Initial Registration Statement, as amended, or the New Registration Statement (the “*Remainder Registration Statements*”). No Holder shall be named as an “underwriter” in any Registration Statement without such Holder’s prior written consent.

(b) The Company shall use its commercially reasonable efforts to cause each Registration Statement to be declared effective by the Commission as soon as practicable and, with respect to the Initial Registration Statement or the New Registration Statement, as applicable, no later than the Effectiveness Deadline (including filing with the Commission a request for acceleration of effectiveness in accordance with Rule 461), and shall use its commercially reasonable efforts to keep each Registration Statement continuously effective under the Securities Act until the earlier of (i) such time as all of the Registrable Securities covered by such Registration Statement have been publicly sold by the Holders; or (ii) the date that all Registrable Securities covered by such Registration Statement may be sold without volume or manner-of-sale restrictions pursuant to Rule 144, without the requirement for the Company to be in compliance with the current public information requirement under Rule 144 (the “*Effectiveness Period*”). The Company shall promptly notify the Holders via e-mail of the effectiveness of a Registration Statement or any post-effective amendment thereto on the same Trading Day that the Company confirms effectiveness with the Commission, which date of confirmation shall initially be the date requested for effectiveness of such Registration Statement. The Company shall, by 9:30 A.M. New York City time on the first Trading Day after the Effective Date, file a final Prospectus with the Commission, as required by Rule 424(b) and shall provide the Purchasers with copies of the final Prospectus to be used in connection with the sale or other disposition of the securities covered thereby. The Company shall promptly inform each Holder in writing if, at any time during the Effectiveness Period, the Company does not satisfy the conditions specified in Rule 172 and, as a result thereof, the Holder is required to deliver a Prospectus in connection with any disposition of Registrable Securities.

(c) Each Holder of Registrable Securities to be sold agrees to furnish to the Company a completed Selling Stockholder Questionnaire not more than ten Trading Days following the date of this Agreement. At least 10 Trading Days prior to the first anticipated filing date of a Registration Statement for any registration under this Agreement, the Company will notify each Holder of the information the Company requires from that Holder for inclusion in the Registration Statement other than the information contained in the Selling Stockholder Questionnaire, if any, which shall be completed and delivered to the Company promptly upon request and, in any event, within three Trading Days prior to the applicable anticipated filing date. Each Holder further agrees that it shall not be entitled to be named as a selling securityholder in the Registration Statement or use the Prospectus for offers and resales of Registrable Securities at any time, unless such Holder has provided such information to the Company and responded to any reasonable requests for further information as described in the previous sentence. Each Holder acknowledges and agrees that the information in the Selling Stockholder Questionnaire or request for further information as described in this Section 2(c) will be used by the Company in the preparation of the Registration Statement and hereby consents to the inclusion of such information in the Registration Statement (subject to such Holder's right to timely review the Registration Statement as set forth herein).

(d) In the event that Form S-3 is not available for the registration of the resale of Registrable Securities hereunder, the Company shall (i) register the resale of the Registrable Securities on another appropriate form reasonably acceptable to the Holders and (ii) undertake to register the Registrable Securities on Form S-3 promptly after such form is available, *provided* that the Company shall maintain the effectiveness of the Registration Statement then in effect until such time as a Registration Statement on Form S-3 covering the Registrable Securities has been declared effective by the Commission.

### 3. Registration Procedures

In connection with the Company's registration obligations hereunder, the Company shall:

(a) Not less than five Trading Days prior to the filing of each Registration Statement and not less than two Trading Days prior to the filing of any related Prospectus or any amendment or supplement thereto (except for Annual Reports on Form 10-K, and Quarterly Reports on Form 10-Q and Current Reports on Form 8-K and any similar or successor reports), (i) furnish to each Holder copies of such Registration Statement, Prospectus or amendment or supplement thereto, as proposed to be filed, which documents will be subject to the review of such Holder (it being acknowledged and agreed that if a Holder does not object to or comment on the aforementioned documents within such period, then the Holder shall be deemed to have consented to and approved the use of such documents) and (ii) to the extent that a Holder is identified in the Registration Statement as an "underwriter" (as defined in the Securities Act), use commercially reasonable efforts to cause its officers and directors, counsel and independent registered public accountants to respond to such inquiries as shall be necessary, in the reasonable opinion of respective counsel to each Holder, to conduct a reasonable investigation within the meaning of the Securities Act; it being understood that no Holder shall be named an "underwriter" without such Holder's prior written consent. The Company shall not file any Registration Statement or amendment or supplement thereto in a form to which a Holder reasonably objects in good faith, provided that, such Holder notifies the Company of such objection in writing within the periods described above, as applicable.

(b) (i) Prepare and file with the Commission such amendments (including post-effective amendments) and supplements, to each Registration Statement and the Prospectus used in connection therewith as may be necessary to keep such Registration Statement continuously effective as to the applicable Registrable Securities for its Effectiveness Period and prepare and file with the Commission such additional Registration Statements in order to register for resale under the Securities Act all of the Registrable Securities; (ii) cause the related Prospectus to be amended or supplemented by any required Prospectus supplement (subject to the terms of this Agreement), and, as so supplemented or amended, to be filed pursuant to Rule 424; (iii) respond as promptly as reasonably practicable to any comments received from the Commission with respect to each Registration Statement or any amendment thereto and, as promptly as reasonably possible, provide the Holders true and complete copies of all correspondence from and to the Commission relating to such Registration Statement that pertains to the Holders as "Selling Stockholders" but not any comments that would result in the disclosure to the Holders of material and

non-public information concerning the Company (unless such Holder consents to receive such material and non-public information); and (iv) comply with the provisions of the Securities Act and the Exchange Act with respect to the disposition of all Registrable Securities covered by a Registration Statement until such time as all of such Registrable Securities shall have been disposed of (subject to the terms of this Agreement) in accordance with the intended methods of disposition by the Holders thereof as set forth in such Registration Statement as so amended or in such Prospectus as so supplemented; *provided, however*, that each Purchaser shall be responsible for the delivery of the Prospectus to the Persons to whom such Purchaser sells any of the Registrable Securities (including in accordance with Rule 172 under the Securities Act) to the extent required under the Securities Act, and each Purchaser agrees to dispose of Registrable Securities in compliance with the "Plan of Distribution" described in the Registration Statement and otherwise in compliance with applicable federal and state securities laws. In the case of amendments and supplements to a Registration Statement which are required to be filed pursuant to this Agreement (including pursuant to this Section 3(b)) by reason of the Company filing a report on Form 10-K, Form 10-Q or Form 8-K or any analogous report under the Exchange Act, the Company shall have incorporated such report by reference into such Registration Statement, if applicable, or shall file such amendments or supplements with the Commission on the same day on which the Exchange Act report which created the requirement for the Company to amend or supplement such Registration Statement was filed.

(c) Notify the Holders of Registrable Securities to be sold (which notice shall, if given pursuant to clauses (iii) through (vi) hereof, be accompanied by an instruction to suspend the use of the Prospectus until the requisite changes have been made, provided that the Company shall omit any material, non-public information relating to the Company and/or any of its subsidiaries) as promptly as reasonably practicable (and, in the case of (i)(A) below, not less than one Trading Day prior to such filing) and (if requested by any such Person) confirm such notice in writing no later than one Trading Day following the day: (i)(A) when a Prospectus or any Prospectus supplement or post-effective amendment to a Registration Statement is proposed to be filed; (B) when the Commission notifies the Company whether there will be a "review" of such Registration Statement and whenever the Commission comments in writing on any Registration Statement (in which case the Company shall provide to each of the Holders true and complete copies of all comments that pertain to the Holders as a "Selling Stockholder" or to the "Plan of Distribution" and all written responses thereto, but not information that the Company believes would constitute material and non-public information); and (C) with respect to each Registration Statement or any post-effective amendment, when the same has become effective; (ii) of any request by the Commission or any other Federal or state governmental authority for amendments or supplements to a Registration Statement or Prospectus or for additional information that pertains to the Holders as "Selling Stockholders" or the "Plan of Distribution"; (iii) of the issuance by the Commission or any other federal or state governmental authority of any stop order suspending the effectiveness of a Registration Statement covering any or all of the Registrable Securities or the initiation of any Proceedings for that purpose; (iv) of the receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Registrable Securities for sale in any jurisdiction, or the initiation or threatening of any Proceeding for such purpose; (v) of the occurrence of any event or passage of time that makes the financial statements included or incorporated by reference in a Registration Statement ineligible for inclusion or incorporation by reference therein or any statement made in such Registration Statement or Prospectus or any document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires any revisions to such Registration Statement, Prospectus or other documents so that, in the case of such Registration Statement or the Prospectus, as the case may be, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus, form of prospectus or supplement thereto, in light of the circumstances under which they were made), not misleading and (vi) of the occurrence or existence of any pending corporate development with respect to the Company that, upon the advice of legal counsel, the Company's board of directors reasonably believes may be material and that, in the reasonable determination of the Company's board of directors, makes it not in the best interest of the Company to allow continued availability of a Registration Statement or Prospectus, *provided* that, any and all such information shall remain confidential to each Holder until such information otherwise becomes public, unless disclosure by a Holder is required by law; and *provided, further*, that notwithstanding each Holder's agreement to keep such information confidential, each such Holder makes no acknowledgement that any such information is material, non-public information.

(d) Use commercially reasonable efforts to avoid the issuance of, or, if issued, obtain the withdrawal of (i) any order stopping or suspending the effectiveness of a Registration Statement, or (ii) any suspension of the qualification (or exemption from qualification) of any of the Registrable Securities for sale in any jurisdiction, as soon as practicable.

(e) If requested by a Holder, furnish to such Holder, without charge, at least one conformed copy of each Registration Statement and each amendment thereto, including financial statements and schedules, all documents incorporated or deemed to be incorporated therein by reference to the extent requested by such Person, and all exhibits to the extent requested by such Person (including those previously furnished or incorporated by reference) promptly after the filing of such documents with the Commission; *provided*, that the Company shall have no obligation to provide any document pursuant to this clause that is available on the Commission's EDGAR system.

(f) Prior to any resale of Registrable Securities by a Holder, use its commercially reasonable efforts to register or qualify or cooperate with the selling Holders in connection with the registration or qualification (or exemption from the registration or qualification) of the resale of such Registrable Securities (or, in the case of qualification, of such Registrable Securities for the resale) by the Holder under the securities or blue sky laws of such jurisdictions within the United States as any Holder reasonably requests in writing, to keep each registration or qualification (or exemption therefrom) effective during the Effectiveness Period and to do any and all other acts or things reasonably necessary to enable the disposition in such jurisdictions of the Registrable Securities covered by each Registration Statement; *provided*, that the Company shall not be required to qualify generally to do business in any jurisdiction where it is not then so qualified, subject to the Company to any material tax in any such jurisdiction where it is not then so subject or file a general consent to service of process in any such jurisdiction.

(g) Cooperate with such Holder to facilitate the timely preparation and delivery of book-entry statements representing Registrable Securities to be delivered to a transferee pursuant to the Registration Statement, which certificates or statements shall be free, to the extent permitted by the Purchase Agreement or the Merger Agreement, as applicable, and under law, of all restrictive legends, and to enable such Registrable Securities to be in such denominations and registered in such names as any such Holders may reasonably request.

(h) Following the occurrence of any event contemplated by Section 3(c), as promptly as reasonably practicable (taking into account the Company's good faith assessment of any adverse consequences to the Company and its shareholders of the premature disclosure of such event), prepare a supplement or amendment, including a post-effective amendment, to the affected Registration Statements or a supplement to the related Prospectus or any document incorporated or deemed to be incorporated therein by reference, and file any other required document so that, as thereafter delivered, no Registration Statement nor any Prospectus will contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus, form of prospectus or supplement thereto, in light of the circumstances under which they were made), not misleading. If the Company notifies the Holders in accordance with clauses (iii) through (vi) of Section 3(c), above to suspend the use of any Prospectus until the requisite changes to such Prospectus have been made, then the Holders shall suspend use of such Prospectus. The Company will use its commercially reasonable efforts to ensure that the use of the Prospectus may be resumed as promptly as is practicable. The Company shall be entitled to exercise its right under this Section 3(h) to suspend the availability of a Registration Statement and Prospectus in accordance with the time periods set forth in Section 6(d), which may be extended only in accordance with Section 6(f). For the avoidance of doubt, the Company's rights under this Section 3(h) shall include suspensions of availability arising from the filing of a post-effective amendment to a Registration Statement to update the Prospectus therein to include the information contained in the Company's Annual Report on Form 10-K, which suspensions may extend for the amount of time reasonably required to respond to any comments of the staff of the Commission on such amendment.

(i) The Company may require each selling Holder to furnish to the Company a certified statement as to (i) the number of shares of Common Stock beneficially owned by such Holder and any Affiliate thereof, (ii) any Financial Industry Regulatory Authority, Inc. ("FINRA") affiliations, (iii) any natural persons who have the power to vote or dispose of the Common Stock and (iv) any other information as may be requested by the Commission, FINRA or any state securities commission.

(j) The Company shall cooperate with any registered broker through which a Holder proposes to resell its Registrable Securities in effecting a filing with FINRA pursuant to FINRA Rule 5110 as requested by any such Holder and the Company shall pay the filing fee required for the first such filing within two Business Days of the request therefor.

(k) If at any time the Commission takes the position that the offering of some or all of the Registrable Securities in a Registration Statement is not eligible to be made on a delayed or continuous basis under the provisions of Rule 415 under the Securities Act or requires any Holder to be named as an "underwriter," the Company shall use commercially reasonable efforts to persuade the Commission that the offering contemplated by such Registration Statement is a valid secondary offering and not an offering "by or on behalf of the issuer" as defined in Rule 415 and that none of the Holders is an "underwriter."

4. Registration Expenses. All fees and expenses incident to the Company's performance of or compliance with its obligations under this Agreement (excluding any underwriting discounts and selling commissions and all legal fees and expenses of legal counsel for any Holder) shall be borne by the Company whether or not any Registrable Securities are sold pursuant to a Registration Statement. The fees and expenses referred to in the foregoing sentence shall include, without limitation, (i) all registration and filing fees (including, without limitation, fees and expenses of the Company's counsel and independent registered public accountants (A) with respect to filings required to be made with any Trading Market on which the Common Stock are then listed for trading, (B) with respect to compliance with applicable state securities or blue sky laws (including, without limitation, fees and disbursements of counsel for the Company in connection with blue sky qualifications or exemptions of the Registrable Securities and determination of the eligibility of the Registrable Securities for investment under the laws of such jurisdictions as requested by the Holders) and (C) if not previously paid by the Company in connection with Section 3(j) above, with respect to any filing that may be required to be made by any broker through which a Holder intends to make sales of Registrable Securities with FINRA pursuant to the FINRA Rule 5110, so long as the broker is receiving no more than a customary brokerage commission in connection with such sale), (ii) printing expenses (including, without limitation, expenses of printing prospectuses if the printing of prospectuses is reasonably requested by the Holders of a majority of the Registrable Securities included in the Registration Statement), (iii) messenger, telephone and delivery expenses, (iv) fees, expenses and disbursements of counsel for the Company, (v) Securities Act liability insurance, if the Company so desires such insurance, and (vi) fees and expenses of all other Persons retained by the Company in connection with the registrations and consummation of the transactions contemplated by this Agreement. In addition, the Company shall be responsible for all of its internal expenses incurred in connection with the consummation of the transactions contemplated by this Agreement (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties), the expense of any annual audit and the fees and expenses incurred in connection with the listing of the Registrable Securities on any securities exchange as required hereunder. In no event shall the Company be responsible for any underwriting, broker or similar fees or commissions of any Holder or, except to the extent provided for in the Transaction Documents, any legal fees or other costs of the Holders.

5. Indemnification.

(a) Indemnification by the Company. The Company shall, notwithstanding any termination of this Agreement, indemnify, defend and hold harmless each Holder and each of their respective officers, directors, agents, partners, members, managers, stockholders, Affiliates, investment advisers and employees of each of them, each Person who controls any such Holder (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) and the officers, directors, partners, members, managers, stockholders, agents, investment advisers and employees of each such controlling Person, to the fullest extent permitted by applicable law, from and against any and all losses, claims, damages, liabilities, costs (including, without limitation, reasonable costs of preparation and investigation and reasonable attorneys' fees), expenses and disbursements (collectively, "Losses"), as incurred, that arise out of or are based upon (i) any untrue or alleged untrue statement of a material fact contained in any Registration Statement, any Prospectus or any form of prospectus or in any amendment or supplement thereto or in any preliminary prospectus, or arising out of or relating to any omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus or form of prospectus or supplement thereto, in light of the circumstances under which they were made) not misleading, or (ii) any violation or alleged violation by the Company or its agents of the Securities Act, the Exchange Act or any state securities law or any rule or regulation thereunder, in connection with the performance of its obligations under this Agreement or any action or inaction required of the Company in connection with any registration, except to the extent, but only to the extent, that (A) such untrue statements, alleged untrue statements, omissions or alleged

omissions are based solely upon information regarding such Holder furnished in writing to the Company by such Holder expressly for use therein, or to the extent that such information relates to such Holder or such Holder's proposed method of distribution of Registrable Securities and was reviewed and approved in writing by such Holder expressly for use in the Registration Statement, such Prospectus or such form of Prospectus or in any amendment or supplement thereto (it being understood that each Holder has approved Annex A hereto for this purpose), (B) in the case of an occurrence of an event of the type specified in Section 3(c)(iii)-(vi), related to the use by a Holder of an outdated or defective Prospectus after the Company has notified such Holder in writing that the Prospectus is outdated or defective and prior to the receipt by such Holder of the Advice contemplated and defined in Section 6(d) below, to the extent that following the receipt of the Advice the misstatement or omission giving rise to such Loss would have been corrected or (C) to the extent that any such Losses arise out of the Purchaser's (or any other indemnified Person's) failure to send or give a copy of the Prospectus or supplement (as then amended or supplemented), if required, pursuant to Rule 172 (or any successor rule) to the Persons asserting an untrue statement or alleged untrue statement or alleged untrue statement or omission or alleged omission at or prior to the written confirmation of the sale of Registrable Securities to such Person if such statement or omission was corrected in such Prospectus or supplement. The Company shall notify the Holders promptly of the institution, threat or assertion of any Proceeding arising from or in connection with the transactions contemplated by this Agreement of which the Company is aware. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of an Indemnified Party (as defined in Section 5(c)) and shall survive the transfer of the Registrable Securities by the Holders.

(b) Indemnification by Holders. Each Holder shall, severally and not jointly, indemnify and hold harmless the Company, its directors, officers, agents and employees, each Person who controls the Company (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act), and the directors, officers, agents or employees of such controlling Persons, to the fullest extent permitted by applicable law, from and against all Losses, as incurred, arising out of or are based solely upon any untrue or alleged untrue statement of a material fact contained in any Registration Statement, any Prospectus, or any form of prospectus, or in any amendment or supplement thereto or in any preliminary prospectus, or arising out of or relating to any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus, or any form of prospectus or supplement thereto, in light of the circumstances under which they were made) not misleading (i) to the extent that such untrue statements or omissions are based solely upon information regarding such Holder furnished in writing to the Company by such Holder expressly for use therein or (ii) to the extent that such information relates to such Holder or such Holder's proposed method of distribution of Registrable Securities and was reviewed and approved in writing by such Holder expressly for use in a Registration Statement (it being understood that the Holder has approved Annex A hereto for this purpose), such Prospectus or such form of Prospectus or in any amendment or supplement thereto or (iii) in the case of an occurrence of an event of the type specified in Section 3(c)(iii)-(vi), to the extent related to the use by such Holder of an outdated or defective Prospectus after the Company has notified such Holder in writing that the Prospectus is outdated or defective and prior to the receipt by such Holder of the Advice contemplated in Section 6(d). In no event shall the liability of any selling Holder hereunder be greater in amount than the dollar amount of the net proceeds received by such Holder upon the sale of the Registrable Securities giving rise to such indemnification obligation.

(c) Conduct of Indemnification Proceedings. If any Proceeding shall be brought or asserted against any Person entitled to indemnity hereunder (an "*Indemnified Party*"), such Indemnified Party shall promptly notify the Person from whom indemnity is sought (the "*Indemnifying Party*") in writing, and the Indemnifying Party shall have the right to assume the defense thereof, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of all reasonable fees, expenses and disbursements incurred in connection with defense thereof; *provided*, that the failure of any Indemnified Party to give such notice shall not relieve the Indemnifying Party of its obligations or liabilities pursuant to this Agreement, except (and only) to the extent that it shall be finally determined by a court of competent jurisdiction (which determination is not subject to appeal or further review) that such failure shall have materially and adversely prejudiced the Indemnifying Party.

An Indemnified Party shall have the right to employ separate counsel in any such Proceeding and to participate in the defense thereof, but the fees, expenses and disbursements of such counsel shall be at the expense of such Indemnified Party or Indemnified Parties unless: (1) the Indemnifying Party has agreed in writing to pay such fees, expenses and amounts; (2) the Indemnifying Party shall have failed promptly to assume the defense of such Proceeding and to employ counsel reasonably satisfactory to such Indemnified Party in any such Proceeding; or (3)

the named parties to any such Proceeding (including any impleaded parties) include both such Indemnified Party and the Indemnifying Party, and such Indemnified Party shall have been advised by counsel that a conflict of interest exists if the same counsel were to represent such Indemnified Party and the Indemnifying Party (in which case, if such Indemnified Party notifies the Indemnifying Party in writing that it elects to employ separate counsel at the expense of the Indemnifying Party, the Indemnifying Party shall not have the right to assume the defense thereof and such counsel shall be at the expense of the Indemnifying Party); *provided*, that the Indemnifying Party shall not be liable for the fees, expenses and disbursements of more than one separate firm of attorneys at any time for all Indemnified Parties. The Indemnifying Party shall not be liable for any settlement of any such Proceeding effected without its written consent, which consent shall not be unreasonably withheld, delayed or conditioned. No Indemnifying Party shall, without the prior written consent of the Indemnified Party, effect any settlement of any pending Proceeding in respect of which any Indemnified Party is a party, unless such settlement includes an unconditional release of such Indemnified Party from all liability on claims that are the subject matter of such Proceeding.

Subject to the terms of this Agreement, all fees, expenses and disbursements of the Indemnified Party (including reasonable fees, expenses and disbursements to the extent incurred in connection with investigating or preparing to defend such Proceeding in a manner not inconsistent with this [Section 5](#)) shall be paid to the Indemnified Party, as incurred, within 20 Trading Days of written notice thereof to the Indemnifying Party; *provided*, that the Indemnified Party shall promptly reimburse the Indemnifying Party for that portion of such fees, expenses and disbursements applicable to such actions for which such Indemnified Party is finally judicially determined to not be entitled to indemnification hereunder. The failure to deliver written notice to the Indemnifying Party within a reasonable time of the commencement of any such action shall not relieve such Indemnifying Party of any liability to the Indemnified Party under this [Section 5](#), except to the extent that the Indemnifying Party is materially and adversely prejudiced in its ability to defend such action.

(d) Contribution. If a claim for indemnification under [Section 5\(a\)](#) or [5\(b\)](#) is unavailable to an Indemnified Party or insufficient to hold an Indemnified Party harmless for any Losses, then each Indemnifying Party, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of such Losses, in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party and Indemnified Party in connection with the actions, statements or omissions that resulted in such Losses as well as any other relevant equitable considerations. The relative fault of such Indemnifying Party and Indemnified Party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission of a material fact, has been taken or made by, or relates to information supplied by, such Indemnifying Party or Indemnified Party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action, statement or omission. The amount paid or payable by a party as a result of any Losses shall be deemed to include, subject to the limitations set forth in this Agreement, any reasonable attorneys' or other reasonable fees, expenses or disbursements incurred by such party in connection with any Proceeding to the extent such party would have been indemnified for such fees, expenses or disbursements if the indemnification provided for in this [Section 5](#) was available to such party in accordance with its terms.

The parties hereto agree that it would not be just and equitable if contribution pursuant to this [Section 5\(d\)](#) were determined by pro rata allocation or by any other method of allocation that does not take into account the equitable considerations referred to in the immediately preceding paragraph. Notwithstanding the provisions of this [Section 5\(d\)](#), (A) no Holder shall be required to contribute, in the aggregate, any amount in excess of the amount by which the net proceeds actually received by such Holder from the sale of the Registrable Securities subject to the Proceeding exceeds the amount of any damages that such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission and (B) no contribution will be made under circumstances where the maker of such contribution would not have been required to indemnify the Indemnified Party under the fault standards set forth in this [Section 5](#). No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

The indemnity and contribution agreements contained in this [Section 5](#) are in addition to any liability that the Indemnifying Parties may have to the Indemnified Parties and are not in diminution or limitation of the indemnification provisions under the Purchase Agreement.

6. Miscellaneous.

(a) Remedies. In the event of a breach by the Company or by a Holder of any of their obligations under this Agreement, each Holder or the Company, as the case may be, in addition to being entitled to exercise all rights granted by law and under this Agreement, including recovery of damages, will be entitled to seek specific performance of its rights under this Agreement, without the requirement of posting a bond. The Company and each Holder agree that monetary damages would not provide adequate compensation for any losses incurred by reason of a breach by it of any of the provisions of this Agreement and hereby further agrees that, in the event of any action for specific performance in respect of such breach, it shall waive the defense that a remedy at law would be adequate.

(b) No Piggyback on Registrations; Prohibition on Filing Other Registration Statements. Except and to the extent specified in the Purchase Agreement, neither the Company nor any of its security holders (other than the Holders in such capacity pursuant hereto) may include securities of the Company in a Registration Statement other than the Registrable Securities and the Company shall not prior to the Effective Date enter into any agreement providing any such right to any of its security holders. For the avoidance of doubt, the provisions of this Agreement shall not impact the terms of any lock-up agreement entered into by Purchaser for the benefit of the Company on or about the date hereof.

(c) Compliance. Each Holder covenants and agrees that it will comply with the prospectus delivery requirements of the Securities Act as applicable to it (unless an exemption therefrom is available) in connection with sales of Registrable Securities pursuant to the Registration Statement and shall sell the Registrable Securities only in accordance with a method of distribution described in the Registration Statement, or pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act.

(d) Discontinued Disposition. By its acquisition of Registrable Securities, each Holder agrees that, upon receipt of a notice from the Company of the occurrence of any event of the kind described in Section 3(c)(iii)-(vi), such Holder will forthwith discontinue disposition of such Registrable Securities under a Registration Statement until it is advised in writing (the "Advice") by the Company that the use of the applicable Prospectus (as it may have been supplemented or amended) may be resumed. The Company will use its commercially reasonable efforts to ensure that the use of the Prospectus may be resumed as promptly as is practicable. Notwithstanding anything herein to the contrary, no Holder shall be required to discontinue disposition of Registrable Securities under a Registration Statement by virtue of the delivery by the Company of a notice of the occurrence of any event of the kind described in Section 3(c)(vi) on more than two occasions or for more than 90 total calendar days, in each case during any twelve-month period, or for more than 45 calendar days during any 90-day period.

(e) No Inconsistent Agreements. Neither the Company nor any of its subsidiaries has entered, as of the date hereof, nor shall the Company or any of its subsidiaries, on or after the date hereof, enter into any agreement with respect to its securities, that would have the effect of impairing the rights granted to the Holders in this Agreement or otherwise conflicts with the provisions hereof.

(f) Amendments and Waivers. The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, or waived unless the same shall be in writing and signed by the Company and Holders holding no less than a majority of the then outstanding Registrable Securities, provided that (i) any party may give a waiver as to itself and (ii) any proposed amendment that would, by its terms, have a disproportionate and materially adverse effect on any Holder shall require the consent of such Holder(s). Notwithstanding the foregoing, (1) a waiver or consent to depart from the provisions hereof with respect to a matter that relates exclusively to the rights of Holders and that does not directly or indirectly affect the rights of other Holders may be given by Holders of all of the Registrable Securities to which such waiver or consent relates and (2) none of the definitions of Filing Deadline, Effectiveness Deadline or Effectiveness Period, Section 3(c), Section 5, Section 6(d), or the provisions of this sentence, may be amended, modified, or supplemented except with the consent of each Holder.

(g) Notices. Any and all notices or other communications or deliveries required or permitted to be provided hereunder shall be delivered as set forth in the Purchase Agreement or on the undersigned's signature page hereto, as applicable.

(h) Successors and Assigns. This Agreement shall inure to the benefit of and be binding upon the successors and permitted assigns of each of the parties and shall inure to the benefit of each Holder. Nothing in this Agreement, express or implied, is intended to confer upon any party other than the parties hereto or their respective successors and assigns any rights, remedies, obligations, or liabilities under or by reason of this Agreement, except as expressly provided in this Agreement. The Company may not assign its rights (except by merger or in connection with another entity acquiring all or substantially all of the Company's assets) or obligations hereunder without the prior written consent of all the Holders of the then outstanding Registrable Securities. Each Holder may assign its respective rights hereunder in the manner and to the Persons as permitted under the Purchase Agreement; provided in each case that (i) the Holder agrees in writing with the transferee or assignee to assign such rights and related obligations under this Agreement, and for the transferee or assignee to assume such obligations, and a copy of such agreement is furnished to the Company within a reasonable time after such assignment, (ii) the Company is, within a reasonable time after such transfer or assignment, furnished with written notice of the name and address of such transferee or assignee and the securities with respect to which such registration rights are being transferred or assigned, (iii) at or before the time the Company received the written notice contemplated by clause (ii) of this sentence, the transferee or assignee agrees in writing with the Company to be bound by all of the provisions contained herein and (iv) the transferee is an "accredited investor," as that term is defined in Rule 501 of Regulation D.

(i) Execution and Counterparts. This Agreement may be executed in two or more counterparts, each of which when so executed shall be deemed to be an original and, all of which taken together shall constitute one and the same Agreement and shall become effective when counterparts have been signed by each party and delivered to the other party, it being understood that both parties need not sign the same counterpart. Counterparts may be delivered via facsimile, electronic mail (including any electronic signature covered by the U.S. federal E-SIGN Act of 2000, Uniform Electronic Transactions Act, the Electronic Signatures and Records Act or other applicable law, e.g., www.docusign.com) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

(j) Governing Law. All questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be determined in accordance with the provisions of the Purchase Agreement.

(k) Cumulative Remedies. The remedies provided herein are cumulative and not exclusive of any other remedies provided by law.

(l) Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, illegal, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions set forth herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated, and the parties hereto shall use their good faith reasonable efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such term, provision, covenant or restriction. It is hereby stipulated and declared to be the intention of the parties that they would have executed the remaining terms, provisions, covenants and restrictions without including any of such that may be hereafter declared invalid, illegal, void or unenforceable.

(m) Headings. The headings in this Agreement are for convenience only and shall not limit or otherwise affect the meaning hereof.

(n) Independent Nature of Purchasers' Obligations and Rights. The obligations of each Purchaser under this Agreement are several and not joint with the obligations of any other Purchaser hereunder, and no Purchaser shall be responsible in any way for the performance of the obligations of any other Purchaser hereunder. The decision of each Purchaser to purchase Securities pursuant to the Transaction Documents has been made by such Purchaser independently of any other Purchaser and independently of any information, materials, statements or opinions as to the business, affairs, operations, assets, properties, liabilities, results of operations, condition (financial or otherwise) or prospects of the Company or any Subsidiary which may have been made or given by any other Purchaser or by any agent or employee of any other Purchaser, and no Purchaser and any of its agents or employees shall have any liability to any other Purchaser (or any other Person) relating to or arising from any such information, materials, statement or opinions. Nothing contained herein or in any Transaction Document, and no action taken by any Purchaser pursuant hereto or thereto, shall be deemed to constitute the Purchasers as a

partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Purchasers are in any way acting in concert or as a group (including, without limitation, a "group" within the meaning of Section 13(d)(3) of the Exchange Act) with respect to such obligations or the transactions contemplated by the Transaction Documents. Each Purchaser acknowledges that no other Purchaser has acted as agent for such Purchaser in connection with making its investment hereunder and that no Purchaser will be acting as agent of such Purchaser in connection with monitoring its investment in the securities or enforcing its rights under the Transaction Documents. Each Purchaser shall be entitled to independently protect and enforce its rights, including, without limitation, the rights arising out of this Agreement or out of the other Transaction Documents, and it shall not be necessary for any other Purchaser to be joined as an additional party in any Proceeding for such purpose. The Company acknowledges that each of the Purchasers has been provided with the same Registration Rights Agreement for the purpose of closing a transaction with multiple Purchasers and not because it was required or requested to do so by any Purchaser. It is expressly understood that each provision contained in this Agreement is between the Company and a Purchaser, solely, and not between the Company and the Purchasers collectively and not between and among the Purchasers.

(o) Current Public Information. With a view to making available to the Holders the benefits of Rule 144 (or its successor rule) and any other rule or regulation of the Commission that may at any time permit the Holders to sell shares of Common Stock to the public without registration, the Company covenants and agrees to use commercially reasonable efforts to: (i) make and keep adequate current public information available, as those terms are understood and defined in Rule 144, until the earlier of (A) six months after such date as all of the Registrable Securities may be sold without restriction by the holders thereof pursuant to Rule 144 or any other rule of similar effect or (B) such date as there are no longer Registrable Securities; and (ii) file with the SEC in a timely manner all reports and other documents required of the Company under the Exchange Act.

## PLAN OF DISTRIBUTION

We are registering the shares of common stock of Selecta Biosciences, Inc., par value of \$0.0001 per share, or the Common Stock, which we refer to herein as “Shares,” issued to the selling stockholders to permit the sale, transfer or other disposition of the Shares by the selling stockholders or their donees, pledgees, transferees or other successors-in-interest from time to time after the date of this prospectus. We will not receive any of the proceeds from the sale by the selling stockholders of the Shares. We will, or will procure to, bear all fees and expenses incident to our obligation to register the Shares.

The selling stockholders may sell all or a portion of the Shares beneficially owned by them and offered hereby from time to time directly or through one or more underwriters, broker-dealers or agents. If the Shares are sold through underwriters or broker-dealers, the selling stockholders will be responsible for underwriting discounts (it being understood that the selling stockholders shall not be deemed to be underwriters solely as a result of their participation in this offering) or commissions or agent’s commissions. The Shares may be sold on any national securities exchange or quotation service on which the securities may be listed or quoted at the time of sale, in the over-the-counter market or in transactions otherwise than on these exchanges or systems or in the over-the-counter market and in one or more transactions at fixed prices, at prevailing market prices at the time of the sale, at varying prices determined at the time of sale, or at negotiated prices. These sales may be effected in transactions, which may involve crosses or block transactions. The selling stockholders may use any one or more of the following methods when selling Shares:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- to or through underwriters or purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- settlement of short sales entered into after the effective date of the registration statement of which this prospectus is a part;
- at a stipulated price per Share through broker-dealers by agreement with the selling stockholders;
- through the writing or settlement of options or other hedging transactions, whether such options are listed on an options exchange or otherwise;
- a combination of any such methods of sale; and
- any other method permitted pursuant to applicable law.

The selling stockholders also may resell all or a portion of the Shares in open market transactions in reliance upon Rule 144 under the Securities Act, as amended, or the Securities Act, as permitted by that rule, or Section 4(a)(1) under the Securities Act, if available, rather than under this prospectus, provided that they meet the criteria and conform to the requirements of those provisions.

In addition, a selling stockholder that is an entity may elect to make an in-kind distribution of securities to its members, partners or stockholders pursuant to the registration statement of which this prospectus is a part by delivering a prospectus. Such members, partners or stockholders would thereby receive freely tradeable securities pursuant to the distribution through a registration statement. To the extent a distributee is an affiliate of ours (or to the extent otherwise required by law), we may file a prospectus supplement in order to permit the distributees to use the prospectus to resell the securities acquired in the distribution.

Broker-dealers engaged by the selling stockholders may arrange for other broker-dealers to participate in sales. If the selling stockholders effect such transactions by selling Shares to or through underwriters, broker-dealers or agents, such underwriters, broker-dealers or agents may receive commissions in the form of discounts,

concessions or commissions from the selling stockholders or commissions from purchasers of the Shares for whom they may act as agent or to whom they may sell as principal. Such commissions will be in amounts to be negotiated, but, except as set forth in a supplement to this Prospectus, in the case of an agency transaction will not be in excess of a customary brokerage commission in compliance with FINRA Rule 2121; and in the case of a principal transaction a markup or markdown in compliance with FINRA IM-2121.01.

In connection with sales of the Shares or otherwise, the selling stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the Shares in the course of hedging in positions they assume. The selling stockholders may also sell Shares short and if such short sale takes place after the date that this Registration Statement is declared effective by the Commission, the selling stockholders may deliver Shares covered by this prospectus to close out short positions and to return borrowed Shares in connection with such short sales. The selling stockholders may also loan or pledge Shares to broker-dealers that in turn may sell such Shares, to the extent permitted by applicable law. The selling stockholders may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction). Notwithstanding the foregoing, the selling stockholders have been advised that they may not use Shares the resale of which has been registered on this registration statement to cover short sales of our Common Stock made prior to the date the registration statement, of which this prospectus forms a part, has been declared effective by the SEC.

The selling stockholders may, from time to time, pledge or grant a security interest in some or all of the Shares owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the Shares from time to time pursuant to this prospectus or any amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act, amending, if necessary, the list of selling stockholders to include the pledgee, transferee or other successors in interest as selling stockholders under this prospectus. The selling stockholders also may transfer and donate the Shares in other circumstances in which case the transferees, donees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

The selling stockholders and any broker-dealer or agents participating in the distribution of the Shares may be deemed to be "underwriters" within the meaning of Section 2(11) of the Securities Act in connection with such sales. In such event, any commissions paid, or any discounts or concessions allowed to, any such broker-dealer or agent and any profit on the resale of the shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. Selling Stockholders who are "underwriters" within the meaning of Section 2(11) of the Securities Act will be subject to the applicable prospectus delivery requirements of the Securities Act including Rule 172 thereunder and may be subject to certain statutory liabilities of, including but not limited to, Sections 11, 12 and 17 of the Securities Act and Rule 10b-5 under the Securities Exchange Act of 1934, as amended, or the Exchange Act.

Each selling stockholder has informed the Company that it is not a registered broker-dealer and does not have any written or oral agreement or understanding, directly or indirectly, with any person to distribute the Shares. Upon the Company being notified in writing by a selling stockholder that any material arrangement has been entered into with a broker-dealer for the sale of Common Stock through a block trade, special offering, exchange distribution or secondary distribution or a purchase by a broker or dealer, a supplement to this prospectus will be filed, if required, pursuant to Rule 424(b) under the Securities Act, disclosing (i) the name of each such selling stockholder and of the participating broker-dealer(s), (ii) the number of Shares involved, (iii) the price at which such the Shares were sold, (iv) the commissions paid or discounts or concessions allowed to such broker-dealer(s), where applicable, (v) that such broker-dealer(s) did not conduct any investigation to verify the information set out or incorporated by reference in this prospectus, and (vi) other facts material to the transaction. In no event shall any broker-dealer receive fees, commissions and markups, which, in the aggregate, would exceed eight percent (8.0%).

Under the securities laws of some U.S. states, the Shares may be sold in such states only through registered or licensed brokers or dealers. In addition, in some U.S. states the Shares may not be sold unless such shares have been registered or qualified for sale in such state or an exemption from registration or qualification is available and is complied with.

There can be no assurance that any selling stockholder will sell any or all of the Shares registered pursuant to the shelf registration statement, of which this prospectus forms a part.

Each selling stockholder and any other person participating in such distribution will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including, without limitation, to the extent applicable, Regulation M of the Exchange Act, which may limit the timing of purchases and sales of any of the Shares by the selling stockholder and any other participating person. To the extent applicable, Regulation M may also restrict the ability of any person engaged in the distribution of the Shares to engage in market-making activities with respect to the Shares. All of the foregoing may affect the marketability of the Shares and the ability of any person or entity to engage in market-making activities with respect to the Shares.

We will pay all expenses of the registration of the Shares pursuant to the registration rights agreement, including, without limitation, SEC filing fees and expenses of compliance with state securities or "blue sky" laws; *provided, however*, that each selling stockholder will pay all underwriting discounts and selling commissions, if any and any related legal expenses incurred by it. We will indemnify the selling stockholders against certain liabilities, including some liabilities under the Securities Act, in accordance with the registration rights agreement, or the selling stockholders will be entitled to contribution. We may be indemnified by the selling stockholders against certain civil liabilities set forth in the registration rights agreement, including liabilities under the Securities Act, that may arise from any written information furnished to us by the selling stockholders specifically for use in this prospectus, in accordance with the related registration rights agreements, or we may be entitled to contribution.

## SELLING STOCKHOLDER NOTICE AND QUESTIONNAIRE

The undersigned holder of shares of the (i) common stock, par value \$0.0001 per share, of Selecta Biosciences, Inc. (the “Company”) and/or (ii) Series A Convertible Preferred Shares, par value \$0.0001 per share, of the Company, understands that the Company intends to file with the Securities and Exchange Commission a registration statement on Form S-3 (the “Resale Registration Statement”) for the registration and the resale under Rule 415 of the Securities Act of 1933, as amended (the “Securities Act”), of the Registrable Securities in accordance with the terms of the Securities Purchase Agreement by and among the Company and the Purchasers party thereto, dated as of November 13, 2023 (the “Agreement”). All capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Agreement.

In order to sell or otherwise dispose of any Registrable Securities pursuant to the Resale Registration Statement, a holder of Registrable Securities generally will be required to be named as a selling stockholder in the related prospectus or a supplement thereto (as so supplemented, the “Prospectus”), deliver the Prospectus to purchasers of Registrable Securities (including pursuant to Rule 172 under the Securities Act) and be bound by the provisions of the Agreement (including certain indemnification provisions, as described below). **Holders must complete and deliver this Notice and Questionnaire in order to be named as selling stockholders in the Prospectus. Holders of Registrable Securities who do not complete, execute and return this Notice and Questionnaire within ten Trading Days following the date of the Agreement (1) will not be named as selling stockholders in the Resale Registration Statement or the Prospectus and (2) may not use the Prospectus for resales of Registrable Securities.**

Certain legal consequences arise from being named as a selling stockholder in the Resale Registration Statement and the Prospectus. The undersigned hereby acknowledges and is advised of the following Question 239.10 of the Securities Act Rules Compliance and Disclosure Interpretations regarding short selling:

*“An Issuer filed a Form S-3 registration statement for a secondary offering of common stock which is not yet effective. One of the selling stockholders wanted to do a short sale of common stock “against the box” and cover the short sale with registered shares after the effective date. The issuer was advised that the short sale could not be made before the registration statement become effective, because the shares underlying the short sale are deemed to be sold at the time such sale is made. There would, therefore, be a violation of Section 5 if the shares were effectively sold prior to the effective date.”*

By returning this Questionnaire, the undersigned will be deemed to be aware of the foregoing interpretation.

I confirm that, to the best of my knowledge and belief, the foregoing statements (including without limitation the answers to this Questionnaire) are correct.

IN WITNESS WHEREOF the undersigned, by authority duly given, has caused this Questionnaire to be executed and delivered either in person or by its duly authorized agent.

Re: Retention Bonus

Dear [Name],

Reference is made to the letter you received from Selecta Biosciences, Inc. ("Selecta" or the "Company") on or about September 8, 2023, informing you of a cash retention bonus in the amount of [\$DOLLAR AMOUNT] (the "Retention Bonus") to be paid to you subject to your continued employment with Selecta in good standing through March 31, 2024.

Please be advised that the Compensation Committee of the Board of Directors of the Company has elected to pay the Retention Bonus on or about the next payroll date following the Company's entry into a definitive agreement (an "Agreement") related to the strategic transaction known as "Project Sakura" (subject to your employment with the Company on the date of the Agreement).

You are expected to make important contributions to the Company and its shareholders following the entry into the Agreement, and the Retention Bonus is being provided to you in recognition of the value of your continued service. Accordingly, if you resign from the Company and any of its subsidiaries or otherwise cease to provide services to the Company or any of its subsidiaries prior to [March 31, 2024] [June 30, 2024] (such date, the "Retention Date"), you will be obligated to immediately repay the gross amount of the Retention Bonus to the Company in full, unless your termination is due to an involuntary termination of all of your services by the Company without cause.

[In connection with the entry into the Agreement, your duties and responsibilities at the Company are evolving. As such, you are being asked to resign as an officer of the Company and any of its subsidiaries, while continuing as an employee and your role at the Company will be adjusted to [Senior Operations Advisor] [Senior Scientific Advisor] [Senior Clinical Advisor], effective as of the closing of the merger contemplated by the Agreement. You agree that these changes will not constitute "Good Reason" under your employment agreement. Provided that you continue to perform your applicable job duties and responsibilities, the Board expects that it will end your employment on December 31, 2023 and that this termination will constitute a termination "without Cause" under your employment agreement. As a result of such a termination, you will be entitled to the severance benefits described in your employment agreement. Following such termination of your employment, you will be asked to provide consulting services to the Company through the Retention Date and to be available up to 20 hours per week.]<sup>1</sup>

<sup>1</sup> Note to Draft: To be included for officers who resign.

Should you have any questions, please feel free to contact me. Thank you for your ongoing support to Selecta. Please indicate your acceptance of the terms set forth herein by both signing where indicated below and executing the attached letter of resignation.

Sincerely,

Carsten Brunn, Ph.D.  
President and CEO  
Selecta Biosciences, Inc.

Acknowledged and agreed:

## Conventional engineered cell therapy uses DNA, which can lead to toxicity and high cost

- Effector function of cell therapy engineered with DNA amplifies exponentially with cell replication, frequently leading to uncontrollable PK/PD
- Cells administered at subtherapeutic levels quickly proliferate beyond therapeutic window

### DNA transduced CAR-T associated with:

- Cytokine release syndrome (CRS)
- Neurotoxicity and parkinsonism
- Infections
- Death
- Cytopenia (from pre-treatment chemo)

### DNA CAR-T cell therapy is expensive

- Direct costs high due to viral vector manufacturing and release of final product
- Indirect costs high due to monitoring/treatment of toxicities

# Limited experience with DNA CAR-T in autoimmunity shows significant toxicity that can be incompatible with outpatient treatment

## DNA CAR-T in neuromyelitis optica<sup>1</sup>

- 12 of 12 patients with Grade 3-4 cytopenias
- 12 of 12 patients with CRS
- 7 of 12 patients with Grade  $\geq 3$  infections

## DNA CAR-T in systemic lupus erythematosus<sup>2</sup>

- 5 of 5 patients with Grade 3-4 cytopenias
- 3 of 5 patients with CRS; 1 requiring tocilizumab

## DNA CAR-T in antisynthetase syndrome<sup>3</sup>

- 1 of 1 patient with Grade  $\geq 3$  cytopenia
- 1 of 1 patient with CRS treated with tocilizumab
- 1 of 1 requiring IVIg

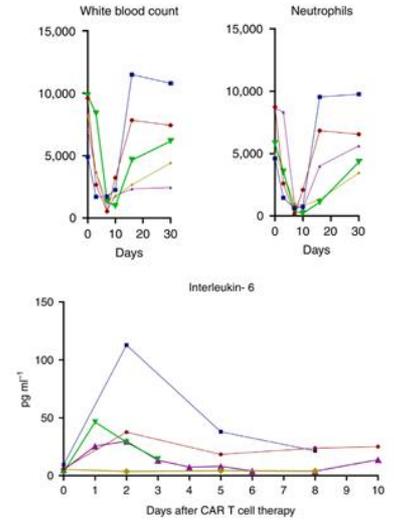

## DNA CAR-T in severe systemic sclerosis<sup>4</sup>

- 1 of 1 patient with cytopenia
- 1 of 1 patient with CRS

## DNA CAR-T in neuromyelitis optica (Phase 1 study)

## DNA CAR-T in lupus (compassionate use only)

# Cartesian's RNA approach designed to expand reach of cell therapy to autoimmunity with safer, potent, and less expensive therapies

- mRNA does not replicate → predictable half-life with more controllable PK/PD defined by the dose
- No requirement for cell proliferation → no expected need for pre-treatment chemo → no Grade 3-4 cytopenias

Descartes-08 has been **administered to 66 patients** with autoimmune diseases and cancer<sup>1</sup> with **no CRS, neurotoxicity, or infections** observed

Treatment with potential to be **administered in community clinics**

Expectation for cells to be **administered in multiple doses** and, if needed, **in more than one cycle**

rCAR-Ts have potential to be **less expensive than DNA CAR-Ts**

- Lower manufacturing costs
- Lower treatment costs since no expected need for expensive hospitalization, toxicity management, and monitoring

## Wholly-owned pipeline targets autoimmune disease

Descartes-08 Autologous rCAR-T	Myasthenia Gravis	Data from Phase 2b study expected in mid-2024

# In-house manufacturing enhances control of product quality, production schedules and costs

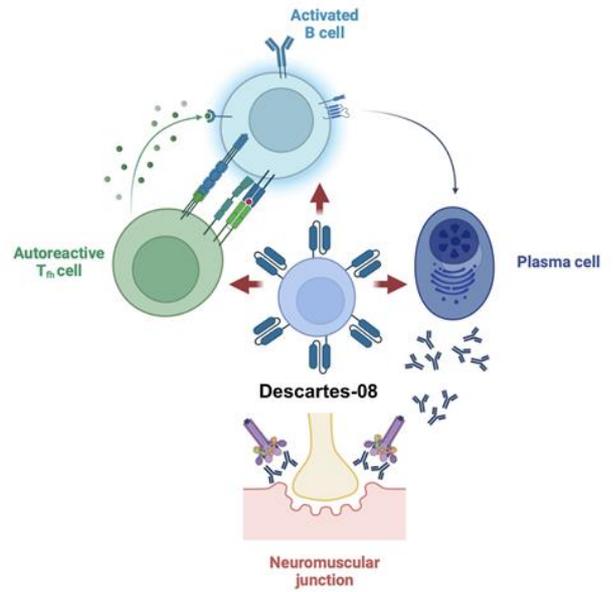

## Initial indication for Descartes-08: Myasthenia gravis

- Affects **over 120,000 patients** in US and EU
- Characterized by debilitating weakness: limbs, respiratory, ocular, facial muscles
- **Standard of care** includes **chronic use of immunosuppressants**, which are **often toxic**
  - Progressive disease that is fatal in 1/3 of patients without immunosuppressants
- Newer agents include **complement inhibitors and anti-FcRn mAbs**, which only offer **modest responses** and must be **administered chronically** to maintain those responses
- **Pathogenesis is similar across many autoimmune diseases**; involves attack on self by both T cells and B/plasma cells

## Descartes-08 is believed to be the first rCAR-T in clinical development for autoimmune disease

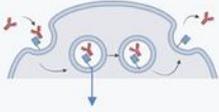

- Engineered by transfection of autologous CD8+ T cells with mRNA encoding anti-BCMA CAR
- Typical lot **processed for infusion within ~3 weeks**
- Observed to **enhance killing and suppression of inflammatory cytokine secretion** versus T cell therapies derived from pan T cell sources
- **Positive Phase 2a data** in myasthenia gravis underscores potential for deep and durable responses versus current agents
- Granted **U.S. FDA orphan designation** for generalized myasthenia gravis (2022)

### Designed to:

- Reduce target cell populations (BCMA+ or B cells)
- Reduce plasma cell ligands (Descartes-08 only)
- Reduce autoantibody
- Reduce inflammatory cytokines
- Induce dramatic shifts in T- and B- cell repertoires

Goal: Deep, durable responses

# Descartes-08 observed to induce deep and durable clinical improvement in MG

THE LANCET  
Neurology

Volume 22, Issue 7, July 2023, Pages 578-590

- **Unprecedented magnitude and duration of response** across all 4 standard MG severity scales
- Responses appear to **deepen after completing treatment** at Week 6

Efficacy dataset includes all MG patients completing the 6-dose regimen (n=10). Data are mean score improvement (point) and standard error (light blue shading). Note that QOL scale does not have an agreed-upon threshold for clinically meaningful disease improvement; MG-ADL, MGC and QMG scales are validated, quantitated, standardized instruments of disease severity and have been acceptable endpoints for registration studies.

- No dose-limiting toxicities
- No cytokine release syndrome
- No neurotoxicity
- No pre-treatment chemo, so no induced hematological toxicities

WATERTOWN, Mass. and GAITHERSBURG, MD, November 13, 2023 (GLOBE NEWSWIRE) – Selecta Biosciences, Inc. (NASDAQ: SELB) (the Company) today announced that it has merged with Cartesian Therapeutics, Inc., a clinical-stage biotechnology company pioneering RNA cell therapies for autoimmune diseases. In connection with the merger, Selecta announced a \$60.25 million private financing led by Timothy A. Springer, Ph.D., member of the Selecta Board of Directors.

With the cash from both companies at closing and the proceeds of the concurrent private financing, the combined company is expected to have over \$110 million on hand to support the development of the Cartesian pipeline through the Phase 3 study of lead product candidate, Descartes-08, a potential first-in-class RNA-engineered chimeric antigen receptor T-cell therapy (rCAR-T) for the treatment of MG, as well as the advancement of additional RNA cell therapy programs.

Concurrent with the merger, the combined company has been renamed Cartesian Therapeutics, Inc. The Company’s Nasdaq ticker symbol will change to “RNAC” effective prior to the opening of trading tomorrow, November 14, 2023.

“We are thrilled to announce our merger with Cartesian, a true pioneer in the RNA cell therapy space,” said Carsten Brunn, Ph.D., who will continue to serve as President and Chief Executive Officer of the combined company. “With several potential value-driving milestones expected in the near-term, including data from the ongoing Phase 2b study of Descartes-08 in MG expected in mid-2024, we are confident that this merger represents a significant opportunity for Selecta stockholders. Cartesian’s mission aligns seamlessly with Selecta’s commitment to advancing innovative therapies for the treatment of autoimmune diseases, and we look forward to working toward maximizing the potential of this robust pipeline and technology.”

“RNA cell therapy has the potential to overcome the challenges of using conventional, costly DNA-engineered cell therapies to treat autoimmune diseases, including their toxicity and the need for preconditioning chemotherapy,” said Murat Kalayoglu, M.D., Ph.D., Co-Founder and former Chief Executive Officer of Cartesian. “With a shared vision of bringing meaningful therapeutic options to patients with autoimmune diseases, we are confident that our novel approach can thrive under Carsten’s leadership.”

#### **Cartesian’s Portfolio and Proprietary RNA Armory® Platform**

Cartesian’s internally manufactured portfolio includes RNA cell therapies that are purposefully designed to be administered conveniently in an outpatient setting. Cartesian’s RNA-engineering approach has the potential to expand the reach of cell therapy to autoimmunity with potentially safer, potent, and less expensive therapies versus DNA analogs.

Cartesian’s proprietary technology platform, RNA Armory®, is designed to enable precision control and optimization of engineered cells for diverse cell therapies leveraging multiple modalities, including autologous, allogeneic, and *in vivo* transfection. In addition, Cartesian’s wholly owned, state-of-the-art GMP manufacturing and internal research and development capabilities potentiates the optimization of processes in a rapid and iterative manner.

Cartesian’s wholly owned pipeline includes:

- Descartes-08 is designed to be an autologous anti-BCMA rCAR-T. Descartes-08 is currently in clinical development for autoimmune diseases, including MG, a chronic autoimmune disorder that causes disabling muscle weakness and fatigue. Compared to conventional DNA-based CAR T-cell therapies, rCAR-T is designed to not require preconditioning chemotherapy, to have predictable and controllable pharmacokinetics, and to avoid the risk of genomic integration. Descartes-08 has been granted Orphan Drug Designation by the U.S. Food and Drug Administration for the treatment of MG.

Cartesian previously reported positive data from its Phase 2a study of 14 patients with MG who received six weekly infusions of Descartes-08 in the outpatient setting without preconditioning chemotherapy. In the study, the results of which were published in *The Lancet Neurology*, Descartes-08 was observed to be safe and well-tolerated and to induce deep and durable responses. Enrollment is ongoing in a Phase 2b randomized, double-blind, placebo-controlled trial (NCT04146051) in patients with MG, and topline results are expected in mid-2024.

Beyond MG, initiation of a Phase 2 study of Descartes-08 in patients with systemic lupus erythematosus, a chronic autoimmune disease that causes systemic inflammation which affects multiple organ systems, is expected in the first half of 2024. In addition, initiation of a Phase 2 ocular autoimmune basket study and a Phase 2 vasculitic autoimmune basket study is planned for mid-2024 and the second half of 2024, respectively.

- Descartes-15 is designed to be a next-generation, autologous anti-BCMA rCAR-T. In preclinical studies, Descartes-15 was observed to be significantly more potent than Descartes-08. Cartesian plans to leverage its clinical observations to date from its Descartes-08 clinical program to inform the clinical strategy for Descartes-15 for the treatment of autoantibody-associated autoimmune diseases (AAAD).
- Descartes-33 is designed to be an off-the-shelf (allogeneic) mesenchymal stem cell therapy (rMSC) for the treatment of AAAD. In preclinical studies, Descartes-33 was observed to induce potent degradation of disease-enabling neutrophil extracellular traps.

#### **Management and Organization**

The combined company will be led by Selecta's Chief Executive Officer, Carsten Brunn, Ph.D., and current Chief Financial Officer, Blaine Davis, as well as several members of the legacy Cartesian team, including Metin Kurtoglu, M.D., Ph.D., as Chief Operating Officer, Milos Miljkovic, M.D., as Chief Medical Officer, Chris Jewell, Ph.D., as Chief Scientific Officer, and Emily English, Ph.D., as Vice President of Quality. Matthew Bartholomae, J.D., Selecta's General Counsel, will continue to serve in this role.

The combined company's Board of Directors will be led by current Selecta Chairman Carrie S. Cox and will include, among others, current Selecta board member Timothy Springer, Ph.D., as well as Cartesian Co-Founders Murat Kalayoglu, M.D., Ph.D., and Michael Singer, M.D., Ph.D. All members of the Selecta Board of Directors prior to the merger will continue to serve on the Board of Directors following the closing of the transaction.

#### **Merger Terms**

The merger was structured as a stock-for-stock transaction pursuant to which all of Cartesian's outstanding equity interests were exchanged based on a fixed exchange ratio for consideration as a combination of approximately 6.7 million shares of Selecta common stock and approximately 0.38 million shares of Selecta Series A Non-Voting Convertible Preferred Stock ("Series A Preferred Stock") (or approximately 385 million shares on an as-converted-to-common basis). Concurrently with the acquisition of Cartesian, Selecta entered into a definitive agreement for a PIPE investment to raise \$60.25 million in which the investors will be issued approximately 0.15 million shares of Series A Preferred Stock (or approximately 149.3 million shares on an as-converted-to-common basis) at a price of \$403.46851 per share. Subject to approval of

the Company's stockholders, each share of Series A Preferred Stock will automatically convert into 1,000 shares of common stock, subject to certain beneficial ownership limitations. On a pro forma basis, based upon the number of shares of Selecta common stock and Series A Preferred Stock issued in the acquisition and prior to the private financing, stockholders of Selecta immediately prior to the acquisition will own approximately 26.9% of the Company on an as-converted basis immediately after giving effect to this transaction. The acquisition was approved by the Board of Directors of Selecta and the Board of Directors and stockholders of Cartesian. The closings of the transactions are not subject to the approval of Selecta stockholders. On an as-converted basis, assuming the approval of the Company's stockholders of the conversion of the Series A Preferred Stock into common stock, and after accounting for these transactions, the total number of shares of Selecta common stock will be approximately 696.2 million.

In connection with the transactions, a transferrable contingent value right (a "CVR") will be distributed to Selecta stockholders and holders of Selecta's warrants issued in 2022 (the "2022 Warrants") of record as of the close of business on December 4, 2023, but will not be distributed to holders of shares of common stock or Series A Preferred Stock issued to Cartesian or the PIPE investors in the transaction. Additionally, holders of Selecta's warrants other than the 2022 Warrants will be entitled to receive CVRs when and if such warrants are exercised. Holders of the CVR will be entitled to receive certain cash payments from proceeds received by the Company, if any, from its legacy assets, including SEL-212, following the closing of the transaction.

Leerink Partners is serving as exclusive financial advisor and private placement agent to Selecta. Covington & Burling LLP is serving as legal counsel to Selecta. Foley Hoag LLP is serving as legal counsel to Cartesian.
